PROCEEDINGS
OF THE
SIXTY-NINTH ANNUAL SESSION
OF THE
IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER
OF THE
NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA
(Iowa Corporation)

THE Sixty-ninth Annual Session of the Imperial Council was held in the Grand Ballroom of the Palmer House in Chicago, Illinois.

The Call for the Annual Session of 1943, dated at Cleveland, Ohio, June 1, 1943, being General Orders No. 2, Series of 1942-1943, and signed by Albert H. Fiebach, Imperial Potentate (President) and James H. Price, Imperial Recorder (Secretary) announcing the holding of the Sixty-ninth Annual Session of the Imperial Council in the Palmer House, at Chicago, Illinois, on Tuesday, Wednesday and Thursday, July 6th, 7th and 8th, 1943, beginning at 10:00 o'clock a.m. on Tuesday, July 6, 1943, was duly mailed to each member of the Imperial Council.

OPENING EXERCISES

TUESDAY, JULY 6, 1943, 10:20 A. M.

The inspirational opening exercises were held under the direction and supervision of the following Committee:

Illustrious Nobles Morley E. MacKenzie, Rameses Temple, and Alfred G. Arvold, El Zagal Temple, Co-chairmen, Louis Chackes, Ainad Temple, Henry Cain, Anezeh Temple, William H. Scott, Arabia Temple, Richard L. Bowron, Zamora Temple.

Illustrious Noble Alfred G. Arvold, Imperial Chief Rabban, spent several days in Chicago, prior to the Session, and is entitled to the credit for evolving the conception and beautiful execution of the plan. He was ably assisted by other members of the Committee and Illustrious Noble Charles J. Retterer, Potentate, and other Nobles of Medinah Temple. Grateful acknowledgment is made of the services of the Patrol, Chanters and soloists of the Temple. We are specially indebted to Noble Sig J. Chakow, a member of Medinah Temple and a valued employe and technical expert of the Palmer

House, who was efficient and untiring in his cooperation. Special mention should also be made of the orators of this occasion whose services were of the highest order and in keeping with the loftiest traditions of the Order.

The story is fully told in the following pages and marks a "new high" in the annals of the Imperial Council.

(While the Nobles were assembling, Norma Ballard played the organ. Medinah Temple Chanters were grouped in the north balcony. At the rear of the stage were displayed the colors of the Allied Nations. At the opening Medinah Temple Patrol marched down the center aisle, and through the opened ranks, Illustrious Noble Charles J. Retterer, Potentate of Medinah Temple, advanced to the platform and took charge of the meeting. The various officers and distinguished guests were then escorted to the stage and introduced to the audience. After the Imperial Officers had taken their places, Medinah Patrol with flags moved to the back of the stage and formed behind the chairs a "V" representing Victory.

Potentate RETTERER: (Announcing the approach of the participants in the demonstration) The Imperial Potentates of "Yesteryears." The Imperial Officers of Today. The City and State Officials. The Fraternal Representatives.

PRESENTATION OF THE COLORS

Potentate RETTERER: The Flag of the Shrine. (Medinah Chanters sang "Stout Hearted Men.")

The Flag of Mexico. The Tribute will be paid by Noble Henry Cain after which Mexico's National Anthem will be sung by Noble Charles L. Sears, of Medinah Temple.

(The Mexican flag was then escorted to the platform and received by Illustrious Noble Harold Lloyd, Imperial Marshal, who held it in the center of the stage during the tribute, after which it was posted at the left of the platform.)

Noble CAIN (Anezeh Temple): Nobles, I pay tribute to the flag of Mexico, our neighbor to the south, our ally, and my adopted country.

About the fifth century a tribe of Indians living in what is now the southern part of the United States prayed for a more bountiful land, and they were led by their God, who told them to go until they reached a lake, and in this lake would be a rock, and on that rock would be growing a cactus, and on that cactus an eagle would be holding a snake in its mouth. For that reason these scenes are a part of the emblem that represents the founding of the country of Mexico. The green represents independence, the white religion, and the red, union of the various peoples that make up the country.

It is said by one historian that the green symbolizes the beautiful landscape, that the white represents the gray hairs of Hidalgo, the Father of his Country, the priest who declared from his pulpit that Mexico was a free and independent country; and that the red symbolizes the blood of Morelos, another patriot and priest who was murdered after his capture by the Spanish.

I take great pleasure today in paying tribute to this flag for the great part which our ally is doing in the cause of liberty. It is true Mexico has no army of her own in the field, but there are Mexican boys on every front today. The Mexican Government is cooperating in every way possible with our own. She is keeping the border clear of spies and saboteurs, and she is putting forth every effort to produce all the products of her mines, her woods and of her farms, in order that the Allies may have plenty of material with which to carry on this great conflict.

Last, but not least, she has already sent one half million men to our fields and factories in order that our own boys may be released to go to the front, and she has another half million ready when we need them. (Applause)

The Mexican National Anthem was then sung in Spanish by Noble Charles L. Sears, of Medinah Temple.

Potentate RETTERER: The Flag of Canada. The Tribute will be paid by Noble Wallace Bunton, after which Medinah Chanters will sing "God Save the King."

(The Canadian flag was escorted to the platform, received by Illustrious Noble William Heim, Imperial Second Ceremonial Master, and after the tribute it was placed at the side of the Mexican flag.)

Noble WALLACE BUNTON (Rameses Temple): It is my privilege, pleasure, and honor to salute, and present to this 69th Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, the Flag of the British Empire, of which Canada is a great part.

It is a flag that floats over a free Nation where the will of the citizen is the law of the land. In some countries, namely, Germany, Italy, and Japan, the flag is a flag of the few who enjoy the good things of life, while the great majority must live without opportunity. But, under the Union Jack, the poorest boy may rise to the highest position in the Nation. No law will keep him down; no law will interfere with his religion or his speech; he can feel free from want and fear. No one will decide where he must work and what he must do; the long arm of the Government will protect him while he is doing right.

The flag brings unity of purpose and action and bequeaths the noble tradition in which all will share. It is a bond which is bringing into closer and ever closer union, the loose fabric of scattered communities that form our Nation.

Many times, we have seen our flag hanging from its staff, or waving proudly in the breeze, but have we ever stopped to think and ask the question: "What does it mean to us?" The answer reverberates: "I am the Flag of your Country; not just a piece of colored cloth. My beautiful blend of colors—do they not stir the deep emotion of your soul?"

The red stands for the blood of the heroes shed for the Nation, showing courage, zeal, and fervency. It is the color of strength, and stands for the life of a Nation that is strong in the cause of righteousness.

White is for purity, and purity in a nation means purity of purpose, honesty, truth, cleanliness of life, and rectitude of conduct.

Blue, the color of the skies, stands for loyalty. We say of a loyal friend that he is "true blue." Loyalty in a nation means just the same thing as loyalty in a boy or girl. It means that a loyal nation, at whatever cost, must be true to its principles—just and devoted; true to its word, and faithful to its friends.

Then the cross in that flag is a symbol of suffering borne willingly for others. It is a reminder to meet bravely what difficulties may come to us. The flag that floats so bravely in the breeze means a great deal to each of us. It is the symbol of the Nation to which we are so proud to belong. Its colors are our colors and it is our united strength, purity, and loyalty that provide the power which makes the great heart of the Nation throb.

Our enemies show their true colors by the disease which afflicts them, namely, "Italian lumbago"—in other words, a stab in the back. But regardless of these traitors, the stars will continue to shine in the blue Heavens, and the stars will continue to shine with the stripes in your great American flag of red, white and blue; and flying together, by the help of God, victory is sure.

In no better way could our flag be presented than by quoting the poem written by Frederick George Scott which embodies such glorious truths:

THE COLOURS OF THE FLAG

What is the blue on our flag, boys?
 The waves of the boundless sea,
 Where our vessels ride in their tameless pride
 And the feet of the winds are free;
 From the sun and smiles of the coral isles
 To the ice of the South and North,
 With dauntless tread through tempests dread
 The guardian ships go forth.

What is the white on our flag, boys?
 The honor of our land,
 Which burns in our sight like a beacon light,
 And stands while the hills shall stand;
 Yes, dearer than fame is our land's great name,
 And we fight, wherever we be,
 For the mothers and wives that pray for the lives
 Of the brave hearts over the sea.

What is the red on our flag, boys?
 The blood of our heroes slain
 On the burning sands in the wild waste lands
 And the froth of the purple main.
 And it cries to God from the crimsoned sod,
 And the crest of the waves outrolled,
 That He send us men to fight again
 As our fathers fought of old.

We'll stand by the dear old flag, boys,
 Whatever be said or done,
 Though the shots come fast, as we face the blast,
 And the foe be ten to one;
 Though our only reward be the thrust of a sword
 And a bullet in heart or brain,
 What matters how long, if the flag floats on
 And united world's freedom we gain.

(Applause)

Potentate RETTERER: The Flag of the United States. The tribute will be given by Illustrious Noble Hubert M. Poteat, Imperial Captain of the Guard, after which "The Star Spangled Banner" will be sung by Noble Earl Wilk, of Medinah Chanters.

(The United States flag was then advanced to the platform, received by Illustrious Noble Roland D. Baldwin, Imperial Outer Guard, and after tribute by Illustrious Noble Poteat was placed at the right of the platform.)

Illustrious Noble POTEAT (Sudan Temple): Symbols speak a language ancient, universal, compelling. In all the ages they have been employed—to point a moral, to aid in the building of character, to fire human hearts for struggle and conflict, to present spiritual truth. The world's greatest teachers have understood well the fact that men learn more quickly and surely through the eye than through the ear, and thus they have filled their philosophies and their religious teachings with pictures and stories. All of us know that throughout the degrees of Freemasonry and the Shrine symbols and emblems bring to us their eloquent messages, to guide our feet in the paths of courage, justice, wisdom, toleration, mercy, and charity. It is, therefore, quite natural that Shriners, at a Shrine meeting, should pause to do honor to the Flag, for the Flag is also a symbol.

But there is another consideration that fills our souls today with solemn, holy joy as we pay our tribute to the flag. Every Mason knows that almost all of the mighty men who laid the foundations of this Republic were Masons and that they built into those foundations, deeply and immovably, the great cardinal principles of the fraternity. And on this sixth day of July, 1943, our Flag, symbol of our blessed country, and the Flag of the Dominion of Canada, and the Flag of the Republic of Mexico, and the flags of all the other United Nations, snap in every wind that blows over this tortured earth as they lead our sons and daughters, our brothers and sisters, to glorious victory.

Nobody can be dogmatic about symbols, for they may suggest to different men wholly different truths. So with the flag. Let us use what is left of my five minutes to tell you what the flag says to me, a citizen, a Mason, a Shriner.

In the first place it says, Be loyal! Now loyalty involves several activities and attitudes. For example, the loyal citizen and Shriner will always take an intelligent interest in public affairs; for he well knows that the only siege gun that will ever blast professional politicians, tub-thumping alley cats in tail coats, and fifth-rate vaudeville clowns out of their seats of honor is intelli-

gence armed with the ballot. And God knows we could use a good deal more of it in America today. Moreover, loyalty demands active support of those whom the people elect to office so long, and only so long, as their conduct is above reproach and their policies sound and constructive. But I remind you, Nobles, that there is a gulf as wide as the world between honest criticism of our Government and efforts to defy and overthrow it, and the flag tells me that it is my duty to fight with every atom of my strength the extension among our people of propaganda, of treachery, of "isms" of all sorts, of fantastic political ideas which seek to destroy the fabric of democracy, to wipe out in blood and tears all we hold dear, to set up some horrid synthetic monster in place of the freedom we cherish and for which we fight today on every battlefield of the world.

Furthermore, and most particularly, loyalty requires us to support with all our strength the unrelenting prosecution of the war until total, final, complete victory is won. If we who stay at home must learn to get on without this and that, what of it? We have a job to do, the most important job to which mortal men ever set their hands; and in spite of Hitler and Hirohito, hell and high water, we are going to do it.

In the second place, the flag says to me, Be good! There can be no liberty without law—law which is the distillation, the crystallization, of the lessons of experience and judgment and the expression of the will of the people. I must therefore obey the law, cheerfully and strictly.

But I do not believe I am straining my interpretation of the symbolism of the flag when I insist that goodness means more than obedience to the law of the land. "Blessed is the nation whose God is the Lord"; "Righteousness exalteth a nation: but sin is a reproach to any people." Belief in and reverence for the Grand Artificer of the Universe is the first and most important lesson you and I learned in Masonry; and our great fraternity, every branch of it, should and must stand shoulder to shoulder with all the churches of the living God in glorifying His great name and in fighting the good fight against the enemies of His Kingdom.

Finally, the flag says to me, Be proud! Now we read in the Book of Proverbs, "Pride goeth before destruction, and an haughty spirit before a fall." I am not thinking of that variety of pride. The pride which I hold it my duty and my joy to feel as I look at my flag is a sober and serious emotion, compounded of a profound conviction that our form of government is, inherently and essentially good, of a deep inner happiness because our brief annals are bright and unsullied, of ardent gratitude to Almighty God for our clean and vigorous racial heritage and for the sun-crowned future that stretches out ahead.

And so, Nobles, the flag says to me symbolically, Be loyal, be good, be proud! And as it waves today over our fair land, I fancy I can hear this mighty anthem rising to heaven in full-throated harmony:

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.

O beautiful for pilgrim feet,
Whose stern impassioned stress
A thoroughfare for freedom beat
Across the wilderness.

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undimmed by human tears!

America! America! God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!

(Applause)

Potentate RETTERER: The Pledge of Allegiance.

The Pledge of Allegiance to the Flag was then given by the audience, led by Imperial Potentate Albert H. Fiebach.

The Lord's Prayer—Noble Charles L. Sears, Medinah Temple, and the Chanters.

At this point the back curtain at the top of the stage was parted, revealing a large globe showing North America and South America, upon the top of which stood a lady in the costume of Liberty Enlightening the World, holding aloft a lighted torch.

Potentate RETTERER: Let us all remain standing for one moment in honor of our boys serving the Allied Nations in all parts of the world.

At this time we will have greetings from the City. Ladies and Nobles, it is my pleasure to introduce His Honor, Noble Oscar E. Hewitt, representing the City of Chicago.

"Chicago, She's a Grand Old Town"—Medinah Chanters.

Noble HEWITT: Imperial Potentate, Ladies and Nobles—Greetings to all of you—to each of you.

I speak on behalf of Mayor Kelly, who regrets very much that he is unable to be present. He remembers distinctly and with considerable pleasure his appearance before you last year.

Chicago is honored by having so many prominent and distinguished guests in so many lines of endeavor. I remember reading about former Governor Price of Virginia. I have read more recently and more of Governor Bricker of Ohio. I have seen what Harold Lloyd looks like from several angles. I was a newspaper reporter when Governor Green was following that trade. I have purchased a hundred garbage trucks from former Governor Heil of Wisconsin. This city has received valuable information from two experts from Honolulu on rat control, and the Mayor of that city, Illustrious Noble Petrie, Recorder of Aloha Temple, is present. Illustrious Noble MacKenzie of Toronto, the Imperial Potentate in the bud, has also traveled to this session. I would that I could welcome every one of you.

I speak so infrequently and so falteringly that I deemed it prudent to jot down my brief remarks. I can not compete with Governor Green who is usually fluent, occasionally eloquent and nearly always interesting.

Let me say this with sincerity: The Ancient Arabic Order of the Nobles of the Mystic Shrine is more than welcome. The city is highly pleased to have you here.

As a lowly private in the rear ranks of the Shrine I have often wondered why the word "Mystic" was placed in the title of the Order. With so many Illustrious and Imperial Potentates present it is highly probable that the correct answer is in the room.

There is much that is material, substantial and actual in the Shrine; and the most prominent (to me) of these realistic features is the care bestowed upon children.

An organization that has invested 15 or 16 millions in hospitals for children is not mystic in that respect. In a realistic world, helping the helpless springs from the highest of motives.

The Shrine has selected as its wards the most helpless of the children—the crippled children, some of them deformed, some diseased, and all handicapped. Any child is admitted whether his parents are Protestant, Catholic, Jewish, Mohammedan, Confucian, Buddhist or any other religion.

An Order that spends about \$1,000,000 a year to house, clothe, feed, provide medical attention and care is worthy of the highest respect and has earned admiration all over the Nation. All this is done to give the fettered children a break in life, to put them on a par with normal children.

If you please, a freedom of opportunity.

No parade, with its color, character and symbolic significance would be appropriate this year.

The marchers these days are the boys with real guns. They're battling the Japs, the "Wops" and the "Huns." They are battling for several freedoms, but the one that appeals to me most is the freedom of opportunity—the thing which the Shrine is attempting to give the crippled children.

May I make these observations:

The Shrine has become an old institution, as typically New World as our own constitution.

Preservation of things like our very own Shrine is an American example of the effort to hold the world in line.

As he inspired thousands upon thousands with his Ben Hur, General Lew Wallace intended to inspire the Shriners in action, as well as thought, and the care of crippled children is a realization of that hope.

Who wouldn't be proud to welcome the Imperial Council. (Applause)

POTENTATE RETTERER: Nobles, we of Medinah are mighty proud and mighty happy to have the Governor as a member of Medinah. I want you to know that he is a regular fellow. At this time I introduce to you His Excellency, Noble Dwight H. Green, Governor of the State of Illinois.

"My Illinois"—Medinah Chanters.

GOVERNOR GREEN: Thank you, Potentate Retterer. Imperial Potentate, Past Imperial Potentates, Fellow Nobles of the Mystic Shrine and their ladies, Fellow Americans:

It gives me a great deal of pleasure to be here this morning. I am just trying to figure out at the moment whether my good friend Noble Oscar Hewitt, who brought the greetings from the Mayor of the city, was supposed to set the tone of all welcoming addresses that are to be delivered here. It seemed as though he got every Governor who is a Shriner in the dog house—buying garbage trucks of Governor Heil himself, and he made some mention about receiving a treatise regarding rats, as I understood it, and he tells you that he has heard me speak often and that at times I speak interestingly.

Now, Oscar, maybe I felt a little bit like you did when you were invited to come here and deliver the welcoming address. I was a little skeptical as to whether I could be present. The reason for that was that the Illinois General Assembly finished its session only a few days ago. Under our Constitution they have six months to do the job. They convene in January and stay until the first of July. They don't do very much the first three months. Then they get down to business and generally the last three days is when the real business is done. (Laughter) They passed four hundred bills in the last three days of the session. Those are all coming to my desk, so you can see that I am going to have a few busy moments for a while.

But when I did receive the very kind invitation to come here and welcome all of these great Nobles from the Temples of North America, I felt that I should respond. I was very, very anxious to be here. I felt very much like the colored boy who one day was praying to the Lord. He was earnestly praying with all the vigor, with all the might and the force he had in his body. He was saying "O Lord, O Lord, call me and use me. Call me and use me, if only in an advisory capacity." (Laughter) And I feel that I am only here in an advisory capacity today.

After seeing what the Legislature has brought me, I can tell you a little story about our General Assembly. I assume that the same is true in every state, the sessions of the Legislature are opened with prayer. Members of the General Assembly from week to week invite friends of the clergy to come there, and any minister who is present at the time has the privilege of delivering the invocation at the opening of the morning session of the Legislature. This member of the clergy one day became rather oratorical in the deliverance of his invocation, and he was going along at a great rate and he finally reached the point where he said: "God save the President of the United States; God save the governor of this great state; God save the lieutenant governor of this great state; and while this august body is gathered here discussing the monumental problems with which they are confronted, God save the people back home." (Laughter) I sometimes feel that way, although that is all a part of what we choose to describe—the phraseology that we all like—as the American system of government and the American way of life.

It is really a great inspiration to me to be here today in remembrance of the Mystic Shrine represented in the Imperial Council here, knowing as I do that they are all men who have taken their places in their own particular communities. It has always been my thought that every person in order to be a good citizen should take his place first of all in his own community, assuming his share of the civic responsibilities and then discharge them to the best of his ability. And all we have to do is to look upon the history of our great Order to know that it has been tried, it has been tested, it has been tested by fire, it has been tested by sword. We know that Masonry has never flinched in any way. Masonry has been up against this basic idea with which we are battling today, this idea of combating dictators, of combating the totalitarian form of government in order that we might have freedom for everyone. That is not new to Masons. They have been through these things in years gone by, for centuries past; and it has come through these emergencies with flying colors, and it is going to come through this one with flying colors.

We have seen the members of our Order accepting leadership in all kinds of drives, War Bond drives, Salvage drives, and all of those things that are so very necessary for a citizenry to perform under our form of government. We know the objectives for which we are fighting today. We know the basic principles that must be preserved. We know them because they are the basic principles upon which our form of government is based; and we know that it is the same principles that the great Order of Masonry represent. Certainly with the objectives and the purposes and the principles for which we stand and which we seek to carry out in the course of our daily lives, we know that that is the thing upon which we are basing this fight today. And it is the kind of spirit and determination that is reflected by Masons, not only in America but all over the world. That is the kind of spirit and determination that will bring the victory that we all desire so very, very much.

We owe that obligation and performance of our duties here and on the home front to those boys of ours who are in this battle, in this global war we are now fighting on battlefronts, some forty or more in number. We owe an obligation to them that we shall do our part here on the home front, by not only preserving the thing that they love and the thing that they knew, but to bring about a better America, a better place for them when they return from this war.

And this kind of thinking that is brought about by Masons living according to the basic principles of Masonry, will enable us to preserve for those boys the very thing that they are out there fighting for. Let it never be said that by virtue of any neglect on our part here on the home front they lost the very thing that they are fighting for. And I know that with the spirit and the determination and the kind of thinking that is always and ever present among Masons, that that kind of spirit and determination will bring victory to us and to all of our allies.

Victory will be ours because we are a strong and a united people. Victory will be ours because our cause is a righteous cause. Victory will be

ours because free people gathered together as we are here today in this Imperial Council, giving their thought to people all over the world, making the greatest contribution of all, is the thing that will bring victory, and in bringing victory we will preserve freedom for Americans everywhere. (Applause)

Thank you. It has been a great pleasure to be here, and I sincerely hope that again next year the Imperial Council will see fit to come to our great State where we can again welcome you as we take pride in doing in Illinois. Thank you. (Applause)

Potentate RETTERER: Thank you, Noble Green. The response will be made by Illustrious Noble Alfred G. Arvold, Imperial Chief Rabbân, Ancient Arabic Order of the Nobles of the Mystic Shrine for North America.

Imperial Chief Rabbân ARVOLD: Imperial Sir, members of the Imperial Divan, Illustrious Potentates and Nobles of the Mystic Shrine for North America:

It is strange that the lights came on when I came forward. But thinking of the padagogue made famous by Washington Irving, Ichabod Crane, following in the footsteps of Noble Oscar Hewitt and Noble Dwight Green is a rather difficult thing to do this morning. But I can say on behalf of the Shrine, consisting of over 300,000 Nobles who have "met upon the level and parted on the square," that we are grateful to the city of Chicago for its splendid reception. We appreciate this fine State of Illinois with its glorious past and its courageous future, and above all we are thankful to the Nobility of Medinah Temple under the leadership of Illustrious Noble Charles Retterer, who has been untiring, along with many other Nobles, in his efforts to make this particular meeting a success.

Yes, they are thankful to him, and they are thankful to that dynamo of the Palmer House, Noble Sig J. Chakow, for the splendid work that he has done in assisting the man who is standing before you in carrying out this program this morning.

The Shrine, Nobles, beats in my heart like it does in your heart; it thrills my soul like it thrills your soul; and it is ever uppermost in my mind as it is in your mind. Thank you. (Applause)

Potentate RETTERER: Illustrious Noble Arvold, I just want to make this simple statement that if Medinah has done anything to make this Session a success I want to assure you it has been a pleasure to do so.

Ladies and Nobles, last night about 12:30 I had a telephone call informing me that the Grand Commander of the Grand Commandery of Illinois could not be able to be present here today. He has graciously sent us a substitute, and at this time it is my pleasure to introduce Noble Raymond Winkelman, who is Grand Prelate of the Grand Commandery of Knights Templar of Illinois.

Noble WINKLEMAN: Illustrious Potentate, His Excellency the Governor, Imperial Potentate Fiebach, Illustrious Sirs, Nobles and Ladies:

As you have been informed by our Illustrious Potentate, he received a telephone call that the Grand Commander of Knights Templar of the State of Illinois could not be here today as he had hoped. The Grand Commander called me earlier in the day to the same effect.

You were informed just a little while ago that Illustrious Noble Charlie Retterer is a busy man. I called him at the hotel at five o'clock. He finally called me at 12:30 and said, "What is the news?" And I said, "The Grand Commander finds it necessary to be in Rockford." Ladies and Nobles, the Grand Commander is in war work, and be that as it may, he found it necessary to be at home to meet with attorneys on special war duties.

This is my second substitution for him, having been at the Shrine Directors' meeting in March in this building. This is my second opportunity to meet with the people I know best, the people I like the best—Masons and Shriners. (Applause)

I therefore bring you greetings from the Grand Commandery of Knights Templar of the State of Illinois, from the Grand Commander, R. E. Sir Warren Archie MacCollum, and from 15,000 Knights Templar of the State of Illinois. I trust that when this meeting has come to a close, when this session has finished its deliberations, you will more fully appreciate that the Shrine is a real organization and that you will carry back with you the impression and the thought that the Shrine is the place for men. And, ladies, when your husband, your friend or sweetheart, tells you he is going to the Shrine, believe me he is going there. Thank you. (Applause)

Potentate RETTERER: Thank you, Noble Winkleman. I just want you to know that Ray belongs to the same Commandery in which I have the honor to have membership. It is pretty hard for me to keep all these titles in order. We are also honored in having with us today Brother Frank Grote, who is Most Illustrious Grand Master of the Grand Council of Royal and Select Masters, and it is my pleasure to call on Brother Grote for a few remarks.

Grand Master GROTE: Imperial Potentate, Your Excellency the Governor, and Nobles of the Mystic Shrine:

It was my pleasure last year to come here as Deputy Master of the Grand Council of Illinois to extend to you the greetings of the Grand Council of Illinois. At this time I come as the Most Illustrious Grand Master. At that time the Grand Master was living in the southern part of the state and was unable to be here. However, it has always been a pleasure to meet with Masons, no matter where they are, whether they are in the Shrine, or in the Commandery, or in whatever branch. I have always found them to be delightful associates.

Today we are up against serious troubles that affect all of us, and many of the things we would like to do we cannot. And like the Grand Commander who was not able to be here on account of war work, I can only be here a short time for the same reason. However, I am pleased to be here and extend to you the greetings and the best wishes of the organization that

I represent, and I wish you every success in your meeting here today. We are glad to have you in Illinois. (Applause)

Potentate RETTERER: Thank you very much, Brother Grote. We are also honored by having with us Noble Inbusch, Deputy General Grand Master of the General Grand Council, Royal and Select Masters of the U. S. A.

Deputy Grand Master CHARLES INBUSCH: Imperial Sir, Distinguished Guests, Ladies and Distinguished Nobles of this Imperial Council:

It is a rare privilege and pleasure for me to be here representing the General Grand Master of the General Grand Council of the United States and to bring to you his personal greetings and the good will of well over a hundred thousand Cryptic Rite Masons.

We have always believed in the full cooperation of all Masonic bodies, and although the Shrine may technically not be one of the branches of Masonry, it is, nevertheless, in the eyes of the public, and it is in fact truly Masonic because only Masons can belong.

We in the Shrine can be justly proud of the practical application of our Shrine and Masonic teachings of charity, brotherly help and affection, especially in the justly meritorious effort of aiding the crippled children. That truly charitable undertaking has brought to the Shrine and to Masonry the appreciation and the respect of the world. To serve our fellowmen is a privilege, to aid the unfortunate is a virtue, to be a true Noble of the Mystic Shrine is an honor. Nobles, we of the Cryptic Rite salute you. (Applause)

Potentate RETTERER: Imperial Sir, Ladies and Nobles, I have known the Noble I am about to introduce for so many years I just had to bring him up here to say a few words. This good Noble is Noble Charles N. Orr, who is the Most Eminent Grand Master of the Grand Encampment of Knights Templar of the United States of America. He was elevated to that high station in Chicago just a short time ago, I know that he is not only a good Noble but he is also a good Knight Templar. I want you to know him. I personally am very, very pleased to have him here, that you may hear a few words from him at this time.

Noble CHARLES ORR (Osman Temple): Imperial Potentate and Divan, and Members of the Shrine—I shall not attempt to make an address, because I am not altogether familiar with the nomenclature of this Order.

I might easily have had a personal representative here, but I chose to come myself. I cannot at the opening allow the implications of Governor Green to go unchallenged when he states to you that the Legislature of his own state went home unwept, unhonored and unsung. It is my own personal experience from a background of more than three decades that members of the Legislature are just as good as the people who send them there, and no better.

I recognize the fact that there is no opportunity this morning to deal with trite and abstract themes; therefore for the moment I purpose to do little more than acknowledge my obligation as a guest. I come to you in the simple

fez of a Shriner which I have worn, I hope with honor to myself—I know with pleasure to myself—for more than thirty years. It was presented to me by my own Temple, and I am very, very proud of it, and proud of their co-operation through a great many years.

I come to you this morning representing a body which is one of the two approaches to your organization, a body whose mission, as I see it, is to make plain the pathway of humanity back to the manger where selfishness and hate and greed first died away and surrendered to the glory of God. I recognize the fact that we have reached a time in our life when we must get back to our spiritual consciousness, back to our spiritual life, back to a state of mind where love gains precedence over greed, courage over fear, sacrifice over success.

It seems to me that Masonry offers an opportunity at this hour. I was deep in the work of Masonry at the close of the last war, and a young man talked to me saying that they had received so many kindnesses from Masons while they were in the service that they were buying all the Masonry they could with the money that they had; and so I think the future of Masonry probably looks brighter.

We have had a lot of talk about planning for the aftermath of the war, and that is important too for organizations like ours. It is important too to recognize that we want to lay the plans now, if we are to reap substantial benefits from what is to follow.

Now I admit that I came here with a bit of selfish spirit. I came here for the purpose of asking you to do something for me. More than a month ago in this very charming city I was elected Most Eminent Grand Master of the Grand Encampment of Knights Templar of the United States of America, with Commanderies in Shanghai, in the Philippines, in Hawaii and in the Canal Zone. Some of them are not doing so very well. But I say to you Shriners that I did not accept that office to seek temporary public honor. And that is of importance to you, because there is only one other pathway from which to gather your membership. So I want you to help me do something along the line of organization.

I can still come to you because through many, many years I have gone to the Shrine in my own state, and never were they found wanting, and throughout more than three decades I do not think I have missed more than about six ceremonials of my own Temple, Osman, of St. Paul.

Now I realize that we must have unity in Masonry if we are going anywhere or accomplish anything. You remember that history tells us the story of Aesop, the old man who lay dying, and he called his four sons before him and he handed them little twigs and asked them to break them, which they did readily. And then he combined all the twigs in one bundle, and not all the force and energy of all his sons could break the bundle. We can draw a little lesson from that story.

We ought to have unity among all Masonic bodies if we are going to do anything. If the three million Masons of this country are going to exercise the power and the influence that they ought to exercise, it must be because we have unity of purpose. Every branch of Masonry that I know any-

thing about, and I think I have taken and received honors in most all of them, is busy helping men to feel their way towards God. Templar Masonry, of all the bodies, is founded upon the birth, resignation and life of Him who found no place to lay His head and who deliberately selected His kingdom in the realms of the gutter and the street. I came here this morning in the hope that I would find Grand Representatives of every Order of Masons here, because there is no body that now can be said to represent Masonry as a whole. But if you could get all the heads of all the bodies together, and they could outline a purpose it would be most helpful. While you are not a Masonic organization you are an organization of Masons, and a powerful one, and in any place where Masons sit down to counsel you are entitled to recognition.

It is in that spirit that I come to you this morning, and plead for that unity that Masonry must have and in which you can play so important a part. This is my message. I should be unfair to myself if I did not in closing just express my very deep appreciation for the opportunity of sitting here and witnessing this wonderful opening. Back of it somewhere was a good man—there always is—and I have seen nothing more beautiful. I compliment you on it and thank you kindly. (Applause)

Potentate RETTERER: Thank you, Most Eminent Grand Master Orr.

Nobles, as you all know, Chicago is quite a hub for all the different railroads of the country. This is probably the reason that Chicago again has this Imperial Council Session. But we of Chicago have been honored during the past year by having three visits from a certain Noble who has endeared himself to us, and I know you are anxious to hear from him. At this time it is my pleasure to call upon Illustrious Noble Albert H. Fiebach, Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America. (Applause)

Imperial Potentate FIEBACH: Illustrious Potentate Charlie Retterer, Distinguished East, Ladies and Nobles of the Mystic Shrine, and Friends:

After this gorgeous spectacle that we have had an opportunity to witness this morning I no longer feel sorry for the Mystic Shrine in being deprived of street parades, band concerts and spectacles of this general character, because I think this spectacle that we have had this morning means more to us at this time than any other kind of pageantry that could be brought to us.

I am grateful to you, Illustrious Potentate Retterer, and to your Temple for the part you have played in making this marvelous Imperial Council opening possible for us. (Applause) And I am grateful to you, Senator Orr, and he is a Senator—believe it or not—a Senator in the State Senate of the great State of Minnesota, and has been for many, many years; but I am grateful to you particularly as the head of Templar Masonry in the United States for these words of welcome and encouragement that you have given us this morning.

I am grateful to you, Deputy Grand Master of the General Grand Council in Cryptic Masonry for the message you have given us this morning, and

to the Representatives of Cryptic and Templar Masonry in the State of Illinois. Our deep gratitude goes to you.

Senator Orr has spoken of Masonry united. My distinguished predecessor spent his entire year last year in talking to Shriners and Masons everywhere on the virtue, the great necessity, if you please, of absolute Masonic unity in all our branches, with the Shrine, if we are to have prosperity and happiness in symbolic Masonry, York Rite Masonry, Scottish Rite Masonry, or the Shrine, and I would like to have you pay a little tribute of respect to Past Imperial Potentate Thomas C. Law at this moment for the wonderful work he did last year. (Applause)

I am happy to tell you, ladies and Nobles, that due to his work and your work I am the first Imperial Potentate in sixteen years who is able to report a gain in Shrine membership. The past calendar year. (Applause) 1942 showed a gain, the first one since 1926. To this grand Noble I attribute much of the credit for that fine accomplishment. But I am happy to tell you that through the enthusiasm of the Potentates and Chief Rabbans and their associate officers and their Nobility we have already received reports from our subordinate Temples of more creations during the first six months of this year than we had during the entire year 1942. (Applause) And we can only attribute that happy circumstance to the fine work of these great Nobles and Masons who have taken to heart the lessons they have received and have worked in unity and harmony in all the branches of our Masonic system, including the Shrine.

And to you, Your Excellency Dwight Green, Governor of Illinois, and to you Noble Hewitt as the representative of the city government of this great city of Chicago, our hearts go out in grateful thanks for the fine words of welcome and encouragement that you have given us this morning.

To those distinguished Nobles who delivered tributes to the flags of their countries, we are indebted also; and to my dear friend and fellow officer, Illustrious Noble Hubert Poteat, for the beautiful tribute to the flag of our country (Applause) our hearts go out, sir, in deep gratitude.

Now, Illustrious Potentate Retterer, I see some cameras in the gallery and I wondered if the photographer had now arrived and wished to take a picture of this scene on the stage. If that is the case I would like everyone to remain seated in the gallery until that picture is taken, and then I have a few more words to say in tribute to those who have made this marvelous spectacle possible, and I know you will want to stay and pay your tribute for the wonderful work that has been done. Will you proceed with the picture now? (Photograph taken.)

Potentate RETTERER: Thank you, Imperial Sir.

Medinah Temple Chanters.

Imperial Potentate FIEBACH: Now, ladies and Nobles, I feel I would be remiss if I did not give credit to those who have made this wonderful opening ceremony possible. But before I do that I want to refer to some correspondence that we have had with some other distinguished Masons who regretted they could not be here this morning. The Grand High Priest of the General

Grand Chapter of the United States, Most Excellent Companion Ray Denslow, of Missouri, had another engagement which prevented his being here today, and he sent his regrets and greetings and felicitations to the Nobles here assembled.

Grand Commander John H. Cowles, of Washington, the head of Scottish Rite Masonry in the Southern Jurisdiction sent his regrets, and likewise his greetings and felicitations to the Imperial Council.

And then I have a letter from the head of the Scottish Rite Masonry in the Northern Jurisdiction of the United States, which I wish to read to you:

Please accept my hearty thanks for your kind invitation to attend the Imperial Council Session to be held at the Palmer House, Chicago, July 6, 7 and 8. It will be impossible for me to be with you upon this occasion, hence please accept for yourself and extend to the other officers and members present my cordial felicitations.

Sincerely and fraternally,

MELVIN M. JOHNSON,
Sovereign Grand Commander.

Now, Nobles, I think you all agree with me that we ought to pay our tribute to the man who has made this opening possible. It was his conception and he came here two weeks ago to execute it, and with the fine Nobles of Medinah Temple and the fine assistance and cooperation of Noble Sig J. Chakow, the engineer of the Palmer House, who looked after the electrical properties, and with the assistance of the Medinah Units who so capably aided us this morning, he has done a marvelous job. I want to pay our tribute to the co-chairman of the Opening Pageant Committee, Alfred G. Arvold, Chief Rabban of the Imperial Council. I would like to have you come up here, Al. (Applause) We are deeply indebted to you, sir, and I know that all of us have enjoyed this opening ceremony.

Noble Arvold bowed and said, "Play something from Grieg." Whereupon the organist played "Hall of the Mountain King" as he took his seat.

Imperial Potentate FIEBACH: Now as soon as Potentate Retterer has made a few announcements, and these will be interesting to you, this session of the Imperial Council will be adjourned until two o'clock this afternoon. Illustrious Noble Charles Retterer.

Potentate RETTERER: Nobles, May I have your attention just a few moments, please. I want to apologize to the Nobles here from Canada and Mexico for my failure to call the Nobles to attention at the time honor was paid to their respective flags. I most humbly beg their pardon, and I assure you it was my mistake. (Making several announcements.)

As you all know we are in war. Food is very hard to secure. I know that the Imperial Council has tried to make arrangements to serve you a lunch today and tomorrow, but due to the inability of the Palmer House to do so, the plan had to be abandoned. The boys of Medinah have gone out and we secured a few hams. We have also secured some amber fluid. So if you will all retire to room 17 on the floor above after this session

has adjourned we will try to give you a few sandwiches. We want to thank you for being here, and thank you for your kind attention.

(12:05 p. m.)

TUESDAY, JULY 6, 1943,

Afternoon Session.

IMPERIAL Potentate ALBERT H. FIEBACH (2:25 p. m.): Nobles, we are now twenty-five minutes late. Exercising my prerogative and on the information furnished me by the Imperial Outer Guard I find that none is present save Nobles of the Mystic Shrine, and therefore I will waive all further forms and ceremonies and declare the Sixty-ninth Session of the Imperial Council open and ready for business.

The Imperial Recorder will lay before you the order of business. What is the first order of business, Imperial Recorder?

Imperial Recorder JAMES H. PRICE: Report of the Credentials Committee.

Imperial Potentate FIEBACH: Is the Committee on Credentials ready to report? Illustrious Noble J. Harry Spence, former Recorder and present Potentate of Karnak Temple, Montreal, Canada.

Noble J. HARRY SPENCE (Karnak Temple): (Reading)

Imperial Potentate FIEBACH: (Reading)

Annual Address of the Imperial Potentate

To the Officers and Representatives of the Imperial Council in the Sixty-Ninth Session and to the Nobility throughout the World:

Gloomy as the prospect appeared when we left Chicago a year ago, discouraging as the war news was at the time from all our far-flung battle fronts, our task was undertaken with firm resolution, and our year has been filled with thrilling experiences. History repeats itself. With civilization standing at the very crossroads of destiny, at a time of national crisis and peril, men are impelled to turn to the serious philosophy of life. Moved by these impulses they naturally seek light and refuge in Masonry and the Shrine. Here they find the most congenial forum for the profession of their belief in God and of their devotion to Country and to Flag. Symbolic Masonry has prospered, as has the York Rite, the Scottish Rite, and the Shrine. Last year, for the first time since 1926, our Order showed a gain. With 12,321 creations and 4,485 restorations we showed a net gain of 1,121. This year our creations for the first six months have exceeded the creations for the entire year 1942, and if the same enthusiasm is continued to the end of December, this year will go down as a banner year in the annals of the Shrine.

One point of weakness, however, must be recognized. During 1941 we had 7,326 restorations, and in 1942 our restorations dropped to 4,485. With the loss of nearly half of our membership since 1926 it is apparent that there are thousands of unaffiliated Masons and Shriners who should be brought back into our fold. Many of them were earnest and sincere members and were forced to drop out through no fault of their own. Each and every one of them is a Monument to our failure. They are pointed out by the uninitiated as proof of our ineffectiveness, *It seems, therefore, more important to secure the restoration of a suspended Noble than to secure a new member.* During the coming months it is urged that a special drive be carried on in every temple in our jurisdiction to secure the restoration of every former member who still has the desire to be enrolled with us.

The brightest page in our report is the amazing support given to our great philanthropy,—The Shriners' Hospitals for Crippled Children. The campaign for permanent contributing memberships surpassed all expectations. During the same time we received from other sources, gifts and bequests which have increased our Permanent Endowment Fund to more than ten millions of dollars. The future of our merciful institutions is now assured. What was a dream only a few years ago has now become a reality and, for your loyalty and devotion to this noble cause, you have my everlasting gratitude.

OUR DEAD

"Not silent are these hallowed dead,
 A richer, eloquence survives.
 We have from these who've gone ahead,
 The Inspiration of their lives.
 In all they were and all they gave
 We hear them calling from the grave.

"They once enriched these council halls,
 Not long ago their smiles we knew,
 But now their inspiration falls
 On all we dare and all we do.
 And in their splendor we can see
 The peaks of true nobility.

"They speak to us in memory,
 Nor time nor change can dim their worth,
 What though their forms we cannot see,
 Pale death is but a gentler birth,
 Now from their spirit land they call
 To strengthen and sustain us all."

NOBLE EDGAR A. GUEST

As we gather for the Sixty-ninth Annual Session of the Imperial Council, our hearts are saddened by the absence of several influential former members of this distinguished body who have been gathered home since our last session. We shall miss them in our deliberations, but we are inspired by the record of their lives and services, and encouraged and stimulated to continue the splendid work to which these departed Nobles made such worth-while contributions. All of them have erected enduring monuments in the hearts and affections of their friends and associates.

One of the most beautiful and eloquent tributes ever paid to our departed Nobility was penned by the gifted Illustrious Noble Hugh M. Tate, of honored memory, and presented to the Imperial Council at its session in Miami, Florida in 1928.

Among many lovely sentiments, Illustrious Noble Tate said:

"Nobles, as that magnificent parade of Temple units passed in review on Tuesday, the thought came to us that all of us, all the hundreds of thousands of Shriners, are marching, marching, marching. Some of the units in that parade were assigned to early positions in the line of march, while others were assigned to come later, but all, all marched, and there came a time for each unit when it passed in review before the Imperial Potentate to drop out of the line of march and seek shelter under the spreading palm trees of beautiful Miami.

"And so, Nobles, each of us is a unit in that parade which is marching, marching, constantly marching. Some are assigned to earlier places in the parade, while some are required longer to bear the heat and burden of the day, but there comes for each the time when he must inevitably pass in re-

view and fall out of line. These, our fellow Nobles, who have during the past year, mounted the Black Camel and gone hence, have simply been assigned to the earlier positions in the line of march. They have passed in review before the Imperial Potentate of the Universe, have dropped out of the line and are now sheltered by the green and beautiful trees of Elysium. They 'rest from their labors and their works do follow them.' We are all units of the same procession and we should do well to reflect upon their success and to emulate their example."

These good Nobles have simply gone on before, and await our coming "in the Beautiful Isle of Somewhere."

Since our last session two outstanding Past Imperial Potentates have answered the final summons, both having passed the fourscore mile-stone—not only rich in years, but rich also in constructive accomplishment and in the love and affection of their associates.

The first, Illustrious Noble Conrad Verplanck Dykeman, passed away in his home city of Brooklyn, New York, on January 11, 1943. Illustrious Noble Dykeman was a dynamic character, a genial and delightful companion, and thoroughly devoted to the interests of the Shrine. He will be greatly missed in the Imperial Council and in his other associations.

I appointed Past Imperial Potentate Clarence M. Dunbar, a life-long friend of Past Imperial Potentate Dykeman, to represent the Imperial Council at the funeral services.

Just as this address was being prepared, word was received that Illustrious Noble James S. McCandless, another distinguished Past Imperial Potentate, had ended his earthly career in his home city of Honolulu, on May 25, 1943. Affectionately known as "Sunny Jim," he had a host of friends. He was deeply interested in everything that pertained to the Shrine or the Imperial Council, and had a remarkable career. His constructive service to the Shrine, and his inimitable sunny disposition, and good fellowship made him a great favorite.

It is rather singular that these two Past Imperial Potentates were intimately associated in their valued services to the Imperial Council. Past Imperial Potentate McCandless presided over the memorable session of the Imperial Council held in Washington in 1923, and he was succeeded in office by Past Imperial Potentate Dykeman at the same session. Noble and President Warren G. Harding participated in the activities of this session.

We deeply regret to announce that the following Emeriti Members of the Imperial Council have passed away during the year:

Charles Miller, Korein Temple
Mike H. Thomas, Hella Temple
Frank J. Zumstein, Syrian Temple
Victor Wankowski, Al Bahr Temple

Numbers of deaths in the official life of Subordinate Temples have been reported, among them one reigning Potentate, Illustrious Noble Joseph S. Bossler, of Algeria Temple, one of the most delightful Nobles of my

acquaintance; also, Junior Past Potentate Leander Schaidt of Ali Ghan Temple who was our genial host.

The recent passing of Illustrious Noble George M. Hendee, Past Potentate of Melha Temple of Springfield, Massachusetts, and for several years Chairman of the Board of the Springfield Unit, Shriners' Hospitals for Crippled Children, a wonderfully fine outstanding Shriner, will bring sorrow to the hearts of many of the Nobility. I called to see him on the occasion of my official visitation to Melha Temple, April 2, 1943.

We regret that the limits of this address will not permit a more extended tribute to the memories of all these good Nobles. They have been a tower of strength to the Shrine and they have meant a great deal to us personally. The Necrology Committee, however, will record in more detail our personal love and affection for them, and our deep appreciation of their services.

Mrs. Fiebach accompanied me on all but ten of these visitations. In spite of travel congestion, bureaucratic restrictions and limitations, we were able to keep every engagement without any exception whatsoever, a result that can be attributed only to kind Providence. Three temples could not be reached because of war conditions, namely: Aloha, Abou Saad, and Philae. Several others extended cordial invitations for visitations which could not be complied with because of conflicting engagements,—much to our regret. Almost invariably these temples were represented by their Potentates or Divans on visitations to nearby temples. Everywhere we experienced the most generous hospitality, and we are deeply indebted for all the courtesies shown us along the way. Mrs. Fiebach particularly enjoyed her contacts with the Shrine ladies and members of appendant orders. Time or space will not permit the recounting of the many delightful affairs we were privileged to attend. The *Shrine News* has carried many of the essential details.

In addition to the above events, in many cities Rotary Club luncheons were attended, and in Oakland, California, and San Antonio, Texas, the International President of Rotary was the guest of honor. In San Francisco, California, an opportunity was given to take part in the world-wide broadcast of our great football classic, the Shrine East-West game, and in many other cities invitations were accepted to address radio audiences, including Galloway Calhoun's famous Sunday School forum in the First Methodist Church of Tyler, Texas, which is broadcast over all East Texas.

All through the year our road has been strewn with evidences of loving friendship and our hearts have been touched by the consideration and thoughtfulness of our hosts. Our appreciation can best be expressed in the words of the poet, thus:

*Friendship is a chain of gold
Shaped in God's all perfect mold;
Each link a smile, a laugh, a tear,
A grip of the hand, a word of cheer;
As steadfast as the ages roll,
Binding closer soul to soul;
No matter how far or heavy the load,
Sweet is the journey on Friendship's Road.*

SPECIAL OCCASIONS

While I should like to mention especially a great many of my delightful visitations, the limits of this address make this impossible. I would like to mention, however, three or four important occasions which appear to me to have special significance.

I visited Michigan Council of Deliberation, at Grand Rapids, Michigan, on October 10, 1942 where I was presented by Noble Clark W. McKenzie, 33°. I was received by Illustrious George E. Bushnell, 33° Active, Deputy for Michigan, and Commander-in-Chief of the Council of Deliberation, who extended the Grand Honors and invited me to the East for some remarks.

I also attended the meeting of the Supreme Council, 33°, for the Northern Masonic Jurisdiction at Boston, Massachusetts, on September 22 and 23, 1942, where I took my accustomed place as Assistant Conductor of the class.

The Red Cross of Constantine Annual Conclave, was held at Milwaukee, Wisconsin, on May 22, 1943. I was present at this distinguished gathering, and was honored by being elevated to the office of Grand Almoner of that Order.

I was present at the Triennial Session of the Grand Encampment K. T. of the United States of America at Chicago, Illinois, May 24, 1943, where I was presented at the opening session by Past Imperial Potentate Thomas C. Law, and received by the Most Eminent Grand Master, Harry G. Pollard, Past Potentate of Aleppo Temple, who invited me to the East and called on me for some brief remarks immediately following Most Puissant Sovereign Grand Commander Melvin M. Johnson, 33°, Northern Masonic Jurisdiction.

HONORING OUR ILLUSTRIOUS DEAD

During my visitations I placed wreaths on the graves of Past Imperial Potentates as follows:

George L. Brown, Ismailia Temple
Alvah P. Clayton, Moila Temple
John F. Treat, El Zagal Temple
William J. Cunningham, Boumi Temple

William W. Irwin, Osiris Temple
 Ernest A. Cutts, Alee Temple
 James E. Chandler, Ararat Temple
 James C. Burger, El Jebel Temple
 Esten A. Fletcher, Damascus Temple
 Dana S. Williams, Kora Temple
 George F. Olendorf, Abou Ben Adhem Temple

I also placed wreaths upon the graves of former Emeriti Members of the Imperial Council as follows:

H. G. Getchell, Moila Temple
 John W. Holtman, Moila Temple
 Richings J. Shand, Ansar Temple
 Les E. Walton, Abou Ben Adhem Temple

I was also privileged to place a beautiful wreath at the tomb of Abraham Lincoln, in Springfield, Illinois.

SPECIAL CALLS

June and I were delighted to have the pleasure of visiting the following widows of Past Imperial Potentates:

Mrs. Alvah P. Clayton
 Mrs. Esten A. Fletcher
 Mrs. Dana S. Williams
 Mrs. Walter S. Sugden
 Mrs. George F. Olendorf

We also paid a visit to Mrs. James R. Watt, widow of the late Secretary of the Hospital Board.

VISITS TO THE SICK

On the occasion of my visitations to the various Temples, I made a number of visits to Nobles who were confined to hospitals or their individual homes on account of illness. These visits were not limited to the officers of the Temples, but in many instances to the loyal workers and Past Potentates. This practice is productive of fine results, and I commend it to my successors. The tributes paid to the individual by the Office created a fine impression, and, incidentally, it brings a lot of personal satisfaction to the Imperial Potentate.

DISPENSATIONS GRANTED

Quite a number of special dispensations were issued during the year, largely due to renewed interest in the Shrine, and greater activity among the Temples. All applications were carefully considered, and it is believed that these special dispensations contributed to the best interests of the Shrine. Many of them concerned candidates, who are connected with the war effort. As usual, some few of them were issued out of an abundance of precaution. The list is as follows:

July 10, 1942, Antioch Temple—To hold a Ceremonial Session of the Temple on July 21, 1942, to confer the Order of the Mystic Shrine upon Brother Clarence Arthur Schorr, an elected candidate of the Temple.

August 4, 1942, Aahmes Temple—To hold a Ceremonial Session of the Temple at Oakland, California, for the purpose of conferring the Order of the Mystic Shrine upon Brothers George Crain, Albert P. Barretto, W. Gove Dower and S. C. Anderson, elected candidates of the Temple all of whom are officers of the Merchant Marine, and never in port for extended periods.

August 27, 1942, Aahmes Temple—To hold a Ceremonial Session of the Temple at Oakland, California, for the purpose of obligating Brothers Roy Brice Brown and Al Cohn elected candidates of the Temple, and who by reason of the fact that they are members of the United States Army were only in Oakland for a brief period.

September 12, 1942, Jerusalem Temple—To hold a Ceremonial Session of the Temple at New Orleans, La., to communicate the Order of the Mystic Shrine upon Brother Meredith Billeter, an elected candidate, who was expecting almost daily a call to duty as a mariner.

September 25, 1942, Mahi Temple—To hold a Ceremonial Session on October 6, 1942, to obligate Brother Spencer Howell, an elected candidate, who was under orders to report for duty in the U. S. Army.

October 2, 1942, Moolah Temple—To hold the Stated Session of the Temple, scheduled for November 18, 1942, in connection with a Ceremonial Session on November 21, 1942, instead of the date provided by the By-Laws for the greater convenience of the Nobility.

October 5, 1942, Aladdin Temple—To hold a Ceremonial Session of the Temple at Columbus, Ohio, on October 9, 1942, to obligate Brother Ralph Wharton Wilkins, an elected candidate of the Temple.

October 16, 1942, Jerusalem Temple—To hold a Ceremonial Session of the Temple, at New Orleans, La., on October 26, 1942, for the purpose of obligating Brothers, James Baker and Edward Brook, Jr., elected candidates of the Temple on account of reasons which seemed sufficient.

October 27, 1942, Hadi Temple—To hold the Stated Session of the Temple on November 16, 1942 instead of the date provided by the By-Laws for the reason that the regular place of meeting was not available on the date set aside by the By-Laws.

October 28, 1942, Aahmes Temple—To hold a Ceremonial Session of the Temple at Oakland, California, for the purpose of obligating Brother William Carlyle Sanderson, who was elected at a session of the Temple on October 21, 1942, and who was expecting a call to active service in the Armed Forces of the United States.

November 3, 1942, Morocco Temple—To hold a Stated Session of the Temple on November 18, 1942 instead of November 11, 1942, as provided by the By-Laws for the reason that the latter date fell on a holiday.

November 3, 1942, Hillah Temple—To hold the regular annual business session of the Temple on January 8, 1943, instead of January 1, 1943, the date

provided by the Temple's By-Laws, for the reason that the latter date falls on a legal holiday.

Temple at Calais, Maine, for the purpose of obligating certain elected candidates of the Temple, for reasons which appeared satisfactory.

April 15, 1943, Tigris Temple—To hold a Business and Ceremonial Session on May 26, 1943 instead of May 19, 1943, the date provided in the Temple's By-Laws for the reason that the Temple's regular meeting place was not available on the latter date.

April 19, 1943, Irem Temple—To hold the regular monthly Stated Session on April 30, 1943, instead of April 21, 1943, the date provided by the Temple's By-Laws, for the reason that the latter date occurred during Holy Week, a period set apart for religious observances.

April 20, 1943, Rizpah Temple—To hold a Ceremonial Session at Benton, Ky., on May 27, 1943 to confer the Order of the Mystic Shrine on a class of elected candidates of Rizpah Temple, permission having been granted by Kosair, El Hasa and Oleika Temples, being all the other Temples in Kentucky, for this Ceremonial Session in concurrent territory.

June 21, 1943, Al Bahr Temple—To hold a Business Session of the Temple on Friday, July 23, 1943, instead of July 9, 1943, the date of the regular quarterly Business Session, for the reason that several officers of the Temple will be in attendance upon the Annual Session of the Imperial Council on the latter date.

June 25, 1943, Nile Temple—To conduct a Pilgrimage to the Territory of Alaska, and to hold Ceremonial Sessions for the initiation of candidates

BY LAWS

I have approved By-Laws and amendments to By-Laws in the following cases upon the recommendation of the Chairman of the Committee on Jurisprudence and Laws:

<i>Temples</i>	<i>Date of Approval</i>
Aladdin.....	December 23, 1942
El Kalah.....	March 3, 1943
Al Bahr.....	March 3, 1943
El Zagal.....	March 3, 1943
Egypt.....	March 9, 1943
Ararat.....	March 24, 1943
Aahmes.....	March 24, 1943
Hadi.....	June 1, 1943
Al Malaikah.....	June 1, 1943
El Karubah.....	June 1, 1943

These By-Laws and amendments will be submitted for the further consideration of the Committee on Jurisprudence and Laws at this session of the Imperial Council, after which they will be presented to the Imperial Council for adoption as required by law.

I am pleased to commend the Chairman of the Committee for his diligence and care in the consideration of the By-Laws of these various Temples.

It is pleasing to note that Temples are giving the preparation of By-Laws more thoughtful care and attention. Long and involved By-Laws are sources many times of difficulties in interpretation and construction. They should be simple in form and content. The By-Laws and Code of the Imperial Council cover the field very comprehensively.

The By-Laws of Sudan Temple have not been returned to the Imperial Recorder's office at the date of this report.

OFFICIAL DECISIONS

The Imperial Potentate has few dull and uninteresting moments during the course of his year's work. Discussions of Shrine problems and inquiries of various kinds occupy the greater part of every visitation. Many of the matters submitted are readily solved by proper reference to the Imperial By-Laws and Code. The present year's work has not developed many questions for decision, and this is always true when the Temples are in flourishing condition, and the spirit and atmosphere of the Shrine are conducive of good fellowship as has, fortunately, been the case this year. I am reporting only those decisions which are of general interest, the most of which are cases of first impression, as follows:

- (1) The Recorder of a Texas Temple inquired whether the Order of

the Mystic Shrine might be conferred without cost upon soldiers, who were either Knights-Templar, or 32nd Degree Scottish Rite Masons.

I replied to this inquiry by calling attention to Section 90 of the By-Laws of the Iowa Corporation. This provision is mandatory. While some concessions have been made to Nobles who are now in the Armed Forces of the United States, no provision has been made to initiate candidate without the payment of the fee.

(2) One of the Temples of the Imperial Council some years ago adopted By-Laws containing the following provisions:

"The Order of Noble of the Mystic Shrine *shall not be conferred for less than the sum of \$50* which shall accompany the petition, etc." The object of this by-law was evidently to leave the exact amount of the initiation fee to be determined by resolution of the Temple, and changed as circumstances seemed to suggest, without going to the trouble of amending the By-Laws.

I ruled that the exact amount of the initiation fee should be incorporated in the By-Laws, so that the Nobility and prospective candidates will know what has to be paid to join the Order.

(3) One of our mid-western Temples inquired whether Representatives to the Imperial Council might be elected collectively where there was no opposition to any of them. In other words, the Temple desired to know whether it would be proper on motion to suspend the rules and instruct the Recorder or some other individual to cast the unanimous ballot of the Temple for the Nobles nominated where there was no contest.

I ruled that the ballot might be cast in this manner where there was no opposition. It is well to remind the Temples that to adopt this procedure requires the unanimous vote of the Temple.

(4) A Recorder submitted the following question which had arisen in his Temple:

A Life Member of the Temple, and a contributing member of the Hospital Fund sought to transfer his Scottish Rite membership from one of the Consistories of the State to another Consistory located at the seat of the Temple. The Noble had already paid his dues for the year 1942-1943 in the Consistory in which he had held membership, and from which he had secured a dimit. On depositing his dimit in the other Consistory he was refused membership. Later he requested his 1943 Shrine card in the Temple in which he held Life Membership.

I ruled that under the circumstances he was entitled to his 1943 Shrine card.

(5) A Temple requested a dispensation authorizing it to accept the resignation of the Assistant Rabban which had been voluntarily submitted. The officer wishing to resign was not present at the annual election of the Temple, and was installed by proxy. He had not attended any meetings of the Temple since his election. However, his name was certified to the Imperial Recorder on the regular report of the election of officers as being elected to the position of Assistant Rabban. Later, he submitted his resignation.

I held that the Imperial Code forbids the resignation of the Assistant Rabban, and, therefore, the Imperial Potentate could not issue a dispensation to accept the resignation and elect a new Assistant Rabban.

(6) The Recorder of a Southern Temple located where a great many visitors come during the year and accept courtesies from the local Temples, inquired whether these good Nobles might secure dual memberships.

I ruled that Section 253 of the Imperial Code forbids the holding of dual memberships.

(7) The Imperial Recorder calls my attention to a conflict between Sections 272 and 274 regarding the effective date of By-Laws and amendments to By-Laws.

I am referring this question to the Committee on Jurisprudence and Laws.

SHRINE RECORDERS' ASSOCIATION

I am pleased to commend the activities of this worth-while organization. My impressions of the work of the Association have come from my contacts with the Temples and the Recorders throughout the jurisdiction. I have had occasion to personally contact the Recorders, and the response has been most gratifying. The Association has been well-officered, and an effort has been made to improve the work of the Recorders' offices throughout the jurisdiction, and to create a spirit of cooperation among the Subordinate Temples. The personal touch means a great deal in our relationships. I am glad to endorse the constructive programs of the Association.

SHRINE DIRECTORS' ASSOCIATION

It was my privilege to attend the annual meeting of the Shrine Directors' Association held in Chicago, during the latter part of March, and to witness the interest and devotion of this large group of Nobles who are making every effort to dignify the second section, and to keep the atmosphere clean and wholesome and free of criticism. Every courtesy was accorded me and I have very delightful recollections of my contacts. To those of us who remember the activities of other days, the work of the Directors and the improvements which they have made stand out as a real contribution to the Shrine. In the course of my visitations, I have found practically no violations of the spirit and purpose of the second section. The Association has my endorsement. I wish that more of our officers availed themselves of the opportunities to encourage these good Nobles.

MEETING OF IMPERIAL DIVAN AND BOARDS OF DIRECTORS

A very important meeting of the members of the Imperial Divan and the Boards of Directors was held in Pittsburgh, Pa., on January 21st and 22nd, as the guests of Syria Temple. These meetings between sessions of the Imperial Council have proved very helpful and constructive, and serve the very desirable objective of keeping the members of the Imperial Divan in intimate touch with the business affairs of the Imperial Council. The informal discussions constitute fine training for the members of the Divan who must ere long assume the duties and responsibilities of leadership.

The splendid hospitality of Syria Temple under the leadership of Imperial Oriental Guide, Illustrious Noble Karl Rex Hammers and the officers of Syria Temple was in keeping with the best traditions of this great Temple and we are deeply grateful.

APPOINTMENT OF ACCOUNTANT AND SELECTION OF GENERAL COUNSEL

In accordance with Section 39 of the Imperial By-Laws and with the approval of the Board of Directors, I reappointed Noble Parry Barnes, Certified Public Accountant, of Ararat Temple, to examine the books, papers, and accounts of the Imperial Treasurer, Imperial Recorder, Shriners' Hospitals for Crippled Children, and all other Committees and Boards that may have control of the expenditures of moneys of the Imperial Council, and the usual excellent reports have gone out to the officers and Representatives as contemplated by law.

I desire also to announce the unanimous selection by the Board of Directors of Illustrious Noble Robert P. Smith, of Almas Temple, as General Counsel for the present year. Illustrious Noble Smith has made a wonderful contribution to the Imperial Council in this capacity and he has been most cooperative in handling an unusual volume of legal work during the year.

SHRINERS' HOSPITALS FOR CRIPPLED CHILDREN

Firmly as I believe in the original purpose and intent of the Order of the Mystic Shrine and its importance in the world today as a morale builder, not only among our Armed Forces but also among our civilian population, it would have been difficult to justify, to the complete satisfaction of the uninitiated, our activities during the past epoch-making year had it not been for our interest in and support of our great philanthropy, The Shriners' Hospitals for Crippled Children. On all the foregoing visitations it has been a joy to me to lift my voice in praise of the merciful work that has been carried on under the direction of our Board of Trustees with Hon. W. Freeland Kendrick as Chairman. He has given his very life to the cause and is devoting the greater portion of his time to the administration of his office as chairman of the board and president of the Colorado corporation *without one cent of salary or compensation*. The burdens of his office have multiplied many times during the past few years, and during the past twelve months our Life Membership drive has heaped upon his office a mass of correspondence and detail of colossal proportion. His words of praise, written in recognition of outstanding service by Potentates and chairmen of committees, have invariably inspired greater zeal and effort in this noble cause. The addition of one million dollars to our Permanent Endowment Fund through this activity is only a part of the benefits we have received from his untiring efforts. Millions more have and will be received from gifts and legacies induced by his brilliant leadership, and I move that here and now we give him a rising vote of thanks and confidence.

During the year June and I have visited fourteen of our fifteen hospitals. We were unable to reach the Hospital in Honolulu because of travel restric-

tions, but the two in Canada and the twelve in the United States have been inspected and in every one of these institutions we have been thrilled and exalted by the interest, devotion and skill of the staff and the happy reactions of our little patients. We should not be satisfied until every member of our Order has made a visit to one, at least, of these merciful institutions.

BUSINESS ADMINISTRATION OF THE HOSPITALS

In the preparation of this report I have been so much impressed with the responsibilities carried by the General Counsel and the business problems of the Shriners' Hospitals for Crippled Children which must be handled under the direction of the Board of Trustees that I am incorporating a special paragraph on this subject for the information of the Nobility.

The Shriners' Hospitals for Crippled Children have practically all the problems of a large business corporation. One of the chief duties of the General Counsel is to handle all matters arising which may involve the existence or operation of any of our five large corporations in the states of Colorado, Iowa, Georgia and Massachusetts, and the Dominion of Canada. He has the legal supervision of the fifteen hospitals operated by the Colorado Corporation and is frequently required to pass upon the duties of the members of the local Boards of Governors, and questions arising out of the administration of the Hospitals and contracts which may be entered into by them. All the endowment contracts and amendments thereto with banks which hold the Endowment funds are prepared in the office of the General Counsel to coincide with the laws of the places where these banks are located. There are approximately five hundred active estate files, about half of which are being administered as testamentary trusts for the life of prior beneficiaries, the remainder, or a portion thereof, to come eventually to our organization. These testamentary trusts, including holdings of real estate, total approximately \$10,000,000.00, and the office of the General Counsel is the only contact with the trustees during the administration of the estate for prior beneficiaries. These accounts must be verified, and records kept of the assets contained in these trust funds. The General Counsel handles all litigation and prepares the necessary pleadings and other papers or has the same done under his supervision.

When real estate is held by our organization, for instance, the buildings must be kept insured, the taxes paid and when and if the property is sold the negotiations must be supervised, the title papers examined and the whole transaction followed through by the General Counsel.

One of the most difficult and frequent problems is the determination and settlement of questions of Federal and State taxation. This frequently involves an examination of the Federal Statutes and the laws of the various states.

In the case of an indeterminate interest in the residual portion of an estate sometimes an entire court record must be reviewed and examined. Care must be taken to see that the amount received from an estate in any event correctly represents our interests. This is very important whatever the terms of the will may be.

The duties of General Counsel involve a world of details which are being handled most efficiently. The care and preservation of an estate or of property owned by the Corporation is one of the most important duties of the Board of Trustees assisted by the General Counsel.

MEMBERSHIP COMMITTEE

Much credit is due this committee and its capable chairman, Illustrious Noble Munger T. Ball, for the fine work that has been done in studying and analyzing our membership problem and in preparing tables and charts for our information and guidance. The weak links in our chain are clearly pointed out by these charts. Strange as it may seem, the northeastern part of our country seems to be the last to come out of the recession. For that reason a vice chairman of this committee has been appointed in this territory in the hope that he may visit and counsel with the Temples that are still showing losses. It is hoped that before the end of this year gains will be registered in all parts of our jurisdiction.

RELATIONS WITH MASONIC BODIES

A vast improvement in the relations of the Shrine with Symbolic Masonry and the prerequisite bodies is observable throughout our jurisdiction. Much of the credit for this happy condition is due to the efforts of immediate Past Imperial Potentate Thomas C. Law. During his entire year he stressed the importance of harmony and cooperation among all Masonic bodies, including the Shrine, and it is hoped that this "Masonic Unity" may be fostered and encouraged through the coming years.

SHRINE NEWS

During the past year, twelve issues of the *Shrine News* have been published. In addition to the Imperial Potentate's message and the account of his travels and the letter of the Chairman of the Hospital Board, each issue has been filled with timely topics of general information. The National Publication committee and the editor are to be commended for the fair and judicious manner in which they have selected these items. Obviously, all material sent in cannot be published in a four-page news letter.

A similar news letter has for some time been published by the Supreme Council, 33°, Scottish Rite for the Southern Jurisdiction, which is furnished free to all members, and recently a similar news letter has been started by the Supreme Council, 33°, Scottish Rite for the Northern Jurisdiction, which is furnished free to officers of subordinate bodies and honorary members of the Scottish Rite. These are both invaluable aids for the inter-exchange of important Masonic news and information. While a charge is made for our *Shrine News* letter of approximately one-half cent per copy, it is humiliating to find that less than one-half the Temples in our jurisdiction have been willing to pay six cents per year per member in order to make this valuable publication available to all members enrolled. If it contained nothing except the inspirational monthly message of the Chairman of our Hospital Board it would seem to be worth \$18,000, plus postage, in order to place it in the

hands of every Noble of the Mystic Shrine, and it is recommended that appropriate action be taken at this session to accomplish this result.

WAR ACTIVITIES AND RELIEF

During the past eighteen months our countries have been at war, fighting against the most brutal and despicable forces the world has ever known. Our civilization and our way of life are in the balance. Naturally, Masonry and the Shrine are supporting our Governments to the utmost in the war effort. We have all suffered deprivations and losses. Restrictions and limitations have been imposed upon us. Yet, we have borne all with cheerful determination. Our Order has been among the first to do its full share. Our Shrines and our hospitals have invested heavily in War Bonds. Many of our temples have led the campaigns for the sale of these securities in their respective communities, and our War Chest has been increased by millions through these activities. Many of our temples have assisted the American Red Cross in securing contributions to the blood plasma banks, Al Malaikah Temple of Los Angeles having secured 2,600 blood donors in a single drive.

There are these and many other proofs of our loyalty and devotion to our country's cause and yet the present time calls for heroic action. Our boys in the Armed Forces yearn for the touch of a helping hand, and nowhere is that desire better satisfied than in our Masonic Service Association Centers located in various camps throughout our country. During the past two years contributions have been made to this organization aggregating \$10,000. I believe we should double or treble the previous contribution at this time and that an equal amount should be given to the American Red Cross and other War Relief agencies. I also urge every temple in North America to place the Masonic Service Association on its approved list of War Relief agencies and do everything possible to further its interest, bearing in mind that our own Imperial Captain of the Guard, Hubert M. Poteat, is a member of the Executive Commission and that Noble Carl H. Claudy, Most Worshipful Grand Master of the Grand Lodge of the District of Columbia, is its Executive Secretary.

COMMITTEE ON SPECIAL GIFTS AND DONATIONS

In response to numerous suggestions a new committee has been appointed on Special Gifts and Donations, with Past Potentate George Sexton, Jr., of El Karubah Temple, Shreveport, Louisiana, as Chairman. His service to our hospitals as Secretary of the local board of the Shreveport Unit and his outstanding service to our cause in arranging a broadcast over many of the Southern stations of the celebration of the Twentieth Anniversary of the opening of this unit, seem to fit him particularly for this assignment. It is hoped that through the activity of this committee a large list of prospects may be secured from the jurisdiction of each of our 159 subordinate temples to whom an appeal can be made for special contributions to our hospitals during the present era. This effort should result not only in substantially increasing our permanent endowment fund but in helping to defray our current expenses, thus offsetting the losses we sustained by reason of reduced income on our invested funds and increased cost of operation. It should be

stated that this committee has been appointed without the knowledge of the Hospital Board and without consultation with our Board of Directors. If any error has been committed, I must assume full responsibility.

REGIONAL SHRINE ASSOCIATIONS

The last Session of the Imperial Council recognized Shrine Associations and gave them a legal status in this body. On account of the existing emergency, there was little activity in this special field during the past year, though several meetings were held. Copies of proposed By-Laws were submitted by several of these associations. I am suggesting that all of these matters be referred to the Committee on Jurisprudence and Laws for its consideration and report. Until these agencies can be properly assimilated by the Imperial Council, it might become desirable to set up a special committee to whom the various problems which arise might be submitted.

The following associations, thirteen in number, are already in existence, according to the information which has been presented to me:

- New York Shrine Association
- Pennsylvania Shrine Association
- Illinois Shrine Association
- Indiana Shrine Association
- Ohio Shrine Association
- All State Shrine Association of Texas
- Central States Shrine Association
- Midwest Shrine Association
- Northwest Shrine Association
- Western Shrine Association
- Northeastern Shrine Association
- Mid-Atlantic Shrine Association
- Southeastern Shrine Association

THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

The above association, at its annual meeting in Alexandria, Va., on February 22nd of each year (Washington's birthday), and including also the Masonic conferences immediately following in the Nation's Capital, brings together the largest and most representative gathering of distinguished Masons held in our country during the year. The Imperial Council was represented this year by our Imperial Treasurer, Most Worshipful Leonard P. Steuart (District of Columbia); our Imperial Recorder, Most Worshipful James H. Price (Virginia) and our Imperial Captain of the Guard, Most Worshipful Hubert M. Poteat (North Carolina) all three of these Brethren being Past Grand Masters of their respective Grand Jurisdictions.

The Imperial Council was honored in having Past Grand Master Price, of the Grand Lodge of Virginia, deliver the address at the dedication of the Blue Lodge room, which is a very imposing part of the Memorial Temple.

PERSONAL ACKNOWLEDGMENTS

To all of the officers, past officers and members of the Mystic Shrine, as well as their charming ladies, who shared in our reception and entertainment during the past year, June and I extend our heartfelt thanks. Their thoughtfulness and kind attentions have filled our year with pleasure and made our travels most enjoyable.

To all my fellow Imperial Officers, the Past Imperial Potentates and members of committees, I am indebted for their wise counsel and assistance.

To Deputy Imperial Potentate, Morley E. MacKenzie, and Imperial Chief Rabban, Alfred G. Arvold, I express my deepest appreciation for their unswerving support, particularly in the formulation of the plans for this Imperial Council Session.

I also express my indebtedness to the following:

To Imperial Recorder, Governor James H. Price, for his constant counsel and advice; for his assistance in preparing this report, and for his willingness at all times to intercede with governmental agencies for and on our behalf.

To Everett W. Jacocks, Assistant Imperial Recorder, for his many kind attentions and services.

To Imperial Treasurer, Leonard P. Steuart, and General Counsel, Robert P. Smith, for their personal sacrifices and their devotion to their official duties and their willingness to intercede for us with Federal bureaus and agencies.

To Past Imperial Potentate, W. Freeland Kendrick, for his generous praise and encouragement and for his assistance as President of the Colorado corporation in relieving me of the burden of executing many official documents.

Our thanks are also due to Imperial Representative S. Blake Chamberlain and Noble Gordon Love of Al Azhar Temple, Calgary, Canada, for arranging our itinerary through western Canada and our trip to Banff, Lake Louise and Jasper; to Past Imperial Potentate Andy Rahn for arranging our return trip through the northwestern states and our delightful visit to Glacier National Park; to J. Harry Spence, Potentate of Karnak Temple, Montreal, Canada, who arranged our transportation and accompanied us on our trip through the eastern provinces of Canada; to Imperial First Ceremonial Master, Galloway Calhoun, for arranging our Texas itinerary; to Past Potentate Thomas R. Mitchell, of Zamora Temple, Birmingham, Alabama, for arranging our southern itinerary, and to Noble C. Harry Wagoner, District Passenger Agent, Rock Island Lines, of Al Koran Temple, who arranged our transportation for the rest of our travels; also to the Potentate and Officers of Medinah Temple who faithfully met us at the train on our numerous trips through Chicago, and to Past Potentates Fred F. Whitcomb and Charles J. Collins, of Tangier Temple, who performed the same devoted service on our trips through Omaha.

A personal debt of gratitude which can never be fully repaid is also due to my dear friend, Noble Kent A. Nesbitt, of Al Koran Temple, for his faithful service in securing publicity for our great philanthropy, the Shriners' Hospitals for Crippled Children, in connection with each of our official visitations; to "My Girl Friday," Helen Shibley, for her faithful service during

all the years of my Shrine activity and particularly for her service in keeping my office open during the past year, and, finally, to the officers and members of my own temple, Al Koran, for making this wonderful year possible.

CONCLUSION

And now we come to the end of this great adventure. I am ready to relinquish this exalted office with the same eagerness and zeal with which I assumed the lowest office in the line. Through the years I have had many precious associations, and now I have only love in my heart for each and every one of you. Thrilling as has been the ascent to the very pinnacle, the greatest thrill of all will be experienced on the day after tomorrow when, figuratively, hands will be extended "Across the Border" and I shall be privileged to place the scepter of authority in the capable hands of that distinguished Canadian gentleman, Mason and Shriner, Past Potentate of Ramesses Temple, Toronto, Canada, and your next Imperial Potentate, Morley E. MacKenzie.

Sincerely yours in the Faith,

ALBERT H. FIEBACH,

Imperial Potentate.

IOWA CORPORATION BY-LAWS

The following Resolution dealing particularly with the application of Section 102, Article XII, under the present emergent conditions, was adopted:

Be it Resolved, That the fund created by the levy of said 10-cent assessment for the year 1942 be not expended, but the same shall remain intact for use by the Host Temple for the year 1943, or at any time within twelve months after the proclamation by the Federal Government of the termination of the present national emergency, as may be ordered by the Imperial Potentate.

Be it Further Resolved, That levy of said 10-cent assessment be waived, and that for said year 1943, the per capita tax levied under Section 102 of the By-Laws shall be in the sum of 50 cents for each member of a subordinate Temple.

In pursuance of recommendations by the Imperial Potentate, covering the recognition of Regional Associations, the following amendments were severally adopted:

ARTICLE I

Name, Jurisdiction and Powers

Section 3—Amended by the addition of the following language in line five after the word "Temples" and immediately following the semi-colon "*to regulate and control associations of Temples by issuing charters to such associations which shall be approved in form and substance by the Imperial Potentate;*

ARTICLE VI

Officers—Their Title, Election, Tenure of Office and Obligation

Section 31—Add to end of the present Section, a new sentence as follows: "*No association of Temples as such shall endorse officially any candidate for office in the Imperial Council.*"

The adoption of a new Article, to be known as Article IX, with two new Sections Nos. 77 and 78, is also in pursuance of the recommendations of the Imperial Potentate as will appear from a reading of the new legislation as follows:

ARTICLE IX

Shrine Associations

Section 77—Any number of Temples with the approval of the Imperial Council may form an organization to be known as "Shrine Association" for the purpose of holding conclaves of such Temples for purely social purposes.

Section 78—Such association may adopt such constitution and by-laws as they may desire, provided they are consistent with the laws of the Imperial Council, which constitution and by-laws may provide for such officers and committees as such association may desire, provided that all such constitution and by-laws and amendments thereto shall be filed with the Imperial Recorder.

ARTICLE XI**Initiation Fee—Dues—Per Capita Tax**

Section 91.—To take care of the question of dues of Nobles in the service of the United Nations, this section is amended by adding at the conclusion of the present section, the following paragraph: "*A Temple may by affirmative vote remit the dues of any member in the armed services of the United Nations during the present conflict.*"

ARTICLE XIX**Emergency Powers of Board of Directors**

A new Article was added to be known as Article XIX to provide the means of handling situations growing out of the present emergency, such as the elimination of the regular annual meeting or meetings, which is self-explanatory and reads as follows:

ARTICLE XIX**Emergency Powers of Board of Directors**

Sec. 127. Whenever the existence of a national emergency renders impracticable the holding of a regular annual meeting or meetings of the Imperial Council as prescribed by the charter and by-laws of the Iowa corporation, the Board of Directors thereof may order, by resolution, that such annual meeting or meetings be omitted, stating in such resolution the reasons therefor. A separate resolution, with the reasons therefor, shall be passed with respect to each annual meeting so omitted.

During the year or years for which it is necessary so to omit the regular annual meeting, all duties and powers ordinarily exercised by the members of the Imperial Council shall vest in and be exercised by the Board of Directors, whose actions in the circumstances above stated shall be of like force and effect as if done by the members of the Imperial Council at a regular annual meeting.

The powers and duties which may thus be exercised by the Board of Directors shall include, amongst others, the following:

(a) To adopt an annual budget of appropriations in such sums as may be necessary to meet the current expenses of the Imperial Council and of the Iowa corporation for the ensuing year, and all such sums so budgeted for such expenses are hereby appropriated; provided, however, that no budget shall be adopted by the Board of Directors unless it shall first be approved by the Committee on Finance and Accounts.

(b) To elect all officers of the Imperial line, and of the Corporation, for a period of one year; provided, however, that the office of Imperial Outer Guard shall not be filled by the Board of Directors, but shall remain vacant until the next regular meeting of the Imperial Council when an election shall be held as provided by Article VI of the By-Laws. In the event the power thus to elect officers is exercised by the Board of Directors for more than one year, an additional office at the end of the Imperial line shall be left vacant for each year that the regular annual meeting is omitted, such offices to be filled by regular election at the next annual meeting.

In addition to the foregoing, the Board of Directors, in the circumstances above stated, shall have and exercise the power to do

all things necessary or desirable to carry on the affairs of the Iowa corporation, and of the Imperial Council, and to properly protect and conserve its property and fraternal interests in all respects.

The Board of Directors shall call a regular annual meeting of the Imperial Council, to be held at a time and place to be designated by said Board, within twelve months after the termination of such national emergency shall be proclaimed by the Federal Government. The emergency powers of said Board, hereby created, shall cease and determine upon the expiration of said twelve months period.

ARTICLE IV

Representation

Section 20—To make provision for preserving the rights of the membership with respect to the emeritus relationship in the event of emergencies of the type described in the preceding paragraphs, this section is amended by adding in the seventh line of the first paragraph after the word "members" and the semi-colon immediately following, this language "*provided that if there is no meeting of the Imperial Council in any one year for any reason, that year shall be taken into consideration in determining the number of years entitling a representative to be an emeritus member, provided he is elected as a representative for that year.*"

GIZEH TEMPLE

The following resolution, recommended by the Committee on Dispensations and Charters, was adopted by the Imperial Council:

Whereas, it appears to be for the best interests of the Shrine as a whole that Gizeh Temple be moved from Victoria, British Columbia, to Vancouver, British Columbia, Canada, therefore,

Be It Resolved, that the charter of Gizeh Temple, A.A.O.N.M.S. be, and the same is hereby amended so that its Oasis is changed from Victoria, British Columbia, Canada, to Vancouver, British Columbia, Canada.

IOWA CORPORATION CODE

ARTICLE XXXVI

"Acca Temple shall also have concurrent jurisdiction with Kazim Temple in the Counties of Campbell and Amherst, including the incorporated City of Lynchburg."

(b) Add to the present jurisdiction of Kazim Temple, the following:

"Kazim Temple shall also have concurrent jurisdiction with Acca Temple in the Counties of Alleghany and Bath, including the incorporated cities of Clifton Forge and Covington."

These amendments represent a settlement of jurisdictional questions between Acca and Kazim Temples.

COLORADO CORPORATION

ARTICLE III

Authority was granted to amend the Articles of Incorporation by adding in line 6 of Article III, immediately following the word "successors" the following language "*or other members*".

ARTICLE VI

"The officers of said corporation shall be Chairman of the Board of Directors, President, First Vice-President, Second Vice-President, Treasurer and Secretary, or such other officers as may be provided by the By-Laws, said officers to be elected at each annual meeting of the corporation."

These proposed amendments to the Articles of Incorporation are in line with the recommendations of the Imperial Potentate.

Section 17—Amend by striking out "fourteen (14)" and substituting therefor the words "not more than fifteen (15)".

ARTICLE V

Board of Trustees, Shriners' Hospitals for Crippled Children

Section 20—This section is amended by striking out the last paragraph and substituting therefor the following:

"The President of the corporation shall serve as Chairman of the Board of Trustees, Shriners' Hospitals for Crippled Children, and the Board of Trustees is authorized and empowered to elect a Vice-Chairman and a Secretary, which said Secretary may not be a member of the said Board of Trustees, and such other officers as it may deem advisable, and to enact rules and regulations (not inconsistent with the laws of Colorado or the by-laws of this corporation) for the transaction of its business."

Section 21—Amended by adding the words “of Trustees” after the word “Board” in the first line.

Section 22—Amended for purposes of clarification in two instances by adding the words “of Trustees” after the word “Board”.

Section 23—The same amendment is made in this section.

Memo: These amendments, like those immediately preceding are consequential.

Section 24½—A new section is added for purposes of construction and protection, which reads as follows:

“No provision contained in Sections 24, 24(a) and 24(b) shall be construed or operate as a limitation or restriction upon any contract heretofore or hereafter entered into by the Corporation through its proper officers duly authorized by its Board of Directors in its exercise of the power and authority vested in it by Sections 4 and 5 of these by-laws.

Section 25—Amended by striking out “President” and inserting “Chairman of the Board of Directors”; also adding words “of Trustees” after the word “Board.”

Section 26—Amended in three different instances by striking out “President” and substituting therefor “Chairman of the Board of Directors.”

Section 29—Amended in three different instances by striking out “President” and substituting therefor “Chairman of the Board of Directors.”

Memo: These amendments are likewise consequential.

Special Information

The Officers of Subordinate Temples are again earnestly urged to familiarize themselves with the By-Laws and Code of the Imperial Council. If this request is followed, considerable unnecessary correspondence may be eliminated.

Each year considerable correspondence is addressed to the Imperial Potentate direct by individual Nobles, and attention is called to Section 119, Article XVI, of the Imperial By-Laws which reads as follows:

“Sec. 119. Complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate, but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate.”

The Imperial Potentate requests that all correspondence be directed to him at 535 Guardian Building, Cleveland, Ohio. This will insure prompt attention and prevent the loss of time in reaching him on his official visitations.

In requesting Dispensation for special meetings your letter should be addressed to the Imperial Potentate with copy to the Imperial Recorder's office.

It is directed that this General Orders No. 1 be read at the head of each Temple at the first session following its receipt, and record made of the same upon the minutes of the session at which it is read.

Given under our hands and the seal of the Imperial Council, this 20th day of July A. D. 1942, and of the Order A. H. 1361.

THE IMPERIAL COUNCIL
of the
Ancient Arabic Order of the Nobles of the Mystic Shrine
for North America
(An Iowa Corporation)

OFFICE OF THE IMPERIAL POTENTATE,
CLEVELAND, OHIO, June 1, 1943.

GENERAL ORDERS, No. 2,
SERIES OF 1942-1943.

Call for the Annual Session of 1943

To the Representatives of the Imperial Council, Potentates of Subordinate Temples and the Nobility of the Order:

"Es Selamu Aleikum"

After conferences with the Chairman and members of the Committee on Time and Place, members of the Imperial Divan and a general survey of the conditions of the Order; gathered in a comprehensive series of official visitations covering more than 125 Temples in every section of the Jurisdiction, the Imperial Potentate is calling the Sixty-ninth Annual Session of The Imperial Council (which for practical purposes might be described as a business or war conference, following the precedent of the stream-lined session of last year), at the Palmer House in the City of Chicago, Illinois, on Tuesday, Wednesday and Thursday, July 6th, 7th, and 8th, 1943.

Due to the emergency, and the attendant difficulties, the Session will be confined to Representatives, and the transaction of business only. No special entertainment will be provided, and there is a probability of at least one night session. An earnest effort will be made to attune the Session's activities to the spirit of the times and the all-out world struggle in which the United Nations are now engaged.

The opening session will be held at ten o'clock A. M. Tuesday, July 6th, in the Grand Ballroom, fourth floor of the Palmer House, when any further necessary announcements will be made. It is expected that all subsequent sessions will be held in the same room, as was done last year. The Palmer House has been selected as headquarters for the Imperial Council, and all Representatives will be housed in this hotel. **On account of war conditions it will not be possible to assign individual room numbers through the Imperial Recorder's office, though definite commitments have been secured from the hotel for the number of rooms required.**

Representatives must present properly signed credentials in order to register and are requested to present themselves promptly at registration headquarters, sign the register, and receive their official badges.

Suitable committee rooms, the same rooms as last year, have been provided.

Further announcements will be carried on the regular bulletin board, and will also be made in the Imperial Council.

Hotel reservations will be made for July 6th, 7th, and 8th, and the guarantee will cover three days in keeping with the precedent established last year. **If it is your intention to arrive in Chicago prior to July 6th, you must notify the hotel at least one week in advance of the date and time of your arrival.** This is of special importance if you expect to have your rooms ready for occupancy upon your arrival.

SPECIAL NOTICE TO POTENTATES AND CHIEF RABBANS

All Potentates and Chief Rabbans in attendance at this Session of the Imperial Council are urged and expected to attend an important Round Table discussion to be conducted by Deputy Imperial Potentate Morley E. MacKenzie. This meeting will be held in the Grand Ballroom of the Palmer House (same room in which Imperial Council Sessions are held) probably on Wednesday night.

SPECIAL NOTICE TO RECORDERS OF TEMPLES

In order that the proper tribute may be paid to our departed Nobility, Recorders of subordinate Temples are requested to send direct to Stanton A. Bruner, Chairman, 1012 Architects Building, Los Angeles, immediately, memoranda relative to distinguished Nobles of their membership who have died since the last session of the Imperial Council. The Committee on Necrology is dependent on the cooperation of Recorders for this information.

NOTICE TO POTENTATES AND RECORDERS

The Imperial Recorder's office in Richmond will be closed on June 29th, and opened in the Palmer House, Chicago, on July 1st. In order to expedite the work of the office, and facilitate the procedures of the Imperial Council, it will be a great accommodation in this busy period if the Temples will forward any changes in Representatives to Richmond so as to reach the Imperial Recorder's office before June 29th, for the completion of our records.

NOMINATIONS OF EMERTI MEMBERS

Past Imperial Potentate, Clarence M. Dunbar, 85 Sprague Street, Providence, Rhode Island, has been appointed Chairman of

the Committee on Nomination of Emeriti Members to succeed the late lamented Past Imperial Potentate Conrad V. Dykeman. All recommendations for the Emeritus relationship should be forwarded to Past Imperial Potentate Dunbar at his Providence address, sending copies to this office. These recommendations may be informal. It is necessary that the years of service should be checked before the Imperial Council Session.

IN MEMORIAM

Information has just been received that Past Imperial Potentate James S. McCandless passed away in Honolulu on May 25, 1943. Proper tribute will be paid in the usual memorial notice shortly.

PROPOSED LEGISLATION

There has been no proposed legislation received from any subordinate Temple or from any member of the Imperial Council.

GENERAL OBSERVATIONS

Attention is called to the fact that each Representative, in coming to the Imperial Council, should not overlook his credentials, his current card, and if he contemplates using his Directory during the meeting, he should not forget to bring his individual copy with him.

The Board of Trustees, Shriners' Hospitals for Crippled Children, will meet at the Palmer House on Friday, July 2, 1943 at 2:00 P. M.

The Jurisprudence and Laws Committee will meet in its committee room at the Palmer House on Monday, July 5th.

The Committee on Finance and Accounts has been called to meet in its committee room at the Palmer House on Monday, July 5th.

Other committees will be called to meet on Monday, July 5th, as occasion requires, and ample committee rooms have been provided at the Palmer House to take care of their needs.

The expense of this Session will be borne by the Imperial Council.

Representatives to the Imperial Council are requested to bear in mind the difficulties of this emergency and not add to the already heavily taxed transportation facilities in traveling to and from Chicago. Inconveniences are to be expected. Avoid traveling in groups and requesting special accommodations. The Office of Defense Transportation has recommended on several occasions that week-end traveling be avoided as much as possible, and this is important in order to not interfere with week-end trips of men in the Service. The war traffic in the transportation of men and materials has progressively increased, and while it seems highly desirable in the opinion of those in authority that the Imperial Council should carry on, and not slow down our splendid programs, we should be willing to cooperate with the Government agencies in their splendid efforts to preserve our liberties and win this global war. Transportation and travel reservations should be made promptly.

It is planned to have the usual Imperial Potentate's dinner on Tuesday evening. Tuxedos will be worn as usual, but this is not compulsory.

Given under our hands and the seal of the Imperial Council, this first day of June, A. D., 1943, and of the Order, A. H., 1362.

Past Imperial Potentate

FEBRUARY 16, 1856

JANUARY 11, 1943

OFFICE OF THE IMPERIAL POTENTATE,
CLEVELAND, OHIO, JANUARY 25, 1943.

*To the Representatives of the Imperial Council, Potentates of Subordinate
Temples and the Nobility of the Order:*

LAND OF THE BEAUTIFUL DEAD

By the hut of the peasant, where poverty weeps,
And nigh to the towers of the king,
Close, close to the cradle where infancy sleeps,
And joy loves to linger and sing,
Lies a garden of light, full of Heaven's perfume,
Where never a teardrop is shed,
And the rose and the lily are ever in bloom—
'Tis the land of the beautiful dead.

—LONGFELLOW.

The passing of Past Imperial Potentate Conrad V. Dykeman, in his native City of Brooklyn on January 11, 1943, while not wholly unexpected, removes one of the most faithful and one of the most enthusiastic Nobles in the membership of the Imperial Council. His services for several years as Chairman of the Temple Advisory Committee, whose jurisdiction dealt largely with the financial programs of Subordinate Temples and later as Chairman of the Committee on the Nomination of Emeriti Members of the Imperial Council were productive of numerous contacts among the Nobility of the Order.

He enjoyed his friendships, and was constantly on the alert to be helpful in his relationships. He was youthful in his outlook and his attitudes toward others. One would never suspect in casual contact that he had passed the four score milestone. Past Imperial Potentate Dykeman was interested in all of the duties of citizenship and was unfailing in his response to all calls that were made upon him for whatever contribution he could make of his time and efforts for the betterment of the community in which he lived.

His personality was engaging, and he might have been described as a rare and striking type. He was a genial and delightful companion, always brief and to the point, possessed of a keen sense of humor; with a hearty and infectious laugh that often rang out in social gatherings. As a member of the family connection remarked at the time of his passing, "He lived a full life,"—full of years, full of good fellowship, full of happy constructive service. He will be greatly missed in the Imperial Council, and in his other associations. Our recollections of him will constitute a treasured and inspired memory.

Illustrious Noble Dykeman was elected Imperial Potentate at Washington, D. C., on June 6, 1923.

He was nominated for this high office by Past Imperial Potentate Elias J. Jacoby, who said in his nominating speech, "Three centuries ago less one year there came from the Netherlands the first colony that settled upon Man-

hattan Island. During the following years numerous additions were made to that colony. They were an industrious, thrifty, generous-minded, generous-hearted, Christian people, tenacious of their own faith, but broadly tolerant of all others, a very fitting characteristic of a Shriner.

"Among those early colonists was the lineal paternal ancestor of one who has become famous throughout Shrinedom, one who is known, admired and loved by Shriners throughout North America. With two and a half centuries of American lineage he qualifies as a thorough going, liberal, generous American. Therefore, in his birth, in his education, in his fine business experience, and honest, splendid manhood, he is eminently qualified to fill with credit the highest position in your power to bestow. I present him to you for your approval."

Past Imperial Potentate Dykeman was born in Brooklyn, February 16, 1856, and died in Brooklyn, January 11, 1943, almost 87 years later. His entire life was spent in the same general community. Since he was so peculiarly a product of Brooklyn, his education for the most part was received in Brooklyn schools.

Past Imperial Potentate Dykeman was married in 1879 to Miss Johanna Sullivan, of Brooklyn. She became affectionately known among her husband's friends as "Mother Dykeman." They celebrated their golden wedding anniversary in Brooklyn, N. Y. in 1929. Mrs. Dykeman passed away about three years ago and the present survivors of the family consist of a daughter, Mrs. Howard B. Carpenter, of Elizabeth, N. J.; a son, Arthur Dykeman, the widows of two sons, William and Conrad F. Dykeman, deceased, eight grand children and one great-grandchild. The love of Past Imperial Potentate Dykeman for his family was strong, deep and abiding, and his solicitude for their well-being was tender and considerate. Young Conrad Dykeman was a Shriner, and the founder and Commander of Kismet's Legion of Honor for several years. The Legion of Honor was the special escort of the Imperial Potentate when he was elected in Washington in 1923 and when he presided in Kansas City in 1924. "Con" was also an enthusiastic alumnus of the Virginia Military Institute of Lexington, Va. He passed away early in life, and when the Institute celebrated its hundredth anniversary in 1939, one of the greatest events in the history of the Institute, his father journeyed to Virginia for the occasion to pay tribute to his son's memory and to his interest and pride in his Alma Mater. William Dykeman, the other deceased son was a furniture manufacturer of Jamestown, N. Y., and a member of Kismet Temple also.

Past Imperial Potentate Dykeman was an active business man, and was described as a veteran insurance man and banker. For more than fifty years of his life, he was identified with the Prudential Life Insurance Company, of Newark, N. J., having offices at various times in Brooklyn and Long Island City. He was always interested in banking, and was a Director in several Brooklyn banks at different times, and when he finally retired from the insurance field, he became connected with the Brevoort Savings Bank in which he served as a Director, and became its first Vice-President in 1939, and served in that capacity until he passed away.

Past Imperial Potentate Dykeman was deeply interested in fraternal life. He was a member of Greenpoint Lodge F. & A. M. No. 403, which officiated at his funeral services; Altair Chapter R. A. M. No. 237; St. Elmo Commandery, Knights-Templar, No. 57, and Aurora Grata Consistory, Ancient and Accepted Scottish Rite, all of these bodies being located in Brooklyn. His greatest interest centered in the Mystic Shrine, and this body naturally became the greatest beneficiary of his time and talents. He was created a Noble of Kismet Temple on January 31, 1896, and was identified with the Order almost fifty years. He was Potentate of Kismet Temple during the years 1906 and 1907. During his second year as Potentate he, with others, conceived the idea of building a Mosque for Kismet Temple, with the result

that the building now occupied by Kismet Temple was dedicated in 1910. Past Imperial Potentate Dykeman gave his time and his money to the accomplishment of this purpose and the Mosque will stand as an enduring monument to his memory. His services to the Imperial Council were characterized by a fine sense of devotion to the interests of the Shrine, and by an efficiency of administration that was typical of the Imperial Potentate. He was elected Imperial Outer Guard at the Session of the Imperial Council at Atlanta in 1914. Illustrious Noble Wm. J. Mathews, of Mecca Temple, Imperial Marshal of the Imperial Council announced his purpose to retire from the Imperial line, making two vacancies to be filled, and the Nobility almost instinctively turned to Illustrious Noble Dykeman, of the neighboring Temple to fill one of the vacancies. As has been stated, he was made Imperial Potentate of the Imperial Council at Washington in 1923, when the Shrine was at the very zenith of its growth and prosperity. The responsibilities of leadership were great and there were many problems. Past Imperial Potentate Dykeman was an Honorary Member of many Temples, and the only Noble who enjoyed this distinction in Mecca Temple, the Mother Temple of the Order. A large delegation from Mecca Temple was in attendance at the funeral services held in honor of his memory.

Past Imperial Potentate Dykeman during his administration headed a group of distinguished Shriners at the laying of the cornerstone of the Memorial Temple to Washington, the Man and the Mason, at Alexandria, Va., on November 1, 1923, and laid the foundations for the Imperial Council's interest and participation in this great Masonic enterprise. He was accompanied by Past Imperial Potentate Lou B. Winsor, and Illustrious Nobles Clarence M. Dunbar, and Esten A. Fletcher, the latter two being in the Imperial line and officially prominent in Masonry in their respective jurisdictions.

One of Past Imperial Potentate Dykeman's great interests was the underprivileged boys of Brooklyn, and he was for many years the Chairman of the Board of Trustees of Boys' Welcome Hall at 185 Chauncey Street, Brooklyn. Literally thousands of underprivileged boys have been influenced by this great humanitarian effort. He was for many years an active Rotarian in Long Island City, and at one time was interested in yachting, and served as Commodore of the Brooklyn Yacht Club. His special craft was the "Soulpin", famed for its hospitality and Shrine associations.

The funeral services were held at the Fairchild Chapel, 86 Lefferts Place, Brooklyn, on the evening of January 13th, and were conducted by Noble and Reverend Robert Rogers, D.D., a life-long friend of Past Imperial Potentate Dykeman. The eulogy of the officiating clergyman delivered to an unusually large group of friends and neighbors, was beautiful and impressive. The Masonic services were conducted by Greenpoint Lodge No. 403 and the interment was made in Cyprus Hills Cemetery.

The Imperial Council was represented by Past Imperial Potentate Clarence M. Dunbar, who was one of Past Imperial Potentate Dykeman's closest and most intimate friends.

And now he rests; cherished, admired, mourned—the vacant place still vibrant with the spirit and power of its occupant for so many years!

Let this memorial be read at the next Session of your Temple following its receipt, and let the same be made a matter of record.

Given under my hand and the seal of the Imperial Council this twenty-fifth day of January, A. D., 1943.

JAMES SUTTON McCANDLESS

Past Imperial Potentate

SEPTEMBER 20, 1855

MAY 25, 1943

OFFICE OF THE IMPERIAL POTENTATE,
CLEVELAND, OHIO, JUNE 10, 1943.

To the Representatives of the Imperial Council, Potentates of Subordinate Temples and the Nobility of the Order:

There are stars that go out in the darkness
But whose silvery light shineth on;
There are roses whose fragrance still lingers
When the blossoms are faded and gone.
There are hearts full of light and of sweetness
When no longer their life current flows,
Still their goodness lives on with the living
Like the soul of the star and the rose.

These lovely sentiments aptly reflect the life and influence of the subject of this sketch. Our sorrow, inclusive as it may be, is greatly lightened by the glory of tender memories, and delightful associations. As we record this tribute of admiration, respect and affection, we are impressed with the feeling that for Past Imperial Potentate McCandless his passing should be accepted as a triumphal entry into the companionship of loved ones who had gone on before, and who joyously awaited his coming after life's fitful dreams were over. For more than four score years, he had brightened the pathways of thousands of his friends and associates, and when the final summons came, peacefully and unexpectedly, it seemed a fitting climax for a life so full of accomplishment and service.

On the morning of May 25, 1943, amid scenes which he loved in beautiful Honolulu and without warning, the spirit of Past Imperial Potentate James Sutton McCandless was released from its earthly tenement and waited on the wings of the morning to that "bourne whence no traveler returns"—rich in years, rich in service, rich in the love and affection of the Nobility of the Imperial Council—and, indeed, of all who knew him. Said his closest friend and fellow Noble, "He needs no epitaph, it has already been written in noble deeds; he was one of Nature's Noblemen, loved by everyone and was most appropriately named 'Sunny Jim'."

Illustrious Noble McCandless was a splendid exemplar of the spirit and teachings of the Shrine and was deservedly popular. His fairness and his integrity won the respect and confidence of his fellowmen generally. He was liberal in thought, tolerant in judgment and delightful in contact and conversation. Possessed of a pleasing personality, his many lovable qualities of mind and heart gave him a warm place in the affections of the entire Nobility, and he will be gratefully remembered.

Illustrious Noble McCandless was a resourceful and successful business man, and brought to the Imperial Council a wealth of experience in the practical things of life, which contributed substantially to the solution of the many problems of the Imperial Council, then at the zenith of its power and influence and in its numerical strength. He established his headquarters at his San Francisco office (859 Mills Building) and devoted himself en-

tirely to the work of the Imperial Council for the year of his incumbency of the office of Imperial Potentate. He presided at the Washington Session of the Imperial Council in 1923, in which Noble and President Warren G. Harding, of Aladdin Temple, took an active part.

He was nominated for Imperial Outer Guard at the Dallas Session of the Imperial Council in 1913, by his bosom friend, and for many years the dean of our Past Imperial Potentates, Illustrious Noble Lou B. Winsor. Nine years later in the City of San Francisco, Illustrious Noble Winsor, who had annually presented Noble McCandless' name for the various offices of the Imperial line nominated him for Imperial Potentate, affectionately referring to the fact that he was the Shrine god-father of the incoming leader, and requested the privilege of casting the unanimous ballot of the Imperial Council for his election.

Illustrious Noble McCandless was born in Indiana, the county seat of Indiana County, Pennsylvania, September 20, 1855. With his parents, he moved to the oil fields of West Virginia, when he was twelve years of age. Later on, he went to the Colorado mines, and finally to California. In California, he met some business men who were interested in the development of Hawaii and he landed in Hawaii during the latter part of 1880, and went into the business of well-drilling in which, after two or three fruitless efforts, he was successful. He played a very important part in the development of water in Hawaii. He later wrote a book on *Artesian Water in Hawaii*. "Sunny Jim", as he was best known, sent for his elder brother, John, to come from Kansas in 1881, and his brother, Lincoln Loy, from West Virginia in 1882, and the three brothers worked together to give their adopted home an adequate water supply. John died in Hawaii in 1930, and Lincoln Loy passed away in 1940. A fourth brother, Frank, cast his lot on the Mainland, where he still survives.

On November 7, 1910, Illustrious Noble McCandless was married to Miss Lillian Frederica Hargear, of New York, at Tacoma, Washington. Mrs. McCandless passed away in October, 1936. A nephew, Chester O'Brien, shared the Honolulu home with his uncle in his later years.

Illustrious Noble McCandless was always active in civic affairs and had many interests. Aside from his varied business activities, largely the results of his long residence in Hawaii, he devoted a great deal of time to fraternal life and particularly the Shrine. The *Honolulu Advertiser*, a local paper, makes the following interesting comment on his career: "From humble beginnings as a miner and well-driller, 'Sunny Jim' rose to a position of power and wealth. But throughout his life he remained the same plain, straightforward, unassuming man he was in his youth. The friends of his earlier days remained his friends in his prosperous years."

Illustrious Noble McCandless had a noteworthy record in Masonry. He was a member of Honolulu Lodge No. 409 F. & A. M.; Honolulu Chapter No. 1; R. A. M.; Honolulu Commandery, No. 1, K. T.; Honolulu Conclave, Red Cross of Constantine, No. 61; and the Scottish Rite Bodies of Honolulu. The record shows that he held office in all these bodies. Among other distinctions should be noted the fact that he was the recipient of the Honorary 33rd Degree in the Scottish Rite, Southern Jurisdiction, and later became Deputy of the Supreme Council of the Southern Jurisdiction, A. A. S. R. for Hawaii. His fraternal interests were largely centered in the Scottish Rite and the Shrine. He was a Past Potentate of Aloha Temple, a Past Imperial Potentate of the Imperial Council, 1922-1923, a member of the Board of Governors of the Honolulu Unit, Shriners' Hospitals for Crippled Children, and a charter member of Aloha Court No. 1, Royal Order of Jesters. It is a matter of interest that the Royal Order of Jesters was organized on a Pilgrimage made by Imperial Potentate Fred A. Hines, of Al Malaikah Temple, to Honolulu in 1911, on which he was accompanied by 130 other Nobles, among them many leaders of the Imperial Council. After his election as Im-

perial Potentate in 1922. Illustrious Noble McCandless chartered the S. S. *H. F. Alexander* and took as his guests many Imperial Officers and Shriners, including Islam's Patrol and Band for a visit to his home city of Honolulu. From Al Malaikah Temple at Los Angeles, the *Matsonia* joined the party, and in all approximately 1,200 Nobles and their families had the opportunity to join this Pilgrimage to beautiful Hawaii and the home of the Imperial Potentate.

The record shows that he was also a member of the Benevolent and Protective Order of Elks.

The public funeral services, largely attended, and most representative, were held at the Scottish Rite Cathedral. Private interment services were afterwards held for the family and intimate friends in beautiful Nuuanu cemetery where the remains of Illustrious Noble McCandless were laid to rest among scenes and surroundings where he had spent the greater part of his active life.

Among the beautiful tributes paid the memory of Illustrious Noble McCandless is the following from Illustrious Noble Lester Petrie, Recorder, of Aloha Temple, and the present Mayor of Honolulu, a life-long friend: "'Sunny Jim' McCandless was one of the vital contributors to the modern development of the island of Oahu and the City of Honolulu. His early activities in the development of Oahu's water supply played an important part in the success of the sugar industry and in the transformation of Honolulu from a village to a metropolis. His service as Imperial Potentate of the Shrine was another contribution to the community, for through him Honolulu received widespread and favorable notice. He will be remembered as an able citizen whose life was devoted to the land and the people he loved."

Said another prominent city official:

"Mr. McCandless and his brothers displayed initiative and ingenuity in the development of Hawaii's water without which our development as an agricultural community would have been impossible. It meant the transformation of the Islands from a semi-arid volcanic coral group into a rich agricultural land. His democracy was real and his charities were as wide-spread as they were unostentatious."

The memory of his sweet, gracious spirit will linger with us, and his devotion to our great Order prove an inspiration through the years. His life should ever be to us a constant incentive to nobler things.

Let this memorial be read at the next Session of your Temple, following its receipt, and let the same be made a matter of record.

Given under my hand and the seal of the Imperial Council, this 10th day of June, A. D. 1943.

ALBERT H. FIEBACH,
Imperial Potentate.

Respectfully submitted,

JNO. N. SEBRELL
THOS. C. LAW
CLYDE I. WEBSTER

Imperial Sir, I move the adoption of this report. (Motion seconded.)

Imperial Chief Rabban ARVOLD: You have heard the report and the motion to adopt it, which has been seconded. All those in favor of the report as read will kindly respond by voting "Aye." All those opposed, "No." The report is adopted.

Imperial Recorder PRICE, is there anything further on your desk?

Proceedings of the Colorado Corporation occurring at this time are shown separately in another section, the Iowa Corporation being closed and thereafter reopened.

Imperial Recorder PRICE: The next order of business is the introduction of distinguished visitors. We would like to pay them the compliment of presenting them to this body at this particular time. We have the Grand Master of the Grand Encampment of Knights Templar here. We have one or two other Masonic guests. I understand that Senator Truman, Past Grand Master of the Grand Lodge of Missouri, now a distinguished Senator of that great state in Washington, is in the audience. Will Representatives from the Temples where these distinguished visitors live escort them to the platform?

Past Imperial Potentate ANDREW A. DE RAHN: Imperial Sir and Members of this Imperial Council, it is a privilege and an honor to have this opportunity of introducing to you the Grand Master of the Grand Encampment of Knights Templar of the United States of America. We have been friends since boyhood. I well recall our association in business in our earlier days. From that day to this we have been very close in our relationships in Minnesota. He is one of the outstanding members of the State Legislature. We call him the watch dog of the Treasury. He has done much for us in that state as a statesman, but he has done more for Masonry, as you and I know. It is a privilege for me to introduce him to you as my close friend. (Applause)

Noble CHARLES ORR (Osman Temple): Thank you, Noble Rahn. I have spoken to all of you this morning, and to at least a part of you on one other occasion. I simply reiterate what I said before, that I am very, very happy to be among you. I am particularly indebted for the courtesies of those who are holding official positions in Templary who have sought me out and talked with me about their problems. This is a most inspiring experience and I appreciate it. And to the Imperial Council I will say that I appreciate the cordiality of your welcome. (Applause)

Imperial Recorder PRICE: Word has just come to the desk that Past Grand Master Truman is absent from the hotel this afternoon.

Imperial Potentate FIEBACH (Resuming the Chair): Later opportunity will be given to present these distinguished visitors to the Nobles. We will proceed now with the next order of business.

Imperial Recorder PRICE: Imperial Sir, our records show that three Representatives Ad Vitam are absent from this Session; Illustrious Noble Frank C. Jones, of Arabia Temple, at Houston, Texas, Illustrious Noble Walter D. Cline, of Maskat Temple, at Wichita Falls, Texas, and Illustrious Noble Hugh M. Caldwell, of Al Malaikah Temple, at Los Angeles, California. I move you, sir, that telegrams of regret be sent to each of these distinguished Nobles. (Motion seconded.)

Past Imperial Potentate CLYDE I. WEBSTER (In the Chair): You have heard the motion, Nobles. All in favor of the motion will indicate it by saying "Aye." Those opposed, "No." It is so ordered.

Imperial Recorder PRICE: Imperial Sir, we have the following Emeriti Members who are absent from this session of the Imperial Council for one reason or another. I will read the list, and if there are any mistakes in it they can be corrected at this time:

Norman A. Boyd, of Kalurah Temple; George S. Meredith, of Aahmes Temple; Richard G. Taylor, Abou Saad Temple; James J. Thomas, Aladdin Temple; George M. Ransom, Bedouin Temple; John J. Sweeney, El Zaribah Temple; Vic E. Hanny, of this same Temple in Arizona; Robert R. Harvey, Irem Temple; John T. Cullen, Kazim Temple; Arthur W. Chapman, Khartum Temple; John A. Morison, Kismet Temple; Edwin S. Mer-shon, Lu Lu Temple; and James R. Johnson, of Omar Temple.

I move you, sir, that messages of sympathy be sent to these good Nobles also. There are thirteen of them.

Past Imperial Potentate WEBSTER: You have heard the motion, Nobles. All in favor of the motion will manifest it by saying "Aye." Those opposed, "No." The motion prevails.

Imperial Recorder PRICE: The report of Imperial Treasurer.

Past Imperial Potentate WEBSTER: May I have the report of the Imperial Treasurer?

Imperial Treasurer LEONARD P. STEUART: Imperial Sir, Members of this Imperial Council—My report has been printed and placed in the hands of the Representatives, and if there is no objection I will simply read the recapitulation. (Reading the same.)

Following is the complete report which had been mailed in advance of the Session to each Representative:

Imperial Sir, as this report has been audited and found correct, I move its adoption. (Motion seconded.)

Past Imperial Potentate WEBSTER: Nobles, you have heard the report of the Imperial Treasurer, Illustrious Noble Leonard P. Steuart. It has been moved and seconded that this report be adopted. All in favor of the report will manifest it by saying "Aye." Those opposed, "No." The report is adopted.

Imperial Recorder PRICE: The next order of business is the report of the Imperial Recorder.

Past Imperial Potentate WEBSTER: The report of the Imperial Recorder, Governor James H. Price.

Imperial Recorder PRICE: (Reading the first page of the printed report.)

Following is the complete report which had been printed and distributed in advance of the Session to the Representatives:

ANNUAL REPORT OF JAMES H. PRICE
IMPERIAL RECORDER, A. A. O. N. M. S.

MARCH 1, 1942 TO FEBRUARY 28, 1943

*To, the Imperial Potentate, Officers and Members of the Imperial Council,
A. A. O. N. M. S.*

NOBLES:

I have the pleasure and the honor of submitting my Annual Report for the fiscal year from March 1, 1942 to February 28, 1943. Reference is made to the auditor's report under Exhibit "A" for a complete statement of the receipts of the office and remittances to the Imperial Treasurer.

I am pleased to report that the collections of the office are in splendid condition, and the Subordinate Temples have been very cooperative in meeting their obligations to the Imperial Council. Every Temple in the jurisdiction has paid its current Per Capita Dues and Hospital Assessments in accordance with Section 25, Article V. of the Code. Many Temples have paid in full, while others have anticipated the payments due June 1 and October 1, 1943.

From the election returns of the Subordinate Temples and credentials received, it appears that there are at the present time Six Hundred and Forty-two (642) members of the Imperial Council, as follows:

Number of Ad Vitam Members.....	13
Number of Emeritus Members.....	46
Number of Representatives-at-Large.....	13
Number of Honorary Members.....	2
Number of Elected Representatives.....	569
	642

Statistical information respecting the Jurisdiction at large and the various Temples is shown on the pages following.

I desire to express our appreciation of the helpful cooperation of the Imperial Council Officers and Committees, and Officers of Subordinate Temples. Our contacts with these officials have been pleasant and satisfactory.

Sincerely yours in the Faith,

JAMES H. PRICE,
Imperial Recorder.

The Imperial Council of the Ancient Arabic Order, Nobles of the Mystic Shrine for North America is a corporation, incorporated under the laws of the State of Iowa in 1936. The Corporation is designated as a non-stock,

non-profit corporation; its functions are purely fraternal. The operation of Shriners' Hospitals for Crippled Children is conducted by a Corporation with identical name but incorporated under the laws of the State of Colorado. A separate report has been made dealing with the activities of the Colorado Corporation. The fiscal year of the Imperial Council ends on the last day of February of each year.

IMPERIAL RECORDER

The records of the Imperial Recorder were verified in detail at his office in Richmond, Virginia, including verification of income by direct reference to monthly and annual reports from subordinate Temples of the Order. A statement of all cash receipts and disbursements, as distinguished from revenues accrued and expenses incurred for the period reviewed, has been prepared and is submitted as Exhibit "A", attached hereto.

An inspection of the Annual reports of subordinate Temples for the year ended December 31, 1942 discloses a net gain in membership of 1,121 or 0.36%, as compared with a net loss of 1,524 or 0.49% for the preceding year. There is submitted below a comparative summary of membership changes for each of the five years ended December 31, 1942, 1941, 1940, 1939 and 1938:

IMPERIAL TREASURER

The accounts of the Imperial Treasurer were audited at his office in Washington, D. C. Cash receipts as reported transmitted to him by the office of the Imperial Recorder were traced to the records of depository banks,

while proofs of final balances were obtained by reference to certificates of balance secured direct from the depositories. Disbursements were found to be properly supported by warrants numbered 3,714 to 3,946, inclusive, approved by the Imperial Potentate and Imperial Recorder and endorsed in the name of payees as evidence of the receipt of the amounts vouchered. United States and Canadian Government bonds representing part of the funds on hand at February 28, 1943 were inspected in the safety deposit vaults of the Hamilton National Bank of Washington, D. C., simultaneously with inspection of other securities held for the account of the Colorado Corporation. Transactions of the Imperial Treasurer are reported in the statement of cash receipts and disbursements of that office attached to this report and designated as Exhibit "B."

INCOME AND EXPENSES

There is submitted herewith as Exhibit "C" a statement of expenses of the Imperial Council, A. A. O. N. M. S., for the year ended February 28, 1943 together with a comparison with appropriations against which such expenses are chargeable. Total expenditures were \$3,339.15 less than the total of all appropriations. Expenditures for incidental expenses unforeseen, which exceeded the appropriation therefor in the amount of \$2,142.59, consisted principally of legal expenses in connection with the Rathbone Estate and the cost of filing amended articles of incorporation for the Colorado Corporation; both of these items are included in expenses paid for the account of the Colorado Corporation as set forth in Schedule "2." The cost of engrossing membership diplomas, which exceeded the appropriation therefor in the sum of \$379.65, is accounted for by the unexpected increase in the number of creations during 1942, 12,321 new members having been created during that year. Traveling expenses and other expenses in connection with committee meetings and meetings of the Board of Directors and the Imperial Divan were materially less than had been anticipated and substantial savings were effected in these accounts. The amount paid for social security tax includes a final compromise settlement of social security tax liability of the Imperial Council in the amount of \$1,394.54 representing the aggregate of such taxes, together with interest and penalties in connection therewith accrued since the incidence of the tax in 1937. It had been believed that the Imperial Council was not subject to this tax, but the Treasury Department of the United States finally held otherwise and the settlement referred to was made with the approval of the General Counsel for the Imperial Council, the total expenditure being \$1,284.39 in excess of the corresponding appropriation.

There is presented in Exhibit "D" comparison of income and expense for the years ended February 28, 1943 and February 28, 1942. The Imperial Council provided for the suspension of the 10c per capita assessment earmarked for the use of the host city in connection with entertainment of the Imperial Council at its annual session inasmuch as the session held during the year 1942 was limited to business matters only; consequently no revenue

was derived from this source during the year ended February 28, 1943 and no part of the money collected for this purpose during the prior year has been expended. Income from the regular 50c per capita tax increased \$590.50; from initiation fees \$8,255.00, duplicate diplomas \$6.00 and from interest \$1,084.08. No changes occurred in the Treasurer's security holdings during the year under review whereas profit on sale of securities during the preceding year amounted to \$5,249.99. Gross income from all sources was \$189,826.14 compared with \$215,787.55 for the preceding year, a decrease of \$25,961.41, including, however, the cancellation of the 10c assessment. If revenue from this source, \$30,647.00, is eliminated from consideration, there would have been increased income in the amount of \$4,685.59. The total expenditures for the year ended February 28, 1943, were \$259,287.35 as compared with \$167,971.40 for the preceding year. Expenditures for the current year, however, include the contribution of \$100,000.00 to the Shriners' Hospitals for Crippled Children authorized at the Imperial Council Session and also the amount of \$3,844.80 expended by the Imperial Council for the traditional banquet and other expenses incident to the Imperial Council session. Without consideration of these two items, it may be seen that the ordinary expenses of the Imperial Council were \$12,528.85 less than for the preceding year. As has been customary for several years, certain legal and auditing expenses of the Colorado Corporation, owning and operating Shriners' Hospitals for Crippled Children were paid by the Imperial Council. Upon the recommendation of the Committee on Finance and Accounts a resolution was adopted authorizing such payments for the year under review but directing that they be treated as expenditures rather than as an advance or loan to the Colorado Corporation, as had been done in prior years and also directing that such expenditures be shown in a separate schedule. In compliance therewith, Schedule "2" has been prepared and is hereto attached. The Committee on Finance and Accounts has also requested that a separate schedule be prepared disclosing the revenue, expenditures and net cost of the Committee on National Publication (Shrine News); this information has also been provided and is submitted herewith as Schedule "3."

BALANCE SHEET

There is presented in Exhibit "E" attached hereto, comparative balance sheet of the Imperial Council as of February 28, 1943 and February 28, 1942. The following comments relate to the items appearing on the balance sheet as of February 28, 1943:

Cash on hand at February 28, 1943 amounted to \$180,457.29, of which \$300.00 represents the revolving fund of the Imperial Recorder and the remainder, \$180,157.29, is in the custody of the Imperial Treasurer. Both funds were verified by reconciliation to certificates obtained direct from the several depositories. The deposits of the Imperial Treasurer, together with funds of the Colorado Corporation also in his custody, are protected by depository bonds aggregating \$200,000.00, which were submitted for inspection.

Funds of the Imperial Council in the amount of \$137,500.00 have been invested in United States Treasury 2½% bonds of 1967-1972. This investment was made at par. The market value of these bonds at February 28, 1943 was \$138,058.25. The Treasurer also holds Dominion of Canada 3% Perpetual bonds in the amount of \$53,000.00, which were acquired at a cost of \$49,970.49. The Canadian market price, (in Canadian currency), of these bonds on February 28, 1943 was \$50,350.00. The Treasurer also holds one United States Treasury Defense bond, series "F," maturity value, (1954), \$100.00 acquired at a cost of \$60.00.

Subordinate Temples of the Order were indebted to the Imperial Council on February 28, 1943 in the net aggregate amount of \$35,273.68, as set forth in detail in Schedule "1." All of these represent charges for the current year and, in the majority of instances, are not yet due under the provisions of the Imperial Council Code, but will become due and payable June 1 and October 1.

During the year under review the deposit of \$425.00, posted with Eastern Air Lines, was withdrawn because of the cancellation of discount privileges and the difficulty experienced in securing air travel reservations. In accordance with a resolution adopted by the Imperial Council, advances made in prior years to the Colorado Corporation for certain expenses, aggregating \$26,313.67, have been charged off and are shown in the accompanying balance sheet as an adjustment to the Capital account of the General Fund as of the beginning of the current year.

The Capital account of the Imperial Council Session Fund remains unchanged at \$30,647.00, nothing having been collected and no expenditures made for this purpose during the year ended February 28, 1943. The Capital account of the General Fund has diminished to the extent of \$95,744.88 and now stands at \$376,744.08 as compared with \$472,518.96 on February 28, 1942. The decrease is accounted for by the excess of all expenditures over increase for the year ended February 28, 1943, amounting to \$69,461.21, together with the forgiveness of indebtedness of the Colorado Corporation in the amount of \$26,313.67.

In conclusion, I desire to express my appreciation of the courtesies extended me and my associates and of the assistance rendered by the officers and employees whose accounts were under examination.

Respectfully submitted,

PARRY BARNES,
Certified Public Accountant.

In checking over with the Imperial Recorder's office we find that over 50 per cent of the enrollment at this session are here for the first time, and I have been asked the cost of mileage and per diem, to the city of Chicago. Of course it varies. If you go to the coast it will cost probably twice as much. But for this session you are paying approximately \$52,384.40 for mileage and you are paying \$28,095 for per diem. So your mileage and per diem expense to come to Chicago for this session is approximately \$80,479.40.

I move the adoption of the report. (Motion seconded.)

Past Imperial Potentate WEBSTER: Nobles, you have heard the report of the Committee on Mileage and Per Diem. It is moved and seconded that this report be adopted as read.

Noble JOHN D. MCGILVRAY (Islam Temple): Just prior to my coming to Chicago I sent an amendment to this Section of the By-Laws to the Imperial Recorder, providing that the mileage be increased to fifteen cents per mile. I was thinking he was going to bring it up. Therefore I move that this be referred to the Committee on Jurisprudence and Laws.

Past Imperial Potentate WEBSTER: Noble McGilvray announces that he sent the Imperial Recorder an amendment that the mileage be made fifteen cents per mile. He moves that this amendment be referred to the Committee on Jurisprudence and Laws.

No motion is necessary for a reference to the Committee on Jurisprudence and Laws. If there is no objection, the amendment will be so referred.

Imperial Recorder PRICE: Imperial Sir, I have the communication from Noble McGilvray with reference to increasing the mileage allowance. This was lent to some confreres the other day, among whom was Noble McGilvray, and he returned it to me, but I did not have it in its order. It will be referred to the Committee on Jurisprudence and Laws.

Imperial Recorder PRICE: Imperial Potentate, at the last session of the Imperial Council, Shrine Councils or Associations were recognized, and certain changes in the law were effected. We have not had many meetings of the Shrine Associations during the year, I think some five or six have reported meetings, and there appear to be as many as twelve or thirteen Shrine Associations throughout the country.

I suggest, Imperial Sir, that the By-Laws and the other information which had been forwarded by the officers of these local Shrine Associations be referred to the Committee on Jurisprudence and Laws. (Motion seconded.)

Past Imperial Potentate WEBSTER: It has been suggested that the communications on the subject of Shrine Associations be referred to the Committee on Jurisprudence and Laws. If there is no objection, they will be so referred.

I was going to ask when the Mileage and Per Diem Committee reported if there was any objection to the ten cents, but I noticed when there was a question of an increase to fifteen cents you got excited about it and we could.

hardly proceed. We will hear from the Committee on Jurisprudence and Laws about that a little later.

Imperial Recorder PRICE: Imperial Sir, we have two vacancies on important committees for this session, due to the inability of members to attend the Session. I am authorized by the Imperial Potentate to announce that the vacancy on the Committee on Finance and Accounts occasioned by the absence of Noble Steve Cooke of Moslah Temple, of Fort Worth, be filled for this session by the Potentate of Zamora Temple at Birmingham, Alabama, Illustrious Noble Richard L. Bowron; and that the vacancy on the Committee on Social Security created by the absence of Illustrious Noble Clarence J. Hartley, Chairman, of Aad Temple, at Duluth, be filled by the appointment of Illustrious Noble Robert P. Smith of Almas Temple for this session.

Past Imperial Potentate WEBSTER: The record will show that these appointments announced by the Imperial Recorder have been made by the Imperial Potentate.

Imperial Recorder PRICE: Has the General Counsel any resolutions to offer or any announcements to make? Any report from the Committee on Grievances and Appeals? Illustrious Noble Hoffman of Syrian Temple of Cincinnati is the chairman.

Noble FREDERICK L. HOFFMAN (Syrian Temple): (Reading)

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

To the Officers and Representatives of the Imperial Council:

The Committee on Grievances and Appeals has received a complaint to the effect that the Petition for Membership used by Moolah Temple of St. Louis, Mo. is objectionable in that it mentions the Supreme Councils of the Northern and Southern Jurisdiction, 33° as the Masonic organizations which have the right to declare Masonic orders clandestine, and omits to mention the Order of Knights Templar.

The Petition used is in accordance with that in the printed petition contained in the forms annexed to the Code. Your Committee, inasmuch as the Order of Knights Templar is also a prerequisite body, recommends that the petition for membership should also refer to Knights Templar and that the petition should read: "Furthermore I do not now, and never will hold membership in, or allegiance to any other body, claiming to be Masonic that has been declared clandestine by the Supreme Council 33° for the Northern or Southern Jurisdiction of the United States of America or the Grand Encampment of Knights Templar of the United States of America."

I move that the report be referred to the Committee on Jurisprudence and Laws. (Motion seconded.)

Past Imperial Potentate WEBSTER: Nobles, you have heard the report of the Grievance Committee and the motion that it be referred to the Committee on Jurisprudence and Laws. All in favor will manifest it by saying "Aye." Those opposed, "No." It is so referred.

Imperial Recorder PRICE: Report of the George Washington National Memorial Association. Illustrious Noble Ed B. King, chairman.

Noble EDWARD B. KING (Affi Temple): (Reading)

REPORT OF COMMITTEE ON GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL

To the Imperial Potentate, Imperial Officers and Representatives of the Imperial Council, A. A. O. N. M. S. for North America:

It is my privilege to bring to you a report of the progress and activities of our George Washington Masonic National Memorial, at Alexandria, Virginia. Since our last report much has been accomplished. During the past year, considerable progress has been made in construction at the Memorial. The Blue Lodge room and the Replica room have been completed and furnished; the concrete terrace steps have been laid and much other work carried to completion. Those interested in the details of this work may find same in the minutes of the last annual meeting, a copy of which may be had for the asking, addressing your request to J. Claude Keiper, Secretary-Treasurer, Masonic Temple, Washington, D. C.

Those of you who have inspected the Lodge room will agree that it is exceptionally fine. The furnishings are of the best, both in material and design. The Replica Room is still without the relics which will ultimately be placed there. From considerations of safety, these relics shall for the present remain stored in another part of the Memorial. The beauty of this Replica Room calls for unqualified admiration.

It will probably be of interest to the members of the Imperial Council to know, that since further contributions cannot be used at this time due to inability of obtaining materials, a large part of the current funds of the Association, in the amount of \$67,000, was invested in the April issue of U. S. Treasury Bonds, thus contributing to the war effort.

At the annual meeting of the Association, the attendance probably exceeded any meeting of the past, 47 of the 49 Grand Lodges being represented. Almost \$69,000 was contributed at that meeting.

It became evident the latter part of 1942 that the cash on hand was more than sufficient to meet all costs of construction and so it was decided by the Executive Committee to invest \$50,000 of the amount in negotiable U. S. Treasury Bonds. War damage insurance on the Memorial is carried in the amount of \$2,500,000.

A summary of the assets shows:

Building Fund	\$118,703.31
Endowment Fund	41,365.53
Expense Fund	182.78
Total	\$160,251.62
Liabilities Victory Tax withheld	35.52
Net Assets in the several funds	\$160,216.30

The Blue Lodge Room was dedicated on the evening of February 22, 1943, by the Grand Lodge of Virginia in the presence of nearly one half of the Grand Masters or their representatives of the several states. The dedicatory address was delivered by Most Worshipful James H. Price, Past Grand Master of Virginia and Imperial Recorder of the Imperial Council of the A. A. O. N. M. S. for North America.

It was a most noteworthy and stirring address. We wish to conclude this report by quoting the following from his address:

"This Temple, which the spirit of Masonry and the spirit of Washington have brought forth, will be articulate for centuries to come. The impelling force behind it is the practically inexhaustible supply of love and patriotism in the hearts of the Brethren—Masonry, in its last analysis, does not function as an organization, but through individual life—my conception of conditions leads me to believe that if we are to maintain our dignified position in the world as Masons, we must, as individuals, dignify the Institution. Every Mason should ring true in all the relations of life; true to his family, true to the best standards of his business or profession, true to the teachings of the fraternity, in individual thought and action. The ringing call to every Mason is to put the best into his life, and by the regularity of his own behavior afford the best example for the conduct of others less informed."

Respectfully submitted,

I move its adoption. (Motion seconded.)

Past Imperial Potentate WEBSTER: It is moved and seconded that the report of the Committee be adopted. All in favor of the motion will manifest it by saying "Aye." Those opposed, "No." The report is adopted.

Imperial Recorder PRICE: We have time for one other committee report, Thomas P. Bradley.

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Past Imperial Potentate WEBSTER: This isn't the way it used to be in the old days. All in favor of the adoption of the report will manifest it by saying "Aye." Those opposed, "No." The report is adopted.

Imperial Recorder PRICE: Nobles, give me your attention just for a moment or two and we will get these committee meetings arranged so that we shall have no delays tomorrow. (Announcing the time and place of meetings of various committees.)

Noble Rahn of the Committee on Transportation announces that he will have no report this year.

**Proceedings of the Colorado Corporation occurring at this time
are shown separately in another section, the Iowa Corporation
being closed and thereafter reopened.**

Imperial Potentate FIEBACH (Resuming the Chair): The hotel requires every minute of the time from half past four to prepare this room for the banquet. It now approaches half past four, and the chair will declare an adjournment until nine-thirty tomorrow morning, when the election of officers will be the first order of business. We stand adjourned. (4:32 p. m.)

WEDNESDAY, JULY 7, 1943

Morning Session

IMPERIAL Potentate FIEBACH: (9:40 a.m.) We are not unmindful of the fact that before engaging in any great and important undertaking we should invoke the Divine blessing, and so I want to call on Noble Proctor, of Sudan Temple, to lead us in prayer at this time.

Noble CREASY K. PROCTOR (Sudan Temple): O Lord, our God and our Heavenly Father, our hearts are inclined towards Thee this morning, because we know that Thou art the source of life, even these lives of ours. We are in Thy hands. We recognize Thee as the Creator and Ruler of all things, and we turn to Thee this morning because we know that we are dependent upon Thee.

We come with grateful hearts for the blessings of life, for the blessings of life under our flag and under the flags of our allies. We are grateful for the privilege of being together in this group and for having a share in the undertakings of this organization. We commit our minds, our hearts, our bodies unto Thee today, and we ask for Thy Divine guidance.

May we strive to know Thy will always in every undertaking, and we ask this morning that we may so conduct ourselves that we may have Thy blessings upon us.

We know that Thou art about us. We know that Thy blessings are for those who do Thy will. And may we as a world, may we as a Nation, may we as an organization, may we as men during this day and every day of our lives strive to do Thy will in everything.

Bless our land and country and those who are associated with us today. Lead us in the paths that are upward. May Thy blessings rest upon those today who are fighting for the preservation of the best things in life. Put about them Thine everlasting arms.

Bless those who are dependent upon us. Keep them in Thy ways today. And now we look to Thee, O Lord God, submitting our minds and our hearts. Keep us from every secret fault and help us so to live that when the last summons shall come we may be ready to answer that call without fear. For we ask it in Thy name. Amen.

Imperial Potentate FIEBACH: We are now fifteen minutes late in opening this morning session. I will order the doors opened and while the tardy members are getting in their places we will dispose of a few perfunctory matters which I am quite sure will not start any argument.

Governor, will you give us the next order of business, outside of the election?

Imperial Recorder PRICE: Imperial Sir, there are a few announcements that I would like to make first in order that our program will not be slowed down and congested a little later on in these proceedings. I want to make this explanation to the Imperial Council. Many of you have had the experience of sending telegrams and messages, since the emergency has become acute, and I find that Government rulings also apply to the Imperial Council. In sending out nearly twenty telegrams we had to eliminate all the good wishes, congratulations, and everything of that sort. If you hear anybody say anything about the lack of warmth and cordiality in the telegrams from the Imperial Council you may tell him that we are subject to Government restrictions and regulations.

I would like to have this telegram entered in the record. It comes from Noble W. S. Cooke, of Moslah Temple, at Fort Worth, one of the most useful men in this Imperial Council:

Important engagements here have precluded any possibility of my attending the Imperial Council this week. I regret exceedingly my absence from your committee, which I have always enjoyed. Sincerest regards to you and your members.

This comes to Illustrious Noble Thomas S. Rishworth, Chairman of the Committee on Finance and Accounts.

(Announcements by the Imperial Recorder.)

Imperial Potentate FIEBACH: We are informed that the Committee on Nomination of Emeriti Members is ready to report, and I think I will call for that committee report now. Is the Imperial Outer Guard here? Will you go out in the corridor and announce that the doors will be closed in five minutes. We will hear from the chairman of the Committee on Emeriti Members, Past Imperial Potentate Clarence M. Dunbar.

Past Imperial Potentate CLARENCE M. DUNBAR: (Reading)

REPORT OF THE COMMITTEE ON NOMINATION OF EMERITI MEMBERS

Imperial Potentate, Officers, and Members of the Imperial Council:

Your Committee on Emeritus Membership is pleased to report and recommend at this time for Emeritus Membership three Nobles who have qualified by twenty-one (21) years of service in this Imperial Council:

Noble J. Milton Ryall, Syria Temple, of Pittsburgh, Pennsylvania.

Noble Seth Cameron Savage, Beni Kedem Temple, of Charleston, West Virginia.

Noble Arthur H. Diamant, Mecca Temple, New York City. And I move you, Sir, that they be granted this distinguished honor.

Signed by the entire Committee:

CLARENCE M. DUNBAR
GEORGE FILMER
WALTER W. MORRISON
PETER S. COOK
S. C. SAVAGE
F. C. SHEPARD, JR.

Are those Nobles present? Will the three Nobles come to the stage and be introduced? I move you, Imperial Sir, the adoption of this report. (Motion seconded.)

Imperial Chief Rabban ARVOLD (In the Chair): Nobles, you have heard the report. It has been moved and seconded that it be adopted. All those in favor of adopting the report will please vote "Aye." Those opposed "No." It is a unanimous vote. Will these friendly, gracious Nobles kindly step forward in order that our genial Past Imperial Potentate Illustrious Noble Dunbar may present them to the Nobility.

Past Imperial Potentate DUNBAR: I introduce first Illustrious Noble J. Milton Ryall of Syria Temple, Pittsburgh, Pennsylvania. (Applause) He desires to speak for a moment or two.

Noble RYALL: Nobles, the thought of twenty-one years seems a long time. Of course this action puts us in the Alumni Association of this Imperial Council. Some people think a Noble is finished when he reaches this stage. I heard recently a story that when the last census was being taken one of these field men went to a small negro hut down in Florida and he noticed a lot of children playing around the front door. He asked where the mother was and one of the little boys went in and brought the mother out. He told her who he was and asked her name. She said it was Mattie Jones. He said, "What is your husband's name?" She said, "Sam Jones." "What does he do, what is his occupation?" "Oh," she says, "he is dead." "Are these your children?" She said, "They are." He said, "How long has your husband been dead?" She said, "Ten years." "You mean that these small children are your children? I don't understand!" She said, "Mr. Census Man, I want to tell you I'se not dead." I think that is the way we feel about this honor.

Past Imperial Potentate DUNBAR: After twenty-one years, he can still tell a good story. Here is Illustrious Noble Seth Savage. (Applause) You

know it is a funny thing, but Illustrious Noble Savage is a member of the Committee on Emeriti. Members and here he is up for election. He voted for himself. Right along that line I want to tell you I have been here thirty-one years and I am not an Emeritus Member, but I am going to be next year.

Here is Illustrious Noble Arthur Diamant, of Mecca Temple, New York, old Mecca Temple. Arthur has done a whole lot to keep this good Temple on the map. Twenty-one years! Here he is, nice and young looking after all these twenty-one years. (Applause)

Noble Diamant: Boys, I have made a lot of friends here. I thank you.

Imperial Chief Rabban ARVOLD: Imperial Recorder Price, have you any further announcements?

Imperial Recorder PRICE: I have a letter from Ainad Temple, or from the Potentate of Ainad Temple, complaining of some invasions of the Jurisdiction of the Illinois Temples on the part of the Temple at Evansville, Indiana. I spoke to Ilustrious Noble Chackes about it. The Potentate happens to be absent. I am making this announcement at this time so that the Representatives may contact Illustrious Noble Hoffman, Chairman of the Committee on Grievances and Appeals to which Committee this complaint is being referred.

The Imperial Potentate has asked me to announce that in order to conserve time the conference for the benefit of Potentates and Chief Rabbans will be held in this room tonight, beginning at eight o'clock. He asked me to state that Potentates, Past Potentates, Recorders and any others who may be interested in the discussions are cordially invited to be present. In that connection I want to announce that Noble William C. FitzGibbon, who is a member of Almas Temple, and who is also connected with the Treasury Department in Washington, will appear on this program to discuss with you some of the possibilities of United States Bonds and War Savings Stamps. This subject will be a part of the general conference.

Imperial Potentate FIEBACH: (Resuming the Chair) Are the tellers ready to proceed with the election? Will the chairman approach the stage? Are there any instructions the chairman of the Committee on Election Tellers, Judges and Clerks wishes to give at this time?

Noble C. BERT CLAUSIN (El Katif Temple): When you get ready to cast your ballot for Imperial Outer Guard, I wish you would bear the following suggestions in mind. I want this section on this side to move to my right. The box for the ballot will be located near the wall on my right. Move to that side and, after voting, return to the center aisle and take your seats again. This section over here on my left will follow the same procedure. They will move to the center aisle. The ballot-box will be located on my left in this corner (indicating) and then go back to your seats again. Is that clear? Be sure and mark your ballots properly. It doesn't make any difference which box you may use, but go in a column or file past the table and deposit your

ballots as quickly as possible and return to your seats. Follow the same general plan in the rear of the hall. Thank you.

Imperial Potentate FIEBACH: Thank you, Chairman Clausin. We want to take the time while Representatives are coming through the door to proceed with the election of some suitable person to serve as Imperial Potentate of the Imperial Council for the ensuing year. Will the Outer Guard tyle the door? I recognize Past Imperial Potentate John N. Sebrell at this time.

Past Imperial Potentate JOHN N. SEBRELL: Imperial Sir and Representatives:

The hour has come when we can pay a deserved honor to a great section of this country and to a great Shriner who lives in that section.

Within the confines of North America the Shrine knows no national boundaries. Even that invisible geographic line which separates us from the great Dominion on the north is fast fading away, and the bond of friendship between the two peoples is being daily cemented by the shed blood of the sons of both countries on foreign battlefields in defense of the same principles of Government.

When the sun rises out of the Atlantic's gray dawn and pursues his pathless course across the Canadian country before he sinks to rest in the placid Pacific he sheds his beneficent beams upon nine of the greatest Temples of this Order.

It was about a decade ago when it was my proud privilege and my very high honor as Imperial Potentate to visit all of these Temples, and sweet is the memory which I cherish of their courtesies as they impressed me with their fine fraternal spirit, their deep devotion and loyalty to the Shrine, and the loftiness of their individual characters.

Their membership may not be so large in every case, but jewels when rare are more precious and lustrous.

Out of that country comes the Man of the Hour into whose hands will soon be placed the scepter of authority and to whose guiding genius will be committed the destinies of the Shrine of North America. His qualifications for this high trust are attested by the records of the past. In every department and activity of life, whether it has been social, or fraternal, or business, he has been a conspicuous and outstanding figure.

By birth a gentleman, by nature a Noble, and by culture a peer, gifted with an attractive personality, blest with a genial disposition, and possessed of a proper and becoming dignity, he looms large as a real man and Shriner.

In his young life, in his teens, he became associated with banking interests in Canada, and his ability and efficiency were so recognized that he was promoted from time to time and given assignments of honor and trust. He retired after many years in that business to accept an executive position with a large industrial corporation, which position he now holds.

His Masonic career has been both active and interesting. Master of a lodge twice—not the same lodge; District Deputy Grand Master of the Grand Lodge; elected to the Board of General Purposes in the Grand Lodge;

served as chairman of the Committee on Finance of the Grand Lodge of Canada in Ontario; Representative to the Imperial Council since 1931.

Those of you who were at the Imperial Session in Minneapolis in 1934 witnessed a tribute that was paid to him that was as great as could be paid to any man, when his countrymen unanimously selected him for a position on the Imperial Divan.

So worthily has he worn these honors in the successive stages of his advancement during the succeeding years that here we are today, the Shrine host of three great Nations, to proclaim him as our leader and chief.

I must not omit to mention that his greatest triumph was in the field of romance, where he won for himself that winsome and bewitching little lady who has been his greatest inspiration in all his accomplishments, and who will bring charm and lend grace to his administration. And so

The benediction of Allah we pray for this pair

Wherever their pathways may lead them to go—

All sunshine, no shadows; full freedom from care;

Our affection for Morley; our best love for "Flo."

Imperial Sir, I move that the rules be suspended and that the Imperial Recorder, Jim Price, be instructed to cast the unanimous ballot of the Imperial Council for Illustrious Noble Morley E. MacKenzie for Imperial Potentate for the ensuing year. (Applause)

Imperial Potentate FIEBACH: Do I hear a second? (Motion seconded.) Are there any other nominations? Hearing none, we will put the motion. All in favor of the motion will signify it by voting "Aye." I won't ask for any other vote. It is unanimous. Governor, will you cast the ballot.

Imperial Recorder PRICE: Imperial Potentate, it affords me one of the great pleasures of my Shrine career to cast the unanimous ballot of this Imperial Council, 642 votes, for Illustrious Noble Morley E. MacKenzie of Rameses Temple for Imperial Potentate of this Imperial Council for the ensuing twelve months.

First, may I say a word about Illustrious Noble MacKenzie. We first discovered him when we went to Toronto to interest Rameses Temple in entertaining the Imperial Council. He was one of the outstanding Nobles of that fine Temple at that time who was sympathetic, and I remember that Illustrious Noble Leo Youngworth, who was Imperial Potentate, came in one night and said, "By the way, we are going to leave this Imperial Council on the doorstep of Rameses after all." And this was the man who did most of the work in putting over the great successful session in Toronto.

It is a great pleasure to me to cast this unanimous vote for this fine, popular, outstanding Shrine leader.

Imperial Potentate FIEBACH: Illustrious Noble MacKenzie; these Representatives have unanimously elected you to serve as their Imperial Potentate for the ensuing year. Do you accept?

Noble MACKENZIE: Imperial Sir, I do accept this distinguished honor. After that very fine nominating speech made by my very good friend Past Imperial Potentate Jack Sebrell, I am at a loss to know just what to say. I hope that Jack has not built me up too much. One always likes to hear nice things said about oneself, but the build-up sometimes is far too great and later in the year one might be let down.

However, Imperial Sir and Nobles of this Imperial Council, I do appreciate far more than I can express to you the great honor that you have done me in electing me as your Imperial Potentate. I appreciate it from a personal standpoint, I appreciate it on behalf of my country—Canada—which lies to the north of your great country.

Now, Imperial Sir, again let me say I do accept this office with a very deep sense of appreciation. I thank you.

Imperial Potentate FIEBACH: Following a time-honored custom a recess will now be declared to give time for the stage to be set up by our Canadian Nobles. Some of these front seats will be vacated for the first lady of Shrinedom for the coming year and her friends to come in and witness this little demonstration.

Illustrious Noble Lou Chackes will tell you more about the order of the day until we reconvene.

Noble LOUIS CHACKES (Ainad Temple): Imperial Potentate and Representatives, it has been suggested that when the ladies come in that the section that should have been reserved, these chairs down here on the wide aisle, should be vacated for them. The chairs on the stage, if they are not carried down by the Imperial Officers, will be carried off by others, so that there should be an extra row here in front. In a short time we will proceed with the ceremonies.

At the center of the stage when the curtain rose was a large screen upon which was painted a Maple Leaf, with the word "Canada" across it.

Noble CHACKES (Master of Ceremonies): Ladies and Nobles, it is quite a thrilling experience to come up here, escorted by two of the Royal Canadian Mounted Police, and to feel that I can say something more than just plain "Guilty."

It is a genuine thrill for me to be allowed to participate in the ceremonies incident to the demonstration honoring the advancement of our very fine Canadian friend to the exalted station of Imperial Potentate. Our quartette will sing appropriately "O Canada." (Song by quartette.)

We have with us from Canada Representatives from the various Armed Forces, not in rented costumes, but actual participants in this war of ours. So I take pleasure in presenting to you now Representatives of the Armed Forces of Canada.

Introducing to you, Ladies and Nobles and Friends, The Royal Canadian Navy and the accompanying auxiliary, the WRENS. (Navy theme song.)

The Canadian Army! And The Canadian Women's Army Corps. (Applause)

The Royal Canadian Air Force! And the Women's Division. (R. C. A. F. song.)

(The military personnel was presented. The members of the Royal Canadian Mounted Police were in full uniform with decorations, and took positions to the right and left of the Maple Leaf on the stage. Later as the various Temples of Canada were presented, Nobles in costumes representing the industries in the respective Provinces took positions on a platform to the rear and above the Maple Leaf. When Rameses Temple was presented, its officers came to the stage.)

(John Bull and Uncle Sam in character entered the stage from opposite sides and took up positions beside the military personnel.)

Yes, friends, we are neighbors, good neighbors too, united in effort, purpose and hope, tested, tried and true. It is now my pleasure to introduce representatives from the provinces and Temples of our good neighbors to the north:

Gizeh Temple. From Canada's west coast comes Gizeh Temple from Vancouver, British Columbia. In 1871 British Columbia joined the Dominion Federation. In this picturesque province is mined over one fifth of Canada's mineral wealth. Her lumber operations are most extensive, and her salmon fisheries are known all over the world. Situated between the Pacific Ocean and the Rocky Mountains, the scenic beauty of British Columbia is a joy to behold. The city of Vancouver takes its name from the explorer who charted it, and today it is the fourth largest city in Canada.

Now we swing eastward to Canada's east coast and from Halifax, Nova Scotia, comes Philae Temple. Literally translated the name Nova Scotia means "New Scotland" for this province owes much to the hardy descendants of Scotland who pioneered its growth. Its sharply indented coasts form many natural harbors from which go thousands of fishing ships to carry on one of the province's most important industries. Nova Scotia is the largest coal-producing province in Canada, supplying hundreds of industries turning out at present the implements of war. Its fertile valleys produce many fruits in abundance, and scenically this land of Evangeline is one of Nature's most beautiful handiworks.

Westward ho!—and this time to Al Azhar Temple from Calgary, Alberta, the farthest north Shrine Temple in the world. Alberta is one of Canada's most versatile provinces, producing many of life's essentials. World famed for its cattle ranches, Alberta is also the second largest grain growing province in the Dominion and world famous for its prize-winning Marquis wheat. In the famous Turner Valley are thousands of oil wells with a yet unestimated supply of oil. Geologists believe that nearly four fifths of Canada's native supply of coal is deposited in Alberta. And through this province of scenic wonder, runs the famous highway joining the United States to Alaska, further cementing the bond of friendship between our great countries. (Applause)

Luxor! Lux brings you Hollywood; Luxor brings you New Brunswick. There's a name that conjures up famous salmon streams, picturesque moose country, and from its largest city, St. John, we greet Luxor Temple. Most

of this coastal province is heavily forested, and lumbering is of paramount importance. Fishing, too, is a ranking industry, and sheep raising, with its attendant large wool exports. New Brunswick has valuable mineral deposits, coal, antimony, gypsum and copper. Truly, Dame Nature has smiled on New Brunswick.

Wa-Wa! Saskatchewan, the granary of the world, and from its capital city, Regina, greetings from Wa-Wa Temple. It must have been named by the same man who named Walla Walla. This prairie province is heavily forested in the north, but the southern portion is perhaps not exceeded for fertility anywhere in the world, its tremendous annual grain crop being exported all over the world. Saskatchewan might well be called the agricultural heart of Canada. The parliament buildings at Regina constitute one of the show places of the province, and the city of Regina itself is a model of civic excellence. Here, too, was located the original headquarters of that famous body of men—the Royal Canadian Mounted Police. It is an old saying that every member of the Royal Canadian Mounted Police always gets his man, and I might add that every Noble of the Mystic Shrine always gets his lady.

Karnak! And now the magic carpet takes us to picturesque Quebec and memories of the Old World, and on to Montreal and Karnak Temple. Montreal, Canada's largest city, is situated on an island at the confluence of the Ottawa and St. Lawrence Rivers. An important sea-going port, Montreal was founded in 1642 and takes its name from the mountain on which it is located, Mount Royal, or as the French would say, Mow-ree-all. The history of Canada and the progress of the Dominion is wrapped-up in Quebec. Generously dotted with lakes and rivers, Quebec is a hunter's and fisherman's paradise. In peace time Quebec might be called the placid province, but today its industries are humming to produce the tools of war to crush the enemies of freedom.

Khartum! When we speak of the world's most important market for cereals, we can only be referring to Winnipeg, capital of the prairie province of Manitoba, and home of Khartum Temple. In the northern end of the province mining is rapidly becoming an important development, but in the south, the Red River lowland, farming is by far Manitoba's most profitable market. It has been said that the climate is rather extreme, with long cold winters and short hot summers, a condition which no true Manitoban would be willing to change. Certainly the climate is ideal enough to make Manitoba one of the world's greatest producers of grain.

Mocha! And now to Ontario, Canada's richest and most densely populated province, and from Ontario's fourth city, London, we give you Mocha Temple. A list of the products of Canada's banner province would run the gamut from Alpha to Omega. Ontario is the largest producer in the world of nickel, and ranks high with gold, silver and iron, with thousands of square miles as yet undeveloped. In northern Ontario lumbering is a huge enterprise and many of America's newspapers are printed on paper produced from the pulpwood of this great province. Ontario's industries are abundant and diversified, although today most of them are devoting their facilities to the building of tanks, guns, ships, airplanes and other munitions of war which go to swell the gigantic output of the Dominion.

Finally to Ontario's capital city, Toronto, and the Mother Temple of Canada, Rameses. Toronto, second largest city in the Dominion, is called the Queen City of Canada, and the title is well deserved. A city of rare beauty, Toronto has many claims to fame. Industrially it is the metropolis of Canada, its range of manufactured goods including practically every known commodity. Home of Canada's largest university, the University of Toronto, the Royal Ontario Museum, and many other imposing structures. It also boasts the largest hotel in the British Empire. Toronto is the home of the world's largest annual exhibition, the Canadian National Exhibition, now suspended for the duration and presently occupied by His Majesty's Armed Forces. Truly, Toronto is the home of many famous men of literature, the fine arts, tycoons of industry, bankers, philosophers, the stage, screen, and many others, but what more just claim to fame than the knowledge that it is the home of our incoming Imperial Potentate.

"Maple Leaf Forever"—Hella Temple Quartet.

Noble CHACKES: Somewhere at this time the incoming Potentate will make his appearance. (Noble MacKenzie stepped through the Maple Leaf to the stage.)

And now, Ladies and Nobles and Friends, the Potentate of Rameses Temple, Illustrious Noble Alex L. Brown.

Noble BROWN: Illustrious Imperial Potentate, Illustrious Imperial Potentate-Elect, Members of the Imperial Divan, Ladies, Nobles and Friends:

I deeply appreciate this opportunity of saying to you that the Nobility of Canada greatly appreciates the great honor which you have conferred upon one of our Nobles, a member of Rameses Temple of which I have the honor of being Potentate.

We who have closely associated and worked with Illustrious Noble Morley E. MacKenzie greatly honor him and his ability, but for the benefit of those of you who have not been so privileged I should like to give you just a few high lights in the past history of our Imperial Potentate.

Illustrious Noble Morley MacKenzie, if my information is correct, was educated to be a minister. I don't know why he did not continue, but someone told me that he did not like to pray in public and he used to have one of his church officers offer the invocation.

However, his Masonic background is very interesting. In 1926 he was made Master of Bay of Quinte Lodge. Three years later he was elected Deputy Grand Master of Ontario, Canada, the Grand Lodge of Canada in the Province of Ontario. A year later he was appointed chairman of the Finance Committee of the Grand Lodge, and the following year was elected chairman of the Committee on General Purposes of the Grand Lodge.

His business career has been largely in the field of finance. In 1907 he started on a banking career, which he pursued for some time. I believe it was about 1921 that he organized the Government Savings Banks and became director of that institution, which proved very highly successful.

In 1921 he crossed the hot sands in Rameses Temple and became very active for Shrinedom in Canada. In 1933 he was elected Potentate of Rameses Temple, and as Potentate he was outstanding and did so much for Shrinedom generally that he was re-elected in '34 and again in '35.

He has attended the Imperial Council as Representative every year since 1931.

Later in his career he left the banking business and became head of the Distillers Corporation of Canada, and today he is general sales manager for Canada for that company.

I think we have a very complete setup of representatives from all parts of Canada. There is just one who should be here who is not, and I refer to the queen of the MacKenzie household, Mrs. Morley E. MacKenzie, and I am going to ask a Past Potentate of Rameses Temple and a member of the Imperial Council's Committee on Jurisprudence and Laws, Illustrious Noble Murdoch Martyn, if he will escort Mrs. Morley MacKenzie to the platform. (Mrs MacKenzie was escorted to the platform.)

Mrs. MacKenzie, this is a very happy occasion for you and for all of us, and I want to congratulate you on being the wife and helpmate of a man who has been raised to the top rung of the ladder of Shrinedom, and as first lady I know that you will grace that position, as you have always done in other activities. We know that you have been a great help to our beloved leader in these years as he has climbed the ladders of fame in Shrinedom. We want you to accept these flowers from the Nobility of Rameses Temple as a little token of our esteem, and we congratulate you and hope that you will enjoy and have a very lovely year in traveling with the Imperial Potentate. Now I want to take you over and introduce you to the Imperial Potentate.

Mrs. MacKENZIE: I just want to thank you all.

Imperial Potentate-Elect MacKENZIE: Ladies and Nobles, this is just a fine omen. I might say you have done me a very great honor today. True, I have been looking forward to this moment for a number of years, and it has finally arrived.

I realize that honor does not come alone. With it must be associated responsibilities. I accept the honor that you have conferred upon me today, and insofar as the responsibility is concerned I will undertake to measure up to the standards set for me. But I appeal to each and every Noble who is here today, and those who are back home and not permitted to attend this session, for their support, for their cooperation, and with that we will do the best we can.

I know that I shall have the support of the immediate Past Imperial Potentate Albert H. Fiebach, with whom I have worked during the year, and whom I have not learned to love but on the contrary, have always loved. He and I have been very, very close, and I do not think anyone could have taken me under his wing in a finer, or more gentlemanly way than the present Imperial Potentate from the time that I was first elected in Minneapolis to the position of Imperial Outer Guard. He has been more like a father to me.

I have received his advice and judgment and he has helped me along the way. I can assure you I am going to appeal to him. Keep right on, Imperial Sir, and any time I call on you I hope you will help me. Now that applies to every other Past Imperial Potentate.

I want also to appeal to my many fellow Nobles in Canada to continue the same support they have given me during the last ten years.

To the various members of committees throughout this organization I appeal for their close cooperation. And to that very genial and fine gentleman, Governor Price, and his very able assistant, E. W. Jacocks, may I say, Nobles, that I am going to lean very heavily on your shoulders. I know I will have your closest cooperation and assistance.

Now in accepting this high honor that you have given me, and with your help in meeting the responsibilities, we will try to carry on and hold high the torch that has been held by my very able and capable predecessors who have been privileged to hold this office.

One man cannot do this alone. It is a united pull. We are going through trying times, we in our country and you in your great United States. We are troubled with the same conditions today, and we find ourselves in this situation certainly through no fault of ours. But we are fighting the same battles, to rid the world of the type of men who would put us in a situation where we would lose for all time the freedoms to which we are entitled and the freedoms you and I have known in our manner of life. We propose with our close association and our allies, especially our English speaking allies, to see this thing through to a victory which will be ours, and it will be ours unquestionably, sooner I believe than we anticipate, and followed by the type of peace which will come through unconditional surrender. The terms I firmly believe will be that type of life that you and I have enjoyed and propose to see maintained. (Applause)

We have a job to do, not only in so far as our organization is concerned but you and I as individuals are directly affected. We must do our part and dip our shoulders and help in every war activity that is humanly possible to see this thing through. We must make sacrifices. We must accept Government regulations in a proper spirit, because, while mistakes may be made by our Government authorities—after all they are human, God knows, but I believe that they are doing the best they can in this great struggle and are making these regulations to the best of their ability. I think at least that they are on the right line. It is our duty to back them up, get behind them and get this damnable thing over as soon as possible. (Applause)

Now I have some edicts that I will not take time at this moment to give to the Nobles. That part will come a little later on. But I do want to say to you that I appreciate the cooperation that has been given to my own Temple and my own Potentate Illustrious Alex Brown. I appreciate this little pageant in my honor, an earnest effort to give you some little idea at least of what Canada's resources are and particularly our part in this critical emergency.

I heard a few laughs when the representatives from the various provinces marched in, and I wondered just what was going on, but I see that our industries are pretty well depicted on the upper platform.

I want to thank the Government at Ottawa for releasing this fine array of representatives from the Armed Forces of Canada. I might tell you, Ladies and Nobles, that these representatives are all high ranking officers. Some have already seen service. (Applause) To the individuals who are here, may I express our appreciation and we thank you very sincerely for accepting your orders from Ottawa to be here.

On behalf of the host Temple, Rameses, we certainly hope you will enjoy your stay in Chicago. I want to thank the Chicago Band for pinch-hitting for us this morning. It was impossible for us to travel with bands and patrols, as you know. Getting across the border is not an easy task. And they have helped us tremendously.

And to that very splendid quartet from Hella, I shall not be able to say enough. You have heard it. They are just simply splendid. I appreciate from the bottom of my heart your kindness in coming all the way from Dallas here to be with us on this happy occasion.

Now I think I have pretty well covered the ground. I thank you sincerely, Ladies and Nobles, and particularly my fellow Nobles, for these evidences of your love and loyalty. I thank you most sincerely for this high honor that has been given me today, and with God's help and your cooperation I promise that I will give the office the very best I have. I thank you.

Noble CHACKES: Ladies and Nobles, I take pleasure now in presenting to you Past Imperial Potentate Judge Clyde I. Webster of Moslem Temple, Detroit.

Past Imperial Potentate WEBSTER: Imperial Sir and Nobles, ladies and guests:

Illustrious Noble MacKenzie, your associates from Calvert's Company, Limited, appreciating your loyalty, your honesty, your integrity and ability and the very fine service that you have rendered them, desired to present to you something upon this occasion to show their appreciation, and so they got together and decided to give you a beautiful watch. It was to be presented to you personally by the president of your company, but unfortunately he broke his leg and he is now in a hospital in New York.

Your associates, knowing the part that I played years ago in helping Canada to decide upon the right man to present to the Imperial Council (because everyone recognized at that time the claim that Canada was entitled to representation), have chosen me to make this presentation. We certainly made a wise selection, and I have greatly appreciated during the years the sentiment expressed to me by the various Temples of Canada for assisting and cooperating with them in selecting the incoming Imperial Potentate for their representative.

I predict for you, Imperial Sir, a most wonderful year as Imperial Potentate, not only because of your own fine worth and sterling integrity and

character, not only because of your fine personality and most genial disposition and ability, but because of existing conditions. I predict that as you visit our various Jurisdictions the Nobles everywhere will be more than pleased and happy to do you special honor this year, because this year our Imperial Potentate will be from Canada. (Applause)

I hope that you will receive as much pleasure and happiness in wearing and using this watch as your associates have in presenting it to you. (Applause)

Noble MACKENZIE: Past Imperial Potentate Judge Webster, I sincerely thank you for this very lovely gift, and while I understand from you that this was to have been presented by someone else who is unable to be here, I shall thank you now for presenting it to me, and I shall in due time, if I ever get the opportunity, and I hope I shall, write to the gentleman and thank him and express my appreciation for this very, very lovely watch from my associates of the Calvert organization.

I think probably I will just turn this watch over, as Jim Price used to say, to "Miss Flo." I will have to get more expert about this "Miss" business. We just say plain "Mrs." up in our country.

But I do feel that I am especially honored in having her associated with me on my trips, and there is no finer sport and no finer girl in the world than "Miss Flo." She will probably for the next few months have no reason to continue in the old capacity of the Masonic widow, and I know that with her inspiration and her help, and instruction, too, we will journey through this experience with the utmost pleasure. We hope we shall please you when we come. (Applause)

Noble CHACKES: I know that you will bear with us because in order to make this happy occasion one of pleasant and continuous memories we are asking Miss Flo to stand up here so that a photograph may be taken. We are going to group them together so a picture can be taken.

Imperial Recorder PRICE: Imperial Sir, we have a great many telegrams here from distinguished persons in Canada and other places. I shall take time to read only a few now. May I say all of these telegrams will be carried in the Proceedings. (Reading telegrams)

In closing I just want to let you in on a little secret. I have in the papers that have been filed with me a very attractive official paper from the city of Toronto inviting this Imperial Council to go to Toronto next year "if." (Applause) This is very welcome news, and I hope nothing will prevent our going to Canada again. Thank you very much.

Following are the telegrams to which reference has been made:

Ottawa, Ont.

It affords me much pleasure to extend a message of cordial greetings to the members of the Order of the Mystic Shrine upon the occasion of their annual convention. I wish at the same time to congratulate you personally upon your election as Imperial Potentate of the Order, especially since you are one of two Canadians to hold this office. My best of wishes to all present for a profitable meeting and to the Order as a whole for continued

success in its fine philanthropic work of maintaining hospitals for Crippled Children both in the United States and Canada.

Rt. Hon. W. L. Mackenzie King,
Prime Minister of Canada.

Ottawa, Ont.

Warm congratulations on your election and best wishes for success. The work of the Order of the Mystic Shrine more particularly in relation to care of crippled children is greatly appreciated in Canada. Understand you are second Canadian to be elected Imperial Potentate. Regard your election not only as great personal tribute but as another gratifying manifestation of the friendly feelings of United States membership to Canada and Canadians.

Hon. Norman McLarty,
Secretary of State of Canada.

Ottawa, Ont.

It is a great pleasure to hear of your election as Imperial Potentate. Imperial Potentate FIEBACH (11:34 a. m.): We will proceed immediately with the election. We will have a ballot on the Imperial Outer Guard before we go to lunch. Nominations are now in order for Deputy Imperial Potentate. Make your nominations short, or else. When we get to the office of Imperial

Outer Guard no nominating speech of more than five minutes will be permitted:

At this time I want to call Past Imperial Potentate Clarence M. Dunbar to the platform, and he will conduct this election.

Past Imperial Potentate CLARENCE M. DUNBAR (In the Chair): I want to say, Nobles, that I have a stop watch, and I am going to take the time of every nominating speech until we reach the Imperial Outer Guard. I would suggest to those who are to make nominations for Imperial Outer Guard that they realize the fact that it is 'almost time for lunch,' and that they should be governed accordingly. The Chair will hear nominations for Deputy Imperial Potentate.

Noble ROBERT P. SMITH (Almas Temple): Imperial Sir and Nobles—Yesterday we had the opportunity to witness a patriotic demonstration more beautiful than we have ever seen before. That demonstration was so perfectly planned that not even the Potentates of North America could make a mistake. This splendid Noble whom I am to nominate hails from the Middle West. He has received honors in all the Masonic Bodies, and has been elected to each of the stations from the foot of the line in this Imperial Council to the position of Deputy Imperial Potentate. He has had a world of experience and has demonstrated unusual ability. With at least another year's experience he will be able to carry the torch of this organization.

It is my great privilege to nominate Illustrious Noble Alfred G. Arvold of El Zagal Temple for the position of Deputy Imperial Potentate; and I move you, sir, that the nominations be closed, the rules suspended and that the Illustrious Potentate of El Zagal Temple, Illustrious Noble Henry J. Gilbertson, be directed to cast the unanimous ballot of this Imperial Council for Illustrious Noble Alfred G. Arvold as Deputy Imperial Potentate for the ensuing year.

Past Imperial Potentate DUNBAR: Do I hear a second? (Motion seconded.) All in favor of this motion will signify it by saying "Aye." Those opposed, "No." The vote is unanimous.

Illustrious Noble HENRY J. GILBERTSON (El Zagal Temple): Imperial Sir and Nobles, it is a great honor and privilege for me to cast the unanimous vote of this Imperial Council for Illustrious Noble Alfred G. Arvold as Deputy Imperial Potentate for the ensuing year.

Past Imperial Potentate DUNBAR: I declare Illustrious Noble Alfred G. Arvold elected Deputy Imperial Potentate.

Noble ARVOLD: Alfred Gilmeiden Arvold thanks you for this declaration. He accepts the honor.

Past Imperial Potentate DUNBAR: Nominations are in order for Imperial Chief Rabban. Do I hear one?

Noble ERNEST C. HUETER (Islam Temple): Imperial Sir and Nobles, I would like to place in nomination for the important position of Imperial Chief

Rabban the name of Illustrious Noble William H. Woodfield, Jr., of Islam Temple, San Francisco. I move you, sir, that the nominations be closed, the rules suspended, and that our good friend, Past Imperial Potentate Leo Valtus Youngworth of Los Angeles be instructed to cast the unanimous ballot of this Imperial Council for Illustrious Noble William H. Woodfield, Jr. for Imperial Chief Rabban for the ensuing year. (Applause)

Past Imperial Potentate DUNBAR: All in favor of the motion will say "Aye." Those opposed "No." The motion prevails.

Past Imperial Potentate LEO V. YOUNGWORTH: Imperial Sir and Nobles, it is a real pleasure and I am very happy to cast the unanimous ballot of this Imperial Council for Illustrious Noble William H. Woodfield, Jr., for Imperial Chief Rabban for the ensuing year.

Past Imperial Potentate DUNBAR: Illustrious Noble Woodfield, do you accept?

Noble WOODFIELD: Yes, time is of the essence. I accept and thank you for your support.

Past Imperial Potentate DUNBAR: We will now have nominations for Imperial Assistant Rabban.

Noble HENRY P. BRONKIE (Ismailia Temple): Imperial Sir and Nobles, brevity seems to be the order of the day. It gives me a great deal of pleasure to place in nomination for Imperial Assistant Rabban a Noble who has passed the test of the ballot for several years and I assume that you are going to elect him again this year, I refer to our good friend, Past Potentate of Ismailia, Illustrious Noble George H. Rowe. I nominate him and ask your support. I move that the nominations be closed, the rules suspended and that the Imperial Recorder cast the unanimous ballot of this Imperial Council for Illustrious Noble George H. Rowe for Imperial Assistant Rabban.

Past Imperial Potentate DUNBAR: All in favor of the motion will say "Aye." Those opposed "No." The motion is carried.

Imperial Recorder PRICE: Imperial Sir, it affords me a great deal of pleasure to cast the unanimous ballot of this Imperial Council for that very fine Noble, Illustrious Noble George H. Rowe of Ismailia Temple for Imperial Assistant Rabban for the ensuing year.

Past Imperial Potentate DUNBAR: George, do you accept?

Noble ROWE: Imperial Sir and Nobles, I am for Buffalo. I don't want you to keep away from Buffalo. I want you to keep us in mind. I do accept and thank you very much, Nobles.

Past Imperial Potentate DUNBAR: Nominations are now in order for Imperial High Priest and Prophet.

Noble J. MILTON RYALL (Syria Temple): Imperial Potentate and Representatives of this Imperial Council—I have the great honor and per-

sonal pleasure to present to you the name of Illustrious Noble Karl Rex Hammers of Syria Temple for Imperial High Priest and Prophet of this Imperial Council for the ensuing year.

Imperial Sir, I move that the rules be suspended, the nominations closed, and that Imperial Recorder Price cast the unanimous ballot of this Imperial Council for Illustrious Noble Karl Rex Hammers for Imperial High Priest and Prophet for the ensuing year.

Past Imperial Potentate DUNBAR: All in favor of this motion will signify it by saying "Aye." Those opposed, "No." The motion is carried.

Imperial Recorder PRICE: It gives me pleasure to cast the unanimous ballot of this Imperial Council for this very attractive and fine Noble from the city of Pittsburgh and Syria Temple, Illustrious Noble Karl Rex Hammers, for Imperial High Priest and Prophet of this Imperial Council for the ensuing year.

Past Imperial Potentate DUNBAR: Illustrious Noble Hammers do you accept?

Noble HAMMERS: Imperial Recorder and Imperial Sir, it may sound like routine to a great many, but this is just as big a thrill to me as the day I was elected Imperial Outer Guard. I hope to be worthy of your confidence. I do accept.

Past Imperial Potentate DUNBAR: Nominations for Imperial Oriental Guide.

Noble WILLIAM L. BAINE (Karem Temple): As Potentate of Karem Temple, I wish to place in nomination for Imperial Oriental Guide our present First Ceremonial Master, Illustrious Noble Galloway Calhoun. I move that the nominations be closed, the rules suspended, and that our Imperial Recorder cast the unanimous ballot of this Imperial Council for Illustrious Noble Calhoun for Imperial Oriental Guide.

Past Imperial Potentate DUNBAR: You have heard the motion. All in favor of this action will signify it by voting "Aye." Those opposed "No." The motion prevails.

Imperial Recorder PRICE: Imperial Sir, I had occasion some time ago to visit Tyler, Texas, and I had opportunity to see the respect and love and admiration in which this young man is held in his home community. It is a great pleasure to me to cast the unanimous ballot of this Imperial Council for Illustrious Noble Galloway Calhoun for Imperial Oriental Guide for the ensuing twelve months.

Past Imperial Potentate DUNBAR: Do you accept?

Noble CALHOUN: I do, and I thank you every one. (Applause)

Past Imperial Potentate DUNBAR: Nominations for Imperial Treasurer are now in order.

Past Imperial Potentate CLYDE I. WEBSTER: Imperial Sir and Nobles—On account of illness for the last two years I have been unable to be present at our Imperial Council Sessions, but I am pleased to be back again and to assume my regular duties at this time, and I nominate for Imperial Treasurer, Past Imperial Potentate Leonard P. Steuart. I think he has made good in this job ever since I appointed him some years ago. I move that the nominations be closed, the rules suspended and that Illustrious Noble William Carlson, Potentate of Moslem Temple, Detroit, cast the unanimous ballot of this Imperial Council for Illustrious Noble Leonard P. Steuart for Imperial Treasurer for the ensuing year.

Past Imperial Potentate DUNBAR: You have heard the motion. All in favor will vote "Aye." I know that there is no objection, so the Potentate of Moslem Temple will please cast the ballot.

Noble WILLIAM CARLSON (Moslem Temple): Imperial Sir, it is a privilege and pleasure to do as you have directed.

Past Imperial Potentate DUNBAR: Do you accept, Len?

Noble STEUART: Nobles, I do accept with grateful appreciation. I just want to say this, the securities and moneys that have passed through my hands annually run into millions. I want to say to you that I will earnestly try to safeguard these funds to your satisfaction so that I may make a similar report next year.

Past Imperial Potentate DUNBAR: Anybody here to nominate the Imperial Recorder?

Past Imperial Potentate JOHN N. SEBRELL: He said just now that he thought he needed a lawyer. It is a real personal pleasure to me to have this opportunity to nominate my long time personal friend and fellow Virginian, and the faithful Imperial Recorder of the Imperial Council, to succeed himself as Imperial Recorder for the next year. I move that nominations be closed, the rules suspended and that the Imperial Treasurer cast the unanimous ballot of this Imperial Council for Jim Price for Imperial Recorder for the ensuing year.

Past Imperial Potentate DUNBAR: All in favor of the motion will vote "Aye." Those opposed "No." The motion is carried.

Imperial Treasurer STEUART: Imperial Sir, it is with a great deal of pleasure that I cast the unanimous vote of this Imperial Council for Illustrious Noble Price for Imperial Recorder for the ensuing year.

Past Imperial Potentate DUNBAR: Illustrious Noble Price, would you accept this office?

Imperial Recorder PRICE: Thank you, sir, I am very happy to do so. I want to express my appreciation for this continued expression of your confidence.

Past Imperial Potentate DUNBAR: Now nominations are in order for Imperial First Ceremonial Master.

Noble CLIFFORD E. COX (Murat Temple): Nobles, I have the pleasure of presenting Illustrious Noble William Heim of Lu Lu Temple for the office of Imperial First Ceremonial Master, and I ask you, sir, that the nominations be closed, the rules suspended and that Past Imperial Potentate W. Freeland Kendrick be requested to cast the unanimous ballot of this Imperial Council for Illustrious Noble Heim for Imperial First Ceremonial Master for the ensuing year.

Past Imperial Potentate DUNBAR: All in favor of this motion will vote "Aye." Those opposed "No." It is unanimous.

Past Imperial Potentate W. FREELAND KENDRICK: Imperial Potentate and Nobles, I have very, very great pleasure in casting the unanimous ballot of this Imperial Council for Illustrious Noble William Heim, of Philadelphia, for Imperial First Ceremonial Master for the ensuing year.

Past Imperial Potentate DUNBAR: Illustrious Noble Heim, could we prevail upon you to accept?

Noble HEIM: Imperial Sir and Nobles, I accept with grateful appreciation. Thank you.

Past Imperial Potentate DUNBAR: Now the next office to be filled is Imperial Second Ceremonial Master.

Noble FONTAINE JOHNSON (Ben Ali Temple): Imperial Sir, I take great pleasure in nominating for the office of Imperial Second Ceremonial Master Illustrious Noble Harold Lloyd of Al Malaikah Temple. I move that the nominations be closed, the rules suspended and that Illustrious Noble Robert A. Heffner, Past Potentate of Al Malaikah, be requested to cast the unanimous ballot of this body for Illustrious Noble Harold Lloyd for Imperial Second Ceremonial Master for the ensuing year.

Past Imperial Potentate DUNBAR: All in favor of the motion will vote "Aye." Those opposed "No." The vote is unanimous.

Noble HEFFNER: Imperial Sir and Representatives, it is my pleasure to cast the unanimous ballot of this Imperial Council for Illustrious Noble Harold Lloyd for Imperial Second Ceremonial Master for the ensuing year.

Past Imperial Potentate DUNBAR: Illustrious Noble Lloyd, do you accept?

Noble LLOYD: Imperial Sir and Nobles, I am speechless. Thank you.

Past Imperial Potentate DUNBAR: Next is the Imperial Marshal.

Noble THEODORE M. GRIBBLE (Karem Temple): I have the honor to nominate for Imperial Marshal our friend, the present Imperial Captain of the Guard, Illustrious Noble Hubert M. Poteat. I move you, sir, that nomina-

tions be closed, the rules suspended, and that the Imperial Recorder cast the unanimous ballot of this Imperial Council for Illustrious Noble Poteat for this office for the ensuing year.

Past Imperial Potentate DUNBAR: All in favor of the motion will vote "Aye." Those opposed "No." Illustrious Noble Poteat is elected.

Imperial Recorder PRICE: I have great pleasure in casting the unanimous ballot of this Imperial Council for Illustrious Noble Hubert M. Poteat for Imperial Marshal for the ensuing twelve months.

Noble POTEAT: I do. You have not asked me, but I do.

Past Imperial Potentate DUNBAR: I expected you to accept!

Noble POTEAT: And may I add, Nobles, with ever-growing confidence in the future of our beloved Order.

Past Imperial Potentate DUNBAR: The next office to be filled is Imperial Captain of the Guard.

Noble HENRY L. OPPENBORN (Mahi Temple): Imperial Potentate and Representatives of this Imperial Council—Only yesterday I introduced a young man as Imperial Outer Guard. At that time I extolled his virtues, and this morning I have the honor and privilege of placing in nomination the name of the Illustrious Noble, Captain Roland D. Baldwin of the United States Marine. (Applause.)

Imperial Potentate, I move that the rules be suspended, the nominations closed, and that Noble and Captain Henry Cole of the United States Army be instructed to cast the unanimous ballot of this Imperial Council for Illustrious Noble Roland Baldwin for Imperial Captain of the Guard for the ensuing year.

Past Imperial Potentate DUNBAR: All in favor of this motion will signify it by voting "Aye." Those opposed "No." The motion is unanimously carried.

Noble HENRY H. COLE (Egypt Temple): I trust you have noticed the perfect coordination among the Florida Temples. Mahi nominates a candidate from Morocco and Egypt elects him. By circumstances it happens that the newly-elected Imperial Captain of the Guard and I have been stationed in the same place for the last six months. So it gives me added pleasure to cast the unanimous ballot of this Imperial Council for him for Imperial Captain of the Guard for the coming year.

Past Imperial Potentate DUNBAR: Illustrious Noble Baldwin, do you accept?

Noble BALDWIN: I do, sir. I thank all of you.

Past Imperial Potentate DUNBAR: Nobles, we got through with that job in just ten minutes. Let's see if we cannot get over this other competition in fifteen or twenty or twenty-five minutes. Nominations are in order for Imperial Outer Guard.

Noble F. LAWRENCE BULFINCH (Bekdash Temple): Imperial Sir and Representatives of this Imperial Council:

This year, with the whole world still at war, and knowing all that will follow the war, the naming of a man for the office of Imperial Outer Guard, who will measure up to all the requirements of an Imperial Potentate some day, is too grave a responsibility for us to engage in any mere popularity contest.

You want facts, not oratory or rumors. You want logic, not word pictures. Specializing in some one particular field is not a sure test. For this office we want a good Shriner, and a real leader. But more than ever we want a man of well-rounded experience. Personality alone is not enough.

But we can wisely choose a man whose entire background, experience and training, and whose present position in his home community, all prove diversified ability. He is a 100 per cent Shriner.

We of New England are proud of this man and his family. His Masonic record is one of continuous and successful service. By appointment of another great Shriner, Noble and Governor Leverett Saltonstall, he holds a distinguished office of honor and responsibility, one of the highest judicial positions in Massachusetts.

He comes from a section of this country, which for many years has had no representation on the Imperial Diyan. He comes from the fourth largest Temple in Shrinedom, which in sixty years has never had an Imperial Outer Guard.

An outstanding Noble, worthy and well qualified, second man in last year's contest for the same office, I give you the name of the logical candidate for the office of Imperial Outer Guard, Illustrious Noble Robert Gardiner Wilson, Jr., of Aleppo Temple of Boston. (Applause)

Noble ARTHUR G. HOPCRAFT (Al Koran Temple): I am Past Potentate Art Hopcraft of Al Koran Temple, Cleveland, Ohio.

Imperial Sirs, Nobles of this Imperial Council, also a part of the State of Ohio from which you heard our famous Governor last evening. I appreciate very much this high honor of presenting the name of a Noble to you at this Imperial Council, one whose name was presented to you last year, and one whose virtues were enumerated last year to the extent that it won't be necessary for me to go into them much this year.

I feel very humble in this very high grade company I have enjoyed—just usually run-of-mine Past Potentates at ten cents a dozen. I realize I have been in some pretty fast company the last few days.

It reminds me of the story of a colored porter that was running on a train into Birmingham. One morning a fellow came into the washroom, a very sunburned looking fellow, and he said to him, "Good morning, Captain." And the man looked at him and he said, "I am not a Captain." He said, "I beg your pardon, Major." He said, "I am not a Major." "Well, Colonel." And the man said, "I am not a Captain, and I am not a Major, and I am not

a Colonel." He said, "I am a Bishop." And the porter said, "Hot damn. I knew you were one of those face cards."

I believe we have got a face card here this year. I know he will develop into a face card as the years go on. He is Past Potentate of his Temple, he has been active in civic and business life in his city, has been a leader for many years, is the head of a large manufacturing concern that has now turned its activities over to war work.

Many years ago one of our past Vice-Presidents said that what this country needs is a good five cent cigar. Well, he didn't do anything about it and we never got a good five cent cigar. But here is the fellow that realized that what this country needed was a good mechanical pencil, so he made one. But he went further than that. He made a fountain pen so he would have a pen to go along with the pencil. I might say he thinks beyond the line. There are some fellows who just stop thinking at the line.

I know he will make a fine Noble in this office in the Imperial line-up. I want to give to you now the name of Past Potentate Remmie L. Arnold, of Acca Temple, as a candidate for Imperial Outer Guard. I thank you very much. (Applause)

Noble JAMES E. NUGENT (Ararat Temple): My name is Jim Nugent. I come from Ararat Temple. I am a Past Potentate of that Temple. I am a lawyer and farmer combined.

I am not dismayed nor in any way disturbed. When I came into the room this morning I was handed Ballot No. 23. I am not superstitious, and I think it is just an omen, when somebody hands me a number like that, that I can bring you something to which your attention may be called when you come to vote.

I am bringing you a candidate for Imperial Outer Guard who is fifty-three years old, who is a Knight Templar, who is a 33 degree honorary Scottish Rite Mason, who is Past Potentate of Ararat Temple, who has been a part of the civic life of our community, who has been at all times engaged in those fine ideals which have for their purpose the perpetuity in the minds and the hearts of the young men of this country some of those things that can never be destroyed.

Yesterday from this platform three significant words were spoken, and I think truly and well, when the speaker was paying tribute to the flag of our country. He was speaking of loyalty, he was speaking of goodness, he was speaking of pride. And the man to whom I will call your attention in just a minute has demonstrated through the past quarter of a century his loyalty not only in his relations with his fellowmen but in relation to 500,000 young men to whom he has brought something that has touched their life stream and brought to them the inspiration of loyalty in its true proportions. And by that I mean loyalty to God. For we have through this session been speaking of the responsibility of Shriners to their God. And young men in their teens who are approaching those periods of life when things may be out of proportion need the guiding hand of experience and proper ideals.—There must be something of inspiration and devotion to go into the minds and the

hearts of the youth of this land who come back from this war, or those who have not gone to war—a comprehension and the determination of loyalty to God.

And from and through that purpose, Nobles, when we find people loyal to their Maker and responsible to Him as well, then it is that we find loyalty to country, we find loyalty to home, we find loyalty to all those attributes and forces that make for a well-rounded life.

The second thing he was speaking about was goodness,—goodness not only in demeanor but generally in all of the aspects of life and his relations with his fellowmen, goodness with respect to those things that pour out from the individual heart into the hearts of others. And then it is that we find this goodness exemplified in the lives of so many who have been touched, for the good Noble I am nominating has been a real friend to the youth of the land. All of these boys have been given an opportunity to attune their lives to the highest ideals.

It was my privilege to be one of those called into conference when the Order of the DeMolay was started, and it has been my privilege during the last twenty-four years to be one of the advisors, and I know some of the precepts and the tenets and the fundamental subjects that were brought home to these young men, and from their ranks have come hundreds of thousands of Masons today, and from these groups are coming thousands and multiplied thousands of Shriners today. And if somebody says, "Let's do something now," then I say let us touch the fountain of the young men who have been through the past at the brink of Masonry and instill in them God's love of God, love of country, love of home, and the goodness which has been created in their lives are those principles which I have just discussed. They are Masonic principles. They are those that have been brought home to the youth of this land so abundantly through the splendid leaders of constructive thought and action.

So we pass to the third word, pride. I say we have a right to be proud of many things in this country, but from pride comes patriotism, and through patriotism comes devotion—in fact all of the loyalties to which your attention has been called.

So, Nobles, today I present with pleasure my friend of a quarter of a century, my associate of so many years. I vouch for his integrity, his honesty, and all of the things which men should hold dear; I bring to you as a candidate for Imperial Outer Guard Illustrious Noble Frank S. Land, of Ararat Temple, the founder, the creator, the doer of so many things with respect to the progress of humanity, a man who would grace the office of Imperial Potentate and bring to Shrinedom again many, many more of the men that we want to follow. (Applause)

Past Imperial Potentate DUNBAR: I recognize Illustrious Noble Frank C. Roundy, Senior Past Imperial Potentate.

Past Imperial Potentate ROUNDY: Imperial Sir and Representatives to this Imperial Session—Medinah Temple has a candidate for Imperial Outer Guard, Past Potentate Arthur M. Gullickson. His friends who know him

intimately call him Art. He has made good in every office that he has filled in Masonry or the Shrine. He is a successful business man. He comes from one of the five Central States which have within their jurisdiction twenty-two Temples of the Mystic Shrine, with a membership of 59,842 Nobles. None of these Temples have a representative today on the Imperial Divan of this Imperial Council. I therefore request that you give consideration to Illustrious Noble Arthur M. Gullickson of Medinah Temple for Imperial Outer Guard for the ensuing year. (Applause)

Past Imperial Potentate DUNBAR: Are there any other nominations?

Noble R. R. Adams (Al Kader Temple): Imperial Sir, Imperial Officers and Nobles of the Convention:

There is a Biblical saying that the first shall be last and the last shall be first. I come from the great Northwest where the tall pines grow. My name happens to be Adams. They call me Rube—I don't know why. I came across the country on a train that had a car in which was my room named "Imperial Sands." Somehow or other I think that is a fair omen.

I was distressed when I was asked to make this nominating speech, but I was flattered and pleased. I was distressed because I knew my shortcomings and because so few of you knew me, and because I knew this, despite Governor Price's opinion to the contrary notwithstanding, that a better speaker could have been selected. And then I was pleased, I was flattered. Who would not be, the opportunity for a country boy from the great Northwest to come before this august body, this great Imperial Council? Who would not be flattered and who would not be pleased when you can offer a man's man to this Imperial Council?

And then I thought about the fact that only last year in this room it developed that 300,000 Shriners had purchased less than 11,000 Contributing Memberships. The Noble I shall name, with a flick of the finger, evolved a plan and made the plan work, and today we have 25,000 Contributing Memberships. I heard the Imperial Potentate say yesterday that over a million dollars had been contributed to the fund as a tribute to those poor little crippled children.

This Noble gets things done. And then I thought how important it was for the Shrine to interest and influence business men in the administration of its affairs. This Noble has everything, executive ability, legislative ability, financial ability. He is tremendously successful in his own right. I might say incidentally he is a church man, a Presbyterian, although I am not holding that against him. I am a hard-shelled Baptist.

He is the kind of Noble that you and I will be mighty grateful to hail as our Imperial Potentate ten years hence. He is the kind of a Noble who will lend sovereign dignity to the highest office we can give a Noble, and yet he is the kind of a Noble who will never lose the common touch.

He is high principled, with a tenacity of purpose. Stricken with infantile paralysis, doomed to a life of inactivity, he literally pulled himself up by his own bootstraps. Ah, yes, Nobles, this man has that quality of soul that is but the fixed persuasion of success.

We have a job here, Nobles. The incoming Imperial Potentate this morning said it was a job, not so much the honor but the responsibility. So we, you and I, have the responsibility of putting a good Noble into the job—everyone is good, but the best Noble available, the Noble best qualified.

This is a big corporation. We control the good will, the finances of three hundred and some thousand Shriners and more. We have that wonderful asset, the Shriners' Hospitals for Crippled Children, where these little children are brought up and restored to health and given an opportunity to become useful members of society. This is a tremendous responsibility.

This Noble will make good. He is a business executive. He is wide and broad gauged. He thinks right. He does the right thing at the right time. As I said before, most of all he gets things done.

And so, Imperial Sir, it is my very great honor, it is a privilege for me and a great pleasure, to place before this Imperial Council the honored name of that distinguished Noble, Illustrious Noble Harvey Beffa, Past Potentate of Moolah Temple, of St. Louis.

I leave this word with you. This is not a job for tomorrow; this is a job for ten years hence. Let us weigh all the evidence, let us be sure in our hearts we put aside sentiment and emotion and let us be sure that we make it a business deal, and let us be sure we elect the right man. I know deep in my heart, and I speak sincerely, you will be mighty glad ten years hence that you heeded my call. Thank you.

Past Imperial Potentate DUNBAR: Are there any other nominations? If not, the chair will entertain a motion to close the nominations.

Noble LOUIS CHACKES (Ainad Temple): Imperial Sir, I move you that the nominations be closed. (Motion seconded.)

Past Imperial Potentate DUNBAR: All in favor of that motion will signify it by saying "Aye." Those opposed "No." The motion is unanimously carried.

I know the Nobles here would like to have the nominees come to the platform so that you may look them over. In the order that the ballot is printed I will call the names, and I will also introduce them in the same way: Illustrious Nobles Rennie L. Arnold, Harvey A. Beffa, Arthur M. Gullickson, Frank S. Land, and Robert G. Wilson, Jr. Now if they have finished congratulating each other, I will introduce these candidates in the order named.

Members of the Imperial Council, Illustrious Noble Rennie L. Arnold, of Acca Temple. (applause) Illustrious Noble Harvey A. Beffa, of Moolah Temple (applause). Illustrious Noble Arthur M. Gullickson, of Medinah Temple (applause). Illustrious Noble Frank S. Land, of Ararat Temple (applause). Illustrious Noble Robert G. Wilson, Jr., of Aleppo Temple (applause).

Would the chairman of the Committee on Election Tellers, Judges and Clerks like to say anything?

Noble C. BERT CLAUSIN (El Katif Temple): First, I want you to try to find your ballots. The second thing is I would like to have the aisle

cleared. The Tellers will please come to the ballot boxes. After the Nobles have voted please pass to the outside.

Imperial Potentate FIEBACH (Resuming the Chair): Nobles, as soon as you have cast your ballots you are in recess until two o'clock this afternoon, when the Necrology Committee will make its report. Lunch will be served today in the same place as yesterday. (12:27 p. m.)

WEDNESDAY, JULY 7, 1943

Afternoon Session

IMPERIAL Potentate FIEBACH (2:00 p. m.): Will the officials close the doors. The meeting will please come to order. The chairman of the Committee on Election Tellers, Judges and Clerks will make his report.

Noble C. BERT CLAUSIN (El Katif Temple): Imperial Sir, and Representatives of the Imperial Council, it is a great pleasure to report the result of your first ballot. The Committee finds that the possible vote of the Imperial Council is 640. The number of Nobles who voted was 600. The number necessary for a choice is 301. We find that Illustrious Noble Arthur M. Gullickson, Medinah Temple, polled 43 votes; Illustrious Noble Rennie L. Arnold, of Acca Temple, 105; Illustrious Noble Frank S. Land, of Ararat Temple, 132; Illustrious Noble Harvey A. Beffa, of Moolah Temple, 140; Illustrious Noble Robert Gardner Wilson, Jr., of Aleppo Temple, 180, which is not enough for a choice.

Imperial Sir, I await your further instructions.

Imperial Potentate FIEBACH: Another ballot will be necessary. I recognize Illustrious Noble Arthur Gullickson.

Noble ARTHUR M. GULLICKSON (Medinah Temple): Imperial Sir and Fellow Representatives, in order to expedite this election I wish to withdraw my name as a candidate for the office of Imperial Outer Guard. Nobles, I wish to thank each and every one of you.

Imperial Potentate FIEBACH: Nobles, you will proceed to prepare your ballots for Imperial Outer Guard. Four candidates are to be voted on, Illustrious Noble Arthur M. Gullickson having withdrawn.

I wish the Outer Guard would invite the Nobles in from the lobby, because we must have order here before we proceed with this second ballot.

Governor Price, are there any formal matters, any perfunctory matters that might have attention in the interim? I don't want to go ahead with this ballot until order is restored.

Judge Merritt will make his report for the Committee on Protection of Emblems of the Order.

Noble EDWARD H. MERRITT (Mizpah Temple): (Reading)

REPORT OF COMMITTEE ON PROTECTION OF EMBLEMS OF THE ORDER.

To the Imperial Potentate and Members of the Imperial Council:

Your Committee on Protection of Emblems of the Order have thought it advisable to present a short history of its work up to the present time.

At the meeting in Des Moines in 1921, a number of complaints were made relative to the use of our emblems as trade marks for various articles of merchandise, souvenirs, decorations, etc. Your chairman was called upon to suggest some plan to prevent such unwarranted use. He recommended that our emblems be registered under the trade mark laws of the several states of the Union and in Canada, Mexico and Hawaii.

By action of the Imperial Council the Imperial Potentate was instructed to authorize your committee to effect such registration, and such registrations were made.

Under these registrations your committee was able to stop and prevent use of our emblems by various manufacturers on quite a number of items of commerce.

At the meeting of the Imperial Council held in May 1928 at Miami, a number of Representatives brought to your attention the subject of improper use of the emblems of the order by non-members, demitted members, and suspended and expelled members and requested that steps be taken to guard the public as well as the Nobility at large from these imposters who presumed to wear the livery of our Order to prey on humanity.

This matter was referred to your Committee who reported at the same session that no universal remedy was available to fully cover the situation, and made the suggestion that uniform laws be prepared and enacted in every State of the Union to prohibit the unauthorized use of Shrine Emblems.

The recommendations of your Committee were adopted and Imperial Potentate Noble Frank C. Jones instructed the Committee to proceed with the task. To undertake the enactment of a law in forty-eight states without the benefit of a lobby seemed an almost impossible assignment.

However, a model law was drafted. The bill was introduced in many states not once, but in some instances several times. You would be surprised to learn what objections some legislators advanced to the introduction of the model bill.

Last year we reported that the law had been passed in seventeen states and our emblems registered in each of these states. We now report that registration can be made in one additional state.

The periods of the registration under the trade mark laws are in most cases for twenty years, therefore such registrations which we originally made will soon expire.

The new laws we are having passed have no expiration dates, and as we believe these registrations under the new law will cover our trade mark rights, we do not advise the expense of re-registration under the old laws.

There are certain expenses in connection with the passage of our model law and registration thereunder. In the past it has been the custom of the Imperial office to pay the amount out of the contingent appropriations. This does not seem quite fair as it reduces a fund intended for contingencies. Your Committee suggests therefore that the budget contain an amount of \$200.00 to cover the Committee's expenses, to be paid on vouchers furnished by the Committee.

EDWARD H. MERRITT, *Chairman*, Mizpah Temple
M. M. THOMPSON, El Kahir Temple
GUY W. VAN HORN, Beni Kedem Temple.

I move the adoption of the report.

Imperial Assistant Rabban WILLIAM H. WOODFIELD, JR. (In the Chair): Nobles, you have heard the report of the Committee on Protection of Emblems. What is your pleasure? (Motion seconded.) Are you ready for the question?

Noble LOUIS CHACKES (Ainad Temple): I thought I heard a reference to an appropriation of funds.

Imperial Assistant Rabban WOODFIELD: I will ask the chairman of this Committee, if there is an appropriation recommended? I see the suggestion of an appropriation of the sum of \$200 to cover expenses of the committee. We will refer it to the Finance Committee.

Imperial Recorder, what is the next order of business?

Imperial Recorder PRICE: Jurisdictional Lines.

Imperial Assistant Rabban WOODFIELD: Is the Committee on Jurisdictional Lines, Illustrious Noble George M. Armor, chairman, ready to report?

Noble GEORGE M. ARMOR (Boumi Temple): (Reading)

Noble FONTAINE JOHNSON (Ben Ali Temple): No, it must be referred to the Committee on Jurisprudence and Laws for an amendment to the Code.

Imperial Assistant Rabban WOODFIELD: The chairman of the Committee on Jurisprudence and Laws advises that this report be referred to the committee because it requires an amendment to the Code. The report is referred to the Committee on Jurisprudence and Laws for this purpose. The report and the amendment can be adopted at the time the papers are returned.

Out of the five candidates Illustrious Noble Arthur Gullickson received 43 votes, Illustrious Noble Remmie Arnold 105 votes, Illustrious Noble Frank Land 132 votes, Illustrious Noble Harvey Beffa 140 votes, and Illustrious Noble Robert Wilson 180 votes. The name of Illustrious Noble Arthur Gullickson has been withdrawn. Four candidates remain in the contest. You will now prepare your ballots, proceed to the ballot box and return to your seats as promptly as possible. We are going to proceed then immediately with the report of the Necrology Committee.

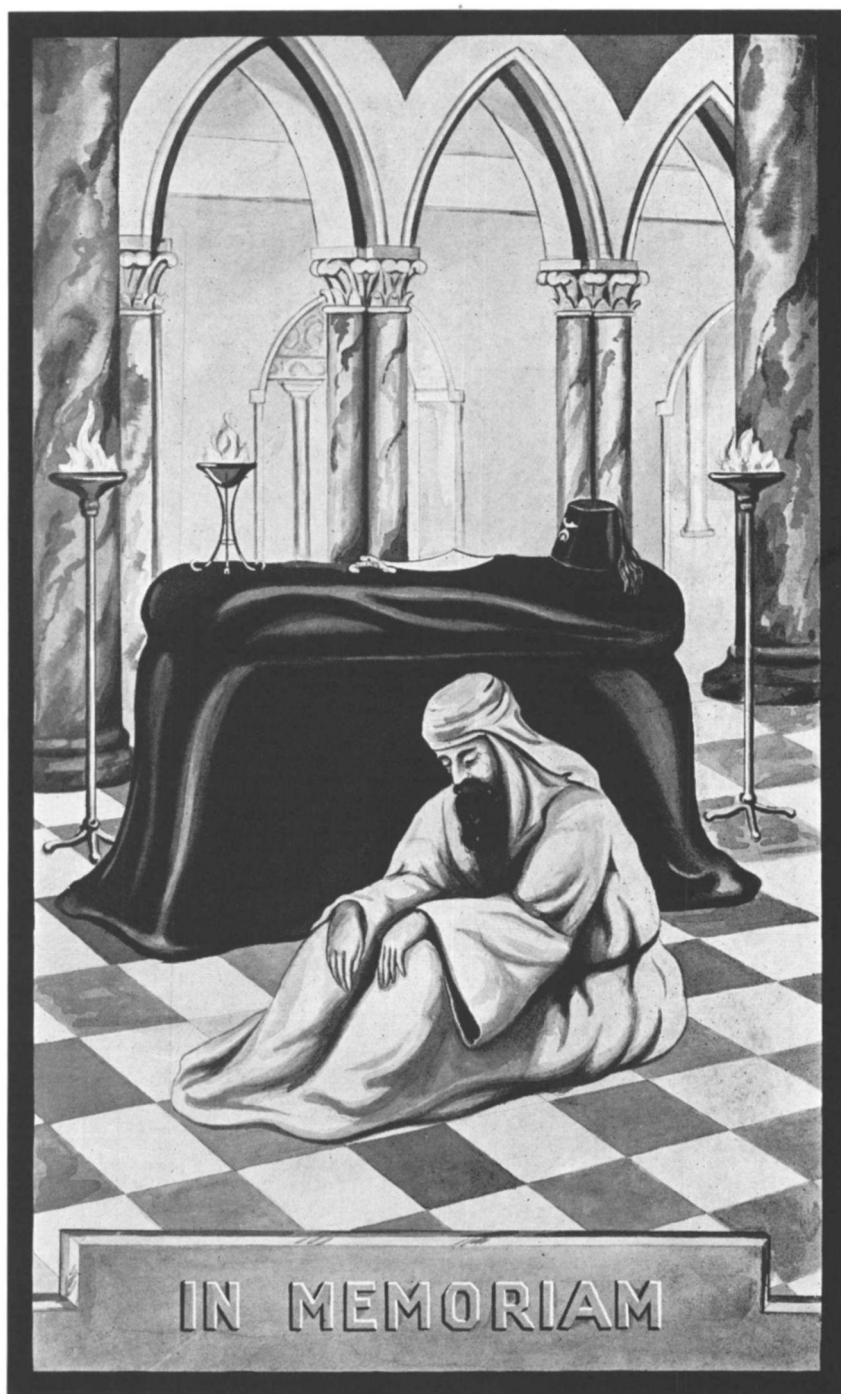

Second Ballot on Imperial Outer Guard, 2:19-2:25 p. m.

At this time the chair will turn the gavel over to Past Imperial Potentate Leo Youngworth of Al Malaikah Temple, Los Angeles, California.

Past Imperial Potentate LEO V. YOUNGORTH (Assuming the Chair): Nobles, I am very grateful for this privilege. In 1935 Al Malaikah Temple was favored by the appointment of one of its Past Potentates as chairman of the Necrology Committee, an old friend, very sincere, very earnest and highly sympathetic, and I am grateful, as I have said before, to have the privilege on this occasion to preside at the time his report is presented.

I know of the time and effort that Noble Bruner has devoted to his various reports during the years that have passed. I ask that you give this report your very careful and undivided attention. I now recognize Illustrious Noble Stanton A. Bruner, Past Potentate of Al Malaikah Temple, chairman of the Necrology Committee.

IN MEMORIAM

Noble STANTON A. BRUNER (Al Malaikah Temple) : (Reading)

REPORT OF THE COMMITTEE ON NECROLOGY

Imperial Potentate, Imperial Officers and Imperial Representatives:

Once each Imperial Council Session, it is the custom of this Body to put aside all worldly cares and reverently attend the reading of a memorial to those worthy Nobles and friends who have heeded the call of the Black Camel, and with a smile and wave of the hand followed that caravan to the Unseen Temple of everlasting beauty and eternal life.

We shall all take this little journey, you and I. A little journey that takes us far away from the crowded cities; far away from worldly cares and worries, where there is no barter nor trade but an abundant understanding of all that is beautiful, into a fuller understanding of the teachings of our Blessed Saviour, who has also passed this way to prepare a place for us on high.

It is well that we meditate at this time of chaos and destruction on the greatest power known to man, that greater Spirit that we as Masons call God, out of whom the Spirit of man has come, and which exists as surely as the air we breathe. The forces of Truth, Justice and Light are today mobilizing all over this world where liberty still lives. This vast army is lifting us out of selfishness and fear, and replacing this with a will to make this world of ours a safe and secure place in which to live. This Army gives us the face of courage and shining eyes of faith, together with a luminous heart of compassion. Our cause is right and with the help of God we will win, so that the oppressed shall live in peace.

Dr. J. Whitcomb Brougner, the well-known minister of the Gospel, said "Death is only a commencement. When I graduated from Grammar School, they held a commencement. When I graduated from High School, they held a commencement. When I got through College, they had a commencement. When I completed my Theological Course, they held another commencement. I have never had a finishing exercise. I do not expect to have one when I die. It will be another commencement. Life is not finished here on earth. There will be a time and place where life shall know no disappointments and sorrows, and the joy of living will be complete."

How can we as Masons deny the truth of these words? We are taught that life is never ending and that the passing of our friends from our mortal vision is but temporary and they have just entered into a plane of further understanding, to which we are all looking forward as our salvation.

So we cannot be downcast or sorrowful today but rather, with a joyful smile, we look at this transition as a complete victory without the slightest sign of defeat.

Since our last Imperial Council Session, we have lost from our sight the following well-beloved Nobles:

We would not be true to the Nobles whom we now honor, nor to the faith we all now hold, if we did not stress the modern against the ancient philosophy of life and death. Let us think of that day in the long ago when our Master went to the home of Jairus where death had claimed the young daughter of the Ruler of the Temple. The paid mourners were there, the hearts of the family were breaking for they had been taught, as had their ancestors, that death was the end of all. To them it was the final, dreamless, endless sleep. Life had been spoken of as "the ship that passes in the night," "the fading flower," "the withering grass," "the dream," "the spider's web,"—all of the most unstable things and experiences known to man. Now came Jesus and said, "The damsel is not dead, but sleepeth." Certainly "they laughed him to scorn." But, all unmindful of their attitude, he took her by the hand and said, "Damsel, I say unto thee 'Arise'!", and she obeyed Him. Thus, for them and for us, He sounded the death knell for the philosophy that death ends everything. He climaxed that lesson with His own passing and, then, on Easter morning, He came forth from the tomb, thus proving to all men, of all time, that as there is a time of departure known as death, so is there a resurrection. This, therefore, is but a period of transition.

We have not lost our friends, we are but separated from them for a time. We are not saying "Good-bye," we are but saying "Good-night," for we know that in due time, our Commencement Day shall come and then we shall be reunited with those whom we have loved and lost for a time. And so we sound a note of victory and not of defeat in this sacred service today—a victory already won by our friends now gone—a victory in which ultimately we shall all participate.

*Around our path life's mysteries
 Their deepening shadows throw;
 And as we gaze and ponder
 They dark and darker grow.
 But there's a voice above us
 Which says, "Wait and trust and pray,
 The night will soon be over
 And light will come with day."*

CONRAD VERPLANCK DYKEMAN

The passing of Past Imperial Potentate Conrad V. Dykeman, in his native city of Brooklyn on January 11, 1943, while not wholly unexpected, removes one of the most faithful and one of the most enthusiastic Nobles in the membership of the Imperial Council. His services for several years as Chairman of the Temple Advisory Committee, whose jurisdiction dealt largely with the financial programs of Subordinate Temples and later as Chairman of the Committee on the Nomination of Emeriti Members of the Imperial Council were productive of numerous contacts among the Nobility of the Order.

He enjoyed his friendships, and was constantly on the alert to be helpful in his relationships. He was youthful in his outlook and his attitudes toward others. One would never suspect in casual contact that he had passed the four score milestone. Past Imperial Potentate Dykeman was interested in all of the duties of citizenship and was unfailing in his response to all calls that were made upon him for whatever contribution he could make of his time and efforts for the betterment of the community in which he lived.

His personality was engaging, and he might have been described as a rare and striking type. He was a genial and delightful companion, always brief and to the point, possessed of a keen sense of humor, with a hearty and infectious laugh that often rang out in social gatherings. As a member of the family remarked at the time of his passing, "He lived a full life,"—full of years, full of good fellowship, full of happy constructive service. He will be greatly missed in the Imperial Council, and in his other associations. Our recollections of him will constitute a treasured and inspired memory.

Past Imperial Potentate Dykeman was deeply interested in fraternal life. He was a member of Greenpoint Lodge F. & A. M. No. 403, which officiated at his funeral services; Altair Chapter R. A. M. No. 237; St. Elmo Commandery, Knights-Templar, No. 57, and Aurora Grata Consistory, Ancient and Accepted Scottish Rite, all of these bodies being located in Brooklyn. His greatest interest centered in the Mystic Shrine, and this body naturally became the greatest beneficiary of his time and talent. He was created a Noble of Kismet Temple on January 31, 1896 and was identified with the Order almost fifty years. He was Potentate of Kismet Temple during the years 1906 and 1907. During his second year as Potentate he, with others, conceived the idea of building a Mosque for Kismet Temple, with the result that the building now occupied by Kismet Temple was dedicated in 1910. Past Imperial Potentate Dykeman gave his time and his money to the accomplishment of this purpose and the Mosque will stand as an enduring monument to his memory. His services to the Imperial Council were characterized by his fine sense of devotion to the interests of the Shrine, and by an efficiency of administration that was typical of the Imperial Potentate. He was elected Imperial Outer Guard at the Session of the Imperial Council at Atlanta in 1914, and elected Imperial Potentate at Washington, D. C., on June 6, 1923.

And now he rests; cherished, admired, mourned—the vacant place still vibrant with the spirit and power of its occupant for so many years!

By the hut of the peasant, where poverty weeps,
And nigh to the towers of the king,
Close, close to the cradle where infancy sleeps
And joy loves to linger and sing,
Lies a garden of light, full of Heaven's perfume,
Where never a teardrop is shed,
And the rose and the lily are ever in bloom—
'Tis the land of the beautiful dead.

—Longfellow.

JAMES SUTTON McCANDLESS

Just as he had lived, so passed the spirit of James Sutton McCandless, Past Imperial Potentate of the Mystic Shrine. His passing was peaceful in his home at Honolulu. As the morning sun was heralding the new day for mankind, so did it herald the new day for "Sunny Jim." The radiance of the new morning light broke over the enchanted isle he loved so dearly as he set out on his journey to the land of everlasting life and beauty, being released from his earthly cares and summoned to a higher service.

Illustrious Noble McCandless had passed his eighty-seventh milestone and will forever be remembered by his many friends throughout Shrinedom as the living spirit of all that is fine and noble in the teachings of our Order. He was a man who had an unshakeable faith in the future and was willing to stake everything on that faith. A lesson we can learn from "Sunny Jim" McCandless' life is that, no matter how dismal prospects may appear, hard work and faith can improve them. We can all use a little of the McCandless' hard work in bringing about the realization of our dreams for world peace and brotherly love.

The life story of "Sunny Jim" reads like a volume from the works of Horatio Alger. He was born September 20th, 1855, in Pennsylvania. When he was twelve years of age, he went with his parents to the West Virginia oil fields and from there to California. While in California, he met Samuel G. Wilder in the year 1880. Through this meeting, the future course of his life was determined. Accompanying Mr. Wilder, he set sail for Honolulu where he entered the field as a well driller. He suffered many setbacks but here his determination and will to win asserted themselves and to this determination can be attributed the victory of water over arid soil and the foundation of the beauty and fertility of the Hawaii we know today.

From the above noted humble beginning, "Sunny Jim" rose to a position of power and wealth but throughout his life he remained the same plain, straightforward, unassuming man he was in his youth. The friends of his poorer days remained his friends in his prosperous years, and his loss is therefore felt with sincere sorrow in places high and low.

Illustrious Noble McCandless was raised as a Master Mason in Pacific Lodge No. 822 in Honolulu under the Grand Lodge of Scotland in 1903. He received his Royal Arch in Honolulu Chapter R. A. M., March 1st, 1904 and Knighted in Honolulu Commandery June 25th, 1911. His Scottish Rite degrees were received in Honolulu in the year 1908. On February 16th, 1934; he was Coroneted a 33° Scottish Rite Mason at Lihue, Kauai, and appointed Deputy of the Supreme Council in Hawaii on November 18th, 1935.

Illustrious Noble McCandless was elected Potentate of Aloha Temple for the year 1911, having been created a Shriner in this Temple in 1904, and was elected Imperial Potentate of North America at San Francisco, California, on June 13th, 1922.

All through his Masonic career, "Sunny Jim" was continuously active in the work of the Crippled Children's Hospitals. Mainly through his efforts, the Honolulu Unit was organized. This worthy institution was made, the principal beneficiary in his will.

The facts in the life of this beloved Noble speak for themselves. His life can be easily written as a tribute to ambition and love for his fellow man. Never will mortal man be able to chronicle a report of the life of a kindlier or more lovable man among men. Aloha, "Sunny Jim," Aloha—a fond farewell until we meet again.

"Here was a friend
Whose heart was good;
Who walked with men
And understood;
His was a voice
That spoke to cheer,
And fell like music
On the ear.
His was a smile
Men loved to see,

His was a hand
That asked no fee
For Friendliness
Or kindness done,
And now that he
Has journeyed on,
His is a fame
That never ends,
He leaves behind
Uncounted friends."

NOBLE CHARLES S. BAIR

The Black Camel, with muffled tread, has borne from our midst one of our most beloved Nobles—Past Potentate Charles S. Bair—who on Saturday, October 24, 1942, joined the sacred Caravan traveling toward the portals of the Unseen Temple.

Throughout the long history of Lu Lu Temple, there have been few men who have demonstrated the gift of friendship so fully and universally as Charlie Bair. Everyone with whom he came in contact felt better for even the briefest conversation with this friendliest of Nobles.

Charlie Bair was initiated in Lu Lu Temple on August 6, 1890 and for more than fifty years he never ceased to render service to his beloved Temple. After serving as Chief Rabban for a number of years, he was elected Illustrious Potentate, by unanimous vote, on December 7th, 1918, and served in that office during 1919 and 1920. During his term as Potentate, Lu Lu Temple initiated more than 5,200 Novices and completed the purchase of the Metropolitan Opera House at Broad and Poplar Streets.

Throughout his career, he continued his active interest in all his Masonic bodies. He was a Past Master of University Lodge, No. 610, F. & A. M.; a Past High Priest of University Chapter, No. 256, R. A. M.; a Past Commander of Mary Commandery No. 36, K. T. and a member of Benjamin Franklin Consistory.

We shall miss Charlie at our meetings, but as was said of another Noble, "his memory will always be a benediction."

CHARLES P. BIEDENHARN

Illustrious Noble Biedenharn answered the call of the Black Camel October 7th, 1942. He had served as Potentate of Hadi Temple in the year 1920. He was a member of Evansville Lodge No. 64 and Evansville Consistory Scottish Rite.

JOSEPH S. BOSSLER

Grief invaded the Mosque of Algeria Temple October 1 when after an illness of only a week, death took Noble Joseph S. Bossler, 52, its Illustrious Potentate and one of its most active members for more than a quarter of a century.

Born in Helena, February 7, 1890, Noble Bossler began his business career by carrying newspapers for the Helena Independent. Later he drove delivery wagons, and in 1906 was employed by the Reining Company, one of Helena's pioneer business firms. Two years later he went to work for the Hub Clothing Company, and in 1913 became associated with Gans and Klein, another pioneer Helena firm. In 1921, with Paul Schneider, he established the men's clothing store, at 125-127 North Main Street, that bore his name. He conducted that business successfully until April 3, 1940, when he sold his interest to Earl Jacoby.

Mr. Bossler was a member of Helena Lodge No. 3, A. F. and A. M., and Helena Consistory No. 2, Scottish Rite. He was elected Illustrious Potentate of Algeria in January, 1942, and previously had served as an active member of Algeria Patrol for more than 25 years. His energy, ability, and willingness to serve at all times and in any capacity had long been an inspiration to the Algeria Nobility, and his affability and invariable good nature had won him a host of friends.

EARL C. BRANSON—Died, January 13, 1943.

Illustrious Noble Branson was active in the affairs of Isis Temple from the time of his initiation on April 16, 1915. He immediately affiliated with the Patrol and served as its President. He was elected Oriental Guide in 1921 and advanced through the successive offices to Potentate in 1925, when he conducted the largest and most successful Pilgrimage of Isis Temple to the Imperial Council Session in Los Angeles. Shortly after his retirement he was elected Director in charge of Uniformed Bodies, which position he held continuously until the time of his death. He was Past Master, Past High Priest and Past Commander of the Salina Masonic Bodies, a 33° Scottish Rite Mason, and Charter Member of Salina Court R. O. J. serving as Impressario, continuously since 1931. He is survived by his widow Mrs. Freda Branson.

He was one of those indefatigable workers whose valued services and counsel in all branches, will be sadly missed and difficult to replace.

EDWARD J. BURKE

On December 12, A. D. 1942, Noble Edward J. Burke was called by Divine Providence to that bourne from which no traveler returns. By this summons Morocco Temple and the Nobility of this Jurisdiction lost a Noble, a friend and a brother whose place in the hearts of his fellow Shriners can never be adequately filled.

"Eddie" Burke, as he was affectionately known throughout Masonry in Florida, was one of the staunchest and most beloved of all Shriners. During a membership in Morocco Temple of more than thirty years, he not only distinguished himself in the history of the Temple by serving with outstanding success in all the positions on the Divan and as a continuous Representative in the Imperial Council but in such service developed and maintained through the years the warm personal affection and esteem of the entire membership of the Temple and its affiliated Bodies.

While Morocco Temple has lost by the intervention of Divine Providence nearly a score of its Past Potentates, such recurring sorrows did not prepare it or its membership for the loss of "Eddie" Burke. Its sorrow is profound.

D. MAYNARD DIBBLE—High Priest and Prophet, Arab Temple, born in New York City, June 11, 1878; died at Topeka, Kansas, November 8, 1942.

The membership of Arab Temple was much shocked at the passing of our High Priest and Prophet, D. Maynard Dibble, November 8. Maynard, as he was affectionately known by all who knew him, had been an ardent supporter of Arab Temple since its institution. He was created a Noble of the Mystic Shrine of Abdallah Temple, Leavenworth, on November 10, 1903, and was a charter member of Arab Temple. He was a member of Golden Rule Lodge No. 90, A. F. & A. He was appointed Marshal by Potentate John I. Brandenburger in 1938, and advanced steadily through the line to High Priest and Prophet in 1942. We all had looked forward to his being Potentate in 1945, but his Maker saw different, and we all mourn his loss.

OWEN LINCOLN DILLENBECK

Illustrious Noble Dillenbeck was born at Basset, Iowa, April 30th, 1865 and died at Anaconda, Montana, June 4th, 1943. He served Algeria Temple as Potentate in the year 1910.

MARCUS STULTS FARR—Born February 19th, 1870; died August 27th, 1942.

"They never quite leave us, our friends who have passed
Through the shadows of death to the sunlight above:
A thousand sweet memories are holding them fast
To the places they blest with their presence of love."

We are pained to record the sudden departure of Illustrious Noble Marcus S. Farr, Past Potentate of Crescent Temple, at Princeton, New Jersey, on August 27th, 1942.

He was a good man. Goodness is a broad term, but measured by Charity toward the world; contribution to a sections development; true citizenship and the treading of life's path at home and in public, the appellation had been well won by this native Jerseyman; a native of Cranbury. Here he spent his boyhood. After receiving a common school education, attended and graduated from Princeton University with the degree of Bachelor of Arts, he then received his Master of Science Degree the following year. In 1894 he was awarded a Master of Arts Degree at the University of Chicago and two years later a Doctor of Science Degree.

Noble Farr responded to the first call at the declaration of war with Germany. He saw overseas service from late in 1917 until 1918, attaining the rank of Captain in the U. S. Air Service.

His connection with the Masonic Fraternity dated from his young manhood and was characterized by that same generosity, constructive ability and idealistic vision that marked his whole life in every field of his endeavor.

A 33° Mason, Past Master of Princeton Lodge, No. 38, F. & A. M.; Past High Priest of Three-Time-Three Chapter of Royal Arch Masons of Trenton; Past Commander of Palestine Commandery, Knights Templar, of Trenton; Past Commander-in-Chief of Trenton Consistory.

To those who knew him he was a lovable, kindly, loyal friend, a beautiful soul; a patient, sympathetic comrade, unselfish and devoted to a life of service. His lovable character endeared him to thousands throughout the United States.

This splendid Noble, who has rendered long and faithful services to the Fraternity and to the Nobility, has left a monument in his many acts of kindness and the good work he has accomplished.

We shall miss him. Yes, we shall miss him. To those near and dear to him we would offer our heartfelt sympathy, praying that He, from whom alone can comfort be had, will bring a feeling that he has passed into a realm of eternal happiness free from the cares and troubles of this life.

"Sweet is the memory of departed friends
Like the mellow rays of the declining sun,
It falls tenderly, yet sadly on the heart."

HORACE MARION FOX—Born on May 3, 1880 in Augusta County, Virginia; died July 28th, 1942, Roanoke, Virginia.

In the death of Noble Fox our Temple and the Nobility in general lost a valuable, worthy and distinguished fellow Noble. His great contribution in time, interest and effort to Masonry and Shrinedom are worthy of the highest commendation and recognition.

He was commander of the Council of Scottish Rite Bodies of Roanoke Valley from 1919 to 1920 and was Master of Kadosh from 1920 to 1922. Since 1929 he was a member of the Board of Trustees of the Lodge of Perfection Scottish Rite Bodies and for many years he was at the head of several of the Degree Teams. He became a Noble of the Mystic Shrine on April 29, 1919 and in January 1923 he became the Potentate of Kazim Temple and served in this capacity with distinction and success until January 1924. In June, 1933 he was appointed to the Committee on Jurisprudence and Laws of Imperial Council, A. A. O. N. M. S., on which Committee he served for a period of fourteen years and for a large portion of this service he was the Chairman of the Committee. He was serving as Chairman of the Committee when he resigned in 1940. He was appointed by Governor James H. Price, Chairman of the State Board of Public Welfare on July, 1938, in which capacity he served with distinction and ability for almost two years.

He was a Past President of the Past Commanders Association of Central New York and its Secretary-Treasurer for many years.

SEYMOUR R. HAYES—Died at Binghamton, N. Y., during the summer of 1942.

GEORGE M. HENDEE

George M. Hendee in his younger days was noted as a famous bicycle rider on the high wheel. After this series of sports, he went into the business of manufacturing bicycles and developed the motorcycle which he manufactured under the name of the Hendee Manufacturing Company and is now known as the Indian Motorcycle Company of this City. He and his partner were the originators of the motorcycle as it is known today. During the war he was Post Master over seas with the A. E. F. and after returning home he became a gentleman farmer, so to speak, raising pure breed Guernsey Cattle. However, he was best known for the philanthropic work at the Shriners' Hospitals for Crippled Children to which he devoted most of his time until he was taken ill in February, 1936. It is not perhaps so well known to the Nobles of the Shrine in general, that he was the instigator of the "Ladder of Smiles" as we know it today. It was his idea to have the Nobles contribute \$60.00 for membership in this Fund and the income from it would help carry on the Hospitals not only while they were alive, but also when they passed on. He was a member of Hampden Lodge A. F. & A. M. of which he was Master in 1904. He joined Morning Star Chapter, R. A. M. on September 28, 1907; Springfield Council R. & S. M. on May 22, 1908; Springfield Commandery No. 6, K. T. on June 10, 1908 and was a member of all the Scottish Rite Bodies. He joined Melha Temple on November 12, 1909 and was Potentate in 1929. George, as we knew him here, will be greatly missed not only by his Hospital connections but among his personal friends as well.

PAUL HOLLAND—Born Jefferson, Ohio, December 5, 1865; died, Cleveland, Ohio, December 23, 1942.

Illustrious Noble Holland was one of the outstanding men of northern Ohio: He was a member of Holyrod Commandery, Knights Templar, No. 32, and Lake Erie Consistory. He became a member of Al Koran Temple March 5, 1899 and served at Potentate

of the Temple in 1908. He was a graduate of Oberlin College and of the Harvard Law School and a past president of the Cuyahoga County Bar Association.

Illustrious Noble Holland took a great interest in public affairs. For three terms, he served as a Representative in Congress from the 20th Ohio District, and was on occasion a delegate to the National Republican Conventions. He was a veteran of the Spanish American War, and a member of the First Congregational Church of Cleveland.

He is survived by his widow and a brother.

JEROME MARK JACKSON

Jerome Mark Jackson was initiated in Syrian Templé Nobles of the Mystic Shrine November 1912. In January 1923 he was appointed Chairman of the Entertainment Committee. In January 1924 he was elected by the membership to the office of Oriental Guide, after which he occupied all of the Stations of the Divan and was elected Illustrious Potentate in January 1932.

Jerry, as he liked to be called by his many friends, was elected as a Representative to the Imperial Council in 1932 and thereafter was elected each year for 12 successive years and passed away while occupying that office. He also served a term as the Shrine representative on the Board of the Masonic Templé Company.

He was a most enthusiastic Shriner, always ready to serve the Temple and its members. He rarely missed a meeting and was happiest when he could enjoy the friendships of his fellow members. If he had written his creed as it applied to his Shrine membership, it would have read in substance, "I pass through this life but once—hence, if there is any good deed I can do on this journey, let me do it now." He was a very devoted husband and father and enjoyed the respect of all who knew him.

Jerry was stricken with a fatal illness but for 16 months he was patient and cheerful and always hopeful of his recovery, but on April 11, 1943 the Great Architect beckoned and Jerry passed onward. While we shall miss him as a friend and brother, we sympathize deeply with the beloved members of his family, to whom we offer as consolation this poem:

"We cannot say, and will not say
That he is dead. He is just away!
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land."

DAVID J. JARRETT—Born February 27, 1876; died June 30, 1942.

Illustrious Noble David J. Jarrett, who served Tebala Temple as its Potentate in 1925, passed away in the Swedish American Hospital at Rockford, Illinois on June 30, 1942, at the age of 66 years.

He was born in Bowie County, Texas on February 27, 1876. At an early age he joined the Circus world and for 26 years traveled with practically every circus of known consequence. His passing is keenly felt by all who knew him not only for his physical stature, but his kindly spirit.

J. PURNELL JOHNSON

Boumi Temple sustained a distinct loss in the death of Past Potentate J. Purnell Johnson on February 1, 1943. He long served this Temple faithfully and well and was zealous in the discharge of his duties. From the position of Marshal, he advanced through the various stations leading to the highest office in the gift of the Nobility. The year 1941 crowned his efforts and saw him reigning as Potentate of one of the most outstanding Temples of North America. While Noble Johnson was a member of the various bodies of Masonry, his activities were devoted almost exclusively to the Shrine. He was a genial character and had a pleasant personality, always lending himself with grace to any occasion.

Noble Johnson was a true Eastern Shoreman. He was born in Somerset County and received his Bachelor of Arts degree from Washington College. He migrated to Baltimore in 1910, studied law and graduated at the University of Maryland. He became associated with the Maryland Casualty Company and represented it at Johnson City, Tenn., where he met and married the very attractive Lois Peoples, and as a result of this union three children were born; William, a Lieutenant in the U. S. Army, Eloise, now residing in Washington, and Thomas, a student at McDonogh.

Boumi Temple deeply mourns the loss of Noble J. Purnell Johnson. While his smiling countenance will not personally move among the Nobility, yet his influence will still be felt by all who knew and loved him.

ALBERT AMOS KUMLER

Albert Amos Kumler, D. D. S., born May 22, 1867, departed this life December 21, 1942. Doctor Kumler was initiated into Syrian Temple February 24, 1900. He was elected Oriental Guide and occupied all of the stations in the Divan until he was unanimously elected on December 15, 1922 as Potentate, and served as such for two years. He was made a life member upon becoming a Past Potentate.

Doctor Kumler was conscientiously devoted to the Shrine, and was ready and willing always to serve the Temple and its members. He was a former member of the Band, and at one time reorganized it and acted as the Leader for several years. By a vote of the membership, he served one term of five years as Trustee and was serving the second term when he passed away.

Doctor Kumler was the first member of Syrian Temple to be proclaimed a "Permanent Contributing Member" of the Shriners' Hospital. He was awarded a "Melish Award Medal," such as presented to members who obtain two petitions from candidates in a single year. Sadly, Doctor Kumler passed away before presentation could be made personally. It was made posthumously, and was placed in his hands and taken away to his last resting place.

As a dentist Doctor Kumler enjoyed a very nice practice, but about ten years ago he gave up this practice, moved his equipment to the Union Bethel, and gave his time and talent, without any remuneration, to the poor people of our tenement districts. Besides this, there were many charitable institutions to which he contributed for years, but in a quiet, unassuming manner without even the knowledge of his family and closest friends. He was very charitable.

His kindness of heart and his consideration and thoughtfulness of others made him universally beloved.

Some years ago Noble Doctor W. S. Locke wrote an obituary which concluded with a poem by Browning. When Doctor Kumler read it, he expressed himself that it was the finest tribute that could be paid a friend. Doctor Locke was Doctor Kumler's very close friend for more than fifty years, and at his suggestion we quote the poem:

"Let us not mourn his going
Let us rejoice to know
That—earthly labors finished—
He was prepared to go.

"Let us emulate his virtues,
That men of us may say;
The world is brighter, better,
Because he passed this way."

While we will miss him as a friend and Brother, we deeply sympathize with the members of the family who mourn his passing.

CHARLES MILLER

WHEREAS, on January 30th, 1943 God in His infinite wisdom called home to eternal rest NOBLE CHARLES MILLER late Recorder of Korein Temple, it now seems appropriate that this Temple at its regular meeting on March 5th, 1943 record on its minutes the following sentiments:

NOBLE CHARLES MILLER who was affectionately called "Charlie" by all who knew him had served this Temple for 38 years as its Recorder. This is believed to be the second oldest record of continuous service as Illustrious Recorder in the Imperial Council of North America. He was a noble character in every way. He was kind, charitable, and exemplified the spirit of fellowship. He was an emeritus member of the Imperial Council having attended the meetings of this distinguished body for 37 continuous years. His services as Recorder and as Representative have left an indelible record of accomplishment in the history of this Temple. He will be sadly missed by the Nobles of his own Korein Temple, by many hundreds of Nobles throughout North America, and by his countless friends—both men and women and boys and girls.

THEREFORE BE IT RESOLVED that a copy of this resolution be spread on the minutes of Korein Temple, and that a copy of it be forwarded to the office of the Imperial Recorder, and a copy be sent to the members of his immediate family.

JOHN L. McLEAN—Died July 13th, 1942.

The visit of the Black Camel grooves a path across our hearts which time and "shifting sands" can never entirely obliterate. And yet

"When Allah calls, then our friends obey,
And fold their tents and steal away
To the land where the crystal waters flow
And the beautiful palms of Allah grow."

Another loyal and much loved member of Nile Temple has folded his tent and answered Allah's call. One who had filled an important niche in the business and fraternal world of our city; who had particularly endeared himself to us as a Noble of the Mystic Shrine; who had worked with us, sympathized with us and helped us; whose genial, kindly disposition won all our hearts, and who so played the game of life that he could look out into the Great Unknown fearless and unafraid. All who knew him, in whatever walk of life, held him in high esteem.

Illustrious Noble McLean was an ardent and sincere Mason. He was a charter member of Nile Temple in 1908. Was elected its Oriental Guide in 1909; its Potentate in 1913. He was also Past Sovereign of St. Alban's Conclave of the Red Cross of Constantine. He was the first to send Nile Temple on a pilgrimage to the Philippine Islands, in 1914, thus making it the first Temple to carry the message of the Shrine to the Far East. As a Representative to the Imperial Council in Atlanta, Ga., in 1914, he was largely instrumental in securing the Shrine Convention for Seattle in 1915. He served faithfully and efficiently as Secretary of the General Committee which so ably entertained the Imperial Council that year. He maintained his interest in Nile Temple through all the intervening years, until, when it again so successfully entertained the Imperial Council in 1936, he had charge of one of its most important committees. He was the originator of Nile Temple's famous slogan, "Smile with Nile."

In the business world of Seattle, he was an influential figure for many years, being interested in several business enterprises, including real estate and investment banking; salmon packing and dairying, and particularly the Lake Union Dry Dock and Machine Work, of which he was one of the founders, and which has long been an important factor in the shipbuilding interests of Seattle.

His passing is a distinct loss to the entire community.

JAMES EDMUND NELSON—Born October 17, 1885; died December 3, 1942.

It is with deep sorrow and regret that we announce the death of Past Potentate James Edmund Nelson which occurred Thursday, December 3, 1942, at his home in Bluefield, West Virginia. "Doc," as he was lovingly known to his many friends, had suffered a heart attack during the previous night; another attack late the next afternoon

proved too much for human strength. Services were held at his home on the following Saturday, under the direction of Reverend C. G. Dunn, Pastor of Westminster Presbyterian Church and his remains were then laid to rest in beautiful Monte Vista Park Cemetery. Mercer Lodge No. 60, A. F. and A. M., had charge of services at the grave with the Bluefield Shrine Patrol acting as a guard of honor.

Past Potentate Nelson was born in Johnstown, Pennsylvania, October 17, 1885. His father was Andrew Leslie Nelson of Scotland and his mother was Martha Wilson Nelson of Nova Scotia. During his infancy the family moved to Fayette, Alabama, on the banks of the Si sey. Here he received his elementary and high school education. Shortly after his graduation the family took up residence near Price Hill on White Oak Creek in West Virginia. He completed his education by attending Auburn Military Academy and the University of Louisville. He graduated from the latter institution in 1909 with the degree of Doctor of Dental Surgery. Dr. Nelson began the practice of dentistry in the Coal and Coke Building, Bluefield, West Virginia, and there continued the successful practice of his chosen profession for more than thirty-three years.

Dr. James Edmund Nelson has a long record of Masonic service. He was initiated, passed and raised to the sublime degree of Master Mason in Bluefield Lodge No. 85, A. F. and A. M., receiving the latter degree on August 22, 1911. He served as Worshipful Master of his lodge from July 1917 to June 1918. In 1924 he demitted to Mercer Lodge No. 160 and retained his membership therein until the end. He was exalted to the sublime degree of Royal Arch Mason in Bluefield Chapter No. 20, R. A. M., on December 3, 1914, and dubbed a Knight Templar in Bluefield Commandery No. 19, K. T., on January 15, 1915. He was also a member of Charleston Court No. 111, Royal Order of Jesters.

His Shrine history is a story of his great love for the Nobility. His devotion and loyalty to the ideals and principles of the Shrine were inspirational. He was particularly proud of his record of not missing a ceremonial session of Beni Kedem Temple from 1915 until 1942 when his last illness caused him to be absent from our last ceremonial session of October 21, 1942.

Illustrious Noble Nelson began his Shrine career upon being created a Noble of the Mystic Shrine on May 20, 1915. In 1922 he accepted the captaincy of the Bluefield Shrine Club Patrol and continued as active captain for eighteen years until signs of ill health forced him to relinquish those duties; whereupon he was elected Captain Emeritus. Under his captaincy the Bluefield Shrine Club Patrol was one of exceptional ability, always ready and willing to "strut their stuff."

At the annual meeting of the Temple in 1933 Noble Nelson was appointed Captain of the Guard and thereafter regularly advanced in line on the Divan until elected Illustrious Potentate in January, 1941. In that capacity he was a popular and efficient officer, loved by every member of his Temple. During all these years of service on the Divan he seldom missed a business session of the Temple in spite of living 130 miles from the home city of the Temple. Upon three occasions he was elected a Representative of the Imperial Council and at the time of his passing he was serving as president of the Bluefield Shrine Club.

Noble James Edmund Nelson was a loyal friend, a public spirited citizen, a natural and popular leader of men, firm and even tempered. He was an able and conscientious dental surgeon. His career was worthy of emulation. We lament his untimely passing. We cherish his memory.

Again a Prince has fallen in the fight,
A valorous champion of the truth and right;
Determined, honest, level headed, just
Who broke no promise or betrayed a trust,
His genial face with courtly kindness beamed,
By his friends beloved, by all the world esteemed.

MARK NORRIS—Born July 28, 1857; died May 31st, 1943.

Noble Mark Norris was a distinguished member of Saladin Temple. His career in Masonry went back 43 years to January 19th, 1900, when he joined York Lodge No. 410, F. and A. M. In 1904 he was master of York Lodge and in 1907-08 served as commander of DeMolai Commandery No. 5, Knights Templar. He became a thirty-third degree Mason in 1907. From 1915 to 1918 he was commander-in-chief of DeWitt Clinton consistory and in 1917 and 1918 was grand commander of the Knights Templar of Michigan.

Becoming a member of the grand encampment of the Knights Templar of the United States in 1923, he served as its grand master from 1937 to 1940, but was prevented by

illness from presiding at the triennial grand encampment in the latter year. Because of that circumstance, his past grand master's jewel was presented to him at a ceremony in Grand Rapids October 13, 1940, with many high-ranking officers of Templar Masonry as guests of DeMolai commandery for the occasion. It was the high point of Mr. Norris' career as a Mason and his 40th anniversary year as a member of that order.

DONALD B. OLSEN—Died July 8th, 1942.

It is a well known law of life that, sometime, sooner or later, the Black Camel will stop in front of our tent and take us out on the long trail, the footprints on which lead only in one direction. A good, loyal member of Nile has lately gone out on that well worn trail.

He was one of the early pioneers into Dawson, Y. T., going over the trail in '98. Established a telephone system there. Afterwards resided in Fairbanks, Alaska, and helped build up that community. Then returned to Seattle. For eight years was Superintendent of the State Reformatory at Monroe. For many years thereafter in business for himself. Of late years, associated with the Port Commission.

He was a charter member of Nile Temple, in 1908, and has always been deeply interested in its welfare. He was Captain of Nile Temple's first patrol and participated, with it, in Nile's first Ceremonial in the Moore Theatre, December 2nd, 1908. He was elected Oriental Guide in 1911, and made an enviable record for himself as Potentate in 1916. Through all the years of his activities, and since, his was a friendship to be prized, because of its genuineness. His greeting was always so sincere, so gracious, that it was a pleasure, always, to meet him.

He was also Past Eminent Commander of Seattle Commandery No. 2, Knights Templar. His many friends will deeply mourn the passing of this distinguished Noble.

RAY F. PARKINS—Imperial Council Representative.

It is with deep regret that we report the passing of our Chief of Staff, Noble Ray Parkins, which occurred Saturday, July 11, 1942.

Ray was a very interested member of Zuhrah and had done a great deal of real constructive work for our Temple. He was especially interested in our Legion of Honor and had served as Commander of that Unit. For several years he served as Captain of the Legion Drill Team, and relinquished that office to become Chief of Staff of all of our marching Units.

In that capacity he worked very conscientiously and planned with great care for the appearances of our Units. At our Annual Meeting last January Ray was elected Imperial Representative to the Imperial Council Session and was present at the recent meeting in Chicago and faithfully attended all of the sessions of the Council.

His pleasing personality and kindly characteristics won for him many friends among our Nobility and he will be sadly missed in our future gatherings.

We of the Nobility of Zuhrah join with a host of his friends in Minneapolis in expressing our heartfelt sympathy to Mrs. Parkins and other members of the family in their bereavement.

PAUL ROGERS—Died April 28, 1943.

It is with profound sorrow that we record the passing of our Illustrious Past Potentate Noble Paul Rogers, who was called to his reward in the full vigor of useful manhood. Few of us ever yet fully realize that the genial and loving spirit of Illustrious Noble Rogers has winged its flight to the realms of life and light eternal, and we find ourselves almost unconsciously visualizing him in the various contacts and relationships in which he was known, loved and honored by his fellow Nobles. Even now his spirit seems to hover over us to bless us and bid us Godspeed. His wonderful personality and individual charm; his manly and courageous bearing, and his many lovable qualities of heart and mind made him a beloved favorite in any company. His generous, responsive nature invited the most intimate confidences. The great rank and file with whom he came in daily contact admired him and held him in the most affectionate regard, and his elders constantly showered upon him evidences of their affection and appreciation.

Yes, here was a man who embodied all of the finer traits of Nobility. His infectious smile, cheery greeting and warm handclasp immediately drew to him men and women from all walks of life and he possessed that rare ability of making and retaining friends. He will be greatly missed in the various activities of Moslah Temple, to which he has given so generously of his time and talents.

In his Masonic life he was equally as successful as in his business career. A Past Master of his Blue Lodge; a member of the York and Scottish Rites; a Past Director of Fort Worth Court No. 32, Royal Order of Jesters; a Past Puissant Sovereign of St. Timothy Conclave No. 65, Red Cross of Constantine; and a Past President of Moslah Temple Shrine Patrol; were some of the honors conferred upon him in addition to that of Past Potentate of his Temple. In civic life he was a member of the Rotary Club and has served faithfully in the Chamber of Commerce and Community Chest activities for a number of years. In religious life he was an active and ardent member of the First Christian Church of Fort Worth.

He leaves his wife, a son and daughter, and two grandchildren, as well as a number of other relatives and a large host of friends, who join with them in mourning his passing.

Following religious services at the church conducted by the pastor, Dr. L. D. Anderson, at which Moslah Temple Chanters furnished special music, the body was laid to rest in Greenwood Cemetery, with Masonic service conducted at the grave by W. W. Peavy Lodge No. 1162 with Past Grand Master and Past Potentate W. Steve Cooke act-

ing as Master. One of the largest floral offerings ever seen at a funeral in Fort Worth was further evidence of the love and esteem in which Noble Rogers was held.

"Here was a friend whose heart was good;
He walked with men and understood,
His was a voice that spoke of cheer,
And fell like music on the ear.
His was a smile men loved to see;
His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends—
He leaves behind uncounted friends."

HARVEY NORTON SMITH

Captain Smith, or Harvey as he was lovingly called by hundreds of his friends was born in the peaceful village of Nunda, New York, on the twenty-second day of September, eighteen hundred and seventy-five. While yet a young man and a resident of Rochester, New York, he yielded to an urge for membership in the mystic Masonic brotherhood and knocked at the portals of Yonondio Lodge number one hundred and sixty-three in that city. When bidden, he entered and saw the Great Light and the lesser lights. He attained the Master's Degree. Thirty-two years ago he transferred his residence to Syracuse, New York, and later transferred his membership to Sea and Field Lodge number two in

this city and was a Past Master of that body. He became a member of each and all of the Central City Bodies of both the York Rite and the Scottish Rite. He concluded his Masonic journey with the Thirty-second degree and full membership in Central City Consistory on March twenty-third, nineteen hundred and sixteen.

He became a charter member of Tigris Temple and served it through the various offices and finally he became its Illustrious Potentate and in that capacity he served earnestly and ably for two successive terms. After his terms as Potentate had ended he continued to serve Tigris Temple and its members in many ways efficiently and well.

In various Masonic bodies and in Tigris Temple he did much ritualistic work with great care and accuracy, and in a manner most gratifying.

Then came the great change. On January sixth, nineteen hundred and forty-three the Grand Master called and the life in time of our Noble brother ceased and so began his unending existence in the house not made by human hands but planned and perfected by the Grand Architect of the universe as the eternal abode of all of the faithful who hearken to his call and are deemed worthy to enter the place of our faith and our dreams. The place where brightness ever is and darkness can not be.

He has passed beyond the toiling and the playing. The curtain has fallen upon the last earthly act of our brother—the master of ritual. From beyond the invisible and impenetrable veil we seem to hear his resonant voice joyously declaim:

“So loose the rein and cheer the steed and let us race away
To seek the lands that lie beyond the Borders of Today.
Oh, we shall hear at last, my heart, a cheering welcome cried
As o'er a clattering drawbridge through the Gate of
Dreams we ride!”

J. GEORGE SMITH

Illustrious Noble Smith had nearly reached his three score years and ten when he joined that Great Caravan to the Sacred City from which there is no returning. Our expression of sympathy and condolences is recorded and transcribed to those near and dear to him. This Noble has been one of the most active Nobles of Ali Ghan Temple, having taken a prominent part in the organization of the Western Maryland Shrine Club and the founding of our Temple. He served in each of the respective offices until he became a Past Potentate.

Having performed the work well done he was not satisfied to enjoy the refreshing shade of our Oasis, but continued in the heat and burden of the day to assist the Temple in many of its activities. It was his initiative that made the recommendation that we secure the present site of our Country Club and directly thereafter he played an important part in the construction of our new Club House. When this work was completed he became a member of the Crippled Children's Hospital Committee for our region and spent a good bit of his time in promoting this glorious work. The success of last year's effort in the Crippled Children's Hospital permanent membership activities and a letter which he wrote to the Nobility in our last official notice bears testimony of the sincere and righteous effort he made to promote this great philanthropy. The Archives of our Temple hold mute testimony that our departed friend and Brother Shriner was of Noble birth.

MIKE H. THOMAS

On April 3rd, seven days before his 77th birthday, Noble Mike H. Thomas passed to the Great Beyond. His life had been exceptionally varied and colorful, replete with

dramatic experiences far beyond those which enter into ordinary lives which extend beyond the three score and ten almost to the four score. From meagre material beginnings and small educational opportunities he advanced the slow and hard way with unbounding energy, optimism and courage, to the highest places of honor and achievement in the financial, religious and fraternal world. Frequently frustrated in his efforts, his indomitable soul never was defeated. It was this spirit of courage and the forward look which was recognized by his fellow-citizens when for a number of years they tendered him the presidency of the Dallas Chamber of Commerce.

His philanthropy was wisely planned, generous and even princely, and showed his many and far-reaching interests in good causes. He was one of the founders of the East Dallas Christian Church and remained an active member all his life, at one time being president of the John G. Slayter Bible Class of that church.

CARL FERDINAND WITTICHEN, Sr.

There came the Black Camel to abruptly break the brittle thread of life of Past Potentate Carl Ferdinand Wittichen, Sr., at Baltimore, Maryland, on October 5th, 1942, after a prolonged state of ill health at John Hopkins Hospital. Past Potentate Wittichen was a native of Baltimore, Maryland, having been born there on April 7th, 1882, later migrating to Birmingham in 1900, where after various business connections, he established the well known business institution of the Wittichen Transfer and Warehouse Company, of which he was the founder and President. Noble Wittichen, by his keen business acumen and alert business principles, had expanded this institution into a nationally renowned business.

Noble Wittichen was Potentate of Zamora Temple, Ancient Arabic Order Nobles of the Mystic Shrine, during 1940. His Masonic affiliations follow: Birmingham Fraternal Lodge No. 384, A. F. & A. M.; Mineral City Chapter No. 101, R. A. M.; Cyrene Com-

mandery No. 10, K. T.; and Royal Order of Jesters. He was also a member of the Kiwanis Club, Birmingham Traffic and Transportation Club, B. P. O. E., and was an enthusiastic member of the Directorate of the Boys Club, having been active in the founding of this institution. He was a Charter Member of the Choctaw Bend Hunting and Fishing Club and took an active interest in its activities.

Noble Wittichen was conspicuous as being a genial, happy and active member of the various groups with which he was associated, always being relied upon to assume a leading part in any program sponsored by these several activities. In his fraternal connections he was vigorous and hard-working, and enjoyed the unusual distinction of being a Life Member in all of his fraternal connections. Although a Past Potentate, his interest in the affairs of Zamora Temple had never waned, and he could be relied upon to participate in any campaigns for the betterment of the Order, which were extant at any time. The jovial and friendly nature, characteristic of Noble Wittichen, endeared him to his associates, and he enjoyed an unusually wide circle of friends in business, civic and fraternal circles, being a welcome addition to any of these groups. In civic affairs he held himself in readiness to cheerfully participate in any program for the advancement of the community.

His untimely end will be keenly felt by those who knew and worked with him and held him in such high esteem. It is a well recognized fact that the foot prints of Noble Wittichen in the historic sands of time identifying him with fraternal, civic and business will long stand as criterions of excellence. In the vernacular of the street, he was rated as a "good guy," whose memory will be long revered in the minds of a myriad host of friends.

FRANK J. ZUMSTEIN

On September 17th, 1942, as the brilliant rays of the rising sun shed its luster on the eastern horizon, dispelling the darkness and the mist of night, none of us realized that no more on this earth would it rise to gladden the heart of our beloved Past Potentate, Frank J. Zumstein, but in the dim ages of the past it had been so ordained for him; and as it sped through the sky and began to sink in the golden west, the mortal life of our departed friend began to sink, and as the shadows lengthened and darkness began to settle once more upon the earth, his soul winged its flight to a new state of existence.

Another alarm has been sounded at the door of our Temple and the unwelcome messenger was "death," but none dared to challenge his entrance. He had come to call from our midst one of our most beloved and active members and with bowed heads and sorrowing hearts we realized he was being taken from us.

In his passing, our Order has lost a most zealous and sincere member. His zeal and sincerity to our cause can be shown in no better way than by recalling his Masonic history.

He was originally a member of Linwood Lodge No. 567, of which he was also a Past Master; A charter member, one of the organizers and Past Master of High Noon Lodge No. 635; A member of Kilwinning Chapter No. 92 R. A. M.; Past Commander of Cincinnati Commandery No. 3; Past President of the Past Commanders' Association; Past Illustrious Master of Cincinnati Council; Active in several degrees of the Scottish Rite; Past Potentate of Syrian Temple; Emeritus member of the Imperial Council A. A. O. N. M. S.; Member of Royal Order of Jesters.

In addition to his Masonic activities he was Past President of the Rotary club, one of its organizers; Director and member of the Cincinnati Automobile Club; Past President

of the Sixth Street Business Men's Club; Active member of the Chamber of Commerce; Active member of the Cincinnati Club; Active member of the Cuvier Press Club; Captain in the Reserve Corp of the United States Army.

He now has gone from us and we all regret his passing.

"He who from zone to zone,
Guides through the boundless sky the songbirds flight,
In the long way which he must tread alone
Will guide his steps aright."

I move the adoption of the report.

Past Imperial Potentate YOUNG WORTH: You have heard the report, and the chairman of the Committee, Noble Stanton A. Bruner, moves its adoption. Do I hear a second? (Motion seconded.) All those in favor will please say "Aye." Those opposed "No." The report is adopted.

Imperial Potentate FIEBACH: (Resuming the Chair) The chairman of the Committee on Election Tellers, Judges and Clerks has a further report to make.

Noble C. BERT CLAUSIN (El Katif Temple): Imperial Sir, Officers and Representatives of the Imperial Council: It gives me pleasure as chairman of the Committee on Election Tellers, Judges and Clerks to report the result of your second ballot. The Committee finds there were 543 votes cast. The number necessary for a choice is 272. The votes were distributed as follows: Illustrious Noble Rennie Arnold, Acca Temple, received 65 votes; Illustrious Noble Frank S. Land, of Ararat Temple, received 132 votes; Illustrious Noble Harvey A. Beffa, of Moolah Temple, received 135 votes; Illustrious Noble Robert Gardiner Wilson, Jr., of Aleppo Temple, received 211 votes. We await your further instructions, Imperial Sir.

Imperial Potentate FIEBACH: It is ordered that ballots be distributed for a third ballot. Before that ballot is taken the chairman of the Committee wishes to give you further instructions.

Noble CLAUSIN: Thank you, Imperial Sir. Representatives, it is necessary that these ballots be passed to you. We did not know there was going to be a third ballot. Anyway, we would not have distributed them in advance. The Tellers will take their positions towards the end of the lines on both sides of the room and will pass you your ballots as you approach the boxes. You will move the same as you did before.

(Third ballot on Imperial Outer Guard, 3:03-3:15 p. m.)

Imperial Potentate FIEBACH: Have all who wish voted? Has everybody voted? Any further votes at the door. Hearing no objection, the chair declares the ballot closed.

Imperial Recorder Price: What is the next order of business now?

While we are waiting for the agenda I want to call on a very good friend of mine to whom I owe a little debt of gratitude which I want to pay at this

time. If Noble Charlie Bothwell will come to the stage I would like him to say a word.

Nobles, if you don't know him you have missed a lot in your young lives. This is Noble Charlie Bothwell, who is the Noble who arranged the wonderful good will pilgrimage for: "Yours Truly" to Mexico City last February. He had a list of reservations the like of which he had never received in any previous attempt along that line. And it was through no fault of his nor mine that we were obliged to call that pilgrimage off on account of Government restrictions. Although a promise had been made in September, that promise was revoked in January and we called the pilgrimage off.

I want to say to you, Noble Bothwell, you showed us such courtesy, such kindness, such consideration in arranging for that pilgrimage to Mexico City that June and I feel as deeply indebted to you as if you had made the trip with us, as you contemplated doing. Thank you very much.

Noble BOTHWELL: Imperial Sir, it was a great pleasure to serve you, and always a pleasure to serve the Shrine.

**Proceedings of the Colorado Corporation occurring at this time
are shown separately in another section, the Iowa Corporation being closed and thereafter reopened.**

Deputy Imperial Potentate MORLEY E. MACKENZIE (In the Chair): Nobles, I am going to ask Illustrious Noble George W. Hunt to make an announcement at this time.

Noble GEORGE W. HUNT (Alee Temple): Nobles, your Time and Place Committee has not been able to do much during the last two or three years on account of uncertainties. You will understand the reasons. In order for the Time and Place Committee to consider any invitation for these meetings we should have them in hand a considerable time before the Imperial Council meets. I think you understand the reason for that also. If we have a streamline meeting like we have had last year and this year there are many Temples which can handle the meeting. But we cannot tell how long it may be before we get back to the larger meeting when all of our Uniformed Bodies can come to the host city. Therefore it is necessary for the Time and Place Committee to have ample time to investigate the facilities and the transportation and everything connected with having a successful meeting.

Now your Committee on Time and Place will report tomorrow morning as to next year's meeting place, if possible. If any Temple wishes to extend an invitation for next year's meeting we are still ready to give it consideration. Therefore if you wish to extend an invitation I would like you to make it known through the Imperial Recorder and he in turn will pass it on to us. In the meantime we are holding our meeting open. We will make a report tomorrow morning unless we hear from somebody with an invitation. I thank you.

**Proceedings of the Colorado Corporation occurring at this time
are shown separately in another section, the Iowa Corporation being closed and thereafter reopened.**

Imperial Potentate FIEBACH: We have another report from the Committee on Election Tellers, Judges and Clerks, and I will call upon the chairman, Illustrious Noble Bert Clausin, for this information.

Noble C. BERT CLAUSIN (El Katif Temple): Imperial Sir and Representatives to this Imperial Council—I report your third ballot. The Committee finds that 584 Nobles voted. The number necessary for a choice is 293 votes. They were distributed as follows: Illustrious Noble Rennie L. Arnold, Acca Temple, received 26 votes; Illustrious Noble Frank S. Land, Ararat Temple, Kansas City, received 135 votes; Illustrious Noble Harvey A. Beffa, of Moolah Temple, St. Louis, received 148 votes; Illustrious Noble Robert Gardiner Wilson, Jr., of Aleppo, received 275 votes, which is short of a choice. I await your further instructions.

Imperial Potentate FIEBACH: The chair will recognize Illustrious Noble Harvey Beffa.

Noble HARVEY A. BEFFA (Moolah Temple): Imperial Sir, Fellow Members of the Greatest Organization under the Canopy of Heaven:

Moolah Temple came to this beautiful city of Chicago, to this Imperial Council Session, with the idea that you would elect an Imperial Outer Guard from Moolah on the banks of the Mississippi.

Somehow or other that possibly or probably cannot be done at this time; and, Imperial Sir, I would like to withdraw my name as a candidate for Imperial Outer Guard, and I further wish to say to those most generous supporters of that candidate from Moolah Temple that on behalf of Moolah Temple we are deeply grateful.

And I hope that by the grace of God and the willingness of you Nobles I may some day be the Deputy Imperial Potentate of the Imperial Potentate who will be made your Imperial Outer Guard today.

And may I further say that if you will come to visit with us at our quarters after this session we will be honored by your presence. Thanks a lot. (Great applause)

Imperial Potentate FIEBACH: The chair recognizes Noble Rennie Arnold.

Noble REMMIE L. ARNOLD (Acca Temple): Imperial Potentate and Nobles, with a heart overflowing with deep gratitude and all my love and affection for each and every one of you, whether you voted for me or not, I want to extend my sincere thanks. Illustrious Potentate, it is my desire at this time to withdraw my name as a candidate for Imperial Outer Guard. I thank you one and all, and God bless you.

Imperial Potentate FIEBACH: The chair thought he saw Illustrious Noble Frank Land approaching the stage. Frank, have you anything to say?

Noble FRANK S. LAND (Ararat Temple): Imperial Sir, I want to make it unanimous. I could not get up here fast enough. This is just the best I could

do. I thank you from the bottom of my heart, and Ararat Temple appreciates your support. Good luck to Illustrious Noble Wilson. (Applause)

Imperial Potentate FIEBACH: You have heard the motion to make it unanimous. Is there a second? (Motion seconded) The motion is that the election of Illustrious Noble Wilson be made unanimous. Are you ready for the question? All in favor of the motion will signify it by saying "Aye." Those opposed, "No." I hear no noes. The ayes have it. The motion prevails.

Illustrious Noble Wilson, you have been elected Imperial Outer Guard by the unanimous vote of this Imperial Council. Is Illustrious Noble Wilson in the room? I wonder if he will accept.

Judge Wilson, these good Nobles have by their unanimous vote elected you Imperial Outer Guard of the Imperial Council. Do you accept?

Noble WILSON: Imperial Potentate and Nobles, I do not wonder that the Imperial Potentate asked if I were still in the room, because I received this honor the hard way, and only a candidate who passes through the ordeal of one of these campaigns for Imperial Outer Guard can fully appreciate the thrill one feels and the gratitude to the Nobility that one feels when one stands in this particular position.

Last year was a little too recent, however, for me to forget that the boys who do not win feel somewhat disappointed. And in line with what the boys have said I only hope that they have their chance to have their thrills some time in the future.

With all humility I realize that through me you have finally given representation to the Northeast and to New England and to old Aleppo Temple, who finally got an Imperial Outer Guard. I know how pleased the Nobility of Aleppo Temple will feel, not excluding the best Recorder in North America, Illustrious Noble Walter Morrison.

Last year as a loser I said that 640 Shriners could not be wrong, and I pledged to you to do my best to prove to you that this year 640 Shriners were not too far wrong. I thank you. (Applause)

Imperial Potentate FIEBACH: Nobles, I want to warn you there is a lot of important business going to be transacted in the next twenty minutes. We will not adjourn for at least twenty minutes, and I request that you stay in the room unless you must leave. I would like to ask Illustrious Noble Karl Rex Hammers to take the gavel and call for committee reports.

Imperial Oriental Guide KARL REX HAMMERS (Assuming the Chair): Nobles, we are ready to hear committee reports.

**Proceedings of the Colorado Corporation occurring at this time
are shown separately in another section, the Iowa Corporation being closed and thereafter reopened.**

Imperial Oriental Guide HAMMERS: The chair at this time will recognize Illustrious Noble Grover C. Nolte, of the Jurisprudence and Laws Committee.

Noble GROVER C. NOLTE (Afifi Temple) : Imperial Sir, this is a report on the adoption of certain By-Laws submitted by four different Shrine Temple Associations. (Reading)

REPORT OF
COMMITTEE ON JURISPRUDENCE AND LAWS.

I.

To the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa Corporations

There have been submitted to your Committee on Jurisprudence and Laws proposed By-Laws of four different Shrine Temple Associations,

To-wit: Temples from Nebraska, Iowa, Kansas, Missouri, Oklahoma and Colorado, forming an association to be known as Central States Shrine Association; Temples from the State of Illinois, forming an association to be known as Illinois Shrine Association; Temples from the State of Texas, forming an association to be known as All State Shrine Association of Texas; and Temples from the States of Minnesota, Wisconsin, North Dakota, South Dakota, Iowa, and the Provinces of Manitoba and Saskatchewan, Canada, forming an association to be known as Midwest Shrine Council.

Your Committee has examined said proposed By-Laws and finds nothing therein contained in conflict with the Imperial Council law and therefore approves said proposed By-Laws with the exception of the By-Laws of the Midwest Shrine Council, which are approved on the condition that the name of said association be changed from Midwest Shrine Council to Midwest Shrine Association, so as to conform with the provisions of Article IX, Section 77, of the By-Laws of the Iowa Corporation.

The All State Shrine Association of Texas has also filed with their proposed By-Laws an application for a charter. Treating the correspondence accompanying the proposed By-Laws of the other three Associations as an application for a charter, your Committee recommends that the matter of granting a charter to these four proposed Associations be referred to the Committee on Charters and Dispensations for their action.

Respectfully submitted,

FONTAINE JOHNSON
GROVER C. NOLTE
LOUIE W. STRUM
MURDOCH L. MARTYN
WILLARD P. LOMBARD.

I move the adoption of this report. (Motion seconded)

Imperial Oriental Guide HAMMERS: Nobles, you have heard the motion, which has been duly seconded. All who favor the motion will vote "Aye." Those opposed "No." The report is adopted. This report is being referred to the Committee on Dispensations and Charters.

REPORT OF THE
COMMITTEE ON JURISPRUDENCE AND LAWS

II

To the Imperial Council, A. A. O. N. M. S.:

There is now a material conflict between Sections 272 and 274 of the Imperial By-Laws (Iowa Corporation) with respect to the effective time of subordinate Temple By-Laws and amendments thereto.

Section 272 now provides that a subordinate Temple may adopt By-Laws or amendments to existing By-Laws, submitting the same to the Imperial Recorder, after which they are referred to the Committee on Jurisprudence and Laws. If they are approved by that Committee and by the Imperial Potentate, Section 272 provides that "such By-Laws or amendments shall at once become effective."

Section 274 provides that the Imperial Recorder shall present to the Imperial Council a list of all new or amended By-Laws which have been approved by the Committee on Jurisprudence and Laws, and by the Imperial Potentate, as above stated. Section 274 then provides that "if adopted by the Imperial Council, they (such By-Laws) become law."

It will thus be seen that these two sections provide materially different times at which new By-Laws become effective.

Your Committee believes that these two sections of the By-Laws should be harmonized by retaining the present provision of Section 272, namely, that By-Laws and amendments become effective immediately upon their approval by the Imperial Potentate. This approval cannot occur until after the subordinate Temple has adopted the By-Laws at a regular or special session called for that purpose, notice of which has been given to every member of the Temple, and also after the By-Laws have been approved by the Committee on Jurisprudence and Laws. We believe this procedure affords adequate safeguards and, at the same time, permits prompt action upon new or amended By-Laws.

To effectuate this change, your Committee recommends that Section 274 be amended by eliminating therefrom these words: "and if adopted by the Imperial Council, they become law" so that Section 274, as amended, will read as follows:

"At each session of the Imperial Council the Imperial Recorder shall present a list of all new or amended By-Laws which have been approved by the Committee on Jurisprudence and Laws and confirmed by the Imperial Potentate during the recess of the Imperial Council. The Imperial Recorder shall also submit a list of any By-Laws or amendments which have been rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for such rejection. Any Temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its By-Laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body shall be final."

Section 274 will still contain the present provision that any Temple dissatisfied with the action of the Committee on Jurisprudence and Laws, or the Imperial Potentate in rejecting the proposed amendment, shall have the right to appeal to the Imperial Council, and the decision of that body shall be final.

Respectfully submitted,

WILLARD P. LOMBARD.

Imperial Sir, I move the adoption of this report. (Motion seconded.)

Imperial Oriental Guide HAMMERS: It is moved and seconded that the report of the Committee on Jurisprudence and Laws and the amendment be adopted: What is your pleasure? All those in favor of the adoption of the report and amendment will vote "Aye." Those opposed "No." The report and amendment are adopted.

Noble STRUM: I would like to ask that one Representative from Sudan Temple and one from Oasis Temple, or all of your Representatives, meet the Committee on Jurisprudence and Laws in Room 4 on the next floor below immediately after adjournment this afternoon. Bring with you the map that was used before the Committee, if you have it. I want to check over the counties.

Noble MURDOCH L. MARTYN (Rameses Temple): This report refers to the fifth decision of the Imperial Potentate, which was brought about by a subordinate Temple having elected to office an Assistant Rabban who was not present at his election in January, who was apparently installed by proxy, and who did not personally accept the office, and later resigned. This Temple is confronted with the situation of having an officer not wishing to serve and not being able to fill that important office. (Reading)

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

III.

To the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America:

By way of correcting the situation brought up under No. 5 of the decisions of the Imperial Potentate, under which an Illustrious Potentate, Chief Rabban, and Assistant Rabban of a subordinate Temple cannot resign, your Committee has carefully considered the situation and recommends for your consideration the following amendments to the code:

Your Committee recommends that Paragraph 4, Section 207 of the Imperial Code, be deleted, and that Section 212 be deleted in its entirety; and that there be substituted for Paragraph 4, Section 207, the following:

"In the event of the death, resignation, or removal from the jurisdiction of the Imperial Council of any officer or representative, or forfeiture through any cause of membership in the Order, a special election may be held without a special dispensation for that purpose, to fill the vacancy, and any vacancy that may occur by virtue of any officer being promoted at such special election, may be filled at such special election. Due notice shall be given to the members of the Temple of such election. In case of vacancy in an appointive office, the same shall be filled by appointment by the Illustrious Potentate of the Temple. No member can be compelled to accept an election or appointment to office. The result of any election or appointment shall forthwith be reported to the Imperial Recorder."

So that Section 207 will then read:

"The installation of officers shall take place immediately, or at the first succeeding session of the Temple, in accordance with the "Ceremony of Installation" prescribed by the Imperial Council. They shall assume the duties of their respective offices upon such installation.

"If a public installation of officers is had, the officers-elect previous thereto must take the oath of office in the body of the Temple, when properly guarded.

"Should it be impossible to hold the election as required, or should it appear to the Imperial Potentate proper so to do, the Imperial Potentate may grant a special dispensation changing the date fixed for such annual election and/or the date fixed for any annual session, or any other stated session of any Temple, provided that due and timely notice of such changed date shall be given to each member of the Temple at least seven days prior to the date for such election or meeting.

In the event of the death, resignation, or removal from the jurisdiction of the Imperial Council of any officer or representative, or forfeiture through any cause of membership in the Order, a special election may be held without a special dispensation for that purpose, to fill the vacancy, and any vacancy that may occur by virtue of any officer being promoted at such special election, may be filled at such special election. Due notice shall be given to the members of the Temple of such election. In case of vacancy in an appointive office, the same shall be filled by appointment by the Illustrious Potentate of the Temple. No member can be compelled to accept an election or appointment to office. The result of any election or appointment shall forthwith be reported to the Imperial Recorder."

Respectfully submitted,

Imperial Sir, I move the adoption of this report and the amendments to the Code.

Imperial Oriental Guide HAMMERS: It is moved and seconded that the report and amendments of the Committee on Jurisprudence and Laws be adopted. What is your pleasure, Nobles? All those in favor of the adoption of the report and the amendments will vote "Aye." Those opposed "No." The report and the amendments are adopted.

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

IV.

To the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America:

Whereas, complaint has been received that the form for Petition for Initiation and Membership, A. A. O. N. M. S. which appears in the list of forms at the end of the Iowa Code should be amended and improved, the suggestion and recommendation is hereby made that the Imperial Recorder change the printed form by striking out the words: "the Supreme Council, 33rd degree, for the Northern or Southern Jurisdiction of the United States of America," and substitute therefor the following words:

"A Commandery or Preceptory of Knights Templar, or Consistory of the Ancient and Accepted Scottish Rite of Freemasonry of the obedience of either the Supreme Councils of the Northern or Southern Masonic Jurisdiction of such Rite in the United States, or those Supreme Councils which are in amity with and recognized by them."

The sole purpose of this recommendation is to bring in line the form which appears at the end of the Code and By-Laws, and bring it into conformity with the Code and By-Laws. Imperial Sir, I move the adoption of this recommendation. (Motion seconded.)

Imperial Oriental Guide HAMMERS: It has been moved and seconded that the report and the recommendation of the Committee on Jurisprudence and Laws be adopted. All those in favor of the motion will vote "Aye." Those opposed "No." The report and the recommendations are adopted.

Proceedings of the Colorado Corporation occurring at this time are shown separately in another section, the Iowa Corporation being closed and thereafter reopened.

Imperial Oriental Guide HAMMERS: Nobles, at this time the chair would like again to remind you of the very important conference in this room this evening at eight o'clock for all Potentates and Chief Rabbans, and others who might care to attend. This is a very important meeting. I recognize the Imperial Recorder.

Imperial Recorder PRICE: As you evidently understood, the question of Shrine Associations has been referred to the Committee on Dispensations and Charters. I just wonder if you will bear with me a moment and let me read the list of Shrine Associations according to my record, to see whether we have overlooked any of them. There are three or four states whose Temples are not members of a Shrine Association. The following constitute the list to date: Central States, Illinois Association, Western Association, South-eastern Shrine Association, Pennsylvania Association, New York Association, Ohio Association, Midwest Association, Northwest Association, Middle Atlantic Association, Indiana Association, Northeastern or New England Association. We have twelve all told: Have we overlooked anybody?

Noble ALBERT ELLIS (Maskat Temple): You left out Texas.

Imperial Recorder PRICE: The Committee on Dispensations and Charters will meet in Room 9 immediately following the adjournment of this session. (Further announcements by the Imperial Recorder.)

Imperial Oriental Guide HAMMERS: We have just one or two reports yet, Nobles. Illustrious Noble Ray D. Snow, of Zembo Temple, Harrisburg.

Noble SNOW: (Reading)

REPORT OF THE
COMMITTEE ON JURISPRUDENCE AND LAWS.

VI.

To the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America:

There has been referred to your Committee the proposed By-Laws and amendments to By-Laws of the following Temples:

Aladdin; El Kalah; Al Bahr; El Zagal; Egypt; Ararat; Aahmes; Hadi; Al Malaikah; and El Karubah, which have been approved by the Imperial Potentate after having been submitted to the chairman of this committee.

Your Committee finds all these proposed By-Laws and amendments to By-Laws to be in conformity with Imperial law and we concur in the decisions of the Imperial Potentate with respect thereto, and approve his action and recommend that said By-Laws and amendments to By-Laws be approved.

Respectfully submitted,

I move the adoption of the report. (Motion seconded.)

Imperial Oriental Guide HAMMERS: It is moved and seconded that the report be adopted. All those in favor of its adoption will vote "Aye." All those opposed "No." The report is adopted.

Imperial Potentate FIEBACH: (Resuming the Chair) I am informed that there are no other committee reports ready for presentation at the present time. We will therefore declare this meeting adjourned until nine thirty tomorrow morning.

(5:20 p. m.)

THURSDAY, JULY 8, 1943

Morning Session

Imperial Potentate FIEBACH: The hour for our convocation has arrived. Will the Imperial Outer Guard inform the Nobles in the lobby? There are a dozen or more committee reports to be considered this morning. If you desire to adjourn this session before noon and receive your checks this morning, we shall have to act promptly.

Will the Nobles coming through the door take their seats as quickly as possible. We are running a little behind now. We have already lost five cents' worth of time.

May I announce that the conference of Potentates and Rabbans conducted under the direction of Deputy Imperial Potentate Morley E. MacKenzie in this room last evening was most interesting and instructive. The conference was addressed by Deputy Imperial Potentate MacKenzie; Imperial Captain of the Guard, Illustrious Noble Hubert M. Poteat; Illustrious Noble Munger T. Ball, Chairman of the Committee on Membership; Illustrious Noble George S. Sexton, Jr., Chairman of the Committee on Special Gifts and Donations; Imperial Recorder, James H. Price; and Noble W. C. FitzGibbon of the United States Treasury Department. All of the addresses were most timely and well received.

Nobles, this is, I hope, the last session of the Sixty-ninth Imperial Council. It is now open and ready for business. Imperial Recorder Price, what is the first order of business this morning?

Imperial Recorder PRICE: The report of the Committee on Grievances and Appeals. Illustrious Noble Hoffman is the chairman.

Noble FREDERICK L. HOFFMAN (Syrian Temple): Imperial Sir and Representatives of the Imperial Council, the Committee on Grievances and Appeals have three reports to make. (Reading)

REPORT OF COMMITTEE ON GRIEVANCES AND APPEALS.

I.

To the Illustrious Potentate and Representatives of the Imperial Council:

Ainad Temple of East St. Louis, Illinois, filed a complaint against Hadi Temple of Evansville, Indiana, claiming that said Hadi Temple had, in violation of the Code, initiated two candidates who resided in Illinois, without receiving a waiver or making an agreement with the Illinois Temples.

Upon the hearing, the Potentate of Hadi Temple admitted that the charge was true as to one of the candidates, but that information was not available at this session of the Imperial Council as to the other candidate.

Hadi Temple agreed to furnish the Committee with full information as to this or any other candidate who might have been improperly initiated. This will be done as soon as the Representatives return to Evansville. Until

this information is secured no complete report can be made by the Committee on Grievances and Appeals.

A. ELMER RAITHEL
JAS. W. WOODFORD
FREDERICK L. HOFFMAN, *Chairman*.

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Imperial Potentate FIEBACH: You have heard the report and the motion duly seconded. Are you ready for the question? All in favor will signify it by voting "Aye." All opposed, "No." The ayes have it. The report is adopted.

Noble HOFFMAN: (Reading)

REPORT OF COMMITTEE ON GRIEVANCES AND APPEALS.

II.

To the Illustrious Potentate and Representatives of the Imperial Council:

An unsigned complaint was referred to the Committee on Grievances and Appeals. This complaint charged the Potentate of a certain Temple with disrupting the Temple and of disregarding the traditions, customs, and practices of the Temple. Upon investigation the Committee absolves the Potentate of these charges; first, because the charges are anonymous, and, second, because in our opinion the charges are not true.

Our investigation shows that the Temple in question is in good financial condition. Its membership is increasing and the Potentate under certain adverse circumstances is doing his best to govern and direct the affairs of his Temple according to the Code and By-Laws of the Imperial Council and the By-Laws of his Temple.

Anonymous charges should seldom, if ever, be considered, but in this particular instance the Imperial Potentate felt, because of the serious nature of the charges, they should receive the attention of this Committee.

Imperial Sir, I move the adoption of the report. (Motion seconded)

Imperial Potentate FIEBACH: Are you ready for the question? All in favor of the adoption of this report will signify it by voting "Aye." Those opposed, "No." The report is adopted.

Noble HOFFMAN: A third and last report is as follows: (Reading)

REPORT OF COMMITTEE ON GRIEVANCES AND APPEALS.

III.

To the Imperial Potentate and Representatives of the Imperial Council:

A complaint was received from Mohammed Temple of Peoria, Illinois, against Kaaba Temple of Davenport, Iowa, reciting the following grievances:

That in November, 1942, Kaaba Temple initiated twenty-two candidates who were residents of Illinois; that in May 1943, Kaaba Temple initiated thirty-five candidates who were also residents of Illinois; that no agreement was made with or waivers secured from any of the five Temples of Illinois which had jurisdiction over all applicants for membership in the Shrine who resided in Illinois; that the fee for initiation in the Illinois Temples was \$75.00 while the fee in Kaaba Temple was only \$50.00; that Kaaba Temple violated the order of the Imperial Council taken in 1938 under which it was definitely directed not to accept any more candidates who were not residents of Iowa but who were residents of Illinois unless an agreement was made or waiver secured from the Illinois Temple and; furthermore, Kaaba Temple was to print in all Ceremonial notices that it could not accept candidates who resided in Illinois.

Your Committee had two sessions and the statements of the Representatives of Kaaba Temple and the five Illinois Temples were taken. Kaaba Temple, through its Potentate and Representatives, now admits the truth of all these charges and asks from the Imperial Potentate and this Imperial Council clemency and charitable consideration for its violation.

M. A. PIXLEY
GROVER SWEET
A. ELMER RAITHEL
JAS. W. WOODFORD
FREDERICK L. HOFFMAN, *Chairman.*

This is signed, as well as the other reports, by the full Committee. Imperial Sir, I move the adoption of the report.

I will say to the Representatives that the Committee has not recommended what action shall be taken because, under the Code, the Imperial Potentate has the right, for any violation of the Code or regulations and By-Laws, to suspend a Temple for a whole year or any part of that year, and of course the Imperial Council Session itself has the right to take such action. Therefore, as we view it, it is up to the Imperial Council unless that authority is delegated to some other Committee or some individual to impose what penalty shall be inflicted, if any, upon Kaaba Temple.

Imperial Potentate FIEBACH: You have heard the report and the recommendations of the chairman of this committee. Are you ready to receive this report? It is a factual report of the situation and there is no suggested action to be taken now. What is your pleasure? Is there a second to the judge's motion? (Motion seconded.)

It has been moved and seconded that this report be approved. Are you ready for the question? All in favor will signify it by saying "Aye." Those opposed, "No." I don't believe this action is very clear to you, from the scattering votes on the question. The adoption of this report simply indicates a situation that requires disciplinary action on the part of someone. This Imperial Potentate will not take that action because in a couple of hours

he hopes to be relieved of his responsibilities. Now it seems to me that an amendment might be made to this report that somebody exercise this disciplinary action, if you are going to adopt this report. The situation seems serious enough to be tied up with a proposition that either a committee be appointed to further determine what penalty ought to be inflicted, or suggest some other similar action. I will recognize the Emeritus Member from El Kahir, Illustrious Noble M. M. Thompson.

Noble M. M. THOMPSON (El Kahir Temple): I would like to make a motion that the matter be referred to a committee appointed by the Imperial Potentate, with power to act. (Motion seconded.)

Impérial Potentate FIEBACH: You are making a motion to amend the report. The chair is undecided as to whether the ayes or noes had it. We will take a further vote on it, a rising vote, and before that vote, if you will offer your suggestion as an amendment I will consider it. The report can be accepted and referred to a committee to be appointed by the next Imperial Potentate, if there is a second to it. (Motion seconded.)

It has been duly moved and seconded that the report of the Committee on Grievances and Appeals be amended, and that if the report is adopted, it be referred to a committee to determine the penalty to be imposed, the committee to be appointed by the incoming Imperial Potentate. You have heard the amendment. Are you ready for the question on the amendment? (Calls for the question.) All in favor of adopting this amendment to the Committee's report will signify it by saying "Aye." Those opposed, "No." The ayes have it. The amendment is adopted.

Now the motion of Illustrious Noble Hoffman as amended is that the Committee's report be accepted and that a committee be appointed to determine the penalty. That is the motion before you now. Are you ready for the question on the motion? (Calls for the question.) All in favor will signify it by voting "Aye." Those opposed, "No." I hear no noes. The motion is adopted unanimously.

Imperial First Ceremonial Master GALLOWAY CALHOUN (In the Chair): Imperial Recorder, please indicate the next order of business.

Imperial Recorder PRICE: At this time we should have the report from Illustrious Noble Fred F. Whitcomb, chairman, on "A Short History of the Shrine." I shall be glad if he will come forward.

Noble FRED F. WHITCOMB (Tangier Temple): (Reading)

Next will be a report by the Transportation Committee, Past Imperial Potentate Andrew Rahn, chairman. The Chairman announces that his Committee has no report this year.

REPORT OF COMMITTEE ON NATIONAL PUBLICATION.

To the Imperial Council A. A. O. N. M. S.:

Thirty-four issues of Shrine News have been published regularly and distributed to Representatives of the Imperial Council, Temple officers and to participating Temples. Bulletins and announcements issued by a great majority of our subordinate Temples are continuing to avail themselves of news matter and articles from our publication. Publications from many branches of the Masonic family have copied and reprinted our articles and items, thus heralding some of our Shrine achievements to prospective novices and supporters.

Many of our Temple representatives have acquired the praiseworthy habit of submitting items of general interest, so that Shrinedom at large may rejoice at the progressive and noteworthy accomplishments of our Temples and individual Nobles. We thankfully acknowledge this assistance and cordially invite your continued interest, suggestions and news contributions.

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Imperial First Ceremonial Master CALHOUN: The question is on the adoption of the report. All in favor will vote "Aye." Those opposed, "No." The report is adopted.

We will have the report of the Committee on Public Safety. Will Noble and Colonel Crumrine, come forward?

REPORT OF COMMITTEE ON PUBLIC SAFETY.

Noble LUCIUS MCK. CRUMRINE (Syria Temple): Imperial Sir and Nobles, owing to the extreme curtailment of this Imperial Council Session your Committee on Public Safety has had no onerous duty to perform. I move the adoption of the report. (Motion seconded.)

Imperial First Ceremonial Master CALHOUN: If there is nothing to report, the report is adopted.

Is the Committee on Forms and Ceremonies ready to report?

Noble LOUIS CHACKES (Ainad Temple): Without form or ceremony, I don't believe there is anybody here.

Imperial First Ceremonial Master CALHOUN: It seems we are without form or ceremony. Is either Noble George Foster or Noble Harry Weston present and has either of them anything to report?

Noble HARRY S. WESTON (El Karubah Temple): Nothing.

Imperial First Ceremonial Master CALHOUN: Nothing to report, so that report is adopted.

Is the Committee on Special Resolutions ready to report? Illustrious Noble George Cook, Jr., is the ranking member of that committee.

Imperial Recorder PRICE: Illustrious Noble Heil, Chairman, was called back to Milwaukee last evening. The report was handed to me.

Noble GEORGE COOK, JR. (Kismet Temple): (Reading)

REPORT OF COMMITTEE ON SPECIAL RESOLUTIONS.

Imperial Sir and Representatives of this Imperial Council:

Your Committee on Special Resolutions desires to report as follows, with the hope that the Committee on Jurisprudence and Laws will not have to pass on it!

Again we have met here in Chicago, and this Imperial Session just closing has been notable for many worth-while accomplishments. It will go down in Shrine history as one of the most constructive and successful meetings in the long and eventful career of our Order.

The thoughtful courtesies and hospitality of Medinah Temple and the good people of Chicago leave little to be desired.

Your Committee desires to express its thanks to the Governor of Illinois, Honorable Dwight H. Green, and Honorable Oscar E. Hewitt, representing the City of Chicago and personal representative of Honorable Edward J. Kelly, Mayor of Chicago, for their graciousness, particularly in placing the resources and facilities of the State and City at the disposal of the Imperial Council.

We were indeed fortunate in having Illustrious Potentate Charles J. Retterer of Medinah, as our guiding spirit at our opening session, and we wish to express our grateful appreciation to Potentate Retterer and his Divan and other Nobles from Medinah for their service to the Imperial Council.

Especially do we wish to mention the many courtesies of Medinah Temple and the thoughtful provision for our entertainment, among which might be mentioned the elaborate pageantry in the opening of session. This kindness in supplying the Representatives with luncheon and trimmings was enjoyed by all.

At the banquet held Tuesday evening, Medinah again did themselves proud and we were indeed inspired by the remarks of our distinguished guest, Noble and Governor John W. Bricker, of Ohio.

Again, we express our thanks to Medinah Temple for the many courtesies extended and lovely entertainment for our ladies.

Our thanks are extended to the Committee on Headquarters, who so carefully arranged our hotel accommodations on such short notice.

We would indeed be remiss if we forgot to extend the thanks of every Representative to Medinah Temple chanters for their wonderful rendition of the several national anthems, and especially our Lord's Prayer. Also to Hella Temple Quartette for its attendance and willing cooperation in several programs.

To the Patrol, we extend thanks for their time and efforts in behalf of our entertainment, and we are also indebted to the Band.

To the Press and Radio, and also the Police, are extended our many thanks for their very generous cooperation.

We extend our thanks to the efficient workers of the Palmer House for the beautiful layout and decorations of our Imperial Council meeting room.

To all the citizens of Chicago, small and great, young and old, we will say you have won our hearts by your reception of us and you surely have made our visit a most pleasant memory to take back home with us.

We move you, Illustrious Sir, that this report be accepted and adopted.

Signed by your Committee:

JULIUS HEIL, *Chairman*
GEORGE COOK, JR.
MILTON E. LIPMAN
JOHN M. HOLMES
JAMES DUNN
JACK PATTERSON.

I move the adoption of the report.

Imperial First Ceremonial Master CALHOUN: You have heard this splendid report. Its adoption has been moved and duly seconded. All in favor will signify it by voting "Aye." Those opposed, "No." The report is adopted. Thank you, Illustrious Noble Cook.

Past Imperial, Potentate THOMAS C. LAW (In the Chair): Nobles, we have a report from the Committee on Jurisprudence and Laws.

Noble FONTAINE JOHNSON (Ben Ali Temple): (Reading)

REPORT OF COMMITTEE ON JURISPRUDENCE AND LAWS.

VII.

To the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, an Iowa Corporation:

There has been referred to your Committee on Jurisprudence and Laws an amendment offered by Noble John D. McGilvray, Past Potentate of

Islam Temple, to amend Section 25 of Article V, which amendment changes and substitutes the word "fifteen (15) cents" for the present wording of "ten (10) cents" so that the amended article will read as follows:

"All representatives shall be entitled to mileage at the rate of fifteen (15) cents per mile one way, by the shortest available route, from the location of their Temples to the place of the session of the Imperial Council, and per diem expenses at the rate of Fifteen Dollars (\$15.00) for each day's attendance at the session of the Imperial Council. The members of the Committee on Jurisprudence and Laws, Finance and Accounts, Mileage and Per Diem, Dispensations and Charters, Jurisdictional Lines and Grievances and Appeals, shall receive Fifteen Dollars (\$15.00) for the extra days their services are required, such expenses to be paid out of the general fund of the Imperial Council; provided, however, that all elected Representatives, and the present Honorary Life Members, Honorary Members and Permanent Representatives (but not to include Emeritus Members, Representatives at Large or Representatives Ad Vitam) shall not be entitled to receive either mileage or per diem unless the respective Temple to which such Representatives belong has paid and settled with the Imperial Recorder the per capita dues and hospital assessment of such Temple accrued and due as of March 31st of the current year of such Imperial session."

The effect of this amendment would be to increase the payment of mileage to the Representatives to the Imperial Council by 50% and, at this session, would increase the amount required to be paid to the Representatives by approximately the sum of \$26,513.00. Your Committee has made a very careful investigation of the actual mileage paid to the Representatives from various parts of the United States, Canada, Mexico, and the Hawaiian Islands. While the Representatives do not make any profit on the amount received under the present By-Law, they do receive sufficient to pay the necessary traveling expenses.

There is a surplus in the Treasury of the Imperial Council at this time of approximately \$350,000.00. Had the Representatives been paid mileage on the basis of fifteen (15) cents per mile for the past eight years, it would have cost the Imperial Council \$350,000.00 more than the expenses incurred in Imperial Council sessions, so that there would now be no surplus in the Treasury of the Imperial Council. Because your Committee is of the opinion that this is not the appropriate time to increase the expense burden on the Imperial Council, we recommend that the amendment be not adopted.

Respectfully submitted,

FONTAINE JOHNSON
GROVER C. NOLTE
LOUIE W. STRUM
MURDOCH L. MARTYN
WILLARD P. LOMBARD.

Imperial Sir, I move the adoption of the report. (Motion seconded.)

Past Imperial Potentate LAW: Nobles, you will understand that this is on the adoption of the report on the amendment of Illustrious Noble McGilvray, of Islam Temple. It will be a negative vote. If you vote in favor of adopting the report the amendment is defeated. If you vote against the report, then we will vote on the amendment. I recognize Illustrious Noble Jack McGilvray.

Noble JOHN D. MCGILVRAY (Islam Temple): Imperial Sir and Officers and Members of the Imperial Council:

I did not intend when I introduced this amendment asking for a change of this nature to provoke any controversial discussion. It has evidently

taken considerable time to reach a decision in this matter. However, I am cooperative. I want to be fair about what we are trying to do. But the assumption that if we had received this fifteen cents a mile for the last ten years we would not have anything is rather beside the point. We didn't have it so we have something on hand.

The proposition I would like to put to you Nobles today is this. I believe that the cost of living has gone up. I will concede that the cost would not be equally distributed if it was based on the footing of five cents per mile extra in the By-Laws. But I do believe that each of us is entitled to some additional expense in lieu of this. If it will be acceptable to the Committee on Mileage and Per Diem I suggest that in lieu of this fifteen cents a mile that the law still remain at ten cents per mile, and that we pay each Representative here \$25 a day for three days for their service here. This will equalize the situation. Everyone here will get an additional \$30, or whatever it is. It is a small amount.

And I would like, with the consent of the Mileage and Per Diem Committee, if they will accept this substitute (which is agreeable to me) to incorporate it in this new motion. I offer that as an amendment.

Past Imperial Potentate LAW: Noble McGilvray has offered an amendment to this amendment. This has to be referred to the Committee on Jurisprudence and Laws. I understand they are ready to report. Give them just a minute, Nobles, and they will be ready.

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS.

VIII.

Noble JOHNSON: There has been referred to your Committee on Jurisprudence and Laws an amendment offered by Illustrious Noble John D. Gilvray, an amendment which would leave the present amendment as follows:

"All Representatives shall be entitled to mileage at the rate of ten cents per mile one way, by the shortest available route, from the location of their Temples to the place of the session of the Imperial Council, and per diem expenses at the rate of Twenty-five Dollars for each day of attendance at the session of the Imperial Council."

Do you want to add on the payments of the various committees an extra \$25 for coming? (Cries of "Sure.")

"The members of the Committee on Jurisprudence and Laws, Finance and Accounts, Mileage and Per Diem, Dispensations and Charters, Jurisdictional Lines and Grievances and Appeals shall receive Twenty-five Dollars for the extra days their services are required, such expenses to be paid out of the general fund of the Imperial Council; provided, however, that all elected Representatives, and the present Honorary Life Members, Honorary Members and Permanent Representatives (but not to include Emeritus Members, Representatives at Large, or Representatives Ad Vitam) shall not be entitled to receive either mileage or per diem unless the respective Temple to which such Representatives belong has paid and settled with the Imperial Recorder the per capita dues and hospital assessment of such Temple accrued and due as of March 31st of the current year of such Imperial Session."

The Committee reports this amendment, the second amendment, without recommendation.

Past Imperial Potentate ANDREW A. D. RAHN: Does this include Honorary Members, Ad Vitam Members and Members at Large; are they entitled to this increase, is that correct?

Noble JOHNSON: No.

Noble LOUIS CHACKES (Ainad Temple): Imperial Representatives, what I am about to say I am going to try to word myself and I will try to put the question, if I may, where we can vote either "Yes" or "No."

The amendment to the amendment by Illustrious Noble Jack McGilvray, if I understand it, was to make no permanent change in our law, but to take care of the situation which might be considered an emergency on account of the cost of living at this particular time. And so it appears to me that there should be no matter before the Committee on Jurisprudence and Laws that requires any action so far as our By-Laws are concerned. They are to remain the way they are, and I think that proceeding should be entirely withdrawn and a motion made that as to those in attendance at this Imperial Council Session an additional amount of \$30 be paid. Then you can vote "Yes" or "No" on \$30 for this session. That is what Illustrious Noble Jack McGilvray, I believe, is trying to say. Then we leave the law just as it is and don't disturb it in any way. Is that about it?

Noble MCGILVRAY: The language used by the learned attorney from St. Louis construes my non-educational meaning. So I submit that what he said is the idea that has gone through my head.

Past Imperial Potentate LAW: The chairman of the Committee on Mileage and Per Diem.

Past Imperial Potentate THOMAS J. HOUSTON: Imperial Sir and Representatives, the motion to pay an additional \$10.00 per day to the Representatives of this Imperial Council Session would only apply to this meeting. Personally I am not in favor of changing the law. We all realize that we are going through rather hard times. We all realize it is costing a little bit more to go along, and in our business plans of the day we make preparations for things under the caption of "During the period of the war." And I believe that it is Illustrious Noble Jack McGilvray's thought to take care of the conditions as they exist today, but not to put in your laws an item of an additional cost of 50 per cent in mileage, which would mean if we went to the Coast in any year an additional cost of about \$125,000 on mileage and per diem, which this Imperial Council cannot afford to pay with a membership of a little over 300,000 Nobles.

Now as the chairman of the Mileage and Per Diem Committee I am going to ask that the report of the Mileage and Per Diem Committee be accepted as presented yesterday. (Cries of "No.")

Past Imperial Potentate LAW: The amendment has been offered to that report. We will have to vote on that amendment before we can consider the acceptance of the original report. Are there any further remarks on the amendment of the per diem being \$25 a day for this year?

Imperial Treasurer LEONARD P. STEUART: Imperial Potentate and Nobles, I have been asked by many Nobles since this resolution was introduced just about what it would cost. I would like to say to you this morning that if this goes through you are putting into your pockets about \$19,000, taking it out of our treasury and putting it into your pockets, at the rate of about \$30 individually.

Now Noble Johnson says that there was no profit made at ten cents a mile and \$15 a day. I do not find that this is my own situation. Coming from Washington, D. C., I have a substantial check to pay for my meals, which is just one meal on the train, and tips, and I certainly can make a profit out of that. On the west coast all Representatives have \$80 that they have to pay for their meals and tips, and if they ride the Chief why of course it is \$10 less. They certainly have ample for that.

If this passes I will have to keep you here until six o'clock tonight in order to change these checks. We cannot do it in a few hours. So, I just give you those figures because it is ample for us. I believe later on there is something going to come up in regard to the Armed Forces. Personally I would rather give money to help the boys, sons of many of you Nobles here, than go down into our treasury and take \$19,000 and put it into our own pockets. (Applause)

Imperial Potentate FIEBACH: Imperial Sir, I did not intend to inject myself into this argument, but there is one feature that I am afraid many of you are overlooking. You may not know how near we came to not having a meeting like this at all.

Now I am afraid some of you have not read my report. This is not a time when we should make a grab into the feed bag for our own benefit, Nobles. It is a time for more heroic action than that. We have a duty to perform. And I would be humiliated beyond words if the message went out over the country that when we as Representatives gathered in Chicago the first appropriation we made was \$30 apiece for our own pockets. Now are you going to do it? (Cries of "No.")

Noble FONTAINE JOHNSON (Ben Ali Temple): Imperial Sir, when I spoke a while ago I was very careful to say that I was not at that time attempting to express my views about whether the extra money ought to be paid or not. I was trying to clear the matter up. Now that the matter is before us I feel free to express my views to you. Basically we can always use 30, 40 or 50 dollars or anything anybody hands to us. This year in January we were all elected as Representatives of our various Temples and accepted that election as Representatives on what basis? Upon the existing law. We ought to stick to it and not take the extra \$30. (Applause)

Noble MCGILVRAY: Nobles, I dislike to get up and talk on this subject. I seem to be the only one that is defending my idea. The Imperial Officer spoke about how much he had to come over here and pay his meals, and so forth. But that was mileage that he was talking about at that time, and that is not the question now. We have removed that.

I know this, it doesn't make any difference to me. I can come to the Imperial Council and pay my way here, and come on the best train and I will pay the difference, over and above any amount the Imperial Council pays me. But I do know this, that in this last two years there have been many Representatives elected to the Imperial Council who have come here for years and years—they have been in a small business of some kind and the war has eliminated that business. These men have pride and honor and will fight for the institution they have served for many years, and it is those men I am talking for. They need this money. I don't care if they go back home with 15 or 20 dollars in their pockets. They need it when they get there. And those are the people I am talking about.

When it comes to a patriotic duty and what we are doing, it doesn't all come out of the Imperial Council. There is not a Temple in the United States that is not taking care of the soldiers and the sailors and the Armed Forces that go through its city. Out of our East-West game last year we gave \$35,000 of the proceeds of the game to the Armed Forces of the United States. (Applause)

I have no fault to find in this matter. You are the jury. If you feel that you are hurting the Armed Forces of the United States, I don't want you to do it. I want you to go back home and help them. But I do want you to consider the members of the Shrine who have been hurt along with it, and I ask your support for this amendment. (Applause)

Imperial Potentate LAW:—Any further remarks? Are you ready for the question? Nobles, the question now is on the amendment, the last amendment offered by Noble McGilvray was that the per diem shall be \$25 a day for the three days of this session of the Imperial Council. This will require a two-thirds vote as to the change in the By-Laws. (Cries of "No.") I will ask the ruling of the chairman of the Jurisprudence and Laws Committee on that.

Noble JOHNSON: It requires a two-thirds vote, because you are amending a section of the By-Laws.

Past Imperial Potentate LAW: The Committee on Jurisprudence and Laws rules that it requires a two-thirds vote because we are amending a section of the By-Laws, and that is the only way we can amend it. (Cries of "No.")

Do you understand the question? (Cries of "No.") Just a moment. We will let the chairman of the Committee on Jurisprudence and Laws handle this. I always take advice from the lawyers.

Noble JOHNSON: The amendment that I presented was offered by Noble McGilvray, and it was to amend Section 25 of Article V of the Iowa By-Laws, which requires a two-thirds vote. That is exactly the question that is before the house at the present time, and if the reporter will look back in his notes he will so find. It does require a two-thirds vote to amend the By-Laws.

Past Imperial Potentate LAW: The ruling is that it requires a two-thirds vote, according to our By-Laws. Those who favor this amendment will kindly rise. We are voting on the amendment. Those who favor the amendment, will rise.

Noble HENRY GOLDMAN (Jerusalem Temple): What amendment are we voting on?

Past Imperial Potentate LAW: We are voting on the amendment that I stated.

Noble GOLDMAN: I still don't understand it, sir. The amendment is that we —

Past Imperial Potentate LAW: The amendment is that we amend the By-Laws. (Cries of "No.")

Noble MCGILVRAY: As I understand this now, Nobles, my amendment does not affect the Law. I said when I spoke here that if the Committee on Mileage and Per Diem would accept my recommendation that we take \$25 a day for three days and leave the By-Laws the way it is, it would be all right with me. I understood that was the amendment we were going to vote on. If they want to vote on this amendment as a part of the By-Laws, if they feel that is the legal way to do it, we can make an amendment to take \$25 a day, if you want to have it that way. I don't see any reason for it, I am only asking that this shall be done for this session only.

Noble JOHNSON: Well, change your amendment and make your motion to that effect.

Noble MCGILVRAY: Change the amendment! It has been changed by half a dozen lawyers. Let them get together and make it so that the Imperial Council will understand it.

Past Imperial Potentate LAW: Nobles, let's be quiet. You remember Noble McGilvray offered an amendment which was referred to the Committee on Jurisprudence and Laws. They ruled it was an amendment. If he wants to change that to a motion it is perfectly all right.

Noble J. W. FARLEY (Abdallah Temple): I wonder if I could not make this personal observation, in view of the Treasurer's report, offering an amendment to the amendment. He says we will have to stay here until six o'clock before they can pay this additional \$30.

(Cries of "No.")

Past Imperial Potentate LAW: Nobles, your attention, please.

Noble FARLEY: It seems to me that the Treasurer could mail this additional check of \$30 to the Representatives at their various postoffices, and I offer as an amendment to the amendment that the Treasurer be instructed to send out these checks of \$30 each to each member of this Imperial Council.

Noble MCGILVRAY: I believe that we can clear up this situation by my withdrawing all the other motions that we have presented and then requesting an appropriation of \$10 a day for three days for the Representatives. That doesn't affect the By-Laws, and if there is no objection to that by the members on the stage here, I make such a motion.

Past Imperial Potentate LAW: Will Noble McGilvray's second agree to that? (Consent given.) The motion before you is the motion just made by Illustrious Noble McGilvray that \$10 per day for three days be appropriated. The motion before you now is that you appropriate to each Representative \$30. Is that understood? Are you ready for the question? All who favor that motion will rise. Nobles, you will be seated. I think we can decide this without counting. Those opposed will rise. It looks like we will have to count you. Will those in favor again rise? It appears to the chair that the motion is carried. Is there a division asked for? If not, I rule that the motion has carried.

Noble LOUIS CHACKES (Ainad Temple): Imperial Sir, I move you now, the adoption of the report of the Committee on Mileage and Per Diem which was offered yesterday morning.

Past Imperial Potentate LAW: Are you ready for that? Those who favor the motion will vote "Aye." Those opposed, "No." The report is adopted.

Nobles, let us have your attention. We can get through here in a little while if you will cooperate with us.

Is the Committee on Membership ready to report? I recognize Illustrious Noble Munger Ball, who has done such a magnificent job on the Membership Committee.

Noble MUNGER T. BALL (El Mina Temple): Imperial Potentate, Representatives of this Imperial Council—As chairman of your Membership Committee I was prepared to read to you yesterday morning a sixteen page report, but at five o'clock yesterday evening I streamlined that report to three paragraphs. I was asked last night to make a talk on membership before the Potentates and Chief Rabbans, comprising about fifty per cent of the representation here. I gave the high lights on the points contained in this Membership report. Inasmuch as this report will be embodied in your Proceedings and in the interest of conserving time, with your permission I will pass up the reading of the report. Hearing no objection, I move the adoption of the report.

Past Imperial Potentate LAW: You have heard the motion to adopt the report. Are there any remarks? All those in favor of the report will vote "Aye." Those opposed, "No." The report is adopted.

Following is the report of the Membership Committee.

REPORT OF COMMITTEE ON MEMBERSHIP.

To the Officers and Members of the Imperial Council, A. A. O. N. M. S.:

Your Committee on Membership respectfully submits the following report and recommendations:

We are happy and more than pleased to report that the records on membership as received from the Imperial Recorder's office reveal an increase in the membership of the Shrine of North America amounting to 1121. This is the first gain in membership since 1926 when a gain of 1304 was registered. In reviewing the records of the individual Temples singly and as to the various districts, regions and groups as set up by the Membership Committee, it is gratifying and heartening indeed to note that the gain for 1942, however small, was brought about by creations, which clearly indicates that the various Temples, their Nobility and membership committees have gone to work and is indicative that if the proper groundwork has been laid when bringing new members into the Shrine, we can look forward to their permanent membership and a healthy growth of the Shrine.

For the year 1941, the Shrine had the smallest loss in membership in 14 years and in analyzing the small loss for 1941, principal credit can be given to those Temples which applied their efforts to restorations. Creations in 1941 were about 2,000 more than in 1940, while in 1942 creations were some 3,200 greater than in 1941. Deaths for the past year were on a par with the past two years and the same applies to "demits" and affiliations while restorations in 1942 were only about 65% of those of 1941, all of which bears out the statement that 1942 was a year of creations. So long as we can keep our creations well above deaths, we shall see a gain in membership. In 1940, creations exceeded deaths by only 44. In 1941, 2040, while in 1942 creations exceeded deaths by 5474. Suspensions for the past three years have shown a steady decline—a drop of 2400 in 1941 as against 1940 and 1900 in 1942 as against 1941, all of which indicates that times are better and many who have wanted the higher degrees in Masonry and the Shrine now have the money with which to make it possible to attain these degrees and the individual who has already attained the higher degrees is now able to keep himself in good standing.

From reports that are available, we find that all branches of Masonry are on the incline. Larger classes than we have had in many years are common throughout the country and particularly is this true of the Scottish Rite and to the prerequisite bodies we must look to for our new members. It therefore behooves us to take part in this upward trend in all branches of Masonry and bring before our new brethren the story of the Shrine, particularly the philanthropic work it is conducting in the restoration of the Crippled Child.

Let us not be too optimistic now that the Shrine is showing an increase but let us be guided by past history and guard ourselves against the pitfalls that have bestrewn our path in the past. Let us have a look at what has gone on before us as regards membership. How does the Shrine compare with other branches of Masonry in this respect? Not having available complete records on the membership of the Scottish Rite or York Rite, I will use as a comparison the Blue Lodges of North America beginning with the year 1903 when a perceptible increase in membership is shown both in the Blue Lodge and the Shrine. In 1917 a very sharp and upward trend in membership took place. From 1903 to 1917 the Blue Lodge had an increase in membership of 110%. During the same period, the Shrine had an increase of 204%. From 1917 to 1929, the peak in Blue Lodge membership shows an increase for this period of 1,400,00 or 60%, while the Shrine had an increase of 348,151 or 60% for the period from 1917 to 1927. Beginning with the year 1929 for the Blue Lodges and 1927 for the Shrine, we find that from these dates to 1940 the Blue Lodges lost 23% of their membership and the Shrine lost 42%.

These figures clearly indicate that when Masonry in general is on the incline, so also is the Shrine but when times get hard it is the thing which is considered a luxury that is given up first and this theory is borne out by the ratio of increase and decline for the same periods of time as between the Blue Lodge and the Shrine. As we had a cycle of prosperity during the years 1917 to 1927 brought about by increased earnings during the last World War and the reconstruction period which followed, so did we have the cycle of depression which followed from 1929 to 1941. This record and these figures should teach us one thing: While it is our desire to build the membership of the Shrine up, let us not be caught in an ogre of spending or an effort to put on a front as nothing will deplete the membership of a Temple quicker than assessments to pay debts and the curtailment of entertainment among the Nobility.

So much for the past and future. We will now have a few words about the present. The following are some of the records achieved during 1942:

Of the 159 Temples in North America, 93 show a gain and 66 show a loss. This is a right-about-face from last year's record (1941). 82 Temples comprising the Western Division with a membership of 153,706 as of December 31, 1942, show a gain of 1168 members—a gain over 1941 of 907. 67 Temples of the Eastern Division with a membership of 142,043 as of December 31, 1942, had no gain or loss for the year—a gain over 1941 of 1755, while the 9 Temples of the Canadian Division with a membership of 6842 as of December 31, 1942, show a loss of 47 members—an increase over 1941 of 13.

While statistically the Eastern Division shows a better record than the Western Division, this is only true so far as holding down their loss record and in analyzing the Eastern Division's record we find that the same general conditions hold true for 1942 as in 1941. We find that the Temples of the States of New York and Pennsylvania for 1941 had a greater loss than all of the remaining Temples of North America combined, while for the year 1942 the losses in these states were 71% of the total gain for all of North America. Apparently the same general increase in Masonry is not taking place in these two states or there is a lack of genuine interest in the Shrine on the part of the Nobility and no other area affords such a field for hard work and good constructive suggestions as to how to bring about an increased interest in the Shrine among the Nobility of these two states.

Here are some of the records of individual Temples:

Murat Temple shows the greatest gain in membership in 1942 with 414 and in 1941, 947, which, in part, could be attributed to the Imperial Council session being held in Indianapolis. The same position can not be taken for 1942's gain. A high record of 508 creations indicates one thing very clearly; that is, hard work and good leadership. Al Malaikah shows the greatest loss for 1942 with 722, also the most affiliations with 86. Ararat Temple shows the most restorations with 173, Medinah the most demits with 121 and most deaths with 282. The straw which almost broke the camel's back was Al Malaikah with 813 suspensions, almost upsetting the apple cart so far as an increase in membership for 1942 was concerned. To Aloha Temple, Honolulu, credit should be given for the greatest achievement of all. With a membership of 766, these Nobles came through with a gain of 91 notwithstanding the restrictions brought about by that regrettable incident of December 7th. These Nobles took all obstacles in their stride and have set an example for many of the mainland Temples to follow. You are never out simply because you are down.

A notable comparison of the Shrine for 1942 is that there were 5474 more Nobles created than died during the year, an increase of 268%. The death ratio to membership was 2.2%, slightly higher than in 1941 which was 2.1%.

Attached to this report is an eleven page detailed breakdown on membership by Divisions, by Regions, by Groups and by Temples for the year 1942. There is also attached a copy of the record of membership of the Shrine from the year 1888 to 1942 inclusive, showing Temples' membership and loss or gain for each year. To the Imperial Recorder and his office the Committee is appreciative for their assistance and cooperation. The Potentates and Recorders of the Temples, with few exceptions, are to be commended for their willingness and desire to work with the Committee for the common good of the Shrine.

Your Committee claims no particular credit is due them for the gain in membership but feels that much credit is due those Nobles comprising the Group Members as well as the Membership Committees of the various Temples and those Potentates and Recorders who have entered into the plan as outlined by the Membership Committee. Without the assistance and tireless efforts of these Nobles, the gain in membership could have easily been a loss.

Again, we recommend to you the membership plan submitted at Indianapolis in 1941 and at Chicago in 1942, with the emphasis that more thought and study be given to the development of the territories outlying and away from the Temple City; that a close relationship between membership committees of the Shrine and the prerequisite bodies, as well as the Blue Lodge, be maintained; the fostering of better fellowship among the Nobility; a watch dog put on the treasury of each Temple; a careful selection of the Nobles whom you put in the line and who some day will be your Potentate; that 100% cooperation and assistance be given your Potentate, your Divan and your committees and last, but not least, let your candidates be hand picked and not at random. Your newly created Nobles of today must carry the burden of tomorrow—not only as Nobles of the Mystic Shrine but as the officers who represent your Temple and its Nobility. No Temple nor no group of Nobles is stronger than its leader in the eyes of the public.

NOTES:—

(1) The losses of the Imperial Council began in 1927 and have continued to the date of this special report. The net loss for 1941 was 1524. In two or three instances slight revisions have occurred in the losses on account of adjustments in the offices of Recorders.

(2) This report is based upon the figures of the published record. No effort of any consequence was made during the first 35 years of the period covered by this compilation to segregate the membership by States, territories and provinces, and the accompanying segregation has been accomplished by gathering these figures from the detailed annual reports in which the individual Temple was used as the basis, but the results are substantially correct. Greater accuracy was attained by the introduction of the Monthly Report and a better system of accounting which occurred in 1927. The Membership of the Imperial Council in 1888, the starting point of this resumé, was approximately 8,000.

(3) A breakdown of membership by states will be found in the 1942 Imperial Council Proceedings compiled by the Imperial Recorder at the request of the Membership Committee.

Noble MATT C. PRATER (Abou Ben Adhem Temple): Nobles, it seems that there was some question about the motion of Illustrious Noble McGilvray after we had to stand up twice to get this \$30 over. I would like at this time to make a motion, if I am not out of order, that the Nobles who are not in favor of this \$30 additional, or anybody else who feels so inclined, mail the \$30 to Past Imperial Potentate W. Freeland Kendrick for the crippled children.

Past Imperial Potentate LAW: Nobles, you have heard the motion. Is there a second? (Motion seconded.) Are there any remarks? Those who favor the motion will signify it by voting "Aye." Those opposed, "No." The motion is carried. It is so ordered.

The Transportation Committee reports that they have not had a meeting this year, and with your permission they would like this statement to go in the record without making a report before you. If there is no objection, this course will be followed.

We will now have the report of the Committee on War Activities.

Imperial High Priest and Prophet GEORGE H. ROWE: Imperial Sir and Nobles, last year at the closing hour of the Imperial Session I introduced a resolution calling for a special committee to be known as the War Activities Committee. The committee was to consist of five members, and the Imperial Potentate appointed me as chairman of that committee.

Early in November I made a report to the Imperial Potentate indicating that it was the purpose of the committee to call upon the proper officials in Washington, D. C. and ascertain whether or not we could have their consent in attempting to promulgate a program of visiting convalescent members of the Air Force, the Army, the Navy, and others, not only of the United States Forces but also of the Allies. Early in January members of the Committee met in New York City and the details of that program were worked out.

Accompanied by Governor Price, Imperial Recorder, I went to Washington and had a conference with Dr. Thomas Parran, Surgeon General, and also Major General Magee, and Admiral McIntire. I submitted our proposition. I regret to say that the proposal we made was not accepted. Confidentially I was given the reason therefor and I regret very much to say that I cannot have it placed upon the record.

We, as Shriners, were just about a year and a half or two years late in making a national contribution to this work. It is water over the dam. There is nothing that can be done about it.

I feel, however, that this War Activities Committee is one of the most important committees that we have to consider matters pertaining to that which is nearest and dearest to our hearts, the wounded men—sons and brothers of many of the Nobles of this Imperial Council. I think that we should have had a War Activities Committee some time ago.

Now I have a report here which has been signed by all of the members of the Committee, and it is short, and with your indulgence I should like to read it. This is the final report of the Committee: (Reading)

REPORT OF WAR ACTIVITIES COMMITTEE.

To the Imperial Potentate, Officers and Representatives to the Imperial Council:

On November 28, 1942, we submitted to you our report wherein we set forth plans which we had formulated in accordance with the provisions of the resolution pursuant to which we were appointed.

At that time we proposed that our efforts should be directed to assist the sick and wounded members of the Armed Forces of the Allied Nations who are confined in hospitals in the United States, Canada and Mexico. For practical reasons it was, of course, not the intention of the committee to enter upon a rehabilitation program such as we maintain for crippled children.

However, we believed that it was peculiarly appropriate for the A. A. O. N. M. S., which is best known for its hospitals for crippled children, to direct its activities in behalf of the members of the Armed Forces toward those of them who are confined in hospitals on account of wounds and illness suffered by them while in the service.

As was stated in our report, those plans were dependent upon our receiving the necessary permission from the proper governmental agencies.

Since making the report, we have endeavored to obtain this permission and the same has been refused.

It was therefore necessary to formulate other plans which we respectfully report as follows:

We believe that each Temple should have a committee to be known as the "War Activities Committee," the members of which shall be appointed by the Potentate of that Temple and that each such committee should confine its efforts to its own jurisdiction.

While the work which it is proposed these committees shall perform cannot be directed toward assisting the sick and wounded members of the Armed Forces as we had originally planned, yet it is thought that these committees can be a real aid in promoting the war effort by substantially assisting in other fields of activity. We suggest the following activities for the consideration of the local Temple committees, viz:

First. To participate in a vigorous and active way in all War Loan campaigns.

Second. To utilize the Temple's various marching Units for all patriotic parades, meetings and demonstrations of a civic, military or fraternal nature; and in this connection the local committee should contact the mayor or other civic leader and request the appointment of one of its members to represent the Shrine upon the committee having charge of the parade or the program in connection therewith.

Let me say that in the city of Buffalo the USO has been taken over by a non-Protestant or non-Shrine organization. And of course in the city of Buffalo we have a Democratic administration, which is all right, but it is controlled, (the entire administration) by a non-Protestant group; and in a recent big fraternal affair put on in Buffalo not one Masonic organization such as the Shrine, the Consistories, or the Grotto were invited to participate in those activities, although our Temple bought \$119,000 worth of bonds as a Temple, which was far in excess in the total of bonds purchased by all of the other fraternal organizations that were a parcel of this demonstration. Some Temples in different parts of the United States won't be up against that problem, but they have a problem in a great many of our large cities.

Third. To arrange during the year one outstanding social function or entertainment, specifying that the funds or a portion thereof are to be used to provide means for the work of the local War Activities Committee. Suggestions for type of function or entertainment: rodeo; circus; water follies; chanters' concert; "Name Band" dance; summer excursions, "baseball nites," either professional or fraternal; football; hockey; smoker; amateur boxing match.

We in Buffalo were hooked up with the Buffalo Evening News, one of the larger papers in Buffalo, and in 1942 from the proceeds of our circus we donated \$5500 to the "Smokes for Soldiers" fund. This year our Temple contributed \$7500 for the same fund.

Fourth. In cities where the Government has men in training camps, schools, or resident quarters; efforts should be made by committee to provide

local entertainment, supplied by night clubs, theatres and the motion picture industry. These local entertainments are primarily to provide for and add to the comfort and morale of the Armed Forces stationed at said places. In this connection it is not expected or required that a Temple will consider this type of activity if similar conveniences are already furnished by the USO, the MSA, the Red Cross and any other organizations of like nature. However, cooperation should be offered by the committee to these organizations.

Fifth. To make a systematic campaign to acquaint all Masons with the purposes of the Masonic Service Association and to urge them to lend their full and active cooperation in connection therewith.

Sixth. To provide for the visitation to any and all convalescent wounded men when appropriate and to provide them with cigarettes and such luxuries as may be determined by the committee.

Seventh. To participate in such luncheons or dinners when visiting heroes or distinguished military or naval personages are the guests of honor.

That leads us back to the other provision wherein I suggested that the War Activities Committee should contact your civic interests in order to have one of the members of the War Activities Committee on reception committees.

Eighth. To contact the returned wounded and convalescent Shriners of the local Temple or the members of families of Shriners who have died in the armed service, with a view of affording them advice and such aid as may be necessary without entailing large expenditures of funds.

Ninth. To contact all Shriners and urge them to make blood donations to the Blood Bank of the Red Cross.

Tenth. To establish a publicity bureau from which the activities of the committee shall be freely publicized and to make available quarters where members of the Armed Forces may visit and receive such accommodations as may be accorded by the Temple.

Of course, it is not contemplated that any committee will engage in all of these activities. Each committee should take these suggestions under consideration and select those activities by which, having in mind local conditions and its own ability, it can best aid the war effort.

Respectfully, submitted,

GEORGE H. ROWE, *Chairman*, Ismailia Temple
 ARTHUR M. GULLICKSON, Medinah Temple
 WALTER L. WRIGHT, Mecca Temple
 JOHN A. PETERSON, Sphinx Temple
 W. G. REILLY, Rameses Temple.

I want to say to you Nobles it is very necessary that Shrine activities should be given publicity. In Buffalo we have had in the past a publicity agent. I regret to say that he has not functioned 100 per cent, but I am also happy to say that we are going to have plenty of publicity for Shrinedom in the future. I even would venture, and it is no part of this report, that the Imperial Council should have a publicity man. All you have to do is to look at your papers and you will find references most every day on most every page to activities, not only as to war, but otherwise, concerning matters pertaining to non-Shrine organizations.

Imperial Sir, this report has been signed by all of the members of the Committee, and I might say to you that I am going to submit after this report is considered a resolution asking for the continuance of this Committee.

And in that connection let me say that I find it will be impossible for me to continue as chairman or even as a member of this committee. I have a very important personal matter that is going to come up over in Buffalo around about the 4th or 5th of November. I shall be very busy between next Monday morning and November 4th or 5th trying to put over something in Buffalo, and I am going to be successful, Nobles, and after that the first six months in 1944 I am going to get acquainted with a new job. (Applause.)

I move that this report be received and filed, and I suggest that it be printed and that a printed copy be sent to every Potentate and Recorder of every Temple in order to acquaint him with the suggestions made by the Committee.

Past Imperial Potentate LAW: The question is on the approval of this report and recommendation it be printed and furnished to every Potentate. Is there a second to that motion? (Motion seconded.) Are you ready for the question? All in favor will vote "Aye." Those opposed, "No." The ayes have it, and the report is adopted.

Imperial High Priest and Prophet ROWE: Imperial Sir and Nobles, I offer the following resolution: (Reading)

Resolved, that the special committee created at the 1942 Imperial Council Session charged with the duty and given the power and authority under the direction and supervision of the Imperial Potentate to formulate and execute plans, to assist in promoting the welfare of the members of the Armed Forces of the Allied Nations and in maintaining their morale, be and said committee hereby is continued with the same duty, power and authority under the direction and supervision of the Imperial Potentate, the members of which shall be appointed by the Imperial Potentate.

I move the adoption. (Motion seconded.)

Past Imperial Potentate LAW: Nobles, you have heard the resolution, duly seconded. Any remarks? All who favor the resolution will vote "Aye." Those opposed, "No." The resolution is adopted.

Imperial Recorder PRICE: The following report has been handed to me:

REPORT OF COMMITTEE ON SPECIAL GIFTS AND DONATIONS

To, the 69th Annual Session of the Imperial Council, A. A. O. N. M. S.:

Your Committee on Special Gifts and Donations met July 7, 1943, with all members in attendance. A tentative organization was set up and tentative plans made for a campaign to be carried on during the coming year.

Respectfully submitted,

GEORGE SEXTON, JR.

Noble LOUIE W. STRUM (Morocco Temple): Earlier in this session there was referred to the Committee on Jurisprudence and Laws an agree-

ment entered into between Sudan and Oasis Temples with respect to concurrent jurisdiction in six counties in North Carolina. The Committee on Jurisprudence and Laws has prepared this report providing for an amendment to the By-Laws for the purpose of effectuating that agreement between Oasis and Sudan Temples. It affects the jurisdiction in North Carolina only. (Reading)

Noble FONTAINE JOHNSON (Ben Ali Temple): Imperial Sir, I have a final motion I would like to make at this time. I move that all of the acts of the Imperial Potentate and the Board of Directors of this Imperial Council had during this past year be ratified, confirmed and approved, as far as the Iowa Corporation is concerned. (Motion seconded)

Past Imperial Potentate LAW: Nobles, you have heard the motion. All in favor will vote "Aye." Those opposed, "No." The motion is adopted.

Proceedings of the Colorado Corporation occurring at this time are shown separately in another section, the Iowa Corporation being closed and thereafter reopened.

Past Imperial Potentate LAW: I now recognize the chairman of the Committee on Finance and Accounts, Illustrious Noble Thomas S. Rishworth, who will offer you the budget for the ensuing year.

Noble TOM S. RISHWORTH (Osman Temple): (Reading)

REPORT OF COMMITTEE ON FINANCE AND ACCOUNTS.

I.

To the Imperial Potentate and Members of the Imperial Council, A. A. O. N. M. S. (Iowa Corporation):

In preparing the budget for the fiscal year ending February 28, 1943, your Committee on Finance and Accounts endeavored to budget as near as possible sufficient appropriations to meet the requirements for the year.

During the period referred to, the expenditures were \$3,339.15 less than the amounts appropriated. The principal items where excess is shown, are "Incidental Expense, Unforeseen," aggregated \$2,142.50 more than appropriated. This was in connection with a legal case for the Colorado Corporation, and the other item, "Social Security Tax," exceeded the appropriation by \$1248.39. The balance of the expenditures amounted to considerably less than the amounts appropriated.

Your Committee recommends that the expenditures as itemized in the Auditor's report for the year ending February 28, 1943, be approved.

Fraternally submitted,

TOM S. RISHWORTH
LOUIS A. CORNELIUS
R. L. BOWRON
HARRY S. HASKINS
J. MILTON RYALL.

Imperial Sir, I move the adoption of this report. (Motion seconded.)

Past Imperial Potentate LAW: Nobles, you have heard the motion on the report. Any remarks? All who favor the adoption of the report will vote "Aye." Those opposed, "No." The report is adopted.

Noble RISHWORTH: (Reading)

REPORT OF COMMITTEE ON FINANCE AND ACCOUNTS.

II.

To the Imperial Potentate and Members of the Imperial Council, A. A. O. N. M. S. (Iowa Corporation):

Your Committee on Finance and Accounts, to whom was referred the annual reports of the Imperial Recorder, Imperial Treasurer and Auditor, have given these reports careful consideration and review, and all vouchers

issued during the past fiscal year by both corporations have been furnished us by the Imperial Treasurer for examination, as the law provides.

We have conferred during the past several days with the Imperial Recorder and the Auditor pertaining to various items as shown in the Auditor's report and have made such recommendations as we deemed advisable in connection with the various items involved.

Your Committee has conferred with the Board of Directors, offering such recommendations to the Board as we thought necessary, and have referred to the Board various items of expenditure for their consideration.

All the Representatives to this Imperial Council have received a printed copy of this audit, and assuming these reports and audit to be complete and correct, your Committee recommends that they be placed on file and printed in the proceedings of this Imperial Council.

As to Social Security Tax referred to in our previous report, a special committee having been appointed for this particular purpose, we have not given this consideration.

At a meeting of the Board of Directors before the close of the past fiscal year, an appropriation of \$5,000 was made to the Masonic Service Association for war work, and your Committee recommend that this appropriation be now approved.

Fraternally submitted,

TOM S. RISHWORTH
LOUIS A. CORNELIUS
R. L. BOWRON
HARRY S. HASKINS
J. MILTON RYALL.

Imperial Sir, I move the adoption of this report. (Motion seconded.)

Past Imperial Potentate LAW: The main question is on the approval of an appropriation of \$5,000 to the Masonic Service Association made by the Board of Directors. The motion is duly seconded. Are there any remarks? All who favor the report will vote "Aye." Those opposed, "No." The report is adopted.

Nobles this next report is a very important matter—in fact, the most important matter that will come before you at this session. I trust you will all remain in your seats and give it your careful attention. It is your responsibility to appropriate and handle these funds.

Noble RISHWORTH: (Reading)

REPORT OF COMMITTEE ON FINANCE AND ACCOUNTS.

III.

To the Imperial Potentate and Members of the Imperial Council, A. A. O. N. M. S. (Iowa Corporation):

During the past few years your Committee on Finance and Accounts has been directed by the Board of Directors to include in our budget many of the general items of expenditure in connection with the Colorado Corporation, with the exception of those directly concerned in the operation of the Shriners' Hospitals. At a recent meeting of the Board of Directors, we were directed to do likewise in this budget. Therefore in the budget herewith submitted we are including these various items. We are asking the auditor to set up in a special schedule in his report these items to which reference is made as was done in the recent audit.

After conferring with the Board of Directors in reference to the various items of expenditure and the amounts of those items not covered by the Code, we herewith submit the budget for the next fiscal year from March 1, 1943 to February 28, 1944. This budget is submitted to the Representatives of the Imperial Council for their consideration after the most careful consideration by your Committee.

Imperial Potentate's Contingent Fund	\$10,000.00
Office, secretarial and miscellaneous expense of the Imperial Potentate	5,000.00
Salary, Imperial Treasurer (as provided by the by-laws)	2,000.00
Secretarial allowance, Imperial Treasurer	1,500.00
Salary, Imperial Recorder (as provided by the by-laws)	6,000.00
Salary, Assistant to Imperial Recorder	5,000.00
Clerical hire, Imperial Recorder's office	1,200.00
Office rent, Imperial Recorder	960.00
Premiums on Fidelity Bonds, Public Liability, Burglary and Fire Insurance (Iowa Corporation)	4,500.00
Postage, telegrams, telephone and express	2,200.00
Printing proceedings, directory, stationery, etc.	6,000.00
Engrossing diplomas	2,200.00
This item is a small increase over the past year, inasmuch as creations have been considerably more, making necessary more diplomas, and further, we have been enjoying a very low figure of 15c for this work for many years and it is doubtful whether it can be done for this amount in the future.	
Badges, Imperial Council Session	450.00
Hotel Committee expense	200.00
No amount was charged during the past year for Hotel Committee expense. However, we are including this small amount if it proves necessary.	
Headquarters expense, Imperial Council Session	150.00
Flowers for funerals	100.00
Traveling expense	2,000.00
Last year we appropriated \$4,000 for this item and only \$1292.87 was used.	
Reporting 1943 Session	400.00
Membership Committee	150.00
Incidental expense, unforeseen	500.00
Last year we appropriated \$500 for this item and the requirements were \$2642.59, as referred to in our previous report, occasioned by matters involved in a legal settlement, but we are of the opinion that \$500 will be sufficient for the present year.	
Board of Directors and Special Committee meetings	1,000.00
The appropriation for this item was \$2,000 last year and only \$479.34 was used.	
Mileage and per diem, 1943 Session	80,552.90
This will be changed by the appropriation which has just been made for the extra allowance to Representatives.	
General Counsel's fees	6,000.00
Auditor's fees	5,000.00
Auditor's expense	2,000.00
Social Security Tax	300.00
Imperial Council meeting at Chicago, Illinois	5,000.00
Committee on Protection of the Emblems of the Order	200.00

In the report by the Chairman of this Committee, Illustrious Noble Edward H. Merritt, made to this Imperial Council yesterday, he explained the necessity of this appropriation in order to cover the fees and expense necessary in registration in the various states.

Salary, Chairman of Committee on National Publication, Shrine News	3,600.00
Secretarial allowance, Chairman of Committee on National Publication, Shrine News	1,500.00
Shrine News, net cost of publication (in addition to salary and secretarial allowance), this amount being the difference between the cost of printing, etc., and the amount received from paid subscriptions	700.00
Past Imperial Potentate's jewels (repaired)	125.00
This represents two Past Imperial Potentate's jewels acquired and rebuilt.	
New Past Imperial Potentate's jewel	1,375.00
In explanation of this item, would advise that we are informed that it is quite difficult to procure materials necessary for these jewels at the present time, but manufacturer has sufficient material on hand for two at a cost of \$1250 each plus 10% tax, which is only a small amount more than we have been paying previously. However, your Committee felt that one was all we should purchase at the present time, as this will carry us through 1945.	
Past Imperial Potentates' flags (3)	330.00
At a recent meeting of the Board of Directors, the Finance Committee being present, the matter of a contribution to war activities and relief was considered. You will note the remarks of the Imperial Potentate in his annual address on this subject and his reference to that most worthy organization, the Masonic Service Association, which is operating centers in various camps throughout our country. Your Committee feels that the Masonic Service Association is one of the most efficient and well organized associations of its kind in existence and it represents Masonry in all branches.	
They are doing wonderful work throughout the country and nothing but praise is heard from any service man who comes in contact with them. Your Committee feels that the Shrine is fortunate in having such a splendid organization to represent Masonry in this field. The Board of Directors at the meeting referred to, unanimously appropriated the sum of.....	
to the Masonic Service Association, and the amount of.....	\$50,000.00
to the British and Red Cross War Victims Funds. Your Committee feels that this is a most constructive and worthy appropriation and heartily recommends it.	
Appropriation for extra per diem for this session of the Imperial Council as per motion adopted by the Imperial Council today is not included. With your permission we will leave this blank. Whatever is extra for the \$30 per capita can be filled in later. (Since reported as	\$18,510.00)

We also recommend that the assistant to the Imperial Recorder be added to the pay roll and paid the same amount as the Representatives from the Temple located at Richmond.

Fraternally submitted,

TOM S. RISHWORTH
 LOUIS A. CORNELIUS
 R. L. BOWRON
 HARRY S. HASKINS
 J. MILTON RYALL.

Imperial Sir, I move the adoption of this report. (Motion seconded.)

Past Imperial Potentate LAW: Nobles, you have heard the report on the budget. If it is not fully understood any questions that you want to ask the chairman of the Committee will be answered and explained. I want this to be fully understood by everyone present. You will note in addition to our routine expenses that there is an additional \$50,000 for the Masonic Service Association and \$10,000 to our brothers across the imaginary line to the north. Are there any questions. (Question called for.)

Are you ready for the vote on the adoption of this budget? All who favor it will signify it by voting "Aye." Those opposed, "No." The budget is adopted.

The Jurisprudence and Laws Committee say they overlooked one matter. I will recognize them at this time.

Noble MURDOCH L. MARTYN (Rameses Temple): (Reading)

REPORT OF COMMITTEE ON JURISPRUDENCE AND LAWS.

X.

To the Imperial Council, A. A. O. N. M. S.:

To your Committee on Jurisprudence and Laws has been referred the decisions made by the Imperial Potentate and reported in his Annual Address.

Your Committee concur in and approve decisions Nos. 1, 2, 3, 4, 5, 6, and 7. Decisions 5 and 7 have already been taken care of by proper amendments to the Imperial Law.

Respectfully submitted,

FONTAINE JOHNSON
GROVER C. NOLTE
LOUIE W. STRUM
MURDOCH L. MARTYN
WILLARD P. LOMBARD.

Imperial Sir, I move the adoption of this report. (Motion seconded.)

Past Imperial Potentate LAW: You have heard the motion for the adoption of the report. Are you ready for the question? All those in favor will vote "Aye." Those opposed, "No." The report is adopted.

Nobles, I noticed a good many are leaving. You who are here for the first time should remain for the installation of officers. It will not take long. It is a very impressive service. We have still one or two committees that must report. Give attention to an announcement by the Imperial Treasurer.

Imperial Treasurer LEONARD P. STEUART: Nobles, I have the checks ready for the mileage and per diem, not including the extra per diem. That will be mailed to you from Washington when I get back to the Treasurer's office. The checks will be ready at the registration desk after the installation of officers. So if you will call at the booth just outside you will receive the checks.

Past Imperial Potentate LAW: This statement was that the booth would be opened after the installation of officers, so you need not hurry.

The report of the Committee on Time and Place.

Noble GEORGE W. HUNT (Alee Temple): Before I give you the report of the Time and Place Committee I am going to ask you to listen for a few minutes to Noble Walter Howell, Past Potentate of Rameses Temple, of the city of Toronto, Canada.

Noble HOWELL: Imperial Sir, Members of the Imperial Council, Nobles All—I have had too much experience in my life to start at this hour of the day and so near the end of the session upon any extended remarks.

I was delighted when I had the opportunity of coming here to this convention. But I was doubly delighted when I had the opportunity of bringing from the City Council of Toronto a letter unanimously adopted congratulating Illustrious Noble Morley E. MacKenzie on his election to the high and important officer of Imperial Potentate of North America. (Applause)

And I was also delighted that embodied in that resolution was an invitation to the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America to visit the city of Toronto and hold the session for next year. I had a Noble ask me this morning, "Walter, what are you going to do, if the war is not over or war regulations make this impossible?" I said, "I read the invitation very carefully and there is no date on it."

Our invitation is absolutely sincere, gentlemen. We tried to entertain you, certainly to the best of our ability, in 1930: God willing, I am sure we are going to do equally as well as we did in 1930. (Applause)

Noble HUNT: Nobles, your Committee on Time and Place wishes to report as follows to the Imperial Council: (Reading)

REPORT OF COMMITTEE ON TIME AND PLACE.

To the Imperial Officers and Representatives, A. A. O. N. M. S.:

Your Committee on Time and Place, with due consideration of existing conditions, which might make it impossible or inadvisable to hold a session of the Imperial Council in 1944, recommends that the matter of calling such a session be left to the discretion of the Imperial Divan.

However, if the Imperial Divan decides to call such a session, we recommend that the invitation of Rameses Temple of Toronto, Canada, supported by an invitation from the proper authorities of that city, be accepted, and that, if possible, the session be held some time during the month of June, 1944, in the City of Toronto, Canada.

Respectfully submitted;

MORLEY E. MCKENZIE, *Chairman*
ALFRED G. ARVOLD
JAMES H. PRICE.

Advisory:

GEO. W. HUNT, Southeastern
ERNEST C. HUETER, Western
DEWEY E. MYERS, Midwestern
TOM B. REED, Southwestern
ARTHUR E. ARMITAGE, Northern.

Imperial Sir, I move the adoption of this report. (Motion seconded.)

Past Imperial Potentate LAW: Nobles, the question is on the adoption of the report of the Time and Place Committee. Are there any remarks? All who favor it will vote "Aye." Those opposed, "No."

We will now have a report from the Committee on Dispensations and Charters.

Noble THOMAS P. BRADLEY (Aad Temple): (Reading)

REPORT OF COMMITTEE ON DISPENSATIONS AND CHARTERS.

To the Imperial Council, A. A. O. N. M. S.:

There has been referred to your Committee on Dispensations and Charters the report of the Committee on Jurisprudence and Laws concerning the granting of charters to four groups of Temples, who desire to form Shrine Associations. Your Committee has examined these applications and the By-Laws submitted by the several proposed Associations, which have been approved by the Imperial Council, and is of the opinion that charters should be issued to these several Associations. Your Committee therefore recommends that a charter be issued to

Imperial Sir, I move the adoption of the report.

Past Imperial Potentate LAW: Nobles, you have heard the motion on the adoption of the report. Are there any remarks? All who favor the adoption of the report will vote "Aye." Those opposed, "No." The report is adopted.

Personally I am most grateful to our Imperial Potentate for so graciously permitting me to preside for a few minutes this morning. It makes me feel that I am not quite such a useless "has-been." I now return the gavel to the Imperial Potentate.

Imperial Potentate FIEBACH (Resuming the Chair): Thank you, Illustrious Noble Law, for this fine service. It seems like old times.

We have got to the end of the road, I think, Nobles. Imperial Recorder Price, is there any thing more on your desk?

Imperial Recorder PRICE: Nothing that needs the attention of the Imperial Council.

Imperial Potentate FIEBACH: Any further reports in the hands of the Committee on Jurisprudence and Laws?

Noble FONTAINE JOHNSON (Ben Ali Temple): No further reports.

Imperial Potentate FIEBACH: Has our General Counsel anything to add for the good of the Order?

Noble ROBERT P. SMITH (Almas Temple): Nothing, sir.

Imperial Potentate FIEBACH: Has anyone on the floor anything further to offer at this time? If not, I would like to have Illustrious Noble Morley E. MacKenzie approach the stage. As has been said, the installation ceremony is very short and should be very impressive, and should not be interrupted by Nobles taking their departure. I am going to order at this time that the door be closed and kept closed during this ceremony. But before you close the door I just want Illustrious Noble MacKenzie to come up here, because I want to say this little word to him.

Illustrious Sir, there is a grand bunch of Nobles in front of you. I just hope that everyone of them will be as cooperative and as helpful to you as they have been to me. I hope your Imperial Officers-elect behind you will be as kind and considerate and helpful to you as you and the rest of them have been to me. And I just wish that all of you will put your shoulders to the wheel, and I want to say, to the past Imperial Potentates, too, the same thing. I know they are going to be as helpful to you as they have been to me, and

I just wish for you one of the grandest years that any Imperial Potentate has ever enjoyed. And this goes for your charming companion, "Miss Flo," also.

Imperial Potentate-elect MACKENZIE: Thank you very much, Illustrious Sir. I am sure that if you will give me the same kind of cooperation, and I am sure you will, I will try to do my best—probably not as well, but I will do my best to follow in your footsteps during the coming year.

Imperial Potentate FIEBACH: Now, without further ceremony—I am not going to declare this Imperial Council closed, but I am going to order the doorkeeper to keep the door closed until the installation ceremony is concluded.

INSTALLATION OF OFFICERS.

The following officers were then duly installed by Senior Past Imperial Potentate Frank C. Roundy:

Imperial Potentate—Morley E. MacKenzie, Rameses Temple.
 Deputy Imperial Potentate—Alfred G. Arvold, El Zagal Temple.
 Imperial Chief Rabban—William H. Woodfield, Jr., Islam Temple.
 Imperial Assistant Rabban—George H. Rowe, Ismailia Temple.
 Imperial High Priest and Prophet—Karl Rex Hammers, Syria Temple.
 Imperial Oriental Guide—Galloway Calhoun, Karem Temple.
 Imperial Treasurer—Leonard P. Steuart, Almas Temple.
 Imperial Recorder—James H. Price, Acca Temple.
 Imperial First Ceremonial Master—Wm. Heim, Lu Lu Temple.
 Imperial Second Ceremonial Master—Harold Lloyd, Al Malaikah Temple.
 Imperial Marshal—Hubert M. Poteat, Sudan Temple.
 Imperial Captain of the Guard—Roland D. Baldwin, Morocco Temple.
 Imperial Outer Guard—Robert Gardiner Wilson, Jr., Aleppo Temple.

Imperial Potentate MORLEY E. MACKENZIE: My next duty is, a very pleasant one. Ordinarily it would not be, because our immediate Past Imperial Potentate only two minutes ago was the Imperial Potentate, and he must of necessity and in obedience to our law, take his official leave of us now.

Again I hope, Nobles, you will give me that same faithful support you have given him, and I will give you the very best I have. It is my pleasure now to call on a very dear friend of the retiring Imperial Potentate, Past Imperial Potentate Dunbar, for a little service.

Past Imperial Potentate CLARENCE M. DUNBAR: I would like at this time to have Past Imperial Potentate Al Fiebach approach the throne. In all the years we have been associated together it now becomes my pleasure to present you the jewel of your office. You were elected Imperial Potentate. You have faithfully performed the duties of the office and I know by the action of the Imperial Council that you have gained the support and the love and esteem of all the members of this Imperial Council.

And now as you are joining the organization of Past Imperial Potentates, an organization of which I am very proud, and I know every one of the

members are, I want to present you with the jewel that will allow you to associate with them and be one of them. And now it becomes my proud privilege to pin upon your breast this beautiful jewel. My dear Al, this is one of the happiest moments of my life, when I present to you this Past Imperial Potentate's jewel, and I sincerely hope that you will wear it for many, many years. I have the assurance that you will continue to give us the benefit of your talents in this Imperial Council and that you will make an outstanding member of this select group of Past Imperial Potentates.

Past Imperial Potentate FIEBACH: Thank you very much. Thank you, Illustrious Sir. Coming from your hands I appreciate this beautiful jewel, all the more because it was nearly fifteen years ago when you appointed me first on the Committee on Jurisprudence and Laws, from which springboard I was able to get into the Imperial line. From the bottom of my heart I thank you, Past Imperial Potentate Dunbar, for your friendship during all the years. And to you Nobles, my love goes out to each and every one of you.

No portion of any fee shall in any manner be rebated or refunded, either in money or material. No Temple shall provide for the forfeiture of said fee, or any portion thereof, in the event that such applicant for membership shall not present himself for initiation.

Sec. 91. In each Temple of the Order the annual dues shall not be less than Ten Dollars (\$10.00), to be paid in advance by all members of the Temple on or before the first day of January of each year, except life members and including candidates received during the year.

In every Temple candidates admitted and members reinstated or affiliated, shall pay dues in at least the following proportions: Candidates admitted and members reinstated or affiliated between January 1st and March 31st, 100 per cent; between April 1st and June 30th, 75 per cent; between July 1st and September 30th, 50 per cent; between October 1st and December 31st, 25 per cent, which proportionate amounts shall constitute the dues to December 31st of the current year.

The membership of any Temple may provide a different rate of dues for the membership according to proximity to the location of the Temple, provided that the minimum dues for all members shall be not less than Ten Dollars (\$10.00).

A Temple may, by affirmative vote of the Temple, remit delinquent dues of a member or members, for good and sufficient cause shown either to the Temple or to such committee of the Temple as the Temple may elect for that purpose.

A Temple may, by affirmative vote, remit the dues of any member in the armed services of the United Nations during the present conflict.

Sec. 92. In addition to the above annual dues each Temple shall collect Two Dollars (\$2) per capita annually from each of its members, including candidates received during the year, life members, and members reinstated or affiliated, to be paid in advance, for the Shriners' Hospitals for Crippled Children, and no card shall be issued to any member, including candidates received during the year and life members, also members reinstated or affiliated, unless this per capita is paid, together with the annual dues re-

quired by the Temple. The per capita received from candidates during the year shall be remitted to the Imperial Recorder immediately after the initiation, reinstatement or affiliation, and the per capita upon the membership shall be remitted to the Imperial Recorder by separate check, fifty per cent (50%) thereof upon the making of the annual returns to the Imperial Recorder, but not later than March 1st of the year in which the per capita is due; thirty-five per cent (35%) thereof not later than June 1st of the year in which the per capita is due; and the remaining fifteen per cent (15%) not later than October 1st of the year in which the per capita is due. The membership on which this per capita shall be based shall be the membership of the Temple at the end of the fiscal year as reported to the Imperial Recorder, provided, that the Temple may take credit for and deduct from its remittance all unpaid assessments of the preceding year occasioned by deaths and suspensions. And provided further, that the Temple shall not be required to make payment to the Imperial Recorder of any such unpaid assessments or arrearages in the event of subsequent reinstatement of a member suspended for non-payment of dues. And provided further, that no Noble so reinstated to good standing shall upon a second suspension from membership be entitled to a reinstatement except upon payment by him in full of all delinquent hospital assessments.

The two dollar (\$2) per capita tax for said Shriners' Hospitals for Crippled Children, is a trust fund and it shall be the duty of each Temple to segregate said per capita tax in a separate and distinct account and to remit the same to the Imperial Recorder as herein provided.

Any violation of this provision shall subject the Temple and its officers to such discipline as the Imperial Council shall impose. Any and all infractions or violations of this section shall be reported to the Imperial Council by the Imperial Recorder.

Provided, however, that any member or candidate upon the payment of Sixty Dollars (\$60.00) shall receive a certificate therefor from the Recorder of his Temple, and shall be exempt from any further assessments for the Shriners' Hospitals for Crippled Children. And provided, further, that any candidate or reinstated or re-affiliated member who, before becoming an active member by initiation, reinstatement or re-affiliation has donated \$60.00 to the Board of Trustees, Shriners' Hospitals for Crippled Children and who has been issued, and who produces, a Certificate of

Voluntary Permanent Subscription from the Board of Trustees, Shriners' Hospitals for Crippled Children, in an amount of at least \$60.00, shall be also exempt from any further assessments for the Shriners' Hospitals for Crippled Children. Upon the payment of said sum of \$60.00 to the Recorder, or the production before him of such Certificate of Voluntary Permanent Subscription, he shall cause his record to show the exemption of such member from future hospital assessments.

Said sum of \$60.00, when so paid by a member or candidate to the Recorder of the Temple shall be by him paid to the Imperial Recorder, who shall transfer the same to the Imperial Treasurer, and the Imperial Treasurer of the Iowa Corporation shall forthwith pay the same to the Treasurer of the Colorado Corporation.

Sec. 93. Temples may create life members, but no Temple shall create a life member or issue a life membership certificate for a sum less than fifteen (15) times the minimum annual dues as fixed by the Imperial Council; nor grant a life membership for having paid dues for a less term of years than thirty-five (35) continuous consecutive years; provided, however, that a Temple may grant life membership for meritorious services.

ARTICLE XII.

Fees and Revenues.

Sec. 100. The revenues of the Imperial Council shall be derived from the following sources:

For every dispensation to form and open a Temple there shall be required and paid One Hundred Dollars (\$100), which must accompany the application for dispensation, and when a charter is granted an additional sum of Fifty Dollars (\$50) shall be paid before the charter is delivered.

Sec. 101. Each subordinate Temple shall pay to the Imperial Council the sum of Two and 50/100 Dollars (\$2.50) for each and every candidate receiving the Order of "Noble of the Mystic Shrine" within such Temple, which sum shall be forwarded immediately to the Imperial Recorder, who shall forthwith issue a diploma of the Imperial Council to each and every candidate.

The Imperial Recorder shall, upon the request of the Recorder of any Temple, issue to every member who joins a Temple by affiliation, a diploma, free of charge, upon the return to the Imperial Recorder of the diploma issued by the Temple in which the affiliate received the Order.

Sec. 102. Each subordinate Temple shall pay annually to the Imperial Council per capita in accordance with its membership, the following: For each member sixty (60) cents. Such sums shall be remitted to the Imperial Recorder. That ten (10) cents of each per capita so paid shall be segregated and used exclusively for such aid to the Host Temple or its (order) organization, entertaining the Sessions of the Imperial Council, as may be ordered by the Imperial Potentate. Provided, that the expenditure in any one year shall not exceed the amount collected that year. Said sums shall be remitted to the Imperial Recorder. Fifty (50) per cent shall accompany the annual return of every Temple to the Imperial Recorder, thirty-five (35) per cent shall be remitted on or before June 1st, and the remaining fifteen (15) per cent on or before October 1st.

Sec. 103. For every copy of the Oriental Ritual the fee shall be Five Dollars (\$5). They shall be issued only upon the application of a Temple, and no more than six (6) copies shall be issued to any one Temple. Additional rituals may be issued upon application to, and order of the Imperial Potentate.

ARTICLE XIII.

The Ritual

Sec. 108. The Ritual as promulgated by the Imperial Council for the use of the Order shall be literally followed by every Temple, and no alterations or additions shall be made to the Ritual, except by authority of the Imperial Council, and every departure therefrom shall subject the offending Temple and its officers to censure and such punishment as the Imperial Council may inflict.

Sec. 109. All Temples, members of the Order, and officers shall strictly observe and adhere to the emblems, jewels and costumes for every office in the Order, as promulgated in the Ritual.

ARTICLE XIV.

Regalia, Emblems and Jewels.

Sec. 110. The Red Turkish Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk, is hereby adopted as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such. The fez is to

be worn in its proper shape and without creasing or alteration; provided, that it is permissible for Potentates, Past Potentates and Recorders of Temples, as well as official uniformed organizations to have their titles embroidered in small letters on the front of the fez, near the bottom.

Sec. 111. The emblems and jewels are the characteristic insignia of the Oriental nation from which the order emanates. They are the Crescent, Pyramid, Sphinx Head, Panther-bodied Female Sphinx, the Urn, Sun, Moon, Stars, and are used to decorate its Tombs, Banners, Draperies, Costumes, Regalia. Mourning drapery is a combination of the Sun, with rays, the Moon and Stars. The official colors of the Order shall be red, green and yellow.

Sec. 112. CRESCENT. The original and universal Emblematic Jewel is the Crescent, formed of two nails from a tiger's paw, united at their base with a band of gold, and a ring at the base to suspend it as a charm or jewel, and to be hung points downward. The gold band should be decorated with the Sphinx Head on one side, a Pyramid with Urn upon it on the other side; the name of the owner and the date of his receiving the Order engraved upon the sides, and inside the circle "Allah" or God, and the motto of the Order, which is "Robur et Furor." Every Noble of the Mystic Shrine is entitled to wear this jewel. The combining of the emblems of other secret orders with the Jewel of the Shrine is inappropriate, and is prohibited. The combining of Masonic emblems with the Jewel of the Shrine is inappropriate and should not be worn so combined.

Sec. 113. The wearing of the Fez and the Jewel of the Order on occasions other than meetings of the Temples or gatherings of Shriners under the authority of some legal body of the Order is ill advised, and Potentates shall prevent such action by their members.

Sec. 114. Past Imperial Potentates only shall be privileged to wear a special pin or button indicative of their rank if they so desire, said button or pin to consist of the crescent and scimitar of white gold or platinum with three stars above it, the scimitar to be of sapphires and remainder of design to be of diamonds.

ARTICLE XV.

Cards

Sec. 115. The Imperial Recorder shall, previous to the first day of October of each year, furnish to each subordinate Temple a card, which card shall be substantially in the following form:

"..... Temple, A. A. O. N. M. S. of.....

This is to certify that Noble is a member
of Temple and declared to be in good
and regular standing during the year.....

.....
Recorder.

.....
Signature of Member."

All Temples shall secure their card from the Imperial Recorder, who shall charge each Temple the cost of such cards including the printing of the same, and it shall be the duty of the Recorder of each Temple to furnish to the Imperial Recorder the facsimile signature of such Recorder and copy of the seal of his Temple.

ARTICLE XVI.

Improper Circulars, Publications and Practices.

Sec. 118. The Imperial Council emphatically condemns all immoral and vulgar practices or allusions in the initiation of candidates or in the printed notices issued by Temples to members of the Order.

The Potentate or presiding officer for the time being of each Temple shall be held personally responsible for failure immediately to arrest any act of vulgarity or obscenity.

No officer or member of any Temple shall furnish a list of the names of the members of his Temple to any one for the purpose of having the members circularized or solicited for business purposes; nor shall any Temple issue appeals for aid to Nobles not members of said Temple, unless they bear the endorsement of the Imperial Potentate. No Temple shall issue with any official notice of the Temple, or as a part thereof, any announcement or other paid advertisement of a business character; provided, that Temples issuing at regular intervals an official publication, may issue as a part thereof paid advertisements of a business character; and provided further, that any Temple may, in

its discretion, furnish to any national Shrine magazine, a roster of the membership of the Temple, if it wishes to do so, for the sole and only purpose of soliciting subscriptions, but the same shall not be mandatory or obligatory on the Temple.

For any violation of this law the Imperial Potentate may suspend the offending officer or officers from office or arrest the work of the offending Temple until the next session of the Imperial Council.

Sec. 119. Complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate, but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate.

ARTICLE XVII.

Title to Property—Surety Bonds.

Sec. 122. The title to all real estate and property of every kind and character now vested in any other name for the use of Shriners' Hospitals for Crippled Children, and all real estate and other property hereafter acquired for the use of Shriners' Hospitals for Crippled Children, shall be vested in the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, a Colorado corporation.

Sec. 123. Before the execution and acceptance of any contract of surety, guaranty, fidelity, depository or other bonds or indemnities, they shall be submitted to the Imperial Potentate and Chairman of the Jurisprudence and Laws Committee for examination and approval as to form, sufficiency and manner of execution.

Sec. 124. The premium on all bonds required to be given by officers or committees shall be paid by the Imperial Council.

ARTICLE XVIII.

Amendments.

Sec. 125. A proposed amendment to the By-laws may be submitted to the Imperial Council at any time during the session, and may be adopted by a two-thirds vote of the accredited representatives to such session; provided, it shall

first be referred and reported upon by the Committee on Jurisprudence and Laws of the Iowa Corporation.

Sec. 126. All proposed amendments to the By-Laws shall be offered in writing by a member of the Imperial Council. They may be modified in any manner by the Imperial Council while the same are under consideration, but such modification must be germane to the subject-matter of the proposed amendment. The entire section to be amended must be fully written out as the same will be read, with the proposed amendment incorporated therein.

ARTICLE XIX.

Emergency Powers of Board of Directors.

Sec. 127. Whenever the existence of a national emergency renders impracticable the holding of a regular annual meeting or meetings of the Imperial Council as prescribed by the charter and by-laws of the Iowa Corporation, the Board of Directors thereof may order, by resolution, that such annual meeting or meetings be omitted, stating in such resolution the reasons therefor. A separate resolution, with the reasons therefor, shall be passed with respect to each annual meeting so omitted.

During the year or years for which it is necessary so to omit the regular annual meeting, all duties and powers ordinarily exercised by the members of the Imperial Council shall vest in and be exercised by the Board of Directors, whose actions in the circumstances above stated shall be of like force and effect as if done by the members of the Imperial Council at a regular annual meeting.

The powers and duties which may thus be exercised by the Board of Directors shall include, amongst others, the following:

(a) To adopt an annual budget of appropriations in such sums as may be necessary to meet the current expenses of the Imperial Council and of the Iowa Corporation for the ensuing year; and all such sums so budgeted for such expenses are hereby appropriated; provided, however, that no budget shall be adopted by the Board of Directors unless it shall first be approved by the Committee on Finance and Accounts.

(b) To elect all officers of the Imperial line, and of the Corporation, for a period of one year; provided, however, that the office of Imperial Outer Guard shall not be filled by the Board of Directors, but shall remain vacant

until the next regular meeting of the Imperial Council when an election shall be held as provided by Article VI of the By-Laws. In the event the power thus to elect officers is exercised by the Board of Directors for more than one year, an additional office at the end of the Imperial line shall be left vacant for each year that the regular annual meeting is omitted, such offices to be filled by regular election at the next annual meeting.

In addition to the foregoing, the Board of Directors, in the circumstances above stated, shall have and exercise the power to do all things necessary or desirable to carry on the affairs of the Iowa Corporation, and of the Imperial Council, and to properly protect and conserve its property and fraternal interests in all respects.

The Board of Directors shall call a regular annual meeting of the Imperial Council, to be held at a time and place to be designated by said Board, within twelve months after the termination of such national emergency shall be proclaimed by the Federal Government. The emergency powers of said Board hereby created, shall cease and determine upon the expiration of said twelve months period.

S. in connection with the emblematical Jewel suspended from a scimitar; on the green band, the name of the city and state where the Temple is located. There shall be attached to the head of the pike the representation of a star and crescent with the points upward $4\frac{1}{2}$ inches wide by 9 inches high—there shall be attached to this head a $\frac{1}{4}$ inch yellow silk cord 9 feet long with tassels.

The exclusive right to make and sell this flag shall be vested in the Imperial Council, and the Imperial Council shall, through its trustees, arrange for the manufacture thereof, and sell the same to the Temples upon their application therefor at such price as shall be fixed by said trustees.

ARTICLE XXII.

Charters of Temples.

Sec. 203. The authority of a Temple of the Ancient Arabic Order of the Nobles of the Mystic Shrine to meet and work is evidenced by a charter or dispensation from the Imperial Council, which shall be exhibited at every session of the Temple. Should the charter be lost or destroyed the Temple shall immediately apply to the Imperial Council for a duplicate. A fee of Twenty-five Dollars (\$25) shall be charged therefor.

ARTICLE XXIII.

Subordinate Temples—How Constituted.

Sec. 204. All subordinate bodies of the Ancient Arabic Order of the Nobles of the Mystic Shrine are termed Temples, and shall consist of the following officers:

I.	ILLUSTRIOUS POTENTATE	<i>Shayk</i>
II.	CHIEF RABBAN	<i>Emeer</i>
III.	ASSISTANT RABBAN	<i>Sahib</i>
IV.	HIGH PRIEST AND PROPHET	<i>Iman</i>
V.	ORIENTAL GUIDE	<i>Ayn</i>
VI.	TREASURER	<i>Chayzin</i>
VII.	RECORDER	<i>Katib</i>
VIII.	FIRST CEREMONIAL MASTER	<i>Wakil</i>
IX.	SECOND CEREMONIAL MASTER	<i>Alam</i>
X.	DIRECTOR	<i>Malah</i>
XI.	MARSHAL	<i>Amal</i>
XII.	CAPTAIN OF THE GUARD	<i>Rays</i>
XIII.	OUTER GUARD	<i>Hafiz</i>

and as many members as the Temple may admit.

The first seven officers shall be elected annually by ballot. The remaining officers shall be appointed by the Illustrious Potentate.

A quorum in a Temple shall consist of seven (7) members entitled to vote therein, one of whom shall be the Illustrious Potentate, Chief Rabban, Assistant Rabban, or a Past Potentate of the Temple.

ARTICLE XXIV.

Election of Officers

Sec. 205. Each Temple shall elect its elective officers and representative, or representatives, by written ballot and by a majority vote in each case. Said election shall take place at the regular session held in January of each year.

Each elective officer except representatives shall be elected separately by a separate and distinct ballot. The use of a blanket ballot for the election of officers is prohibited. If there is but one representative to be elected the foregoing rule shall prevail. If the Temple is to elect more than one representative, all candidates for the office of representative shall be balloted for on one ballot, and each member voting must vote for the total number of representatives to be elected, otherwise his ballot cannot be considered as a vote, except where a Permanent Representative has been previously elected by a Temple his name shall not appear on the ballot. A majority vote of those present and voting shall be necessary to elect each representative. If on the first ballot one or more candidates shall receive a majority vote of those present and voting, he, or they, shall be declared elected. A ballot shall then be taken in the same manner until all the representatives are elected. Blank ballots are not votes and shall not be considered as such. Candidates for offices, and Representatives, must be placed in nomination on the floor. No ballot for an officer or Representative shall be considered or counted as a vote unless the person named therein shall have been so placed in open nomination on the floor.

Sec. 206. The printing, circulating or distribution of resolutions, letters, tickets or other devices, by a Noble or Nobles, suggesting, recommending, opposing or containing the names of proposed candidates for office in the Temple, is hereby prohibited. For any violation of this section the Imperial Potentate shall suspend the offending Noble, or Nobles, until the next regular session of the Imperial Council, and he may, in his judgment declare the election of such officer or officers void and order a new election.

The Recorders of Temples shall mail a notice of the annual session and election to all members of the Temples at least one week prior to the date of said election, and said notice shall contain this Section.

Sec. 207. The installation of officers shall take place immediately, or at the first succeeding session of the Temple, in accordance with the "Ceremony of Installation" prescribed by the Imperial Council. They shall assume the duties of their respective offices upon such installation.

If a public installation of officers is had, the officers-elect previous thereto must take the oath of office in the body of the Temple, when properly guarded.

Should it be impossible to hold the election as required, or should it appear to the Imperial Potentate proper so to

do, the Imperial Potentate may grant a special dispensation changing the date fixed for such annual election and/or the date fixed for any annual session, or any other stated session of any Temple, provided that due and timely notice of such changed date shall be given to each member of the Temple at least seven days prior to the date fixed for such election or meeting.

In the event of the death, resignation or removal from the jurisdiction of the Imperial Council of any officer or representative, or forfeiture through any cause of membership in the Order, a special election may be held without a special dispensation for that purpose, to fill the vacancy, and any vacancy that may occur by virtue of any officer being promoted at such special election, may be filled at such special election. Due notice shall be given to the members of the Temple of such election. In case of vacancy in an appointive office, the same shall be filled by appointment by the Illustrious Potentate of the Temple. No member can be compelled to accept an election or appointment to office. The result of any election or appointment shall forthwith be reported to the Imperial Recorder.

ARTICLE XXV.

Enthronement.

Sec. 208. Previous to the enthronement of a Potentate-elect, the Imperial Council requires his assent to the following ordinances (see also Sec. 32, Article VI, of the By-Laws):

DO YOU SOLEMNLY VOW, UPON YOUR HONOR:

That you will exert your best endeavors to promote the true happiness of your brother Nobles of the Mystic Shrine?

That you will endeavor to promote the general good of the Order and observe the solemnity of the ceremonies with profound respect and reverence?

That you will not acknowledge or have intercourse with any Temple which does not work under constitutional authority as recognized by the Imperial Council?

That you will ever maintain and support the authority of the Imperial Council for North America, and enforce obedience to its By-Laws, Code, Regulations and Edicts?

Do you submit to all these ordinances and promise to observe and practice them faithfully?

Answer:

ARTICLE XXVI.

Duties of Officers

Sec. 209. ILLUSTRIOUS POTENTATE: The Illustrious Potentate shall open and preside at all sessions of the Temple; he shall be responsible to the Imperial Council for the government of his Temple. It shall be his duty to require of his Temple at all times due observance of the Articles of Incorporation, By-Laws, Code, Regulations, Edicts and Usages of the Imperial Council and the by-laws of his Temple; that accurate records are kept and just accounts rendered; that regular returns are made to the Imperial Council, and that the annual dues and assessments are promptly paid; and that no fewer than four stated sessions are held annually, of which one shall be held in January. He shall send a copy of each printed notice issued by his Temple to its members, and at the same time mail a copy to the Imperial Potentate and Imperial Recorder.

Sec. 210. CHIEF RABBAN: The Chief Rabban shall preside in the absence of the Illustrious Potentate. In the absence of both Illustrious Potentate and Chief Rabban, the Assistant Rabban shall preside. In the absence of all three of said officers a Past Potentate of the Temple shall preside.

Sec. 211. The remaining officers are to perform such duties as are appropriate to their several stations, or as may be assigned them by the Illustrious Potentate, or by the Temple.

Sec. 213. Special sessions of a Temple may be called by the Illustrious Potentate at any time, due notice thereof being given to each member stating the business to be considered, and no other business than that specified in the call or summons shall be transacted.

Temples may hold stated sessions, also ceremonial sessions, at any time on the call of the Potentate, without applying for a special dispensation, provided due and timely notice is given to all members of the Temple.

No Temple shall hold a session for business or ceremonial on the Sabbath day, commonly known as Sunday.

ARTICLE XXVII.

Jurisdiction of Temples, Candidates, Members, Working Code, Etc.

Sec. 218. Each Temple, subject to the Articles of Incorporation, By-Laws, Code, Regulations and Edicts of the Imperial Council, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Sec. 219. The territorial jurisdiction of subordinate Temples extends in all directions to one-half the distance, by a direct line, between itself and the nearest Temple; *provided*, that in no case can it extend beyond the limits of the state, territory, or district in which it is located, except by agreement between Temples affected only; *provided*, also, that Temples occupying the same state or territory may agree upon concurrent jurisdiction within, or an equitable division of, their territory, should they so desire; *provided*, also, that every Temple shall have exclusive jurisdiction in the city and county in which the Temple is located; *provided*, also, that the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, should it appear for the best interests of the Order to do so.

Sec. 220. **TEMPLE MUST PROCURE WAIVER, WHEN.** A Temple shall not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining permission of such Temple. It shall be competent in such cases for the Temple to waive its jurisdiction and permit another Temple to confer the Order upon one residing within its jurisdiction; *provided*, that where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting the waiver, the candidate shall pay to the Temple which asks for the waiver a fee equivalent to the fee he would have been required to pay had he petitioned the Temple in whose jurisdiction he resides and which grants the waiver. The Temple which asks for the waiver shall then remit the difference

in fee to the Imperial Recorder and that amount shall go into a fund for the Shriners' Hospitals for Crippled Children. No Potentate, however, shall have the power in himself to grant such waiver, but it shall be given only by authority and under the seal of the Temple so granting it. A Temple cannot grant a blanket waiver. Temples having concurrent jurisdiction must notify each other of the names and addresses of all candidates rejected, or to whom objections have been made, residing in the territory over which their jurisdiction is concurrent.

It shall be the duty of the Imperial Potentate to suspend the work of any Temple violating the provisions of this section until the next meeting of the Imperial Council.

Sec. 221. WHEN REQUEST TO CONFER ORDER MAY BE MADE. A candidate having been elected in a Temple, that Temple may request, under seal, another Temple to confer the Order upon the candidate as a favor to the requesting Temple. The Temple conferring the Order shall certify the same, under seal, to the Temple in which the candidate was elected. The Temple which elected the candidate shall enter this official communication upon its record, place his name upon its membership list, and he shall then become a member of that Temple.

Sec. 222. PLACE OF MAKING APPLICATION. No applicant actually resident within a Temple jurisdiction can apply elsewhere for the Order without the consent of the Temple. Where two or more Temples hold concurrent jurisdiction over territory, the consent of *each* shall be necessary to enable an applicant of that jurisdiction to be created a Noble in a Temple in any other jurisdiction. A Temple having received a petition from one possessing the necessary qualifications and having regularly elected the candidate, retains jurisdiction over him until initiation, no matter whether said candidate subsequently removes from its jurisdiction or not.

Sec. 223. TEMPLES MAY HOLD MEETINGS, WHEN. Except as hereinafter provided, Temples may open, elect candidates, and confer the Order at any place within their jurisdiction, notice being given of such intent, but no other business can be transacted at such session. Where two or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the city or town in which the Temple is permanently located; but the Imperial Potentate, upon request of any Temple, accompanied by a waiver of jurisdiction from the Temple, or Temples, having concurrent jurisdiction, may grant a special dispensa-

tion to hold a ceremonial session at any place requested in said concurrent jurisdiction.

A Temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

Sec. 224. SHRINE ORGANIZATIONS, CLUBS. No organization of Shriners of any kind, meeting as such, using any of the emblems of the Order or having a title or titles indicating it to be an organization of Shriners, shall be organized in the jurisdiction of any Temple, except with the official sanction and under control of the Potentate of the Temple in whose jurisdiction it is organized, and all Nobles, whether belonging to said Temple or not, shall be amenable to the by-laws and regulations of said Temple; also, no such organization shall adopt by-laws without their first having been assented to by the Potentate of said Temple. If any such organization is proposed to be formed in territory over which two or more Temples have concurrent jurisdiction, it must have the consent, as provided for above, of the Potentates of the two nearest Temples to its proposed location, and shall be under the control of the Potentate of the nearest of these two Temples, provided, however, that no independent association of Shriners formed for the purpose of providing relief or benefit funds for the widows or families of deceased members shall be under the control of the Potentate or Temple in whose jurisdiction it is organized or elsewhere: provided, further, that if a change is made in jurisdictional lines of any Temple, jurisdiction over any such existing organization shall be in the Temple under whose authority the organization was created, unless otherwise agreed by the Temples involved.

Sec. 225. PATROLS, BANDS AND OTHER UNITS. The Patrol, Band and all other units, are parts of the working corps of the Temple, and under the control and authority of the Potentate and such working corps must be composed wholly of Shriners in good standing in some Temple of the Order. No Temple shall set aside or appropriate any portion of the fees collected for initiations or affiliations or annual dues or assessments of the Temple to and for the exclusive use of any such units, or any subordinate club or organization in the Temple.

Sec. 226. FEMALE PATROLS, ETC., PROHIBITED. No Temple shall organize a female patrol, or any uniformed body of women, and introduce the same into the Temple at a ceremonial session, or permit such organization to parade,

drill, or appear in public, under the auspices of the Temple, or by its authority.

Sec. 227. **PARADES, PERSONS PROHIBITED IN.** In the parade of Temples of the Order at annual sessions of the Imperial Council, or in parades given under the auspices of subordinate Temples of the Order, no one shall be permitted to participate but members of the Order, uniformed bodies, and male servants accompanying Temples. No females shall be permitted to participate in parades.

Sec. 228. **TEMPLES MAY NOT SPONSOR CERTAIN ORGANIZATIONS.** No Temple shall organize or sponsor any body of women, or men and women, purporting to be an Order connected with the Ancient Arabic Order of the Nobles of the Mystic Shrine, composed of Nobles of the Mystic Shrine and female relatives of such, and making such relationship the prerequisite for membership in such body. The Imperial Potentate shall arrest the charter of any Temple violating this section.

Sec. 229. **STREET PARADES. COSTUMES.** The appearance in street parades of novices or Nobles in costume, dress or other attire calculated to bring reproach upon the Order is prohibited.

Sec. 230. The uniform organizations of any Temple may appear on the street or in any public place only with the expressed approval, previously given, of the Potentate holding control over such organization.

Such appearance shall be under the auspices of the Temple with which such organization is identified, and shall not be in any place in which such Temple has not jurisdiction except with the consent of the Potentate of the Temple having jurisdiction. Under no circumstances shall the members thereof receive any reward or compensation for such appearance or participation.

Sec. 231. **GAMBLING, ETC., PROHIBITED.** It shall be unlawful for any Temple or any organization connected therewith, or under its control, or any group of its members, or any member acting for or on behalf of the Temple, to promote or take part in any engagement or enterprise prohibited by the law of the land.

Sec. 232. **USE OF THE WORD NOBLE, ETC., AS ADVERTISING PROHIBITED.** The use of the word "Noble", "Shriner", or any variation thereof, or any term, sign or symbol of the Order, for commercial or other business enterprises is prohibited. Any Noble violating this section may be suspended or expelled from the Order. Should

the Temple of which the offender is a member neglect to take action, the Imperial Potentate may suspend such offender until the next regular session of the Imperial Council, at which session the suspension may be made permanent. Any Temple neglecting to take action in such a case is subject to having its charter arrested by the Imperial Potentate. Provided, however, that this section shall not apply to those who are regularly engaged in dealing in standard Shrine supplies, uniforms, regalia and emblems.

ARTICLE XXVIII.

Dispensations for New Temples.

Sec. 235. No dispensation for a new Temple shall be granted except by action of the Imperial Council, and then only upon the filing of a petition which shall have been signed by at least eight hundred (800) Nobles of the Mystic Shrine, residing in the territory of the proposed Temple; provided, that such dispensation shall not be granted in the event of the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, being reduced to less than two thousand (2,000) members by the withdrawal of the petitioners for the dispensation. The Imperial Council may, however, grant a dispensation for a Temple in unoccupied territory without such restriction.

Sec. 236. The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Sec. 237. The application for dispensation shall be in the prescribed form furnished by the Imperial Recorder, which must have printed therein in red ink Section 240 of this Article, and shall be in duplicate, one copy for the Imperial Recorder, and the other kept by the petitioners for reference.

Every name on the application must be the actual signature of the petitioner, and when once signed the name cannot be withdrawn from the application except upon the voluntary written request of the petitioner and which shall be for none other reason than that his signature has been obtained by false representations, and the said written authority for such withdrawal showing the reasons therefor shall be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

If, after the application for a dispensation has been delivered to the Imperial Recorder, in accordance with the next paragraph of this section, a signer of the application desires to withdraw his name, he must send his voluntary request in writing stating the reasons therefor direct to the Imperial Recorder, who shall erase the name from the application, if the reasons be as provided in this section, and shall attach the authority for such erasure to the application before presenting it to the Imperial Council, and shall furnish such list of withdrawing members to the other petitioners organizing the proposed new Temple, who may supplement the same to replace withdrawn names until the meeting of the Imperial Council.

When completed the application must be filed with the Imperial Recorder at least sixty (60) days prior to the annual session of the Imperial Council, and notice of such application must be published in the official call for the Imperial Council session. Unless such application is filed and published as herein provided, it must lie over until the next regular session of the Imperial Council.

Sec. 238. When the application for a dispensation is received by the Imperial Recorder he shall notify the Temple nearest the site of the proposed new Temple, in the same jurisdiction, if any, or, if the proposed Temple is to be established in unoccupied territory, then the nearest Temple in another jurisdiction, at least thirty (30) days prior to the meeting of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of such dispensation, may be presented to the Imperial Council.

Sec. 239. If the dispensation is granted, the Temple shall be liable for dues to the Imperial Council only for the fractional part of the year remaining after the date of such dispensation, and for the per capita tax and assessments in full on members created. (See Art. XI, Sec. 94, By-Laws.)

Sec. 240. A Noble signing an application for a dispensation becomes a member of the Temple under dispensation on the date such dispensation is granted, and shall be amenable to it for dues; provided, however, that the Temple of which he was a member prior to the granting of the dispensation may retain the dues already received from such member for the current year.

Sec. 241. If the dispensation is refused and no charter granted, all Nobles who signed the application are thereby restored to membership in the Temples of which they were

members prior to the granting of the dispensation, and all members of said Temple created therein become members of the Order at large, subject to the authority of the Imperial Council; and are entitled to a certificate to that effect from the Imperial Recorder, which certificate has the force of a demit for the purpose of affiliation.

Sec. 242. A Temple under dispensation has a legal existence and a legal jurisdiction, and, whether it works or not, such jurisdiction cannot be interfered with except by action of the Imperial Council. Such a Temple, however, cannot adopt by-laws until a charter has been granted and the Temple regularly constituted in accordance with the laws of the Imperial Council; but it shall in the meantime be governed by the By-Laws, Regulations, Code and Edicts of the Imperial Council.

Sec. 243. A Temple under dispensation has no power to elect officers, but must retain its provisional officers until a charter has been granted to it.

The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

Sec. 244. No charter shall be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between two regular sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for conferring the Order, and has at least one thousand (1,000) Nobles in good standing on its roll of membership.

Sec. 245. When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

Sec. 246. When a dispensation for a new Temple shall have been refused by the Imperial Council, no further application therefor shall be made until three years have elapsed.

ARTICLE XXIX.

Membership in Temples.

Sec. 251. One applying for the Order shall be an actual resident, for at least six (6) months in the jurisdiction of the Temple to which he applies. Actual residence is defined to mean the place where the applicant in good faith makes his home; any Temple of the Order may, however, receive and act upon the petition of one who is a resident of a

country, territory or state wherein no Temple of the Order exists. Provided, however, any commissioned, non-commissioned or warrant officer, or enlisted soldier, sailor or marine of the Army, Navy or Air Corps or other branch of the armed forces of the United States, the Dominion of Canada or Mexico, may petition any subordinate Temple of the Order within whose jurisdiction he may at the time be stationed without reference to his actual or legal place of residence, and may thereupon, after election as provided in Section 252, be initiated by and become a member of such Temple. Membership may be terminated by voluntary demission upon payment of all indebtedness to the Temple or by expulsion or suspension in the manner provided in the By-Laws and Code.

Sec. 252. If, upon the balloting for a candidate, subsequent to a favorable report, three black balls shall appear, another ballot shall immediately be had, but no more. Upon the appearance of three black balls a second time the candidate shall be declared rejected and disqualified to make a second application for thirteen (13) weeks. A written objection, signed by at least three (3) members of the Temple in good standing, presented to the Potentate, shall have the same effect as an adverse ballot.

After a candidate has been declared elected, any subsequent objection or protest must be presented to the Potentate in writing, signed by at least three (3) members of the body and must stand. The fact that said objection has been made, but not the written objection itself, shall be entered upon the minutes and shall have the same force and effect as an adverse ballot, and shall prevent a reconsideration of the matter for thirteen weeks.

Sec. 253. A Noble can hold active membership in but one Temple. In order to retain membership in a Temple a Noble must be in good standing in one or the other of the two prerequisite Masonic bodies—a Commandery or Preceptory of Knights Templar or a Consistory of the Ancient and Accepted Scottish Rite. Where a Noble holds membership in both of these prerequisite bodies, so long as he is in good standing in one of these bodies his membership in the Temple is not affected by any action of the other prerequisite body in depriving him of membership in that body.

In case a Noble holds membership in only one of the prerequisite bodies and for any cause is suspended or expelled by that body, he stands suspended or expelled, as the

case may be, in his Temple until restored to good standing by the prerequisite body suspending or expelling him, when he shall be restored to good standing in his Temple without vote of the Temple. He shall not be charged with dues to the Temple during the period of his suspension. The acquirement of the other prerequisite subsequent to his suspension or expulsion does not restore him to good standing in the Temple, but he may be restored by vote of the Temple.

When a Temple learns in an official manner or has reasonable cause to believe that one of its members, by reason of his non-affiliation for six months or more, is not in good standing in at least one of the prerequisite Masonic bodies, it shall notify the member so charged that he must appear before the Temple, or give evidence to the Temple, at its first stated session thereafter, and show cause why he should not be suspended. Should he fail to do so he shall be declared suspended from all his rights and benefits of membership in the Temple until he removes the cause of his suspension.

Sec. 254. A Demit is a certificate that at the time of granting such demit the Noble named therein was in good standing, and of good repute, and recommended as such to other Temples.

A Temple cannot withhold a demit from a Noble applying for same, provided he is free from charges and indebtedness to the Temple. No demit can be granted to a Noble accused of violation of the Laws of the Order, pending his trial. A Temple may issue a duplicate demit to a Noble, but must satisfy itself that the Noble asking for it is still in good repute.

A demit may be issued by the Potentate and Recorder of the Temple between regular sessions of the Temple, if deemed necessary. A record of a demit so issued must be made, and made of record and reported to the Temple at its next succeeding regular session.

A demit, when granted, shall become effective for all purposes, as of the date of the filing of the application therefor with the Recorder of the Temple, which said application shall be in writing.

Sec. 255. A Noble of the Mystic Shrine holding a demit from a Temple may only affiliate with a Temple within the jurisdiction of which he is and for at least six months has been an actual resident.

Any Noble residing within concurrent jurisdiction and holding membership in a Temple in such jurisdiction cannot demit and affiliate with another Temple in the same

jurisdiction, without a vote of the Temple granting such demit, provided that this section shall not apply to any Noble holding a demit as of date prior to June 1, 1934, if all Temples holding concurrent jurisdiction charge the same dues and/or assessments.

A Noble holding a demit and who is desirous of re-affiliating with the Temple that issued the demit, may be restored to membership without a vote of the Temple, provided written application for reaffiliation is made, with the original demit attached to the application, such application to be accompanied by written evidence that such demitted member is in good standing in his prerequisite body, and provided that such reaffiliation shall be reported to the Temple at its next succeeding regular session and recorded in the minutes. This shall not apply where demit is placed in a Temple other than the one issuing same, in which latter case the provisions of Section 252 of the Code of the Iowa Corporation shall apply.

Sec. 256. A member may be suspended for non-payment of dues only by a majority vote of the members present at any regular session, provided notice by first class mail to the last known address has been given to the delinquent member that he is in arrears, and an opportunity afforded him to be present, and any delinquent Noble desiring to appear before the Temple pursuant to any such notice shall be entitled to admission into the Temple for such purpose only and regardless of the fact that he is in arrears. A member suspended for non-payment of dues or assessments may be reinstated without a vote of the Temple upon payment of all arrearages, provided written application for reinstatement is made, such application to be accompanied by written evidence that such suspended member is in good standing in his prerequisite body, and provided that such reinstatement shall be reported to the Temple at its next succeeding regular session and recorded in the minutes. No Temple shall carry a member on the books who is more than two years in arrears without taking some action thereon.

Sec. 257. A Temple may levy an assessment upon the members thereof, for purposes general to the membership, at a regular session of the Temple, after due notice to all the members, which said notice shall state the amount of said proposed assessment, and the date upon which action shall be taken thereon. To be valid such assessment must receive a two-thirds vote of those present and voting, and must be approved by the Imperial Council in a manner

similar to the approval of amendments to the By-Laws of a Temple. When so passed by the Temple and approved by the Imperial Council the assessment shall be binding on each member of the Temple as of the date of passage of the resolution levying the assessment and shall be paid as dues are paid. No card shall be issued to a member if his assessment or any installment thereof is in arrears. No card shall be issued to a member if any voluntary obligation due from him to his Temple, or any installment thereof, is in arrears. No demit shall be issued to a member until his assessment or financial obligation shall be paid in full.

Sec. 258. A Past Potentate who shall become a charter member of a new Temple shall be entitled to be classified as a Past Potentate of the new Temple.

Sec. 259. When an application for the establishment or change of Jurisdictional Lines of any Temple or Temples is proposed, the application shall be filed at least sixty days before the Annual Session of the Imperial Council with the Imperial Recorder.

The Imperial Recorder shall notify the Temple or Temples affected by said proposed established or change of Lines, giving full information in regard to the application, in order that objections to the granting of such proposed change may be presented to the Imperial Council.

Sec. 260. When the application for the establishment or change of Jurisdictional Lines is refused by the Imperial Council, no further application or renewal application therefor shall be made until three years shall have elapsed.

ARTICLE XXX.

Discipline—Trial Procedure.

Sec. 262. A Noble shall be subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction the Noble resides, for conduct unbecoming a Noble of the Mystic Shrine.

Sec. 267. Proceedings for the discipline of any Noble shall be as follows:

(a) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine shall state the nature and character thereof in writing, sign such complaint and deliver to the Potentate of the Temple.

(b) Upon receipt of any such complaint it shall be the duty of the Potentate to appoint a grievance committee of five (5) members of the Temple, preference being given to Past Potentates, whose duty it shall be to thoroughly

investigate the complaint, and if in the judgment of the majority of said committee, they shall find probable cause for believing that an offense has been committed, it shall be the duty of such committee to so report to the Illustrious Potentate.

(c) Immediately upon the receipt of such report from the grievance committee, it shall be the duty of the Illustrious Potentate to refer the matter to the Assistant Rabban, or, if he be disqualified from acting, to any other Noble of the Temple designated by the Illustrious Potentate, and it shall be the duty of said Assistant Rabban, or of the Noble so designated, to cause formal written charges to be preferred in the name of the Temple against such offending Noble, which charges shall, in plain and concise language, apprise the offending Noble of the charge, or charges, and signed by the Assistant Rabban, or other Noble designated by the Potentate, which charges when so prepared shall be filed with the Recorder of the Temple.

(d) Immediately upon the filing of such charges it shall be the duty of the Illustrious Potentate to appoint a trial committee of nine (9) Nobles of the Temple in good standing, and to designate a date for the hearing of such charges before such committee, which shall be not less than fifteen (15), nor more than twenty (20), days from the date of the selection of said trial committee.

(e) It shall be the duty of the Recorder of the Temple to cause a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial, to be served upon the accused Noble, which service shall be in person by some Noble of the Order in good standing, or by registered mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder, of the mailing by registered mail, shall be prima facie evidence of the service of the notice and charges upon the accused Noble.

(f) It shall be the duty of the Assistant Rabban or the Noble designated by the Illustrious Potentate, in the name of the Temple, to prosecute such charges, and the Temple may have the assistance of counsel in the presentation of such charges, provided such counsel shall be a Noble of the Order in good standing. The accused shall also have the right of counsel, provided such counsel shall be a Noble of the Order in good standing.

(g) The accused may, five days previous to the time set for the hearing, file written answer to the charges.

(h) Upon the date set for hearing, the Temple shall excuse two (2) of the committee so chosen by the Potentate, and the accused shall have the right to excuse two (2) of said committee, leaving a trial committee of five (5). If the accused shall fail or refuse to exercise his challenge as above, then the trial committee of five (5) shall be chosen by lot. This committee shall hear the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and said committee shall then proceed with its deliberations, and shall ascertain the guilt or innocence of the accused. If the committee shall find the accused guilty, it shall then proceed to fix the punishment, which may be either expulsion, suspension for an indefinite period, or suspension for a definite period. It shall require a majority vote of the committee upon the question of guilt and upon the fixing of the punishment.

(i) After such committee has concluded, it shall make a report of its findings to the Illustrious Potentate in writing, and at the next regular session of the Temple after the trial such report shall be read to the Temple, and the Illustrious Potentate shall thereupon pronounce judgment upon such report, and the judgment shall date from the time of the pronouncement of judgment by the Illustrious Potentate, and shall, from that date, be final, unless the same shall be reversed or modified on an appeal therefrom to the Imperial Council.

(j) Either the Temple or the accused shall have the right, within thirty (30) days, to appeal to the Imperial Council from any judgment rendered as provided in this Code; and provided, further, that the Noble making the complaint shall be entitled, within thirty (30) days, to appeal to the Imperial Council from the decision of the Grievance Committee finding no probable cause, by filing notice of the appeal with the Imperial Recorder within such thirty (30) days and shall also, at least thirty (30) days prior to the next annual session of the Imperial Council, file a complete transcript of the proceedings, and the Imperial Recorder shall thereupon transmit all the papers pertaining to such appeal to the Chairman of the Grievance Committee.

(k) If an appeal shall be taken the party appealing shall pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Illustrious Potentate the party appealing is unable to pay such expenses, in which event the Temple shall pay the same.

(l) Any Noble indefinitely suspended or expelled may be reinstated in the following manner: He shall present an application for reinstatement, which shall be read at a regular meeting and laid over until the next regular meeting, and notice shall be sent to the entire Nobility of such application. At the next regular session after the presentation of such application, the members having been notified, the following question shall be put: "Shall the Noble be reinstated?" If two-thirds of the members present shall vote for his reinstatement, he shall be declared reinstated. If a less number than two-thirds vote for reinstatement, he shall stand suspended or expelled, and shall not be permitted again to petition for a period of one year thereafter; and provided, further, that if the member shall have been expelled or suspended indefinitely, he shall not be permitted to petition for reinstatement until after the expiration of one year from the date of judgment of expulsion or suspension.

(m) No member of the Grievance Committee and no member of the trial committee shall be of kin of the Noble filing charges in the first instance, nor a witness, nor in any way interested in the controversy; and if a member of either committee shall be disqualified, it shall be the duty of the Illustrious Potentate to fill such committee or committees with disinterested Nobles.

(n) Any Noble refusing to serve upon such committee (except he be disqualified under the provisions of paragraph "m"), or excused by the Illustrious Potentate, shall be subject to discipline.

(o) In the event the Illustrious Potentate shall be disqualified, either under paragraph "m", or for good cause shall disqualify himself, the Chief Rabban shall act in his stead in the appointment of the committee herein provided.

(p) Any Noble of the Temple shall be permitted to attend the trial before the trial committee, but the deliberations of said committee upon guilt or innocence, and fixing punishment, shall be secret.

(q) The trial committee shall select one of its number as Chairman, who shall administer the oath to all witnesses who are Nobles upon their honor as Nobles of the Mystic Shrine, and all witnesses not members of the Order shall be sworn by any officer qualified to administer oaths.

(r) The report of the trial committee shall be signed by the entire committee.

(s) The testimony of all witnesses shall be taken by a competent stenographer, so that the same may be preserved.

(t) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof be given the opposite party.

(u) Both the Temple and the accused shall have the right to summon witnesses, and disobedience of a summons shall subject the offending Noble to discipline.

ARTICLE XXXI.

Temple By-Laws.

Sec. 272. A Temple may adopt by-laws and amendments to existing by-laws, provided they are consistent with the laws of the Imperial Council. Proposed by-laws or amendments shall be presented to and ratified by the Temple at a regular or special session called for that purpose, after due notice to every member of the Temple. Upon the adoption of by-laws or amendments, three (3) copies thereof, together with a certificate of their ratification, signed by the Potentate, attested by the Recorder, with the seal of the Temple affixed thereto, shall be forwarded to the Imperial Recorder, who shall forthwith send the same to the Committee on Jurisprudence and Laws. If said committee approve such by-laws or amendments they shall be so endorsed, one copy retained by the Committee and two copies sent to the Imperial Potentate for his approval, and if so approved by him, such by-laws or amendments shall at once become effective. Upon such approval the Imperial Potentate shall forward the same to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and forward the other copy to the Temple.

Sec. 273. Where approval of amendments to existing by-laws is asked, a copy of the by-laws proposed to be amended must accompany the amendment. All proposed by-laws and amendments must be in the office of the Imperial Recorder at least thirty (30) days before the meeting of the Imperial Council.

Sec. 274. At each session of the Imperial Council the Imperial Recorder shall present a list of all new or amended by-laws which have been approved by the Committee on Jurisprudence and Laws and confirmed by the Imperial Potentate during the recess of the Imperial Council. The Imperial Recorder shall also submit a list of any by-laws or amendments which have been rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for such rejection. Any Temple dissatisfied

with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its by-laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body shall be final.

Sec. 275. When a change is authorized by the Imperial Council affecting the laws, and such change affects the by-laws of any Temple, the by-laws of the Temple so affected are, *ipso facto*, changed to conform with those of the Imperial Council, and it shall be the duty of every Temple to at once make such changes in its by-laws upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder, and thereupon the Recorder of the Temple shall send to the Imperial Recorder a properly certified copy showing that such change has been made, and in such case it shall not be necessary to send copies to the Imperial Potentate and the Committee on Jurisprudence and Laws for approval and confirmation.

Sec. 276. All Temples not having by-laws of their own shall work under the laws of the Imperial Council, but it is recommended that all Temples should adopt by-laws for their government.

Sec. 277. All Temples shall provide by by-law or resolution for at least four stated sessions to be held during the year, and the time of such sessions shall be fixed by said by-law or resolution. One of said stated sessions shall be held in January of each year.

ARTICLE XXXII.

Visitors to Temples.

Sec. 280. Any member of a Temple may object to the presence in his (objector's) own Temple of any visiting member of the Order should he desire to do so.

Sec. 281. A Noble shall not be admitted to his own or any other Temple of the Order, unless he exhibits to the Temple to which he desires admittance a Shrine Card for the then current year, printed and issued as provided by Section 115, except as provided in Section 256 of the Imperial Code.

ARTICLE XXXIII.

Honorary Members.

Sec. 282. Honorary membership may be conferred by subordinate Temples upon any member of the Order, as a compliment, by a majority vote, but such membership con-

fers no rights or privileges. The issuing of yearly membership cards to honorary members is prohibited.

ARTICLE XXXIV.

Annual Returns.

Sec. 285. A fiscal year for all Temples is hereby created, beginning January 1st and ending December 31st of each year, and it shall be the duty of the Recorder of each Temple to arrange his books and accounts so as to conform with such fiscal year. It shall also be the duty of such Recorder, at the annual session of his Temple following the end of the fiscal year, to render a complete report of the finances, investments, membership and other matters of interest in which his office is concerned.

Sec. 286. Every subordinate Temple shall, on or before the 31st day of January in each year, transmit to the Imperial Recorder, in such form as shall be furnished, its annual returns, and the dues to the Imperial Council shall be remitted as provided in Section 102 of Article XII of the By-Laws.

Sec. 287. The initiation fee of Two and 50/100 Dollars (\$2.50) for every initiate shall be paid in accordance with Sec. 101, Art. XII, of the By-Laws.

Sec. 288. Any Temple neglecting or refusing to make the required remittances as provided in Sections 95 and 102, shall be notified thereof, and if, after thirty (30) days' notice, it fails fully to comply therewith, it shall be suspended by the Imperial Potentate, except that by and with the advice and consent of the Chairman of the Finance Committee the time may be extended.

ARTICLE XXXV.

Temple Headquarters and Hospitality at Imperial Council Sessions.

Sec. 291. Temples of the Order may maintain headquarters during the annual sessions of the Imperial Council, for the purpose of dispensing Shrine hospitality and the promotion of good fellowship. The use of Temple badges as gifts, or for exchange purposes, is permitted. The indiscriminate distribution, in large quantities, of all kinds of souvenirs, to every one that calls at Temple headquarters, should not be made. All courtesies shown in Temple headquarters should be limited to Nobles of the Order and ladies accompanying them.

No distribution of souvenirs or gifts of any kind shall be made by Temples or representatives to the members of the Imperial Council while that body is holding its session.

Each Potentate and each Representative should see that no abuse of any kind is permitted in Temple headquarters, that tends to discredit the Shrine, or its avowed principles and objects.

Explanation of the Calendar

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month has thirty days. The small numbers (*printed in red*) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 30th day of the 1st month, Muharram, 1363, (marked 118 in red), is the 26th day of January, 1944 (also marked 118 in red).

What day in the Mohammedan year is May 19th, 1944?

Finding May 19, 1944 in the Gregorian Calendar it is found to be marked 232 in the red figures. The corresponding figure in red on the Mohammedan Calendar is found to be the 26th day of the 5th month, Jumada-1-Auwal, 1363.

Imperial Potentate ALBERT H. Imperial Recorder PRICE: Imperial Sir, I move that the Representatives Ad Vitam and Emeriti Members, Representatives at Large, and Honorary Members and elected Representatives of the Iowa Corporation as reported by the Committee on Credentials be elected members of the Colorado Corporation for the ensuing year.

The Secretary of the Corporation, in advance of the meeting, mailed to all members of the Corporation the following Notice:

The Imperial Council, Ancient Arabic Order, Nobles of the Mystic Shrine for North America, is a corporation chartered under the laws of the State of Colorado. Its powers and functions are exclusively charitable and benevolent, the fraternal activities of the Ancient Arabic Order, Nobles of the Mystic Shrine, being conducted by a corporation of similar name but organized and chartered under the laws of the State of Iowa. In 1921 a Georgia Corporation, Shriners' Hospitals for Crippled Children, was organized; this Corporation originally held title to certain of the Hospital properties but since the incorporation of the Imperial Council, titles have been transferred to it with the exception of the Hospitals located at Springfield, Massachusetts and Montreal, Quebec, Canada. Title to the Springfield Hospital is held in the name of the Shriners' Hospitals for Crippled Children, a corporation organized and existing under the laws of the State of Massachusetts. It was necessary to organize this Corporation inasmuch as Massachusetts property is not exempt from taxation if held in the name of a foreign corporation, whether or not such corporation may be subject to tax in other jurisdictions. Title to the Canadian property is held in the name of a Canadian Corporation, incorporated under the name of Shriners' Hospitals for Crippled Children. While the Georgia Corporation does not hold title to any of the Hospital properties, some bequests have been made in which this Corporation is named as beneficiary and it has therefore been found necessary to continue its corporate existence. Members of the Board of Trustees, Shriners' Hospitals for Crippled Children, operating under the By-Laws of the Colorado Corporation constitute the majority of the Boards of Directors of the Georgia, Massachusetts and Canadian Corporations. Only one set of accounts is kept reflecting the operation of all of these Corporations; the figures submitted in this report include the activities of all of them.

The fiscal year of the Iowa and Colorado Corporations ends on the last day of February in each year.

A detailed audit was made of the cash receipts and disbursements of the Imperial Recorder, A. A. O. N. M. S.; and of the Secretary and Treasurer, respectively, of the Board of Trustees, Shriners' Hospitals for Crippled Children, as also of all recorded receipts and disbursements including Special and Endowment Funds of all Hospital and Mobile Units, with the exception of the accounts of the Honolulu Unit. Information with respect to this Unit has been taken from reports of its Board of Governors to the Secretary of the Board of Trustees, Shriners' Hospitals for Crippled Children, except that transactions involving the Endowment Fund at Honolulu were certified directly by trust companies acting as trustees.

No adjustment has been made anywhere in this report with respect to difference in value between the United States and Canadian dollar. The Imperial Treasurer has on deposit the sum of \$49,050.63 in the Winnipeg branch of the Bank of Montreal. The Winnipeg and Montreal Units also deposit their cash funds in the Canadian banks. The value of property and equipment owned and used at Winnipeg and Montreal is herein expressed in Canadian dollars as also the values of trust fund investments and cash held by both of these units. Remittances made by Canadian Temples to the Imperial Recorder (Colorado Corporation) are transmitted by him to the Treasurer of the Shriners' Hospitals for Crippled Children and deposited by him in turn directly in his Canadian bank account at Winnipeg. Under this procedure there is of course no exchange charge as these Canadian remittances are not converted into United States currency. In former years it has been necessary for the Treasurer to transfer United States funds to Canada, as remittances from Canadian Temples for all purposes have been substantially less in volume than the amounts expended by the Board of Trustees for operating expenses on the two Canadian Hospitals; but during the current year Canadian remittances for subscriptions to the Life Membership Fund were received in sufficient amount to maintain the Treasurer's balance in Canada without the transfer of United States funds. It should be understood that when Canadian subscriptions for life memberships are received, although such remittances are deposited to the credit of the general fund at Winnipeg, a similar amount is transferred from the General Fund to the Life Membership Fund at Washington, D. C., the purpose of this transaction being to avoid loss in exchange.

BALANCE SHEET

There is presented in Exhibit "A" a condensed consolidated comparative balance sheet as of February 28, 1943 and February 28, 1942, which, in my opinion, and subject to the accuracy of the figures given with respect to the Honolulu Unit, correctly portrays the financial position of the Shriners' Hospitals for Crippled Children at the dates given. The following comments are submitted with respect to the several items appearing on the balance sheet as of February 28, 1943 in explanation of the nature of the various accounts and the manner and extent of the verification made thereof:

Current Funds—\$1,461,825.88. Amounts included as current funds were as follows:

Treasurer's Cash	\$ 167,661.27
Treasurer's Securities	301,790.00
Unit and Secretary's Revolving Funds	63,041.25
Unit Special Fund Cash and Securities	551,656.18
Treasurer's Cash, Replacement Fund	174,900.03
Assessments Uncollected	185,811.33
Advances for Account of Legacies	6,457.23
Unit Special Purpose Fund Cash and Securities	10,508.59
Total Current Fund Assets	<u>\$ 1,461,825.88</u>

The accounts of the Treasurer were verified in detail at his office. There has been prepared and submitted as Schedule "1," attached hereto, a statement of cash receipts and disbursements of the Imperial Recorder and Treasurer, Shriners' Hospitals for Crippled Children. All cash accounts of the Treasurer were reconciled with certificates of balances obtained direct from the depository banks. Surety bonds in the aggregate amount of \$200,000.00 were in force at February 28, 1943 as protection against loss, in the event of bank failure, of funds in the custody of the Treasurer, including funds of the Imperial Council, A. A. O. N. M. S. (Iowa Corporation).

Reference is made to Schedule "1" for description of securities held by the Treasurer and the location and distribution by funds of cash balances held by him. The Treasurer's securities were inspected at the safety deposit vaults of the Hamilton National Bank, Washington, D. C., simultaneously with the verification of other securities held by the Treasurer for the account of the Imperial Council, A. A. O. N. M. S. (Iowa Corporation).

There is submitted in Schedule "2" a detailed list of Revolving Fund balances aggregating \$63,041.25. Of this amount \$53,775.16 represents cash deposited with banks, \$1,129.90 is in the form of petty cash funds in use at the various Units and the sum of \$8,136.19 represents United States Treasury bonds of the par value of \$8,200.00, having a market value at February 28, 1943 of \$9,043.00.

The balance sheet account designated as Unit Special Fund Cash and Securities represents amounts on hand at the various Units derived from contributions, donations, and income from investments and similar sources. Details of these amounts, together with similar figures representing Endowment Funds, are presented in Schedule "3" attached to this report. All bank balances (except at Honolulu) and securities were verified by reconciling to certificates obtained direct from depository banks or by inspection of securities in cases where securities were held in the custody of local Boards of Governors, the Imperial Recorder and the Secretary of the Board of Trustees, Shriners' Hospitals for Crippled Children.

The Treasurer's Replacement Fund was verified in connection with the verification of other accounts of the Treasurer. The sum of \$1,134.00 was expended from this fund during the year ended February 28, 1943, the expenditure having been made at the Montreal Unit. In addition thereto, the sum of \$5,987.19 was expended by local units for replacements from Donation and Endowment Income Funds available to them. Reference is made to Schedule "9" which contains information as to the amounts expended for this purpose by the several units, together with comparison of similar expenditures for the preceding year.

Assessments uncollected due from subordinate Temples were verified in connection with the examination of the accounts of the Imperial Recorder, A. A. O. N. M. S. (Iowa Corporation). The names of the Temples indebted and the amount due from each such Temple may be found in Schedule "4." All of the total amount shown as due represents current year assessments.

Building Fund Assets—\$6,343,520.33. Details of the real estate, building and equipment accounts are presented in Schedule "5." Additions to these

accounts during the year ended February 28, 1943 were verified during the course of this examination. No expenditures were made by the Board of Trustees for additions to building fund accounts, all such expenditures having been made from Contribution and Endowment Income Funds of local units. The Building Fund Investment of the Board of Trustees was reduced in the amount of \$1,680.00, which sum was realized from the sale of brace-shop equipment at the Chicago Unit. The building at Spokane, carried in the building fund account at a cost of \$83,325.92, is built on ground leased for a term of ninety-nine years from the St. Luke's Hospital Association of Spokane, Washington. Property at Springfield, Massachusetts is held in the name of Shriners' Hospitals for Crippled Children, a Massachusetts corporation, and at Montreal, Canada, in the name of Shriners' Hospitals for Crippled Children, a Canadian corporation.

General Endowment Fund Assets—\$4,514,126.07. General Endowment Fund Assets, which increased in the amount of \$521,735.58, as compared with February 28, 1942, consist of cash in the amount of \$101,715.23, real estate \$498,073.49, and securities \$3,914,337.35. Details of the location of these assets may be found in Schedule "3," while a description of the securities, together with all other securities which are the property of the several corporations, including market values as of February 28, 1943, may be found in Appendix "I." All amounts included in the General Endowment Fund have been placed there by voluntary action of the Board of Trustees; consequently both income and principal, if necessary, are available for general purposes connected with the operation of Shriners' Hospitals for Crippled Children.

Permanent Endowment Fund Assets—\$3,946,843.46. Permanent Endowment Fund Assets increased in the amount of \$1,208,378.78 as compared with February 28, 1942. Items classified as Permanent Endowment Funds represents gifts or bequests with respect to which donors and testators have required that the principal be kept intact and only the income used, in general for any ordinary hospital expense, but in certain specific instances for definite purposes as specified. There is also included under this caption the Life Membership Fund, which at February 28, 1943 amounted to \$1,325,004.72, an increase over the preceding year in the amount of \$670,315.13. Items included as Permanent Endowment Fund Assets are as follows:

Life Membership Fund Cash	\$ 188,662.41
Life Membership Fund Securities	1,136,342.31
Cash	36,501.90
Real Estate	169,181.39
Securities	2,416,155.45
Total	<u>\$3,946,843.46</u>

It will be observed that of the total assets of the Life Membership Fund \$188,662.41 was in the form of cash at February 28, 1943. Upon investigation it was found that this sum represented remittances received by the Trustee late in February, 1943, representing subscriptions received by the Treasurer during that month. Shortly after February 28, 1943, the Trustee invested practically

this entire amount in United States Treasury discount notes as a temporary investment pending subscription to an anticipated new issue of Treasury bonds which was expected to occur in the immediate future. Details of the location of Endowment Fund Assets are presented in Schedule "3" and description of the securities may be found in Appendix "I."

Current Funds Liabilities and Capital—\$1,461,825.88. Current Funds Liabilities at February 28, 1943 aggregated \$575,142.73, of which \$549,962.00 represents future revenue arising from assessments against members of the Imperial Council, A. A. O. N. M. S. (Iowa Corporation) as of December 31, 1942. The total membership in all Temples at December 31, 1942 was 307,591 of whom 16,223 had subscribed to the Life Membership Fund, leaving 291,368 members subject to assessment. The amount of assessment against these members was \$582,736.00 against which credits in the amount of \$32,774.00 were allowed representing allowance to Temples with respect to members who died or were suspended before payment of assessments, leaving a net assessment of \$549,962.00. Since the code of the Imperial Council provides that these hospital assessments shall be payable in advance, the assessment payable as of December 31, 1942 represents income available to the Hospitals for the year beginning March 1, 1943.

Other Current Funds Liabilities which aggregated \$25,180.73 included the following items: Liability for Victory Tax \$1,703.59; \$636.44 due the Hamilton National Bank as trustees' fees in connection with its handling of the Life Membership Fund, \$3,000.00 due to the Springfield Unit to defray operating expenses paid for by this Unit which has no revolving fund advanced by the Board of Trustees, and \$19,840.70 representing sundry items in the nature of gifts or bequests received by the Treasurer just before the accounts were closed but which are designated for specific local Units and will be transferred to them.

There has been prepared and presented as Appendix "I" a detailed list of all securities for account of the Hospitals. A summary of par, book and market values as of February 28, 1943, is here given:

OPERATIONS

A statement in condensed comparative form of income and expenses of Current Funds for the year ended February 28, 1943 and for the year ended February 28, 1942 is presented in Exhibit "B." Details of Special Fund Income and Expense may be found in Schedule "6," while Hospital and Custodial Expenses are displayed in Schedule "7." The Administrative Expenses of the Board of Trustees appear in Schedule "8"; Replacement Expenses in Schedule "9"; and increases of and transfers to Endowment Funds appear in Schedule "10."

Net income from investments for the year ended February 28, 1943 was \$251,702.26 as compared with \$200,854.43 for the preceding year, an increase of \$50,847.83. A contribution of \$100,000.00 was received from the Imperial Council, A. A. O. N. M. S. (Iowa Corporation) in accordance with a resolution adopted at its annual meeting held in June 1942. The Imperial Council also, through adoption of the report of its Committee on Finance and Accounts, cancelled an indebtedness of \$26,313.67 which last year was shown as a liability of the Colorado Corporation and representing advances from the Iowa Corporation to defray legal and auditing expenses of the Colorado Corporation. Advances from the Iowa Corporation for similar purposes for the current year aggregated \$13,213.45, which in accordance with resolution adopted are to be regarded as contributions to the Colorado Corporation by the Iowa Corporation. The revenue from assessments for the year ended February 28, 1943 was \$593,888.00, an increase of \$4,700.00 as compared with the preceding year. Contributions and gifts aggregating \$193,598.46 were \$35,414.02 less than for the preceding year. The contributions of the preceding year, however, included an amount of \$65,324.36 reported by the San Francisco Unit as received from the Trustees of the East-West football game to defray cost of building additions and replacements at that Unit; if this unusual item were excluded from the accounts of the preceding year, contributions received during the current year would have increased by approximately \$30,000.00. Interest on Treasurer's and other bank balances and on the Treasurer's securities amounted to \$6,970.70 as compared with \$25,308.76 for the preceding year. The much larger amount received in the earlier year may be attributed mostly to exchange premiums realized by the Treasurer through the transfer of United States funds to Canada. As previously explained, no such transfers were necessary during the current year as subscriptions to the Life Membership Fund received in Canadian funds were deposited direct in the Canadian bank account. Total income available to the current funds, including the contributions of the Iowa Corporation, was \$1,187,366.54, an increase of \$67,882.87 as compared with the preceding year. Hospital operating expenses increased \$6,481.17. A decrease in custodial expenses in the amount of \$8,971.23 was reported; details of both hospital and custodial expenses are presented in Schedule "7." The distinction between these two types of expenses should perhaps be explained.

The Imperial Council, when the work of the Shriners' Hospitals for Crippled Children was first undertaken, provided specifically that the work of the Hospitals should be strictly limited to orthopedics and that the assessments levied against its members should be used exclusively for that purpose, but as the facilities of the Hospitals are available only to patients unable to pay for hospital care it has been the policy to furnish medical or surgical care in emergency or as a charity, as, for instance, optical and dental services, from funds other than those supplied by the Imperial Council. Certain other expenses are incurred in connection with education and recreation of patients, and for transportation to and from the hospital and for clothing and shoes. Since all of these expenses accrue in connection with the Hospital's custody of the children and are not properly part of the expense of conducting orthopedic hospitals, they have consistently been eliminated from hospital operating expenses and shown in a separate category.

The administrative expenses of the Board of Trustees were \$32,039.82, a decrease of \$12,049.36, as compared with the preceding year. Details of these expenses are presented in Schedule "8"; it will be observed that practically all items in this schedule show decreases for the year. Most of these decreases may be attributed to the first full year of operation of the office of the Secretary of the Board of Trustees in conjunction with that of the Imperial Recorder for the Imperial Council. Expenditures for additions to buildings, new equipment and replacements were \$108,558.65 less than for the preceding year. During the year ended February 28, 1943, a research project was undertaken by the Montreal Unit, which expended the sum of \$4,000.00 for that purpose. Funds for this purpose were supplied from the income of a bequest made to that Unit by the late Henry J. Elliott, who directed that part of the income from his estate be used for this purpose. Various local units transferred sums aggregating \$36,916.83 from gifts and endowment income to general endowment funds. The total of all expenditures from current funds was \$1,031,298.58, a decrease of \$136,849.31 when compared with the preceding year. The excess of income over expenditures was \$156,067.96 compared with an excess of expenditures over income of \$48,664.22 for the year ended February 28, 1942.

The per capita cost of operating the Hospitals was \$3.70 per day as compared with \$3.28 for the preceding year and \$3.10 for the year ended March 31, 1941, \$3.02 for the eleven months ended February 28, 1940 and \$3.10, \$2.99 and \$2.91 for the years ended February 28, 1939, 1938 and 1937. It may be of interest to note that wages and salaries paid, increased \$18,220.05 during the year ended February 28, 1943, while supplies and other expenses decreased in the amount of \$11,638.88. The increase in salary and wage rates accrued mostly during the last few months of the year; had these increases been in effect throughout the year operating costs would have been correspondingly greater. The decrease in cost of supplies may be attributed in part to a decrease in the number of patients and patient days (the average daily number of patients decreased from 765 to 682 and the total patient days from 279,487 to 249,043) and in part to a tendency, intensified by rationing and other restrictions, to use up supplies faster than replacements can be made.

The total of all expenditures for the year ended February 28, 1943, including replacements and other capital items, was \$994,381.75, distributed as follows and compared with similar items for the preceding year:

	1943	1942
Hospital Operating Expenses	\$ 923,318.52	\$ 916,837.35
Hospital Custodial Expenses	17,435.99	26,407.22
General Administrative Expenses	32,039.82	44,089.18
Replacements	7,121.19	38,969.55
Additions to Buildings and Equipment	10,466.23	87,176.52
Research	4,000.00	
Total	<u>\$ 994,381.75</u>	<u>\$ 1,113,479.82</u>
Provided by Imperial Council	\$ 671,623.37	\$ 658,927.16
Provided by Contributions and Endowment Income	322,758.38	454,552.66
Total	<u>\$ 994,381.75</u>	<u>\$ 1,113,479.82</u>

During the year ended February 28, 1943, in addition to custodial expenses aggregating \$17,435.99 and capital items, research and replacements in the amount of \$20,453.42, expenditures by local Units for actual hospital operating expenses amounted to \$234,782.82. The net endowment income and contributions received direct by the Board of Trustees was \$50,086.15, including net income of \$10,115.36 from the Life Membership Fund. The extent to which each local Unit paid operating expenses from Contributions and Endowment Income is indicated in the tabulation here given:

Average Daily Number of Patients	Hospital	Cost per Patient Day	Hospital Operating Expenses	Paid by Board of Trustees	Paid by Local Board of Governors from Donations and Income from Endowment Funds

<u>682</u>		<u>\$3.70</u>	<u>\$923,318.52</u>	<u>\$688,535.70</u>	<u>\$234,782.82</u>

It will be observed that none of the expenses of the San Francisco Unit were paid by the Board of Trustees, the entire cost of conducting this hospital having been paid for from donations and endowment income.

A detailed balance sheet showing assets and capital accounts of the Hospital and Mobile Units, as well as the Board of Trustees' Accounts, as of February 28, 1943 has been prepared and is presented herewith as Appendix "II."

In conclusion, I desire to express my appreciation of the many courtesies extended to me and to the members of my organization and the assistance rendered by the officers, members of the Board of Trustees and Boards of Governors and employes at the various places visited during the course of this examination.

Respectfully submitted,

PARRY BARNES,
Certified Public Accountant.

Imperial Treasurer LEONARD P. STEUART: Imperial Sir, there have been several inquiries from the chairman of the Board of Trustees concerning the Government securities in the endowment funds of our Hospitals. Past Imperial Potentate Kendrick has asked me to give you these figures. I would like to say that the securities in the endowment funds total \$7,698,786.41 which are deposited with the respective trust companies.

I will simply read the list of Government securities in thousands—Salt Lake City, 39,000; Spokane, 119,000; Honolulu, 72,000; Greenville, 116,000; Shreveport, 14,000; Chicago, 340,000; Springfield, 629,000; Twin Cities, 277,000; Portland, 184,000; San Francisco, 734,000; St Louis, 555,000; Philadelphia, 560,000; Board of Trustees, in Chase National Bank, 264,000. All these figures, Nobles, represent our holdings on February 28th. Life Membership Fund securities amounted as of that date to \$1,121,500. I want to say that this sum is a million and a half as of today. The Canadian obligations are as follows: Montreal, 147,000; Springfield, 15,000; Winnipeg, 900, making a total of United States and Canadian securities of \$5,194,000, which is 67.7, or practically 68 per cent, of all the securities in the Endowment Funds of our Hospitals invested in Canadian or United States Government securities.

Nobles, as this report has been audited and found correct, I move its adoption.

Imperial Potentate FIEBACH: What shall we do with this report? It is duly moved and seconded that the report of the Treasurer be adopted. Are there any remarks? If not, all those in favor of that motion will signify it by saying "Aye." Those opposed "No." It seems to be unanimous. The report is adopted.

It is with great pleasure, members of this Imperial Council, that we call for the report of the chairman of the Hospital Board, Illustrious Noble W. Freeland Kendrick, Past Imperial Potentate.

REPORT OF BOARD OF TRUSTEES SHRINERS' HOSPITALS FOR CRIPPLED CHILDREN.

Past Imperial Potentate W. FREELAND KENDRICK: Imperial Potentate, Representatives to the Imperial Council, your Hospital Board comes before you today with the most encouraging and most optimistic report that it has ever been my happy privilege to make.

I told you a year ago when you generously and unanimously contributed \$100,000 to this merciful cause that I had confidence that we would never be compelled to ask for another appropriation from the Imperial Council. My optimism has again been borne out, and the figures that have just been given by the Imperial Treasurer are so impressive that I am sure that we are unanimously in agreement that the Hospitals have at last seen the sunshine of prosperity and happily assure perpetuation in the future of the work for mending the broken bodies of destitute crippled children regardless of race, color or religion.

There are so many figures that I could give you that you might become confused. So first I am going to give you a little resumé of the work that is being done in your Temples of Baby Smiles.

Since I last addressed you on the subject the per capita cost per day for the year closing March 1, 1943, has increased to \$3.63. This is brought about by the necessary reduction in the number of patients that can adequately be cared for in your Units on account of the demand of our Government for man power and woman power, and naturally the increase in salaries, food and other necessities for the conduct of the institutions.

The cost per patient is just about the same, being \$302.16 for each little broken body that has been discharged.

The average number of children in the beds in these institutions daily numbers 681.

The number of patients admitted from March, '42 to February 28, '43 was 2,998, which means that we hospitalized 2,998 children in that period of twelve months.

Number of patients discharged, 2,984. These children were either materially helped or absolutely cured.

The average length of stay of the patients was 85 days. The number of patients on the waiting list hoping and praying for admission to have an equal chance in life is 1,513.

The number of clinic visits—these are children that are either on the waiting list or do not need hospitalization—is an impressive figure. We have treated this year in clinic visits 24,286 patients.

The total number of braces furnished in the hospitals and in the clinics is 2,208. The number of X-rays in the hospitals and in the clinics amounts to 13,811. The total number of casts applied to these little broken and withered limbs number 10,438.

The total number of physical therapy treatments in your hospitals and in your clinics is 110,625.

The total number of major operations in the hospitals and clinics amounts to 5,245.

The total number of patients operated on totals 3,308.

And they said in a meeting similar to this twenty years ago that this could not be done. Many sound thinking Nobles of the Imperial Council endeavored to discourage this effort. But a great majority of you, and those like you, who have gone on before, realized with some of us that there were more than half a million destitute crippled children in North America who could either be helped or cured if orthopedic treatment was applied.

We can take a retrospective view of the past twenty years today and feel happy in the thought, happy in the justification of this pioneer effort of the Order of the Mystic Shrine, because it was a pioneer effort. Nothing of a concrete nature was being done for those most pathetic of all human beings, the destitute crippled child, when this great army of the best citizens in North America took up the work of restoration of the crippled child who had no hope in the race of life except for the men who wear the red fez. (Applause)

Time is relentless. It never gives back, and as chairman of your Board, I realize that the time is approaching when younger men must take our places

in this work for God and humanity. We must give thought in the immediate future for young blood on the Board of Trustees and to young men to carry on the work of this 17 million dollar corporation which you have created and builded for this blessed work.

Personally, may I for a moment say that I think I am one of the most fortunate men of our beloved Order because Almighty God has spared me to make such a report as I am proud and privileged to make today, and after the many trials and vicissitudes, the many heart aches and tears that I have shed in the beginning—fearful of its future, I am confident today of its future and I only wish that I had more of my life and years to give to this work that we all love so much.

This drive for Voluntary and Permanent Contributing Memberships has brought together a great force of splendid men. I can really and conscientiously say to you I think that the best men in Masonry and the Shrine in North America have taken an interest and have gone out and sold this million dollars worth of these certificates in the past year. And, Nobles, if they have done so you will agree with me that they have taken a greater interest in the welfare of the local Shrines to which they belong and we are seeing, instead of a decrease in membership, an increase for the first time in many years. And with the help of Almighty God and these splendid men, we hope you will put your shoulder to the wheel and your heart behind this movement and the future is doubly assured.

Now I have some more figures to give, but let me pause for a moment to give you just three or four facts from a stack of letters of the same nature that I have in my office. Many of you have received similar letters. Here is a letter which says:

I am twenty-eight years old, married to a very fine man, have two lovely children—a boy eight and in his third year of school, and a girl three December 5th. My favorite pastime is hunting. I can hike all day long with the best of them and shoot just as much game.

My father, being a farmer without extra cash, was unable to send me where I could have my twisted leg straightened. Therefore, without the wonderful help of the Shriners, where would I be today?

Thanksgiving Day I will say a prayer for each and every Shriner who is doing so much good in this world.

My only hope is that this humble letter will impart to you Shriners the gratitude I feel.

Sincerely yours,

Augusta Williams Scribner.

Now comes a letter from a father:

Illustrious Sir:

The attached check for \$300.00 is in payment of five memberships for our Crippled Children's Hospitals. This amount is the average sum spent in rebuilding a child for a useful life.

These certificates are in memory of my son William R. Malkemus, a Sergeant-Pilot of the R. C. A. F., who enlisted in 1940 and later was attached to the 149th Squadron, R. A. F. He was in the first big raid over Berlin, September 7, 1941, from which he did not return.

A letter found in his locker was mailed to me and I am taking the liberty of quoting in part: "I went out, not like a man, but as a man who prided

himself in his uniform, his service, and the knowledge that he was doing his full share towards doing what he believed right in the eyes of God and free men."

Therefore, in giving the above-mentioned memberships in his memory, we help rebuild a youth, we help our country in its drive for War Bonds, so that this world will be a safe place in which that child may become a useful citizen.

My sincere hope is, that our Imperial Potentate will remind the Nobility throughout North America of this means through which they too may remember their dear sons.

Here is another, written in the handwriting of a boy, addressed to Dr. Huether, the chief surgeon of your Unit in Salt Lake City. He said:

I am one of the many cripples that you have treated, and since I am about to graduate and fully recovered I thought maybe you would like to know that my foot, which was twisted so badly at first, is normal and never bothers me. I feel I have only you and my parents who were so wise in taking me to you for this miracle, to thank.

Today I received word that I had been accepted by the Board of Naval Officers Procurement for V-12 College Training Program.

Well, I don't know how I will ever be able to repay the Shrine, but, anyway, thanks again.

Sincerely,

Harvey Nay.

I have others here, but I fear I am trespassing on your time. One comes from a navigator. I must tell you about him. Eleven years ago a youngster was brought to the Shriners' Hospital at Minneapolis. He had been a victim of infantile paralysis. It left his body wasted. An operation was performed to correct a deformity that had threatened to make him a permanent cripple. Guess what that lad is doing today. He's a navigation officer on a Flying Fortress. His name is Lieutenant William G. Haber.

Here is a picture of a lieutenant in the Army who was cured of twisted limbs in one of your Hospital Units. And these are but a very few of the many that continually come to my desk.

Now, Nobles, is it any wonder that you and those like you are interested? Is it any wonder that our endowment funds have increased in excess of three million dollars in the twelve months ending March 1st? Is it any wonder that the splendid General Counsel of the Imperial Council who gives his time unreservedly to this work told me in my office not long ago that there is at least 25 million dollars in wills now in the course of probate not yet ready for distribution but waiting for the death of the life tenants and then to come to what I have continually said and believe more sincerely today than ever before, the world's greatest fraternity, a charity where the biggest men in North America have paused in their busy and important lives to reach the hand of helpfulness to the most pathetic of all human beings.

We have been fortunate in our Hospital Board. The committee has been most fortunate in the splendid work which has been done by our beloved Imperial Potentate who is giving up the gavel of authority at this meeting. Nobles, I have had telegrams and phone calls as late as midnight and later, with the enthusiasm of this sympathetic heart of Al Fiebach, telling me that he had been to that Temple, or perhaps to your Temple, where marvelous

responses for sixty, seventy, or a hundred or more subscriptions to these memberships had been made. Just let me go on record by saying that I have not the words that would adequately express the appreciation in my heart for what Imperial Potentate Al Fiebach has done in the past year for your Shriners' Hospitals for Crippled Children.

And your incoming Imperial Potentate aroused the Temples of Canada to a most magnificent response. They spared no expense in their literature, their tabloids and their solicitation, Rameses Temple leading all of the Temples of Canada, competing to show who can best serve, as the result of that splendid leadership that we of North America will be fortunate to have in the coming twelve months.

At home I must pay a tribute to my very close personal and loved friend, Illustrious Noble Bill Heim, the Potentate of Lu Lu Temple, always willing to help me inspire those of you who come to Philadelphia for further information and always thinking first of the Shriners' Hospitals.

I have a number of things here, but I am not going to bore you, so those of you who are not mentioned may take it for granted that my heart and the hearts of the Nobles of the Board of Trustees who have honored me with the chairmanship are grateful beyond expression to all of you.

I must mention, however, the *Shrine News* and Illustrious Noble Lou Chackes, who has given your Hospital Board unlimited space in this monthly publication. And oh, how I wish that all of the Temples subscribed to that publication to read the address of the Imperial Potentate monthly and to keep you informed of the splendid progress your Hospitals are making.

I think the report of the Imperial Treasurer is one of the most remarkable financial accomplishments of any corporation that I have ever been associated with or have had an opportunity to review. He told you today that more than five million dollars of our securities are invested in Government securities of the United States and Canada and practically all of it in War Bonds. There were some securities purchased prior to the war. There are some securities that have been left to us in wills. But there was practically 68 per cent of these securities amounting to five and one half million dollars invested in Government securities. These Hospitals which are helping the crippled children are also helping the men in the trenches on the war front of the world today. So in addition to mending broken bodies we are helping this war effort for the future of civilization.

A year ago Illustrious Noble Harvey Beffa presented a plan and told us in this room and on this very platform, how it would work. The net result of that plan is over a million dollars in the fund of that particular endeavor, and he suggested at that time that the chairman of the Board of Trustees should provide a suitable trophy for the Temple with the largest number of subscriptions in the percentage of its membership. I would like to ask my assistant at home, Noble Bill Thatcher, to place the cup which we have called the W. Freeland Kendrick Trophy, in full view, and I am going to ask that splendid right arm of mine, Illustrious Noble Bill Heim, to present the W. Freeland Kendrick Trophy to Sphinx Temple of Hartford, Connecticut which won the trophy.

Noble WILLIAM HEIM (Lu Lu Temple): Imperial Sir, will the delegation of Sphinx Temple kindly come to the platform. Is Noble John Peterson the captain of the committee, here or Illustrious Noble Longley, and his committee?

It is with the greatest pleasure, Nobles, that I present this personal trophy of Past Imperial Potentate W. Freeland Kendrick to the Illustrious Potentate of Sphinx Temple for having won the first leg of this contest, or this campaign. The Temple interested 32.5 per cent of its Nobility in making purchases of these sustaining memberships, and I want to congratulate the Illustrious Potentate and the splendid committee of the Temple. I sincerely hope that you will continue your efforts so that this beautiful testimonial may become your permanent property, in the name of the greatest of all philanthropies, our Shriners' Hospitals for Crippled Children.

Noble RAYMOND I. LONGLEY (Sphinx Temple): Illustrious Sir, I am indeed happy and proud to accept for Sphinx Temple this very wonderful trophy. We will take it to Hartford, "The Land of Steady Habits." When I say "steady habits" I mean that we are going to continue to sell Hospital memberships. We have credit for 32.8 per cent. That of course applies as of December 31st last year. Today with a membership of 1806, we have 602 Hospital Memberships, and I feel safe in saying that before the end of the year we will reach a percentage of 35, which is something for other Temples to "shoot at." Thank you again, sir.

Past Imperial Potentate KENDRICK: Nobles, there is another wonderful Temple that has really been the inspiration for all of this magnificent progress in the number of subscriptions to these memberships. Every year they have come to this platform and given us a check for a large number and they have consistently led the list of all Temples in the number of these subscriptions. Moslem Temple heads the list today with 946 memberships, (applause) and they are closely pressed by Al Kader, and by Moolah. Boumi, Beni Kedem and Syria have come along rapidly.

The Board of Trustees decided that it was not fair for the Chairman to give a trophy to the percentage winner, and they want to offer another one to be won three times by the leader, and I am going to ask the originator of this plan, Illustrious Noble Harvey Beffa, to present the Board of Trustees' cup to Moslem Temple.

Noble HARVEY A. BEFFA (Moolah Temple): Imperial Sir, will the delegation from Detroit or Illustrious Noble Carlson and the rest of his delegation over there, kindly come to the platform.

May I say to Illustrious Noble Bill Carlson from Detroit and the rest of the fine Nobles that you see here on the platform, that we are mighty grateful for the splendid support and efforts that the Nobility of Moslem have placed back of this Life Membership drive. As Imperial Sir Kendrick has told you, the National Board has decided to have two trophies, the W.

Freeland Kendrick trophy and one other to be awarded to the Temple having the most memberships, numerically.

Illustrious Sir, you are receiving this trophy for the reason that on December 31st your good Temple had 819 of these memberships, with a percentage of 21, and it is with a great deal of pleasure and I assure you it is an honor to present this trophy to you and I hope you may be able to retain it, until it becomes your permanent possession. Thanks a million for the great job you are doing for the crippled kiddies.

Noble WILLIAM CARLSON (Moslem Temple): Imperial Sir, and Illustrious Noble Freeland Kendrick and Noble Harvey Beffa, I am sure, as far as Moslem Temple is concerned, we will greatly value and cherish this trophy presented to us at this time. I want to say too that as far as Moslem Temple is concerned it has not been a case where we wanted to be first. We simply went out and went to work. We perhaps have done a job, it is true, but if we did there is nothing that any Temple in North America could not do for so great a cause.

I would also like to say it is not a one man job. We have a committee. Ever since the first of the year when we started with 819 we have been working. All of the Past Potentates for the past few years have been equally enthusiastic in this work. My predecessor, Past Potentate Bill Frackelton was one of the instigators immediately after the last Imperial Council Session when this campaign was presented by Illustrious Noble Harvey Beffa. Past Potentate Tommy Van Dine was also instrumental in doing a tremendous amount of work. And next year's Potentate of Moslem, Illustrious Noble Milton C. Smith, has pledged his entire year to this very work.

Of course we cannot overlook one of the very Illustrious Nobles of our Temple, a Noble who has worked in this cause for many years and who is so well and favorably known to you. I refer to our own beloved Past Imperial Potentate, Judge Clyde I. Webster. (Applause)

And last but not least, a Noble of whom we are very proud in Moslem Temple. I refer to our Recorder, Illustrious Noble Tunis E. Stinson, better known as Eddie to most of us. (Applause) He is not only a great Recorder, and with due respect to all Recorders, I think Moslem has got the best Recorder in North America.

Nobles, it may be a little beside the point at this time, because I know you have heard some very eloquent nominating speeches made for the several candidates for Outer Guard, but I doubt if any nominating speech could be made that was more edifying and informative than the one that Illustrious Noble Eddie Stinson made for me last winter, when I assumed the office of Potentate of Moslem Temple. Eddie, would you care to repeat that nominating speech?

Noble T. E. STINSON (Moslem Temple): Nobles, you know this Noble has talked for a long while. He is a Swede, and he came to me to nominate him last year. I said: "I desire to place the name of Illustrious Noble William Carlson in nomination for Potentate, and for the benefit of you fellows sitting out there"—I am talking to the audience in Moslem Temple—"this fellow

is a Swede. If you don't know what a Swede is I will tell you. A Swede is a Norwegian with his brains knocked out." That elected him.

I want to say as of July 1st Moslem Temple has sold Permanent Contributing Memberships to the number of 1,004. (Applause)

Noble CARLSON: I might say at the time when I was so eloquently nominated that I did respond and thank him. One of the Past Imperial Potentates, sitting right behind me, said, "Bill, go up there and respond." So I did, something after this fashion:

"I am so glad you push me up in this office here. Well, I don't know what I can do. I don't know if I can do anything. But I do the best I can."

I went along that way for a little while and one of the fellows outside said—he was one of those fellows that usually comes in for the election—didn't know anybody—I had never seen him before—and he said, "How in the world did they elect that fellow? He can't even talk English."

Illustrious Sir Freeland and Illustrious Noble Beffa, in all seriousness, from the bottom of my heart we thank you, with the assurance Moslem Temple will carry on and definitely meet any competition you guys want to throw at us. (Applause)

Past Imperial Potentate KENDRICK: I have two more very interesting subjects on the Hospital report. Oasis Temple down in Charlotte, North Carolina, made a supreme effort and their splendid committee sold more than 250 of these memberships in a very short period. They, through very influential friends, called upon Walt Disney, the celebrated cartoonist, to draw a picture entitled "Courageous Hearts with Glorious Hopes." I have copies of it here. I wish I had sufficient copies for you all to see it. This is a wonderful picture with the expressions of hope on the faces of these crippled children looking up a Ladder of Baby Smiles at children like themselves able to play and take part in athletic sports. Here they are on crutches and in wheel chairs and beds, and with braces, looking up that ladder. If any Temple desires to use this cartoon, if you will write to Noble John Northey, of Oasis Temple in Charlotte, North Carolina, I am confident he will send one to you.

Now in conclusion there is a splendid Potentate of Oriental Temple who sends me this letter:

As Potentate of Oriental Temple it is a great pleasure for me, on behalf of Oriental Temple, to advise that Oriental Temple's beloved Noble, Elmer E. Strobe, who departed this earth on October 5, 1942, proved himself a great Shriner and a great humanitarian by providing in his last will and testament, which was admitted to probate in the Surrogate's Court of Rensselaer County, New York, on October 8, 1942, that his residuary estate go as follows:

"Two thirds to Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, a corporation, for the use and benefit of Shriners' Hospitals for Crippled Children owned and maintained by said corporation.

"One third to the Trustees of the Masonic Hall and Asylum Fund of the Grand Lodge of Masons of the State of New York."

It is believed by the executors of the estate that the legacy to the Imperial Council will be available before the end of 1943, and while the exact

amount of the residuary estate is unknown at the present time, it is believed that the legacy to the Imperial Council will exceed \$100,000.00. (Applause)

Now, Nobles, as I close this report and ask its adoption let us all bow our heads for a moment with the children in your Hospitals and offer a prayer to Almighty God that when we meet a year hence this dreadful war will have become history and that the dove of a victorious peace will be perched upon the banners of the United Nations.

Past Imperial Potentate ANDREW A. D. RAHN: Illustrious Potentate W. Freeland Kendrick, Zuhrah Temple has a check just under \$5,000 for Permanent Certificates in the Crippled Children's Hospitals and we will present that to you, sir, for the certificates.

As director of District C which comprises Wisconsin, North and South Dakota, Iowa and Minnesota, we have taken a very active part in this campaign. I am very proud of Zuhrah Temple with a membership of 3700. This amount that we will present to you, sir, today, will bring up that membership to nearly 600. Noble Chalgren, the present Potentate of Zuhrah, was the head of that committee last year. We hope to have in Zuhrah Temple at least a thousand members before the first of the year, and we do hope that we will go beyond the 30,000 that the Hospital Board of North America is asking for. Will Noble Chalgren step forward?

Noble L. T. CHALGREN (Zuhrah Temple): Imperial Sir and Nobles, Zuhrah Temple is very happy and proud to hand you a check for \$4,920 to this great fund. This represents 82 new memberships in the Crippled Children's Hospitals. I had word from Zuhrah Temple last evening stating that another check would be forthcoming very soon. I am very, very happy and proud to be associated with an organization of this kind. I now hand you this check.

Past Imperial Potentate KENDRICK: Thank you very much.

Imperial Potentate FIEBACH: I want to assure the Representatives that if they will give the same rapt attention to the business that is to follow which was given to Illustrious Noble Freeland Kendrick's talk, we can dispatch a lot of business in a very few minutes. You know this morning we elected ten of these Imperial Officers in less than fifteen minutes. You can do a lot if you will set yourselves to the task. Now before we leave the subject of Hospitals I wonder if Governor Julius Heil will come to the platform. I want to recognize him at this time.

Noble JULIUS P. HEIL (Tripoli Temple): Illustrious Noble Freeland Kendrick, Nobles, and Imperial Representatives—I have heard all these nice reports. I have been a member of of this Imperial Council for more than thirty years. I fought out this Crippled Children's Hospital movement with our good friend Illustrious Noble Kendrick. We had our ups and downs. Not all of our Nobility believed in it. Now since it has made good, they feel a little different.

I am usually addressed as Governor, but I am an ex-Governor as a matter of fact. I am an industrialist now, and I want to talk about industrialists to this Imperial Council for a few moments. The industrialists of the United States today are making a lot of money. The industrialists of the United States today ought to be seen and solicited to do something for the Crippled Children. These industrialists can help Illustrious Noble Freeland Kendrick and this Hospital Board of the Imperial Council to build up the fund for the crippled children so there will be some more definite and substantial provisions made for them.

My son is a sort of executive head of my business. He is a Shriner and a 32° Mason. But he is busy raising a family so we can have an army to fight, but he is anxious to help along a little. I want you to know, you who pay large income taxes, that if you gave a little money to crippled children it will not cost you a great deal. You know that is exempt from taxes. I say to you Representatives that when you go back home, call on these industrialists in your community, and if you are an industrialist I want you to think about this too.

I was going to give you a larger check than this, Freeland, but my son and I discussed the situation and he said, "Father, I don't believe you ought to go all the way out." So we will make it modest. But I would like you men of means of this country at this time to give a little to the crippled children. If you will do that for the Imperial Council and for Illustrious Noble Freeland Kendrick and my good friend you have elected Potentate from Canada, to which country I swore allegiance many years ago, you will feel like a real Shriner. Anything I can do for this Imperial Council or any one of its Representatives anywhere in America, it will be my pleasure.

But I am going to turn over a just a little check to Illustrious Noble Freeland Kendrick, chairman of the Crippled Children's Hospitals from my little corporation. (Applause)

Past Imperial Potentate KENDRICK: I evidently sold one Noble for \$5,000. (Applause)

Julius, this is a poor word to express to you for all of the encouragement you have given me for the past twenty years, and for this magnificent contribution of \$5,000 from your splendid industrial company.

Imperial Potentate FIEBACH: Now, Nobles, during the year you have probably noticed that Illustrious Noble Freeland Kendrick appointed an Ambassador at Large for this Membership drive, Noble Ed Schultz, of Cincinnati, the secretary-treasurer of the LeBlond Machine Tool Company, who happens to be a member of Mahi Temple in Miami, Florida. Is Noble Ed Schultz in the room? (Response from the balcony.)

Noble Schultz will you approach the stage. I want these boys to look at you. This wonderful Noble out of a sympathetic heart, moved by a charitable impulse, traveled around North America last year challenging Temples to go out and sell these memberships and make him pay for rungs in the Lad-

der of Baby Smiles. He agreed to take two rungs on the ladder of every Temple that he visited last year, and he bought \$4,600 worth of these rungs on the Ladder of Baby Smiles. (Applause)

I didn't know this youngster until I visited Ansar Temple in Springfield, Illinois. Come here, I would like to put my arm around you. When I went down there this wonderful Noble was visiting Ansar Temple, and Illustrious Noble Dave Finney, the Potentate, introduced him and also a member of Ansar Temple who had come back for the first time in twenty-four years, because he had drifted away from Illinois and finally landed in South Bend, Indiana, and made a lot of money over there, and he came back home because in his boyhood days he and Dave had played together and when Dave got into the line of Ansar Temple he said, "Dave, when you get to be Potentate I will come back to visit my own Temple."

And that wonderful Noble, Arthus Simon, by name, agreed with Noble Ed Schultz that he would take two rungs on the Ladder of Baby Smiles for Ansar Temple for every two Noble Ed Schultz took, so they agreed to take four apiece. So Ansar had eight rungs sold on every series of a hundred in their Ladder of Baby Smiles.

Well, I went to Noble Ed Schultz and I said, "I challenge you to come over to my Temple right away." He said, "Why not? I want to spend some money. I want to beat Uncle Sam out of some income tax. Tell your Potentate I will take two rungs on the Ladder in your Temple for every hundred Nobles signed up." So I went after Noble Arthur Simon and got him to agree to do the same thing. You know we have nicked these fellows for two rungs. I am going to tell you right now that you are going to get nipped for a couple more before the end of the year.

Noble Schultz in our deliberations in the Board of Trustees' meeting Illustrious Noble Freeland Kendrick and I discussed your splendid work. Maybe your ears burned, but we decided we would like to recommend a little tribute to be given to you for the wonderful inspiration and encouragement you have been to many Temple in North America. I don't know the exact number to which he has made this offer but I am told that his donations for these memberships in this year will exceed \$6,000. (Applause)

When I was in Cincinnati I was taken to Noble Schultz's marvelous industry there, at the time almost 100 per cent of war production, and I was presented with a beautiful gold pass admitting me to that war industry for an inspection tour. It struck me as a very beautiful thing, and I have been privileged to show it in some twenty Temples that I have visited since I received it from Noble Schultz in Cincinnati. I showed it to Illustrious Noble Freeland Kendrick, and he and I agreed that you should have a gold certificate, or a gold membership card in testimony of our appreciation of the wonderful inspiration you have been in this drive for rungs on the Ladder of Baby Smiles, and here is a gold certificate or card which we will have engraved—they could not get it done in time, but we are going to have engraved on it this little sentiment:

TO EDWARD G. SCHULTZ,
Ambassador at Large

In appreciation of the sympathy and outstanding service he has given to Shriners' Hospitals for Crippled Children in the effort to mend the broken bodies of destitute crippled children.

Signed by W. Freeland Kendrick, Chairman, and Albert H. Fiebach, Imperial Potentate.

Noble EDWARD G. SCHULTZ (Mahi Temple): Illustrious Noble Fiebach, my good friend Past Imperial Potentate Freeland Kendrick—This is indeed a wonderful and beautiful surprise. I want to tell you I will cherish this for many, many years. Thanks from the bottom of my heart. (Applause)

Imperial Recorder PRICE: We have two Representatives or two members of the Trustees, Shriners' Hospital for Crippled Children to elect. The terms of Past Imperial Potentate W. Freeland Kendrick, the present chairman of the Board, and Illustrious Noble W. J. Hofmann of Al Kader Temple, Portland, Oregon, expire.

I move you, sir that the rules be suspended, the nominations closed and that Illustrious Noble Galloway Calhoun of Karem Temple be instructed to cast the unanimous ballot of this Imperial Council for these two outstanding Nobles to succeed themselves. (Motion seconded.)

Imperial Oriental Guide HAMMERS: It is moved and seconded that the rules be suspended, the nominations be closed and Illustrious Noble Galloway Calhoun cast the unanimous ballot of this Imperial Council for these two Nobles. Are you ready for the question? All those in favor of the motion will vote "Aye." Those opposed "No." The motion is carried.

Imperial First Ceremonial Master GALLOWAY CALHOUN: It gives me great pleasure to cast the unanimous ballot of this Imperial Council for Past Imperial Potentate W. Freeland Kendrick and Illustrious Noble Bill Hofmann for these vacancies on the Board of Trustees.

Imperial Oriental Guide HAMMERS: The chair will kindly ask Past Imperial Potentate W. Freeland Kendrick and Illustrious Noble Bill Hofmann to come to the platform.

Past Imperial Potentate KENDRICK: Thank you, Nobles. I am very pleased to accept.

Imperial Oriental Guide HAMMERS: Illustrious Noble Hofmann, you have been elected Trustee of the Hospital Board. Do you accept?

Noble HOFMANN: I do. Thank you.

Imperial Oriental Guide HAMMERS: They are both elected.

Imperial Recorder PRICE: Imperial Potentate, under the instructions of our General Counsel that the four members of the Board from the Imperial

Divan be elected for one year, I make the same motion with respect to the Imperial Treasurer, Illustrious Noble Leonard P. Steuart, Illustrious Noble Morley E. MacKenzie, incoming Imperial Potentate, the incoming Deputy Imperial Potentate Illustrious Noble Alfred G. Arvold, and Illustrious Noble William H. Woodfield, Jr., the incoming Imperial Chief Rabban. I move you, sir, that the rules be suspended, the nominations closed, and that Illustrious Noble Galloway Calhoun, who performed so nicely here, be instructed to cast the unanimous ballot of this Imperial Council for these four Nobles. (Motion seconded.)

Imperial Oriental Guide HAMMERS: It is moved and seconded that these four members of the Imperial Divan be elected Trustees of the Hospital Board. All those in favor of this motion will vote "Aye." Those opposed "No." The motion is carried.

Imperial First Ceremonial Master CALHOUN: I am very happy to comply with the terms of the motion. The vote is cast.

Imperial Oriental Guide HAMMERS: Will the four Nobles who were elected approach the platform? Illustrious Noble MacKenzie, do you accept for these members?

Deputy Imperial Potentate MACKENZIE: On behalf of the four members elected, all of us accept.

Illustrious Noble Albert H. Fiebach, our retiring Imperial Potentate, by virtue of the law becomes a member of the Board also.

Imperial Oriental Guide HAMMERS: The chair recognizes the general counsel, Illustrious Noble Smith.

Noble ROBERT P. SMITH (Almas Temple): Under the Colorado By-Laws, it is necessary at this time to elect a Board of Directors, which consists of the newly elected Imperial Officers and the immediate Past Imperial Potentate. Therefore I nominate for Directors of the Colorado Corporation Morley E. MacKenzie, Alfred G. Arvold, William H. Woodfield, Jr., George H. Rowe, Karl Rex Hammers, Leonard P. Steuart, James H. Price, Galloway Calhoun, William Heim, Harold Lloyd, Hubert M. Poteat, Roland D. Baldwin, Robert Gardiner Wilson, Jr., and Albert H. Fiebach.

Imperial Chief Rabban HAMMERS: Do I hear a second? (Motion seconded.) Are you ready for the question? All those in favor will vote "Aye." Those opposed "No." The motion is carried and I declare the Board of Directors elected.

Illustrious Noble Morley MacKenzie, will you accept in behalf of these Nobles.

Deputy Imperial Potentate MACKENZIE: I do accept on behalf of these elected Nobles. Thank you again.

Noble SMITH: It is also necessary to elect officers of the Colorado Corporation. We have a chairman of the Board of Directors, president, first

vice president, second vice president, treasurer, secretary, and assistant secretary.

For chairman of the Board I nominate Morley E. MacKenzie, the incoming Imperial Potentate; for president, Past Imperial Potentate W. Freeland Kendrick; for first vice president the incoming Deputy Imperial Potentate Alfred G. Arvold; for second vice president the incoming Imperial Chief Rabban William H. Woodfield, Jr.; for treasurer, Imperial Treasurer Leonard P. Steuart; for secretary, Imperial Recorder James H. Price; for assistant secretary, Everett W. Jacocks. I move their election. (Seconded)

Imperial Oriental Guide HAMMERS: It is moved and seconded that these officers be elected. Those in favor will vote "Aye." Those opposed "No." The motion is carried. I declare these Nobles elected. Illustrious Noble MacKenzie will you accept on behalf of the election of these Nobles to the Board of Directors of the Colorado Corporation.

Deputy Imperial Potentate MACKENZIE: I do accept on behalf of those elected. Thank you.

Noble SMITH: Imperial Sir, I want to add one more director. I would like to place in nomination the name of Past Imperial Potentate W. Freeland Kendrick. Our By-Laws call for fifteen directors. I did not include the name of Illustrious Noble W. Freeland Kendrick in my former motion. I move his election as a member of the Board of Directors.

Imperial Oriental Guide HAMMERS: It is moved and seconded that Past Imperial Potentate W. Freeland Kendrick be added to the Board of Directors. All those who favor his election will vote "Aye." Those opposed "No." The motion is carried. Illustrious Noble Kendrick do you accept?

Past Imperial Potentate KENDRICK: I do.

Imperial Oriental Guide HAMMERS: Any further business?

Imperial Recorder PRICE: One of our very efficient Recorders, the Recorder of Al Kader Temple, has handed me this check for \$2700 from Al Kader Temple. While accepting donations this was overlooked. It comes through Recorder Duckworth, and I would like to have his name in the record, and this includes also the boy orator from Portland, Noble Adams, and the member of the Hospital Board from Al Kader, Illustrious Noble Hofmann.

Noble FONTAINE JOHNSON (Ben Ali Temple): This is a report of the Committee on Jurisprudence and Laws recommending the amendment of Section 24 (c) of the By-Laws of the Colorado Corporation with respect to the investment of the \$60.00 Permanent Membership fee in the securities of the Dominion of Canada. I will read the whole section, if you want me to do it. (Cries of "No.") (Reading the last two paragraphs of the report.)

I move you, sir, the adoption of the report and the amendment of the By-Laws.

Imperial Oriental Guide HAMMERS: It is moved and seconded that the report and amendments submitted by the Committee on Jurisprudence and Laws be adopted. All those in favor of this motion will vote "Aye." Those opposed "No." The report and the amendments are adopted.

Following is the complete report of the Committee:

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

V.

To the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, a Colorado Corporation;

There has been referred to the Committee on Jurisprudence and Laws an amendment to Section 24(c), Article V, of the By-Laws of the Colorado Corporation, to read as follows:

"Upon the receipt by the Treasurer of the \$60.00 payment which exempts the assessment of Shriners' Hospitals for Crippled Children, it shall be his duty to place the same for investment in trust companies selected by him and approved by the Board of Directors of this Corporation under a declaration of Trust prepared by the General Counsel and approved by the Board of Directors of this Corporation, and which said trust indenture shall provide that the fund be invested and re-invested in general obligation bonds and securities for which the faith and credit of the United States Government, or the Dominion of Canada, is pledged both as to principal and interest; general obligation bonds of any State, Province, County and City and Highway Bonds, wherein the state, province, or sub-division has not defaulted in the payment of either interest or principal within ten years previous to such investment. Said trust indenture shall also provide for the substitution of trustee or trustees and that said trust fund so created shall contribute an endowment fund and the income therefrom shall be used for the operation and maintenance of Shriners' Hospitals for Crippled Children. Said trust indenture shall further provide that said trustee shall account for all sums so invested by it, together with a list of securities to the Secretary of the Board of Trustees, Shriners' Hospitals for Crippled Children and the President of the Corporation, annually or oftener as said officers may request."

The purpose of the resolution is to authorize the investment of the funds realized by the Colorado Corporation for the Crippled Children's Hospitals in the securities of the Dominion of Canada. A considerable portion of the funds secured for the \$60.00 sustaining membership comes from the Dominion of Canada. It has been advertised that every \$60.00 contributed by the Canadian Nobles is invested in Canada War Bonds. At the present time, the By-Laws as they now stand, do not permit the investment of any portion of this fund in Canadian securities. This amendment cures that defect.

It is the recommendation of your Committee that the Resolution be adopted and the By-Laws amended.

Respectfully submitted,

FONTAINE JOHNSON
GROVER C. NOLTE
LOUIE W. STRUM
MURDOCH L. MARTYN
WILLARD P. LOMBARD.

Imperial Recorder PRICE: Imperial Sir, I just want to get into the record another contribution for Life Memberships from Alhambra Temple, Chattanooga, 11 memberships at \$60, amounting to \$660.

Thursday Morning, July 8, 1943

Noble FONTAINE JOHNSON (Ben Ali Temple): As to the Colorado Corporation, I move you Sir, that all of the acts of the officers of the Colorado Corporation, the Board of Trustees for Crippled Children's Hospitals and the Board of Directors covering the period up to this Imperial Session be ratified, confirmed and approved. (Motion seconded.)

Past Imperial Potentate LAW: All who favor the motion will vote "Aye." Those opposed, "No." The motion is adopted.

Imperial Recorder PRICE: I am instructed by the Chairman of the Board to announce the following Committees:
